**A Midsummer Night's Dream: Language and Writing** Nov 22 2019 This lively and informative guide to Shakespeare's popular comedy equips you with the critical skills to analyse its language, structure and themes and to expand and enrich your own response to the play. A Midsummer Night's Dream is a perfect play for exploring Shakespeare's diverse uses of language to reveal character and themes, from formal iambics and rhyming couplets of courtiers and lovers, and 'warbling' notes' and nursery rhythms of fairies, to stocky prose by the artisan players including Bottom's comic malapropisms. An introduction considers when and how the play was written, and addresses the language with which Shakespeare created A Midsummer Night's Dream, as well as the generic, literary and theatrical conventions at his disposal. It then moves to a detailed examination and analysis of the play, focusing on its literary, technical and historical intricacies; an account of the play's performance history and its critical reception completes the volume. Each chapter offers a 'Writing matters' section, clearly linking the analysis of Shakespeare's language to your own writing strategies in coursework and examinations.

[Behind Closed Eyes](#) Aug 12 2021 Dreams and nightmares have long puzzled and fascinated, yet this is the first book to explore such visions in the Ancient Egyptian world. The author traces the evidence from the first half of Egypt's long history, the Old Kingdom through the New Kingdom, a time-span of over 1,000 years. The book is arranged thematically, with chapters devoted to the literary use of dreams, to the political use of divine visions, to the technology used to ward away terrorizing nightmares. It also explores the Rameside Dream Book, a unique text that reveals the desires and anxieties that could inspire an Egyptian's dreams, with images of sex and power, of gods and the dead. All the relevant passages are conveniently translated in an appendix.

**The Man of My Dreams** Jan 05 2021 In her acclaimed debut novel, Prep, Curtis Sittenfeld created a touchstone with her pitch-perfect portrayal of adolescence. Her prose is as intensely realistic and compelling as ever in The Man of My Dreams, a disarmingly candid and sympathetic novel about the collision of a young woman's fantasies of family and love with the challenges and realities of adult life. Hannah Gavener is fourteen in the summer of 1991. In the magazines she reads, celebrities plan elaborate weddings; in Hannah's own life, her parents' marriage is crumbling. And somewhere in between these two

extremes—just maybe—lie the answers to love’s most bewildering questions. But over the next decade and a half, as she moves from Philadelphia to Boston to Albuquerque, Hannah finds that the questions become more rather than less complicated: At what point can you no longer blame your adult failures on your messed-up childhood? Is settling for someone who’s not your soul mate an act of maturity or an admission of defeat? And if you move to another state for a guy who might not love you back, are you being plucky—or just pathetic? None of the relationships in Hannah’s life are without complications. There’s her father, whose stubbornness Hannah realizes she’s unfortunately inherited; her gorgeous cousin, Fig, whose misbehavior alternately intrigues and irritates Hannah; Henry, whom Hannah first falls for in college, while he’s dating Fig; and the boyfriends who love her more or less than she deserves, who adore her or break her heart. By the time she’s in her late twenties, Hannah has finally figured out what she wants most—but she doesn’t yet know whether she’ll find the courage to go after it. Full of honesty and humor, *The Man of My Dreams* is an unnervingly insightful and beautifully written examination of the outside forces and personal choices that make us who we are.

**The Distance Between Hopes and Dreams** Jun 10 2021 In *The Distance between Hopes and Dreams*, author Charles Lobaito presents a collection of poetry that embodies and explores the human spirit. We all wish to be great, and we all dream beyond the heights of our imagination. The verses contained here examine those wishes and dreams--their conception and their accomplishment. Each poem in this volume offers a journey--a literary awakening into the places we know and beyond. The collection combines three books of poetry into one volume. *Perception of the Navigator* focuses on seizing one's destiny. *The Epiphany Maker* explores the abstract and the discovery of fate. *Notebooks from the Past* reflects on life in its search for peace. From love to war, hope to promise, history to time, freedom to knowledge, the verses in this collection share honest, witty, and philosophical considerations of life at the dawn of the twenty-first century. *The Distance between Hopes and Dreams* seeks to bring out the poet and dreamer in all of us. If Dreams Were Keys There'd Be No Locks Door I If dreams were keys there'd be no locks, All prisons empty, true love run amok! Fat angels would smile with rifles, and socks: To target the banana-strawberry heart. [Out of the Night and Into the Dream](#) Sep 20 2019 The author of *Empire of the Sun* and other acclaimed

novels and stories, British writer J. G. Ballard is here given a penetrating analysis, his work being explored in terms of its internal coherence, thematic continuity and development, and mythic and metaphysical aspects. Ballard's fiction is widely considered to be a critique of our secular, rational, technological culture, but the writer is shown not to be fatalistic, but, rather, concerned with the redemption and regeneration of the human psyche. This study examines Ballard's output over four decades and compares him to several British and American writers of the post-World War II era--within and beyond the often too-rigidly applied categorization of science fiction, as well as to Romantic visionaries of the past.

**The Bazaar of Bad Dreams** Oct 22 2019 Includes the story "Premium Harmony"—set in the fictional town of Castle Rock, Maine The masterful #1 New York Times bestselling story collection from O. Henry Prize winner Stephen King that includes twenty-one iconic stories with accompanying autobiographical comments on when, why and how he came to write (or rewrite) each one. For more than thirty-five years, Stephen King has dazzled readers with his genius as a writer of short fiction. In this new collection he introduces each story with a passage about its origins or his motivations for writing it. As Entertainment Weekly said about this collection: "Bazaar of Bad Dreams is bursting with classic King terror, but what we love most are the thoughtful introductions he gives to each tale that explain what was going on in his life as he wrote it." There are thrilling connections between stories; themes of morality, the afterlife, guilt, what we would do differently if we could see into the future or correct the mistakes of the past. In "Afterlife," a man who died of colon cancer keeps reliving the same life, repeating his mistakes over and over again. Several stories feature characters at the end of life, revisiting their crimes and misdemeanors. Others address what happens when someone discovers that he has supernatural powers—the columnist who kills people by writing their obituaries in "Obits;" the old judge in "The Dune" who, as a boy, canoed to a deserted island and saw names written in the sand, people who then died in freak accidents. In "Morality," King looks at how a marriage and two lives fall apart after the wife and husband enter into what seems, at first, a devil's pact they can win. "I made these stories especially for you," says King. "Feel free to examine them, but please be careful. The best of them have teeth." Stories include: -Mile 81 -Premium Harmony - Batman and Robin Have an Altercation -The Dune -Bad Little Kid -A Death -The Bone Church -Morality - Afterlife -Ur -Herman Wouk Is Still Alive -Under the Weather -Blockade Billy -Mister Yummy -Tommy -The Little Green God of Agony -Cookie Jar -That Bus Is Another World -Obits -Drunken Fireworks -Summer Thunder

*Love Dreams Among Other Schemes* Mar 07 2021 Every love dream is not just about love, but is about life, itself, and how to live an enjoyable, happy life bubbling with radiant love. Every dream is about some aspect of ourselves, whether we are cognizant of its meaning or message. Dreams can be categorized in many ways, for example physical dreams, lucid dreams, symbolic dreams, daydreams, and so forth. Love dreams are dreams of a personal nature, of inspiration, and always are meaningful. They are mirrors by which we relate to ourselves as well as others, in all areas of love relationships. These dreams are not limited to romance. They encompass self-love and from this insourcing, help us to learn how to better show love toward others, as well as to accept love showered on us from others. Love Dreams Among Other Schemes is

a medley of poems and poetical writing to help the reader to balance, to harmonize, to synthesize, and maintain a wonderful appreciation of the beauty that can be gathered and experienced from one's dreams. The reader is sure to walk away with the desire for self-examination and exploration into dreams and love. Elwood Gene- Mishmah has been writing poetry since his teen years. He has self-published several other books of poetry. This is his third work which includes the themes of love and dreams. A fourth is forthcoming. *The Dreams* Sep 01 2020 In his final years, Egyptian Nobel Laureate Naguib Mahfouz distilled his storyteller's art to its most essential level. Written with the compression and power of dreams, these poetic vignettes, originally collected in two books, *The Dreams* and *Dreams of Departure*, here combined in one volume for the first time. These stories telescope epic tales into tersely haunting miniatures. A man finds his neighborhood has turned into a circus, but his joy turns to anger when he cannot escape it. An obscure writer finally achieves fame-through the epitaph on his grave. A group of friends telling jokes in an alley face the murderous revenge of an ancient Egyptian queen. Figures from Mahfouz's past-women he loved, men who inspired him, even fictional characters from his own novels-float through tales dreamed by a mind too fertile ever to rest, even in sleep. Translated by Raymond Stock

*Love Poems For Sweet Dreams* Feb 06 2021 Ben Diaz, (who writes under the nom de plume of Natureboy) and his family, live in a small community called Goodrich in the state of Michigan. Writing has been an ongoing hobby since he was an adolescent. He enjoys the power of words and the feelings that they can evoke. Ben (or Natureboy as he likes to say) writes poetry and the romance genre is what he enjoys writing about the most. He attributes much of his poetry to life experiences and a day dreaming reverie which often draws him into love poems. Ben has taken several classes in Creative Writing at local community colleges. It is at that time he started really honing his poetic writing skills. Free Verse is very evident in his style of writing. Over the years, he has rebuffed many humorous remarks about how he signed his poetry as Natureboy/Ben Diaz. Natureboy has become his accepted signature on his poetry, and he signs it that way, with a humble acceptance of how he sees himself. He enjoys handcycling and finding ways to exercise in his wheelchair which is an ongoing challenge to him.

**Dreams Must Explain Themselves** Jun 22 2022 'By turns sharp, funny and insightful, high-minded but never mean-spirited, the book embodies its author's lifelong quest for freedom: freedom as a woman, freedom to write what she pleased, freedom to like what she liked. Genre fiction - and literature in general - has lost not just one of its brightest exponents but one of its bolshiest champions.' FINANCIAL TIMES 'Excellent' CHOICE 'Le Guin is one of the singular speculative voices of our future, thanks to her knack for anticipating issues of seminal importance to society' TLS Ursula K. Le Guin has won or been nominated for over 200 awards for her fiction, including the Hugo, Nebula, World Fantasy and SFWA Grand Master Awards. She is the acclaimed author of the Earthsea sequence and *The Left Hand of Darkness* - which alone would qualify her for literary immortality - as well as a remarkable body of short fiction, including the powerful, Hugo-winning 'The Ones Who Walk Away from Omelas' and the masterpiece of anthropological and environmental SF 'The Word for World is Forest' - winner of the Hugo Award for best novella. But Ursula Le Guin's talents do not stop at fiction. Over the course of her extraordinary career, she has penned numerous essays around themes important to her: anthropology, environmentalism, feminism, social justice and literary criticism to name a few. She has responded in detail to criticism of her own work and even reassessed that work in the context of such critiques. This selection of the best of Le Guin's non-fiction shows an agile mind, an unparalleled imagination and a ferocious passion to argue against injustice. In 2014 Ursula Le Guin was awarded the National Book Foundation's Medal for Distinguished Contribution to American Letters, and her widely praised acceptance speech is one of the highlights of this volume, which shows that one of modern literature's most original voices is also one of its purest consciences.

A Dream of Light & Shadow Jun 17 2019 Sixteen original essays on women writers from Mexico, Guatemala, Honduras, Costa Rica, Colombia, Ecuador, Uruguay, Argentina, and Brazil are gathered in this book. Each establishes the relationship between the biography of the subject and her literary production. Some of these writers, like Nobel Prize-winner Gabriela Mistral, Elena Poniatowska, and Victoria Ocampo, are well known; others are still largely undiscovered. All of them defy the limits imposed upon them by society, and all have been able to find freedom through creative imagination. All the writers included here are vitally concerned with the problems women face in Latin America. Children and mothers are the central focus of their lives and of many of their writings. These writers have participated in essential ways in the history of their respective countries and in the intellectual history of Latin America, and at the same time, their greatest contribution has been in the sharing of the private details of personal stories, their own and others. In the strong connections that many of them have had with each other, Marjorie Agosin sees a culture of sisterhood.
