Beyond Blessed Jan 01 2020 Reach your financial goals and reduce the stress in your life with this book of biblical principles by the bestselling author of *The Blessed Life*. Who doesn't want to eliminate financial stress? Who doesn't want to get out of debt, reach their financial goals, experience the joy that God intends for us, and be free to bless others with their resources? In *The Blessed Life*, Pastor Robert Morris teaches that generosity is a key component to being in God's favor. Now, in *Beyond Blessed*, he shares the importance of being a good steward, not only with your finances, but with every part of your life. Pastor Morris will motivate you to become a better manager of your money, and provide practical lessons on taking your finances to the next level. Through Biblical principles, personal stories, and incredible testimonies, you will learn how to be a good steward, and that when you properly manage your finances, blessings will pour into all areas of your life. Here is a guide to increasing and going further with what God has given you, and living beyond blessed.

Dumping Debt Apr 03 2020 Debt is the most aggressively marketed product in history. And it isn't just sold by banks and credit card companies anymore. Many national retail chains make more money on the sale of credit applications than they do on the actual merchandise they sell. In *Dumping Debt*, Dave blows the lid off the credit game, debunking the leading myths about debt that have become ingrained in our natural way of thinking. Then he walks you right out of debt with his simple, clear and effective debt snowball technique.

Retire Inspired Sep 28 2019 When you hear the word retirement, you probably don't imagine yourself

scrambling to pay your bills in your golden years. But for too many Americans, that's the fate that awaits unless they take steps now to plan for the future. Whether you're twenty five and starting your first job or fifty five and watching the career clock start to wind down, today is the day to get serious about your retirement. In *Retire Inspired*, Chris Hogan teaches that retirement isn't an age; it's a financial number an amount you need to live the life in retirement that you've always dreamed of. With clear investing concepts and strategies, Chris will educate and empower you to make your own investing decisions, set reasonable expectations for your spouse and family, and build a dream team of experts to get you there. You don't have to retire broke, stressed, and working long after you want to. You can retire inspired!

Dave Ramsey's Financial Peace University Member Workbook Nov 22 2021 This workbook is designed to be used with Dave Ramsey's Financial Peace University DVD course, and covers 13 different lessons in personal finance, such as how to get out of debt, retirement planning, real estate purchases, relating to money, and saving for college.

Dave Ramsey's Complete Guide to Money May 29 2022 If you're looking for practical information to answer all your "How?" "What?" and "Why?" questions about money, this book is for you. Dave Ramsey's Complete Guide to Money covers the A to Z of Dave's money teaching, including how to budget, save, dump debt, and invest. You'll also learn all about insurance, mortgage options, marketing, bargain hunting and the most important element of all?giving. This is the handbook of Financial Peace University. If you've already been through Dave's nine-week class, you won't find much new information in this book. This book collects a lot of what he's been teaching in FPU classes for 20 years, so if you've been through class, you've already heard it! It also covers the Baby Steps

Dave wrote about in *The Total Money Makeover*, and trust us?the Baby Steps haven't changed a bit. So if you've already memorized everything Dave's ever said about money, you probably don't need this book. But if you're new to this stuff or just want the all-in-one resource for your bookshelf, this is it!

Personal Financial Planning for Executives and Entrepreneurs Aug 08 2020 Effective financial planning for executives and entrepreneurs is complex, dense, and impossible to reduce to a single, easy-to-understand formula. Designed to emphasize the importance of effective, targeted financial planning, this book begins by telling a story about a fictional, but plausible, power couple and their family who (spoiler alert!) do pretty much everything wrong in securing their financial future. In most cases, they don't do the things needed because they don't know what they are. Using this story as a case study of executives and entrepreneurs, the book breaks down the case into chapters and offers practical discussions of all the key financial planning pillars—investment planning, tax planning, estate planning, philanthropic planning, risk management, and equity-based compensation to name a few—with the tools needed to tailor a plan for virtually every circumstance and need. While there is no single plan that works for everybody, this book will provide a guide with complicated, technical information alongside specific guidance on how to build an effective financial plan.

Love Your Life Not Theirs Apr 15 2021 In *Love Your Life, Not Theirs*, Rachel Cruze shines a spotlight on the most damaging money habit we have: comparing ourselves to others. Then she unpacks seven essential money habits for living the life we really want--a life in line with our values, where we can afford the things we want to buy without being buried under debt, stress, and worry. The Joneses are broke. Life looks good, but hidden beneath that glossy exterior are credit card bills, student loans, car payments, and an out-of-control mortgage. Their money situation is a mess, and they're

trying to live a life they simply can't afford. So why exactly do we try so hard to keep up with the Joneses? Are we really living the lives we want, or are we chasing someone else's dream, just trying to keep up appearances on social media, at church, and in our community? Why are we letting other people set the pace for our own family's finances? In *Love Your Life, Not Theirs*, Rachel shows you how to buy and do the things that are important to you--the right way. That starts by choosing to quit the comparisons, reframing the way you think about money, and developing new habits like avoiding debt, living on a plan, watching your spending, saving for the future, having healthy conversations about money, and giving. These habits work, and Rachel is living proof. Now, she wants to empower you to live the life you've always dreamed of without creating the debt, stress, and worry that are all too often part of the deal. Social media isn't real life, and trying to keep up with the Joneses will never get you anywhere. It's time to live--and love--your life, not theirs. "I've never read a book about money that takes this approach--and that's a good thing! Comparison has a way of weaving itself throughout all aspects of our lives, including our money. In *Love Your Life, Not Theirs*, Rachel Cruze outlines the seven money habits that really matter--and they have nothing to do with keeping up with the Joneses!" Candace Cameron-Bure Actress, author, and co-host of *The View* "Love Your Life, Not Theirs is full of the kind of practical, straightforward advice we've come to expect from Rachel Cruze. She offers guidance on paying down debt, smart saving, and the right way to talk to your spouse about money. These indispensable tips can help with day-to-day spending decisions and put you on a path to establishing healthy financial habits." Susan Spencer Editor-in-Chief for *Woman's Day* "Cruze's self-deprecating and honest voice is a great resource for anyone wanting to take charge of their money. With humor and approachability, she helps her readers set themselves up for success and happiness, no matter what current financial state they may be in." Kimberly Williams-Paisley *New York Times* best-

selling author of *Where the Light Gets In* "In today's world of social media, the temptation to play the comparison game is stronger than ever. *Love Your Life, Not Theirs* is the perfect reminder that, when it comes to money, comparison is a game you can't win. A terrific--and much needed--read." Jean Chatzky Financial Editor, NBC TODAY and Host of HerMoney with Jean Chatzky Podcast

The Legacy Journey Feb 11 2021 What does the Bible really say about money? About wealth? How much does God expect you to give to others? How does wealth affect your friendships, marriage, and children? How much is “enough”? There’s a lot of bad information in our culture today about wealth and the wealthy. Worse, there’s a growing backlash in America against our most successful citizens, but why? To many, wealth is seen as the natural result of hard work and wise money management. To others, wealth is viewed as the ultimate, inexcusable sin. This has left many godly men and women confused about what to do with the resources God’s put in their care. They were able

to build wealth using God's ways of handling money, but then they are left feeling guilty about it. Is this what God had in mind?

The Total Money Makeover Journal May 05 2020 When Dave Ramsey was experiencing his own "total money makeover," he found that journaling was very helpful and effective in allowing him to see the big picture. Dave says, "Take this journal and record everything happening that seems like a big deal. Record the relationship issues, the debt, the emotions, the setbacks, the victories, and anything else that seems important at the time." "The immediate benefits of writing everything down are twofold. First, writing helps you process the problems and victories. The second immediate benefit of journaling is that you can reread your entry just days - even months - later and gain vital perspective on your progress." Now in a bullet journal format with prompts for recording victories and setbacks, The Total Money Makeover Journal will motivate those in The Total Money Makeover journey to find value in every day. "Write it down. You will be glad you did."

Choose FI Jun 25 2019 Now available for Pre-Order! A common resolution set at the beginning of a new year is to "get my financial house in order." But how can you build a house, let alone pour any kind of foundation, without a blueprint? There are dozens of books and gurus trying to push their advice and tell you how to spend and invest your money. And then, there are three suburban dads just trying to make the world a little bit better. Meet Brad Barrett and Jonathan Mendonsa of the award-winning ChooseFI podcast and Chris Mamula of the popular blog "Can I Retire Yet?". They have walked the talk and now want to share their knowledge with you. Together, these three regular guys will show you how they did something extraordinary. They are all financially independent and doing meaningful work that fulfills them. All three left their corporate 9 to 5 jobs and are reaping the benefits of extra time with their families. Mirroring the format of the popular ChooseFI podcast, this book pulls from the collective knowledge of those who have decided to build a lifestyle around their passions instead of allowing their finances to dictate their future. These stories demonstrate universal principles, giving you the opportunity to pick the elements that are the most applicable to your financial situation

and "choose your own adventure." The book covers a wide range of topics that will help you build a strong financial foundation: Developing a growth mindset Defining your values and aligning them with your spending Cutting years from your estimated retirement date Questioning the status quo on "required expenses" Cutting travel expenses and putting family vacations within your reach Learning how to earn more and live with abundance Updating the commonly accepted wisdom on college education and the debt associated with it Cutting through the noise on investing to discover strategies that work Showing how to implement investment strategies that enable the lifestyle you desire while controlling downside risk FI or Financial Independence is the new debt-free and getting back to 0 is just the beginning of a wonderful journey. Whether you have mountains of debt now or are recently debt free and wondering what to do next, Choose FI: Your Blueprint to Financial Independence will give you the information to guide your next move.
