The Spire Study System® aims to change that. Using cutting-edge science and advanced information design, we have created a study system rather than a study guide. Just follow the simple directions in this book, and rest easy in the knowledge that you will pass your test. We're so confident that Spire will work for you, we guarantee that you'll pass your test -- or we'll give you your money back. No more cramming. No more wasted studying time.
