Tired--So Tired! and the Yeast Connection Oct 30 2019 Fatigue is one of the most common problems for which people seek medical attention. Why is it so widespread? Through years of research, Dr. William G. Crook discovered that chronic fatigue is often linked to the consumption of sugar and yeast, along with other foods to which people can develop sensitivities. Certain nutrient deficiencies, too, can lead to fatigue. Tired-So Tired! presents the doctor's treatment program as well as his research on this important subject.

The Thousand Crimes of Ming Tsu Jul 08 2020 Winner of the Carnegie Medal for Excellence Finalist for the Young Lions Fiction Award A Chinese American assassin sets out to rescue his kidnapped wife and exact revenge on her abductors in this New York Times Book Review Editors' Choice: a twist on the classic western from "an astonishing new voice" (Jonathan Lethem). Orphaned young, Ming Tsu, the son of Chinese immigrants, is raised by the notorious leader of a California crime syndicate, who trains him to be his deadly enforcer. But when Ming falls in love with Ada, the daughter of a powerful railroad magnate, and the two elope, he seizes the opportunity to escape to a different life. Soon after, in a violent raid, the tycoon's henchmen kidnap Ada and conscript Ming into service for the Central Pacific Railroad. Battered, heartbroken, and yet defiant, Ming partners with a blind clairvoyant known only as the prophet. Together the two set out to rescue his wife and to exact revenge on the men who destroyed Ming, aided by a troupe of magic-show performers, some with supernatural

powers, whom they meet on the journey. Ming blazes his way across the West, settling old scores with a single-minded devotion that culminates in an explosive and unexpected finale. Written with the violent ardor of Cormac McCarthy and the otherworldly inventiveness of Ted Chiang, *The Thousand Crimes of Ming Tsu* is at once a thriller, a romance, and a story of one man's quest for redemption in the face of a distinctly American brutality. "In Tom Lin's novel, the atmosphere of Cormac McCarthy's West, or that of the Coen Brothers' *True Grit*, gives way to the phantasmagorical shades of Ray Bradbury, Charles Finney's *The Circus of Dr. Lao*, and Katherine Dunn's *Geek Love*. Yet *The Thousand Crimes of Ming Tsu* has a velocity and perspective all its own, and is a fierce new version of the *Westward Dream*." –Jonathan Lethem, author of *Motherless Brooklyn*

Monday, Monday Nov 04 2022 Winner of the Texas Institute of Letters' Jesse H. Jones Award for Best Work of Fiction One of Kirkus Reviews' Best Fiction Books of the Year and a Wall Street Journal Favorite Book of the Year On an oppressively hot Monday in August of 1966, a student and former marine named Charles Whitman hauled a footlocker of guns to the top of the University of Texas tower and began firing on pedestrians below. *Monday, Monday* follows three students caught up in the massacre: Shelly, who leaves class and walks directly into the path of the bullets, and two cousins, Wyatt and Jack, who heroically rush from their classrooms to help the victims. This searing day marks the beginning of a relationship that will entangle these three young people in a forbidden love affair, an illicit pregnancy, and a vow of silence that will span forty years. Reunited decades after the tragedy, Shelly, Wyatt, and Jack will be thrown back once more to the event that changed their lives, and confronted with the lingering power of a secret none of them are ready to reveal. With *Monday, Monday*, "Elizabeth Crook has written an extraordinary novel—an eloquent love story born from an act of random violence, a tale of destruction and redemption" (Sarah Bird).

Through Five Administrations Apr 16 2021 Colonel William H. Crook spent fifty years at the White House in varying roles, including, as the title says, Abraham Lincoln's bodyguard. Beyond his touching personal observations about president Lincoln (they were clearly friends, and Crook felt extremely affectionately about him), he also gives us a glimpse into life in the white house and those most influential of figures surrounding it. His stories of presidents Garfield, Johnson, and Hayes are fascinating. His many accounts of his friendship with Ulysses S. Grant, including buggy racing with the general, and his presence as a guest at Grant's daughter's white house wedding are as humorous as they are interesting.

The Which Way Tree Oct 03 2022 The poignant odyssey of a tenacious young girl who braves the dangers of the Texas frontier to avenge her mother's death. Early one morning in the remote hill country of Texas,

a panther savagely attacks a family of homesteaders, mauling a young girl named Samantha and killing her mother, whose final act is to save her daughter's life. Samantha and her half brother, Benjamin, survive, but she is left traumatized, her face horribly scarred. Narrated in Benjamin's beguilingly plainspoken voice, *The Which Way Tree* is the story of Samantha's unshakeable resolve to stalk and kill the infamous panther, rumored across the Rio Grande to be a demon, and avenge her mother's death. In their quest she and Benjamin, now orphaned, enlist a charismatic Tejano outlaw and a haunted, compassionate preacher with an aging but relentless tracking dog. As the members of this unlikely posse hunt the panther, they are in turn pursued by a hapless but sadistic Confederate soldier with troubled family ties to the preacher and a score to settle. In the tradition of the great pursuit narratives, *The Which Way Tree* is a breathtaking saga of one steadfast girl's revenge against an implacable and unknowable beast. Yet with the comedic undertones of Benjamin's storytelling, it is also a timeless tale full of warmth and humor, and a testament to the enduring love that carries a sister and brother through a perilous adventure with all the dimensions of a legend. "A ripping adventure [with] a show-stopping finale."-Wall Street Journal "The stuff of legends."-Attica Locke "Powerful, sly, and often charming."-Daniel Woodrell

The Night Journal Aug 01 2022 A mesmerizing novel of four generations of Southwestern women bound to a mythical legacy With its family secrets and hallowed texts containing explosive truths, *The Night Journal* suggests A. S. Byatt's *Possession* transplanted to the raw and beautiful landscape of the American Southwest. Meg Mabry has spent her life oppressed by her family's legacy—a heritage beginning with the journals written by her great-grandmother in the 1890s and solidified by her grandmother Bassie, a famous historian who published them to great acclaim. Until now, Meg has stubbornly refused to read the journals. But when she concedes to accompany the elderly and vipertongued Bassie on a return trip to the fabled land of her childhood in New Mexico, Meg finally succumbs to the allure of her great-grandmother's story—and soon everything she believed about her family is turned upside down.

'Til All These Things Be Done Oct 23 2021 Set against the rich but often troubled history of Blacklands, Texas, during an era of pandemic, scientific discovery, and social upheaval, the novel offers a unique—yet eerily familiar—backdrop to a universal tale of triumphing over loss. Even as dementia clouds other memories, eighty-three-year-old Leola can't forget her father's disappearance when she was sixteen. Now, as Papa appears in haunting visions, Leola relives the circumstances of that loss: the terrible accident that steals Papa's livelihood, sending the family deeper into poverty; a scandal from Mama's past that still wounds; and Leola's growing unease with

her brutally bigoted society. When Papa vanishes while seeking work in Houston and Mama dies in the "boomerang" Influenza outbreak of 1919, Leola and her young sisters are sent to an orphanage, where her exposure of a dark injustice means sacrificing a vital clue to Papa's whereabouts. That decision echoes into the future, as new details about his disappearance suggest betrayal too painful to contemplate. Only in old age, as her visions of Papa grow more realistic, does Leola confront her long-buried grief, leading to a remarkable family discovery that could offer peace, at last.

KNOLL Nov 11 2020 "Their list keeps getting shorter. Pray you aren't on it." A young protégé of Edward Snowden flees the NSA after she learns that her project (KNOLL) is designed to detect and destroy any person with new facts about the conspiracy to assassinate JFK. The project's latest target: a small-town attorney, son of a mysteriously murdered cop, who has just discovered his family's involvement with deceased Mafia Kingpin Carlos Marcello, and the events that day in Dallas. All paths lead to a small Louisiana town that still hides its secrets, and converge on the doorstep of Marcello's still-active savant of assassins. He is unstoppable. His creed: Omerta Is Forever.

The Yeast Connection and Women's Health Mar 28 2022 A growing number of women suffer from chronic health disorders that seem to defy treatment, with problems ranging from vaginitis to migraines and depression. Now, hope is at hand in the completely revised and updated The Yeast Connection and Women's Health. Included is vital information on prescription and nonprescription antifungals, lifestyle changes, dietary modifications, and nutritional supplements—all presented in easy-to-understand language with real examples of women who restored vibrant health to their lives.

Maple Moon Nov 23 2021 Tells the story of how a lame young Indian boy discovered maple syrup while seeking solace in the woods.

Stirring Prose Feb 12 2021 Initially conceived as a Who's Who of Texas authors, Stirring Prose was born of Deborah Douglas's brilliant deduction that asking authors to write about their favorite recipes freed them from the big toe-digging constraints of having to talk directly about themselves. Thirty-nine Texas writers offered up a favorite concoction, and their reflections about the recipe's genesis and meaning give revealing glimpses of their personalities and writing styles. Not a traditional cookbook in the Betty Crocker sense, Stirring Prose is distinctively personal. Billy Porterfield reveals his fantasies about a voluptuous restaurant owner and a dream-enhanced recipe for game hen fricassee with a French New Guinea twist. Sunny Nash gives an enticing snapshot of her grandmother. Bigmama, and divulges the secret to beautiful skin with Bigmama's Mysterious Rose Water Splash. And John Erickson shares his Bachelor Cowboy's Delight, the meal he eats over and over when his wife and children are out of town, and which consists of steak, lettuce salad, and green peas. Some

of these recipes, such as Dr. (Larry L.) King's Asian Flu Hot Liquid Life-Saver, almost beg for a do not try this at home disclaimer. Others, such as Cindy Bonner's Bohemian Kolaches and Clay Reynolds's Tex-Mex Breakfast, will send readers straight to the kitchen for some serious egg breaking. Each recipe is accompanied by a photograph, a publication list, and an engaging, personalized introduction by Douglas, herself a fine writer. Although not a comprehensive collection of Texas writers (some writers are not yet authors, and some perhaps demurred for culinary or pecuniary reasons), *Stirring Prose: Cooking with Texas Authors* is a delicious introduction to Texas writers and a virtual dinner party to be enjoyed vicariously.

The Yeast Connection Sep 09 2020 An in-depth guide to those health problems in people of all ages and sexes that can be traced to sensitivity to the yeast germ *Candida albicans*.

Live Large Feb 24 2022 As a corporate strategist, Elizabeth B. Crook spent years helping companies grow in new industries and new markets. Although she focused on organizations, more and more individuals sought her assistance in mapping their paths towards fresh and exciting future opportunities. Realizing her gift, Elizabeth developed a process that has since helped hundreds of achievers discover what matters most to them and determine clear paths towards their dreams and beyond. In *Live Large*, Elizabeth equips you with the valuable tools she's used for years to help high-achieving individuals find fulfillment by determining what's next in their lives. Comprised of eighteen interactive chapters, the book guides you through a series of explorations, including finding your values, determining the beliefs that hold you back, discovering your "bull's eye" target, and ultimately answering the question of what makes you say "Yippee!". *Live Large* is a valuable guidebook for anyone looking to reignite their life.

The Secret Science Alliance and the Copycat Crook Jun 18 2021 Super-smart Julian Calendar thinks starting junior high at a new school will mean he can shed his nerdy image—but then he meets Ben and Greta, two secret scientists like himself! The three form a secret club, complete with a high-tech lair. There, they can work to their hearts content on projects like the Stink-O-Meter, the Kablovsky Copter, and the Nightsneak Goggles. All that tinkering comes in handy when the trio discovers an evil scientist's dastardly plan to rob a museum. Can three inventors, armed with their wacky creations, hope to defeat this criminal mastermind?

Three Junes Jun 30 2022 In this captivating debut novel, Julia Glass depicts the life and loves of the McLeod family during three crucial summers spanning a decade. Paul McLeod, patriarch of a Scottish family and a retired newspaper editor and proprietor, is on a package tour of Greece after the death of his wife. The story of his departure from the family home in Scotland and late gesture towards some sort of

freedom gives way to his eldest son's life (Fenno). Fenno protects his heart by putting himself under emotional quarantine throughout his life as a young gay man in Manhattan. When he returns home for his father's funeral, this emotional isolation cannot be sustained when he is confronted by a choice that puts him at the centre of his family and its future. *Three Junes* is a novel about how we live and how family ties (those that we make as well as those that we are born into) can offer redemption and joy.

Unboxed Jul 20 2021 It's a world of small, personal magics. Noah is a Finder of lost items, a very minor talent that he mostly uses to make a bit of cash during the slow months in his jewellery shop. Brandon is a Fixer, making broken or worn-out objects whole again. Eaton, as a Lie Detector, has the perfect talent for his career with the police. Every person is born with either a key or a locked box. Each box has one key, and every key can unlock one box. How can these three friends hope to stay close and still find their soulmates? Especially with someone stealing keys and replacing them with well-crafted, soulless counterfeits.

Beautiful Ruins May 30 2022 In 1962, on a rocky patch of sun-drenched Italian coastline, a young innkeeper looks out over the incandescent waters of the sea and spies a woman, a vision in white, approaching him on a boat. He learns that she is an American starlet who is said to be dying. And the story begins again in the present when half a world away, an elderly Italian man shows up on a movie studio's back lot searching for the mysterious woman he last saw at his hotel decades earlier. What unfolds is a dazzling, yet deeply human, roller coaster of a novel, spanning fifty years and nearly as many lives including the starstruck Italian innkeeper and his long-lost love; the producer who once brought them together and his idealistic young assistant; the army veteran turned fledgling novelist and the rakish Richard Burton himself, whose appetites set the whole story in motion. Gloriously inventive and constantly surprising, *Beautiful Ruins* is a story of flawed yet fascinating people, navigating the rocky shores of their lives while clinging to their improbable dreams.

The Which Way Tree Oct 11 2020 "A ripping adventure [with] a show-stopping finale."--Wall Street Journal "The stuff of legends."--Attica Locke "Powerful, sly, and often charming."--Daniel Woodrell The poignant odyssey of a tenacious young girl who braves the dangers of the Texas frontier to avenge her mother's death Early one morning in the remote hill country of Texas, a panther savagely attacks a family of homesteaders, mauling a young girl named Samantha and killing her mother, whose final act is to save her daughter's life. Samantha and her half brother, Benjamin, survive, but she is left traumatized, her face horribly scarred. Narrated in Benjamin's beguilingly plainspoken voice, *The Which Way Tree* is the story of Samantha's unshakeable resolve to stalk and kill the infamous panther, rumored across the Rio

Grande to be a demon, and avenge her mother's death. In their quest she and Benjamin, now orphaned, enlist a charismatic Tejano outlaw and a haunted, compassionate preacher with an aging but relentless tracking dog. As the members of this unlikely posse hunt the panther, they are in turn pursued by a hapless but sadistic Confederate soldier with troubled family ties to the preacher and a score to settle. In the tradition of the great pursuit narratives, *The Which Way Tree* is a breathtaking saga of one steadfast girl's revenge against an implacable and unknowable beast. Yet with the comedic undertones of Benjamin's storytelling, it is also a timeless tale full of warmth and humor, and a testament to the enduring love that carries a sister and brother through a perilous adventure with all the dimensions of a legend.

Sporting Chance Mar 16 2021 When a treacherous superior officer forced Heris Serrano to resign her commission in the Regular Space Service, she thought she would simply be marking time captaining a rich lady's interstellar yacht. But things seem to happen when Heris is around. During Lady Cecelia's most recent pleasure cruise, Heris exposed a sinister 'hunting club' which used humans as prey, and in the process rescued some former Fleet friends and colleagues betrayed by the same senior officer who engineered her own resignation from Fleet. All well and good, but one of the hunters had been none other than Cecelia's nephew Prince Gerel - first in line to the throne. In an attempt to avoid a royal scandal, Lady Cecelia volunteers herself and her yacht to take the Prince home. Cecelia remembers her nephew as a rather bright young man. So what possessed him to become involved with the 'hunting club'? As the voyage proceeds, and the Prince becomes less and less like himself, Cecelia begins to suspect foul play. Someone is poisoning the heir to the throne, and once again Heris's skills are called upon to solve the deadly mystery.

The Legacy of Elizabeth Pringle May 06 2020 'ORIGINAL AND ENTHRALLING' Guardian 'AFFECTING AND TENDER' The Times 'COMPLETELY ENCHANTING' Penny Vincenzi Elizabeth Pringle lived all her long life on the Scottish island of Arran. But did anyone really know her? In her will she leaves her beloved house, Holmlea, to a stranger - a young mother she'd seen pushing a pram down the road over thirty years ago. It now falls to Martha, once the baby in that pram, to answer the question: why? Martha is coping with her mother's dementia and the possibility of a new life on Arran could be a new start. A captivating story for fans of Rosamund Pilcher, Maeve Binchy and Rachel Joyce of the richness behind the so-called ordinary lives of women and the secrets and threads that hold them together. And Kirsty Wark's second novel, *The House by the Loch*, a story of unlikely love and long-hidden family secrets set in the beautiful Scottish countryside, is out now.

Raven's Bride Sep 02 2022 In 1829, Sam Houston was the thirty-six-year-old governor of Tennessee, a "beautiful...imperious giant genius of

a man," whose political horizons seemed limitless. The marriage of this charismatic, ambitious statesman to twenty-year-old Eliza Allen, the daughter of a prominent landholder, seemed to form the perfect social foundation on which Houston would build his glittering career. But just eleven weeks after the wedding, Eliza suddenly and inexplicably left her new husband, creating a scandal that caused the governor to resign his office in disgrace and embark on an exile that would ultimately deliver him to Texas, and a destiny even grander and more improbable than anyone could have imagined. Through decades of rumor and speculation, Sam Houston and Eliza Allen never revealed the source of their unhappiness, and carried the secret with them to their graves. *The Raven's Bride* is a brilliantly original novel that unravels this dark romantic mystery while illuminating a vivid and fascinating moment in America's past. In these pages, Sam Houston is presented as he must have been—a heroic figure (called the Raven by the Cherokee), vain, flamboyant, magnetic, his outsized personality fueled by a desperate need for love. And Eliza Allen is his match: a prideful, magnificent young woman, both drawn to and disturbed by her husband's grand aspirations. With the investigative acuity of a historian and the profound empathy of a gifted novelist, Elizabeth Crook has created an enthralling portrait of these star-crossed lovers and the vibrant, restless world that brought them together. Richly detailed and splendidly imagined, *The Raven's Bride* turns a baffling historical conundrum into a complex and deeply affecting love story.

Promised Lands Aug 21 2021 Elizabeth Crook's vast yet intimate novel of the Texas Revolution takes us beyond the traditional setpieces of the Alamo and San Jacinto to the other places where the war was fought—to the forest traces and prairies and Gulf Coast beaches, and to the hearts of the novel's vibrant characters. Among them: Domingo de la Rosa—the great Tejano ranchero, implacable and devout, for whom the fight against the Anglo "heretics" is nothing less than a holy war. Hugh Kenner—a physician whose son has run away to the war. Hugh will discover the heroic strength of his compassion, and also its brutal cost. Katie Kenner—Hugh's restless daughter, a refugee caught up in the massive human stampede known as *The Runaway Scrape*, who finds herself in love with a foreigner and responsible for the life of an orphan baby. Adelaido Pacheco—a dashing tobacco smuggler loyal to no cause but his own, a man without a country and in peril of becoming a man without a soul. Crucita Pacheco—Adelaido's beautiful sister who has lost her family, all but Adelaido, in the cholera epidemic of 1832. Feeling that God has forsaken her, she enters Domingo de la Rosa's employ as a spy against the Anglo rebels, and discovers an improbable love. Through these people and others, *Promised Lands* brings a myth-encrusted chapter of American history to authentic life. Elizabeth Crook demonstrates once again a stunning command of her period and a passionate regard for her characters. *Promised Lands*

bears the hallmark of a master novelist: a grand vision, rendered on an unforgettably human scale.

The Yeast Connection Apr 04 2020 An in-depth guide on how to suspect, identify, and over-come those health problems in people of all ages and sexes that can be traced to sensitivity to the yeast germ *Candida albicans*. *The Yeast Connection* also includes: 1. Easy-to-follow diet instructions; 2. Information about laboratory studies and tests, prescription and nonprescription medications, and treatment with *Candida* vaccines; 3. A discussion of the yeast connection to AIDS, suicidal depression, and sexual dysfunction; 4. Recommendations for vitamins, minerals, vegetable oils, garlic, and *Lactobacillus acidophilus*; 5. MUCH, MUCH MORE! Yeast-connected health problems can be traced from the following symptoms: -Fatigue -Irritability -Premenstrual syndrome (PMS) -Digestive disorders -Muscle pain -Short attention span -Headache -Memory loss -Vaginitis -Skin problems -Impotence -Hyperactivity -Depression -Hypoglycemia -Menstrual problems -Urinary disorders -Respiratory problems -Learning difficulties

By Hook Or by Crook Jun 06 2020 Molly Pink's crochet group scarcely notice the brown paper bag at the end of the table - until it's too late to find its owner. They open the bag and find a complicated piece of filet crochet that offers an obscure clue in pictures.

Writing Historical Fiction Apr 28 2022 "This is aimed at all those writers interested in the area of historical fiction and who are keen to know more about it. Observations from a number of leading historical novelists, including Rosemary Sutcliff, Winston Graham and Jean Plaidy are included in the book."

A Penny's Worth of Character Jul 28 2019 Shan is dishonest with the storekeeper in his rural Kentucky community, but he feels better about himself after his mother forces him to put things right.

The Perilous Year Mar 04 2020 CC Year 2 *Perilous Year* is published by Fitzhenry and Whiteside.

The Trial of Prisoner 043 Feb 01 2020 What Would Happen If George W. Bush Were Prosecuted for War Crimes? On a glorious autumn morning in St. Andrews, Scotland, former US president George W. Bush approached the first tee of the world-famous Old Course to play a round of golf he would not finish. Unceremoniously abducted off the course by a team of paramilitary commandos, he was transported to the International Criminal Court in The Hague to stand trial for war crimes in connection with the Iraq War. The ICC had spent one year accumulating sufficient evidence to indict George W. Bush as the single person most responsible for the war. Would he be found innocent or guilty, or would something happen to disrupt the pursuit of justice?

Reading Jackie Aug 28 2019 Jacqueline Kennedy Onassis never wrote a memoir, but she told her life story and revealed herself in intimate ways through the nearly 100 books she brought into print as an editor

at Viking and Doubleday during the last two decades of her life. Many Americans regarded Jackie as the paragon of grace, but few knew her as the woman sitting on her office floor laying out illustrations, or flying to California to persuade Michael Jackson to write his autobiography. William Kuhn provides a behind-the-scenes look at Jackie at work: commissioning books and nurturing authors, helping to shape stories that spoke to her. Based on archives and interviews with her authors, colleagues, and friends, *Reading Jackie* reveals the serious and the mischievous woman underneath the glamorous public image.

Harlem Shuffle Dec 13 2020 NEW YORK TIMES BESTSELLER • From the two-time Pulitzer Prize-winning author of *The Underground Railroad* and *The Nickel Boys*, this gloriously entertaining novel is "fast-paced, keen-eyed and very funny ... about race, power and the history of Harlem all disguised as a thrill-ride crime novel" (*San Francisco Chronicle*). "Ray Carney was only slightly bent when it came to being crooked..." To his customers and neighbors on 125th street, Carney is an upstanding salesman of reasonably priced furniture, making a decent life for himself and his family. He and his wife Elizabeth are expecting their second child, and if her parents on Striver's Row don't approve of him or their cramped apartment across from the subway tracks, it's still home. Few people know he descends from a line of uptown hoods and crooks, and that his façade of normalcy has more than a few cracks in it. Cracks that are getting bigger all the time. Cash is tight, especially with all those installment-plan sofas, so if his cousin Freddie occasionally drops off the odd ring or necklace, Ray doesn't ask where it comes from. He knows a discreet jeweler downtown who doesn't ask questions, either. Then Freddie falls in with a crew who plan to rob the Hotel Theresa—the "Waldorf of Harlem"—and volunteers Ray's services as the fence. The heist doesn't go as planned; they rarely do. Now Ray has a new clientele, one made up of shady cops, vicious local gangsters, two-bit pornographers, and other assorted Harlem lowlifes. Thus begins the internal tussle between Ray the striver and Ray the crook. As Ray navigates this double life, he begins to see who actually pulls the strings in Harlem. Can Ray avoid getting killed, save his cousin, and grab his share of the big score, all while maintaining his reputation as the go-to source for all your quality home furniture needs? *Harlem Shuffle's* ingenious story plays out in a beautifully recreated New York City of the early 1960s. It's a family saga masquerading as a crime novel, a hilarious morality play, a social novel about race and power, and ultimately a love letter to Harlem. But mostly, it's a joy to read, another dazzling novel from the Pulitzer Prize and National Book Award-winning Colson Whitehead.

Grief Cottage Sep 21 2021 Longlisted for the 2020 Grand Prix de littérature américaine Publishers Weekly Best Books of 2017 (Top 10)

Chicago Public Library Best of the Best Books 2017 Indie Next Summer 2018 Pick For Reading Groups The haunting tale of a desolate cottage, and the hair-thin junction between this life and the next, from bestselling National Book Award finalist Gail Godwin. After his mother's death, eleven-year-old Marcus is sent to live on a small South Carolina island with his great aunt, a reclusive painter with a haunted past. Aunt Charlotte, otherwise a woman of few words, points out a ruined cottage, telling Marcus she had visited it regularly after she'd moved there thirty years ago because it matched the ruin of her own life. Eventually she was inspired to take up painting so she could capture its utter desolation. The islanders call it "Grief Cottage," because a boy and his parents disappeared from it during a hurricane fifty years before. Their bodies were never found and the cottage has stood empty ever since. During his lonely hours while Aunt Charlotte is in her studio painting and keeping her demons at bay, Marcus visits the cottage daily, building up his courage by coming ever closer, even after the ghost of the boy who died seems to reveal himself. Full of curiosity and open to the unfamiliar and uncanny given the recent upending of his life, he courts the ghost boy, never certain whether the ghost is friendly or follows some sinister agenda. Grief Cottage is the best sort of ghost story, but it is far more than that--an investigation of grief, remorse, and the memories that haunt us. The power and beauty of this artful novel wash over the reader like the waves on a South Carolina beach.

A Foreigner Carrying in the Crook of His Arm a Tiny Book Dec 01 2019
Twilight Crook Aug 09 2020

Listening to Kathy Jun 26 2019 Kathy Leissner was killed by her husband, Charles Whitman, hours before he climbed the clock tower at UT Austin on August 1, 1966, and shot more than 40 people.

THE CHILD FROM THE SEA Dec 25 2021

Historians on Hamilton Jan 02 2020 America has gone Hamilton crazy. Lin-Manuel Miranda's Tony-winning musical has spawned sold-out performances, a triple platinum cast album, and a score so catchy that it is being used to teach U.S. history in classrooms across the country. But just how historically accurate is Hamilton? And how is the show itself making history? *Historians on Hamilton* brings together a collection of top scholars to explain the Hamilton phenomenon and explore what it might mean for our understanding of America's history. The contributors examine what the musical got right, what it got wrong, and why it matters. Does Hamilton's hip-hop take on the Founding Fathers misrepresent our nation's past, or does it offer a bold positive vision for our nation's future? Can a musical so unabashedly contemporary and deliberately anachronistic still communicate historical truths about American culture and politics? And is Hamilton as revolutionary as its creators and many commentators claim? Perfect for students, teachers, theatre fans, hip-hop heads,

and history buffs alike, these short and lively essays examine why Hamilton became an Obama-era sensation and consider its continued relevance in the age of Trump. Whether you are a fan or a skeptic, you will come away from this collection with a new appreciation for the meaning and importance of the Hamilton phenomenon.

Reminiscences of Moses Austin Bryan Jan 26 2022 Moses Austin Bryan was a nephew of Stephen F. Austin who accompanied Austin on many of his travels and served as his personal secretary. Later in life, Moses Austin Bryan wrote the account of experiences during the Texas Revolution and the early days of the Republic of Texas in his *Reminiscences*. This account is reproduced here and edited for clarity.

A Foreigner Carrying in the Crook of His Arm a Tiny Bomb May 18 2021 Part reportage and part protest, *A Foreigner Carrying in the Crook of His Arm a Tiny Bomb* is an inquiry into the cultural logic and global repercussions of the war on terror. At its center are two men convicted in U.S. courts on terrorism-related charges: Hemant Lakhani, a seventy-year-old tried for attempting to sell a fake missile to an FBI informant, and Shahawar Matin Siraj, baited by the New York Police Department into a conspiracy to bomb a subway. Lakhani and Siraj were caught through questionable sting operations involving paid informants; both men received lengthy jail sentences. Their convictions were celebrated as major victories in the war on terror. In Amitava Kumar's riveting account of their cases, Lakhani and Siraj emerge as epic bunglers, and the U.S. government as the creator of terror suspects to prosecute. Kumar analyzed the trial transcripts and media coverage, and he interviewed Lakhani, Siraj, their families, and their lawyers. Juxtaposing such stories of entrapment in the United States with narratives from India, another site of multiple terror attacks and state crackdowns, Kumar explores the harrowing experiences of ordinary people entangled in the war on terror. He also considers the fierce critiques of post-9/11 surveillance and security regimes by soldiers and torture victims, as well as artists and writers, including Coco Fusco, Paul Shambroom, and Arundhati Roy.

A Book of Photographs from Lonesome Dove Jan 14 2021 To celebrate the twentieth anniversary of the 1989 CBS debut of the multi-award-winning miniseries *Lonesome Dove*, UT Press is pleased to issue a commemorative edition of *A Book of Photographs from Lonesome Dove*.
