Mazda MX-5 Miata Jul 11 2021 Celebrating a quarter century of the car that redefined its genre. [apply edits made above] The Mazda MX-5, (known as Miata in North America and Eunos Roadster in Japan), revolutionized the lightweight two-seater roadster market. By taking the front-engine, rear-wheel-drive layout of traditional British and Italian roadsters and combining it with the modern function and reliability for which Japanese cars were justly famous, Mazda created what many consider the perfect sports car. The MX-5 became the best-selling sports car of all time, selling over a million units worldwide. Customers proved that they hadn't lost their desire for simple, lightweight two-seat convertibles; they had simply lost their desire for unreliable, archaic European anachronisms that caught on fire as part of their charm. In 2009, English automotive critic Jeremy Clarkson wrote: "The fact is that if you want a sports car, the MX-5 is perfect. Nothing on the road will give you better value. Nothing will give you so much fun. The only reason I'm giving it five stars is because I can't give it 14." Mazda MX-5 Miata: Twenty-Five Years is a handsomely-illustrated coffee-table book celebrating Mazda's ground-breaking MX-5 Miata, the car that revolutionized the lightweight two-seater roadster market.

Topics covered include: Details of the engine and drivetrain technology that gave the MX-5 its sharp handling and performance; Chronicles the stories of the engineers and designers behind the MX-5's success; Looks at the closest contemporary rivals to the car, and why the MX-5 was far and away the most successful; Covers all special editions and the racing story; Includes a detailed buyer's guide for each generation, specification tables and owner's experiences. Feed The Monster Oct 02 2020 "You took my life from me." She stepped forward again. Dean slid a couple of feet to his right, out of breath, leaning on the wall. "No. I don't know you." "I had a future," she said through clenched teeth and hatred. "I had a life and you took it from me." *** "Dean, how do you know her?" "I made her. She's a character in my... book." Dean's voice was shaky. *** "She tracked me through my mind. Because she's from my mind." *** A man's lifelong, inner battle against his own violent urges. "Killer" smeared on the wall in blood. "You did this to me" repeatedly on his computer screen after a bold break-in during daylight hours. The monster within, the one he thought he escaped, now hunting him with a vengeance. The Spanish Love Deception Dec 04 2020 A wedding. A trip to Spain. The most infuriating man. And three days of pretending. Or in other words, a plan that will never work. Catalina Martín, finally, not single. Her family is happy to announce that she will bring her American boyfriend to her sister's wedding. Everyone is invited to come and witness the most magical event of the year. That would certainly be tomorrow's headline in the local newspaper of the small Spanish town I came from. Or the epitaph on my tombstone, seeing the turn my life had taken in the span of a phone call. Four weeks wasn't a lot of time to find someone willing to cross the Atlantic from NYC and all the way to Spain for a wedding. Let alone, someone eager to play along with my charade. But that didn't mean I was desperate enough to bring the 6'4 blue eyed pain in my ass standing before me, Aaron Blackford. The man whose main occupation was making my blood boil had just offered himself to be my date. Right after inserting his nose in my business, calling me delusional, and calling himself my best option. See? Outrageous. Aggravating. Blood boiling. And much to my total despair, also right. Which left me with a surly and extra large dilemma in my hands. Was it worth the suffering to bring my colleague and bane of my existence as my fake boyfriend to my sister's wedding? Or was I better off coming clean and facing the consequences of my panic induced lie? Like my abuela would say, que dios nos pille confesados. The Spanish Love Deception is an enemies-to-lovers, fake-dating.
