Scotland Dec 26 2021 The work of leading authorities on Scottish history is brought together in this accurate and sophisticated portrait of Scotland from Roman times to the present day.

A New History of Scotland: Scotland from the earliest times to 1603, by W.C. Dickinson Sep 22 2021

History of Scotland... May 31 2022

A History of Everyday Life in Medieval Scotland, 1000 to 1600 Jul 09 2020 **A History Of Everyday Life In Scotland** Series Editors: Christopher A. Whatley & Elizabeth Foyster This series demonstrates how everyday routines and behaviours can open a window into the social, economic and cultural lives of ordinary Scots. Each volume examines common topics such as landscape, homes, objects, rituals, beliefs, work and leisure patterns, conflict and communication. Across the series there are some striking continuities and remarkable changes in aspects of Scottish everyday life, while the everyday is shown to be shaped by national and regional surroundings, and varied between urban and rural, highland and lowland settings. Based on the collective research of a large team of established and younger scholars, this series presents an entirely new way of looking at Scotland's past. **A History Of Everyday Life In Medieval Scotland, 1000 To 1600**---Edited By Edward J. Cowan & Lizanne Henderson **What was it like to live in the medieval period? In what ways did extraordinary events affect the everyday? The first volume in the Everyday Life series answers these questions as it opens a window on medieval Scotland from 1000 to 1600. The everyday involves all that is common to humanity from the passage of birth through to the rites of death. To date the historiography of medieval Scotland has not been greatly concerned with the familiar and the day-to-day. In fact some might claim that the topic has been entirely ignored, until now. A strong international team of contributors draws upon a range of primary sources and published material, as well as artefactual and archaeological evidence, to present as complete a picture as possible of how people experienced life and complex issues of identity, geography, language, family and subsistence over five hundred years ago.**

A Traveller's History of Scotland Sep 10 2020 Scotland's story is chronicled by one of the country's best historians. Andrew Fisher begins with Scotland's first people and their culture and ends with Devolution and the setting up of the first Scottish parliament since 1707. Maps. Illustrations. Scotland and the Union Nov 24 2021

History of Everyday Life in Medieval Scotland Jul 29 2019 This book examines the ordinary, routine, daily behaviour, experiences and beliefs of people in Scotland from the earliest times to 1600.

The Illustrated History of Scotland Mar 29 2022 Offers an illustrated tour of Scotland's past and present culture, traditions, and famous figures.

A People's History of Scotland Jul 01 2022 **A People's History of Scotland** looks beyond the kings and queens, the battles and bloody defeats of the past. It captures the history that matters today, stories of freedom fighters, suffragettes, the workers of Red Clydeside, and the hardship and protest of the treacherous Thatcher era. With riveting storytelling, Chris Bamberg recounts the struggles for nationhood. He charts the lives of Scots who changed the world, as well as those who fought for the cause of ordinary people at home, from the poets Robbie Burns and Hugh MacDiarmid to campaigners such as John Maclean and Helen Crawford. This is a passionate cry for more than just independence but also for a nation based on social justice.

Scotland Jun 07 2020 The history of a nation is presented in this volume, spanning 20 centuries, from the Picts to the present day, and encompassing St. Columba, Bannockburn, Mary Queen of Scots, the Covenanters, the Jacobites, and much more. **History of Scotland** Sep 03 2022

The History of Scotland Feb 25 2022

Documents illustrative of the history of Scotland, 1286-1306, selected and arranged by J. Stevenson Jan 27 2022

A History of Scotland Apr 29 2022 A history that is equally entertaining and enlightening, illustrating all of the changes of power and intricacies that are necessary to understand the interrelation between England and Scotland and the Highland and Lowland populations. It shows how Duncan (1034-40) emerged from the union of the four peoples' as the first king of a united Scotland and provides detailed, reign-by-reign accounts from then on. Above all Professor Mackie reveals how the Scots long pursued an independent line - in religion, law, culture and foreign policy - that helped them keep at bay the Romans, the French and the English.

The Case for Scottish Independence Mar 05 2020 Traces the development of the ideology of modern Scottish nationalism from the 1960s to the independence referendum in 2014.

A Pocket History of Scotland Apr 17 2021 From prehistoric times to the present day this comprehensive history presents the story of Scotland in bite-size chunks. With full colour illustrations throughout this is an attractive and practical guide to Scotland's colourful history. Encompassing stories of some of Scotland's best known characters as well as key moments in Scotland's past, this pocket history recalls the country's struggles through dark times, its successes, its people and places. The wealth of Scottish culture and tradition is described as well as the key events and people that have shaped the country today. Based on the bestselling Pocket History of Ireland - 32,000 copies sold since publication in 2010 - this book promises to repeat the bestselling formula for the Scottish market.

The History of Scotland Jan 03 2020 An ideal volume for anyone wanting a brisk overview of North Britain from the year dot to the twentieth century.

Scotland Oct 24 2021 From the Ice Age to the recent Scottish Referendum, historian and author Alistair Moffat explores the history of the Scottish nation. As well as focusing on key moments in the nation's history such as the Battle of Bannockburn and the Jacobite Risings, Moffat also features other episodes in history that are perhaps less well documented. From prehistoric timber halls to inventions and literature, Moffat's tale explores the drama of battle, change, loss and invention interspersed with the lives of ordinary Scottish folk, the men and women who defined a nation.

The Scottish Nation Aug 02 2022 'The Scottish Nation, 1700-2007' examines the social, political, religious and economic factors that have shaped modern Scotland. Devine places Scotland firmly within an international context and provides a key focus for the ongoing debate regarding Scotland's future.

The History of Scotland Jun 27 2019

The History of Scotland Oct 04 2022

Warlords and Holy Men Apr 05 2020 Basing his work strongly on documentary and archaeological sources, Alfred Smyth covers traditional topics in a thoroughly unconventional manner. Winner of the 1985 Spring Book Award for Literature (Scottish Arts Council)

The History of Scotland May 19 2021

A New History of Scotland Nov 12 2020 Scotland is a small nation which has had a disproportionate influence on culture, trade and industry throughout the world. This full narrative history explores its extraordinary growth, giving due significance to geography, language, identity, science and Scotland's role abroad, as well as to the religious identity of the country, which is seen as central to its early development. Starting with Scotland before the Scots and including the early kingdom, Wallace, the Wars of Independence, the Reformation, the incorporation of Scotland into the United Kingdom and its role as a shaper of modern society, Murray G. H. Pittock presents a comprehensive and accessible account of the history of this small nation. A New History of Scotland will appeal to all interested in the roots and development of a nation which is today looking forward to playing an increasingly important and independent role. Book jacket.

Patronage and Principle Dec 02 2019 In this volume, Michael Fry brings together research on the political history of Scotland in the nineteenth and twentieth centuries. He traces the distinctively Scottish course of liberalism, socialism, nationalism, industry and trade unionism, as well as the effects of church politics. His starting point is 1832, though he refers to much before then: he takes his story up to the 1980s.

The History of Scotland for Children May 07 2020

Modern Scottish History Oct 12 2020 This is the first volume of a distance-learning history of Scotland course running from January 1998. The successful completion of the course gives students the equivalent to Junior Honours/OU Level 3 and carries 60 SCOTCAT points. The 26 major topics are covered in five books, designed for self-study and written to accompany the course. These volumes are: two tutorial volumes, two volumes of reprinted articles and essays, and a volume of documents. The first half of the course covers the period 1707 to 1850. Beginning with the Union of 1707 and Jacobitism, the course considers topics, including: industrialization, politics, religion, the environment, class, demography and culture, as well as looking at the differences between Highland and Lowland society and economy. The project team for this part of the course includes: C.G. Brown, G. Carruthers, A.J. Cooke, I. Donnachie, W.H. Fraser, M.T.G. Fry, B. Harris, A.I. Macinnes, I. Maver, T.C. Smout, N.L. Tranter, C.A. Whatley, I.D. Whyte and D.J. Withrington. The period 1850 to the present is covered in the second half of the course. Again, a wide range of topics is studied and some topics, such as industrialization, demography, urbanization, religion, class, education, culture, and Highland and Lowland society is continued. The project team for this second part of the course includes: R.D. Anderson, R. Anthony, C.G. Brown, E.A. Cameron, R.J. Finlay, J.O. Foster, C. Harvie, W. Kenefick, R.A. Lambert, I. Levitt, A.J. MacIvor, R.J. Morris and P.L. Payne.

The History of Scotland Dec 14 2020

The Edinburgh History of the Book in Scotland: Enlightenment and expansion 1707-1800 Oct 31 2019 The first thorough study of the book trade during the age of Ferguson and Burns. The eighteenth century saw Scotland become a global leader in publishing, both through landmark challenges to the early copyright legislation and through the development of intricate overseas markets that extended across Europe, Asia and the Americas. Scots in Edinburgh, Glasgow, London, Dublin and Philadelphia amassed fortunes while bringing to international markets classics in medicine and economics by Scottish authors, as well as such enduring works of reference as the Encyclopaedia Britannica. Entrepreneurship and a vigorous sense of nationalism brought Scotland from financial destitution at the time of the 1707 Union to extraordinary wealth by the 1790s. Publishing was one of the country's elite new industries. Over forty leading scholars come together in this volume to examine the development of Scotland's book trade from 1707 to 1800. Printing, binding, bookselling, libraries, textbooks, distribution and international trade, copyright, piracy, literacy, music publication, women readers, children's books and cookery books are among the many aspects of print culture that they scrutinize. Key Features* Discusses copyright and piracy with new data at a time when intellectual property laws are returning to eighteenth-century precedents* Provides new understandings of Scotland's early modern readerships, including women's libraries, music literacy, and the way in which Scots found in the growth of literacy an international marketplace for intellectual property* Original scholarship and previously unpublished source material on secular Gaelic print* 16 exclusive full colour images of rare Scottish bindings from private collections, 25 additional colour plates + 60 b & w illustrations.

Scotland Sep 30 2019 'Alistair Moffat's Bannockburn is a pacy account of the days leading up to the battle' - Saturday Herald 'A carefully considered account of a well-trodden historical event, Moffat enlightens and educates with an up-to-date interpretation of a battle firmly cemented in Scottish history' - Scottish Field 'Mr Moffat's account of the duel between Bruce and de Bohun is totally gripping and he is particularly enthralling about the councils of war on the eve of the second day's battle' - Country Life From the Ice Age to the recent Scottish Referendum, historian and author Alistair Moffat explores the history of the Scottish nation. As well as focusing on key moments in the nation's history such as the Battle of Bannockburn and the Jacobite Risings, Moffat also features other episodes in history that are perhaps less well documented. From prehistoric timber halls to inventions and literature, Moffat's tale explores the drama of battle, change, loss and invention interspersed with the lives of ordinary Scottish folk, the men and women who defined a nation.

Some Old Families Jan 15 2021 This important work of Scottish genealogy was originally published in 1890. The text is divided into eleven chapters, detailing the ancestry of eleven venerable Scottish families: Allan, Dalrymple of Waterside, Halkerton of Halkerton Beath, Hardy, Liston, McCall, Orr, Ranken of Colden, Scott of Thirlstone, Wilkie of Ratho byres and Young. For each family, the author presents a plethora of information including illustrative documents, sixteen pedigree sheets, portraits, illustrations of seals and coat of arms, traditions, anecdotes, tombstone inscriptions and extensive biographical material. M1590HB - \$53.00

His life. The history of Scotland Feb 13 2021

A General History of Scotland from the Earliest Accounts to the Present Time Jun 19 2021

The History Of Scotland - Volume 1: From The Roman Occupation To Feudal Scotland Aug 10 2020 This is volume 1, covering the time from the Roman Occupation to Feudal Scotland. In many volumes of several thousand combined pages the series 'The History of Scotland' deals with something less than two millennia of Scottish history. Every single volume covers a certain period in an attempt to examine the elements and forces which were imperative to the making of the Scottish people, and to record the more important events of that time.

The History of Scotland Aug 29 2019

A Concise History of Scotland Feb 02 2020

A History of Scotland from the Roman Occupation Jul 21 2021

A History of Everyday Life in Scotland, 1600 to 1800 Aug 22 2021 This book explores the ordinary daily routines, behaviours, experiences and beliefs of the Scottish people during a period of immense political, social and economic change. It underlines the importance of the church in post-Reformation Scottish society, but also highlights aspects of everyday life that remained the same, or similar, notwithstanding the efforts of the kirk, employers and the state to alter behaviours and attitudes. Drawing upon and interrogating a range of primary sources, the authors create a richly coloured, finely nuanced picture of the lives of ordinary Scots from birth through marriage to death. Analytical in approach, the book's coverage of topics is wide, ranging from the ways people made a living, through their non-work activities including reading, playing and relationships, to the ways they experienced illness and approached death.

Military History of Scotland Mar 17 2021 The Scottish soldier has been at war for over 2000 years. Until now, no reference work has attempted to examine this vast heritage of warfare. A Military History of Scotland offers readers an unparalleled insight into the evolution of the Scottish military tradition. This wide-ranging and extensively illustrated volume traces the military history of Scotland from pre-history to the recent conflict in Afghanistan. Edited by three leading military historians, and featuring contributions from thirty scholars, it explores the role of warfare in the emergence of a Scottish kingdom, the forging of a Scottish-British military identity, and the participation of Scots in Britain's imperial and world wars. Eschewing a narrow definition of military history, it investigates the cultural and physical dimensions of Scotland's military past such as Scottish military dress and music, the role of the Scottish soldier in art and literature, Scotland's fortifications and battlefield archaeology, and Scotland's military memorials and museum collections.

A History of Scotland Nov 05 2022 Scotland is one of the oldest countries in the world with a vivid and diverse past. Yet the stories and figures that dominate Scottish history - tales of failure, submission, thwarted ambition and tragedy - often badly serve this great nation, overshadowing the rich tapestry of her intricate past. Historian Neil Oliver presents a compelling new portrait of Scottish history, peppered with action, high drama and centuries of turbulence that have helped to shape modern Scotland. Along the way, he takes in iconic landmarks and historic architecture; debunks myths surrounding Scotland's famous sons; recalls forgotten battles; charts the growth of patriotism; and explores recent political developments, capturing Scotland's sense of identity and celebrating her place in the wider world.
