The Chateau Apr 05 2020 I've been taking care of my little sister for a long time. When Mom was gone, she suddenly became my responsibility. The best years of my life were spent being a caretaker to someone else...with no one to take care of me. So I moved to Paris for my study-abroad program and ended up staying, getting a French Literature degree, studying the classics while sipping the best wine I'd ever had. My sister never makes the best decisions, always makes messes to clean up, and it's finally time for me to have my own life. But when she comes to Paris for a visit...she brings trouble with her. She gets herself into a bad situation, and of course, I come to her rescue...like I always do. Now we're in a labor camp in the middle of nowhere, surrounded by endless snow and mountains, processing drugs for a group of men that never show their faces. There's no chance of escape in this wilderness. Except for my guard. He's not a saint, but he's the only man that's kind to me. He knows I want to escape, but he never reports me. When I've had a hard day, he brings me extra things to make my life easier. He tells me not to run because I'll never make it...but he brings me little hidden tools...as if he's giving me the means. Like he wants me to be free.

Death Waits in the Dark Mar 05 2020 It took all of thirty seconds for two shots to bring the world of Margaret Tabaaha crashing down around her. After losing her husband in Afghanistan during the first year of Operation Enduring Freedom, her two sons were all she had left. Now they had been taken from her violently, deliberately, plunging her into a whiskey bottle and stripping away her reason for living. When Arthur Nakai receives a call from his first love, Margaret, her voice pleading for his help, it comes as he is attending a wake for one of the men he considered a brother from his days in the Marines 6th LAR Wolf Pack Battalion. Feeling a deep and responsible obligation to help her, Arthur soon finds himself involved in the multi-billion-dollar world of the oil and gas industry and coming face-to-face with an old adversary, Elias Dayton. Their paths had crossed when Arthur was a member of the Shadow Wolves, an elite tactical unit within US Customs and Border Protection. Now Dayton runs Patriot Security, a Blackwater-type firm that keeps the oil rigs, gas wells, and man camps secure from the Water Protectors, protesters pushing to stop the fracking and poisoning of Native lands. As Arthur works through the case from his end, Navajo police chief Jake Bilagody tackles it from another angle, looking into the strained relationship between the oil company and the Navajo people, all while searching for a missing Navajo man that may have become an unwilling piece on the reservation checkerboard. But when Arthur learns the identity of the boys' killer, he struggles to make sense of it. Because if the clues are right, he will be forced to make a decision that will haunt him for the rest of his life.

LeAnn Wilcox isn't looking for love...especially not from some wolf in sheriff's clothing. She operates on the other side of the law. Once she finds her brother-alive-she'll get out of the pack's territory and go back to her regular, normal, non-furry life of changing jobs and her name whenever her past closes in. Code Name: Rook Sep 22 2021 Being a highly skilled operative for a company like Jameson Force Security is exhilarating and important work...until it comes time to date. I like to keep my profession under wraps for a number of reasons. Some of what we do is top secret, most of what we do is dangerous, and more than one woman has tried to latch onto me because she was more enamored with what I do than who Cage Murdock really is. And since I'm more of a 'here for the night' than a 'here for forever' kind of guy, what's the harm in a little white lie about my job? My harmless deceit has never failed me. Until now. Because I met the most amazing woman and did the unthinkable. I married her. And now my beautiful, unsuspecting, probably-going-to-leave-my-sorry-behind-when-she-finds-out-the-truth wife doesn't know that I'm not a used car salesman like I told her when we met. As it typically does with lies, the truth is about to come out in a big way when Jaime unwittingly gets herself mixed up with some unsavory characters and I, along with the team at Jameson, have to intervene. Now I need to save my girl and hope I can save my marriage too. Let's just say I have some serious explaining to do.

Holden's Resurrection Aug 10 2020 Former Navy SEAL Holden Stanford gave up the only woman he ever loved so she could have the family she wanted. And she'd found it—with one of his teammates. A betrayal that cut so deep that, years later, it still bled. But his sacrifice was all for naught—the one thing he never wanted for her happened—she lost her husband on the battlefield. Now she's back. In his life, in his space, and opening old wounds. The mere sight of her destroyed him, but seeing her daughter—excruciating. The little girl was a living reminder of everything they lost. The one thing he could never get over. Charleigh Towler understood how one decision could change the trajectory of life. One night, too much alcohol and overwhelming hurt led her to make a bad decision. One she couldn't regret because out of that she made her daughter. But it had forever altered her path. For years she'd paid for her perceived mistake until the man she'd never stopped loving was almost killed and she reevaluated her life. She was done allowing Holden Stanford to hide. Never one to dally, she packed up her life and moved to Maryland to do something she should've done years ago—fight for the man she loved. Close to getting everything they should've always had, Charleigh's life is thrown off its path again—only this time it's her daughter's life that hangs in the balance.
