[The Time Traveller's Guide to Medieval England](#) Nov 05 2022 The past is a foreign country. This is your guide book. Imagine you could get into a time machine and travel back to the fourteenth century.

[The Time Travel Handbook](#) May 07 2020

The Thrifty Guide to the American Revolution Mar 17 2021 From the publishing house that brought you the Who Was? books comes the next big series to make history approachable, engaging, and funny! The Thrifty Guide to the American Revolution provides useful information for the practical time traveler, like: • Where can I find a decent hotel room in colonial New England? Are major credit cards accepted? • How do I join the Boston Tea Party without winding up in a British prison? • How can I score a lunch with Alexander Hamilton? This guide answers these fiery, burning questions with the marshmallows of information. There is handy advice on how to join Paul Revere's spy ring at the Green Dragon Tavern, how to enlist in General Washington's rebel army, and how to summon the strength to storm a British gun battery when you haven't eaten for three days. If you had a time travel machine and could take a vacation anywhere in history, this is the only guidebook you would need! **So You Created a Wormhole** Apr 29 2022 Welcome, intrepid temporal explorers, to the world's first and only field manual/survival guide to time travel!DON'T LEAVE THIS TIME PERIOD WITHOUT IT! Humans from H. G. Wells to Albert Einstein to Bill & Ted have been fascinated by time travel-some say drawn to it like moths to a flame. But in order to travel safely and effectively, newbie travelers need to know the dos and don'ts. Think of this handy little book as the only thing standing between you and an unimaginably horrible death-or being trapped forever in another time or alternate reality. You get: Essential time travel knowledge: Choosing the right time machine, from DeLoreans to hot tubs to phone booths-and beyond What to say-and what NOT to say-to your doppelganger Understanding black holes and Stephen Hawking's term "spaghettification" (no, it's not a method of food preparation; yes, it is a horrifically painful way to meet your end) The connection between Einstein's General Theory of Relativity, traversing wormholes and the 88 mph speed requirement The possible consequences of creating a time paradox-including, but not limited to, the implosion of the universe Survival tips for nearly any sticky time travel situation: How to befriend a dinosaur and subsequently fight other dinosaurs with that dinosaur Instructions to build your very own Rube Goldberg Time Machine Crusading-for fun and profit Tips on battling cowboys, pirates, ninjas, samurai, Nazis, Vikings, robots and space marines How to operate a microwave oven Enjoying the servitude of robots and tips for living underground when they inevitably rise up against us

Europe in the Middle Ages Oct 12 2020 This history book presents an accurate and detailed history of the much-celebrated Mediaeval Europe. Despite the subject being so vast, the author, Ierne L. Plunket, has made a notable effort not to compress the details about the background of Western Europe. Plunket wrote it intending to supply his readers the facts about the life in Medieval Europe; the classes that existed during the olden times; the lives and principles of the heroes and villains of history; the beliefs and prejudices of the great thinkers, and much more. Everything anyone wants to know about this subject is mentioned in the book with Plunket's incredibly understandable writing style. The book covers every detail from the decline of Rome to the Renaissance, containing interesting information on the prominent events- battles, defeats, massacres, etc., and also giving a great idea about the politics of that period. This historical work primarily acts as a window to medieval Europe. It's a must-read for all history enthusiasts.

[Maps for Time Travelers](#) Sep 10 2020 Popular culture is rife with movies, books, and television shows that address our collective curiosity about what the world was like long ago. From historical dramas to science fiction tales of time travel, audiences love stories that reimagine the world before our time. But what if there were a field that, through the advancements in technology, could bring us closer to the past than ever before? Written by a preeminent expert in geospatial archaeology, Maps for Time Travelers is a guide to how technology is revolutionizing the way archaeologists study and reconstruct humanity's distant past. From satellite imagery to 3D modeling, today archaeologists are answering questions about human history that could previously only be imagined. As archaeologists create a better and more complete picture of the past, they sometimes find that truth is stranger than fiction.

The Time Traveller's Handbook Jun 19 2021 Travel through time to witness some of the most extraordinary and colorful events in world history with this unusual and entertaining guide that includes fascinating cultural details from each period, including what and where to eat, what to wear, how to act like a local, and most importantly, how to stay alive. Have you ever wished you could have experienced some of the most interesting and important events that have helped shape history? With The Time Traveler's Handbook you can! Johnny Acton, David Goldblatt, and James Wyllie transport you back in time, providing a "you-are-there" front-seat view of some of the greatest moments in the human timeline. Filled with engaging and colorful details, The Time Traveler's Handbook helps you make the most of your "travels," giving you background information, insight into local customs, and advice on all aspects of period life to make your adventures authentic and help you actually live them. Forget museums and history books—The Time Traveler's Handbook gives you unprecedented access to a wide range of milestones, including Celebrations & Exhibitions; Moments That Made History; Cultural & Sporting Spectaculars; Epic Journeys and Voyages; and Extreme Events. Observe Mount Vesuvius erupt (and survive), see the assassination of the Archduke Ferdinand in Sarajevo, boogie with the Beatles in Hamburg, accompany Marco Polo to Xanadu, attend the opening night of Shakespeare's Globe Theater, smell the cordite at the battle of Bull Run, and sit rindside at Foreman and Ali's "Rumble in the Jungle" in Kinshasa. Illustrated with color and black-and-white paintings and photographs of famous figures and locations, as well as detailed maps and illustrations to aid in your journey through time, The Time Traveler's Handbook is the ultimate guide to exploring history that unlocks the wonders of the past as never before.

The Outcasts of Time Oct 31 2019 'Beautifully written and superbly executed' Times 'This clever and moving Faustian tale is packed with fascinating historical detail' Express 'A joyous romp around England's dark past' Suzie Feay, Guardian From the author of the bestselling *The Time Traveller's Guide to Restoration Britain*, this is a stunningly high-concept historical novel that is both as daring as it is gripping, and perfect for fans of Conn Igguldren, SJ Parris and Kate Mosse. December 1348. With the country in the grip of the Black Death, brothers John and William fear that they will shortly die and go to Hell. But as the end draws near, they are given an unexpected choice: either to go home and spend their last six days in their familiar world, or to search for salvation across the forthcoming centuries – living each one of their remaining days ninety-nine years after the last. John and William choose the future and find themselves in 1447, ignorant of almost everything going on around them. The year 1546 brings no more comfort, and 1645 challenges them still further. It is not just that technology is changing: things they have taken for granted all their lives prove to be short-lived. As they find themselves in stranger and stranger times, the reader travels with them, seeing the world through their eyes as it shifts through disease, progress, enlightenment and war. But their time is running out – can they do something to redeem themselves before the six days are up? What readers are saying: 'Wow, what a book! I absolutely adored this. This was ambitious but done to perfection' Sara Marsden 'The Outcasts of Time is a tour de force, rich in spellbinding detail. Haunting and atmospheric, there is warmth and humour alongside fear and torment; all human life is here. As perfect a novel as any I've ever read' Ophelia's Reads 'A fascinating trip through seven centuries of history ... The author has done well to traverse such a sweep of time ... it's a great read and I'd recommend it' Netgalley reviewer, 4 stars

The Traveler's Guide to Space Jun 07 2020 If you have ever wondered about space travel, now you have the opportunity to understand it more fully than ever before. Traveling into space and even emigrating to nearby worlds may soon become part of the human experience. Scientists, engineers, and investors are working hard to make space tourism and colonization a reality. As astronauts can attest, extraterrestrial travel is incomparably thrilling. To make the most of the experience requires serious physical and mental adaptations in virtually every aspect of life, from eating to intimacy. Everyone who goes into space sees Earth and life on it from a profoundly different perspective than they had before liftoff. Astronomer and former NASA/ASEE scientist Neil F. Comins has written the go-to book for anyone interested in space exploration. He describes the wonders that travelers will encounter—weightlessness, unparalleled views of Earth and the cosmos, and the opportunity to walk on another world—as well as the dangers: radiation, projectiles, unbreathable atmospheres, and potential equipment failures. He also provides insights into specific trips to destinations including suborbital flights, space stations, the Moon, asteroids, comets, and Mars—the top candidate for colonization. Although many challenges are technical, Comins outlines them in clear language for all readers. He synthesizes key issues and cutting-edge research in astronomy, physics, biology, psychology, and sociology to create a complete manual for the ultimate voyage.

The Time Traveller's Guide to Restoration Britain Dec 14 2020

Ticket to the Twenties Nov 12 2020 Allows the reader to "travel" back to the 1920s, experience life as a typical young person of that time and witness some of that decade's important events.

The Time Traveller's Guide to Regency Britain Jul 01 2022 'Ian Mortimer's Time Traveller's Guide to Regency Britain tells you all you need to know about criminals, disease, beggars and other late Georgian delights' Daily Telegraph, History Books of the Year This is the age of Jane Austen and the Romantic poets; the paintings of John Constable and the gardens of Humphry Repton; the sartorial elegance of Beau Brummell and the poetic licence of Lord Byron; Britain's military triumphs at Trafalgar and Waterloo; the threat of revolution and the Peterloo massacre. In the latest volume of his celebrated series of Time Traveller's Guides, Ian Mortimer turns to what is arguably the most-loved period in British history - the Regency, or Georgian England. Ian Mortimer takes us on a thrilling journey to the past, revealing what people ate, drank, and wore; where they shopped and how they amused themselves; what they believed in and what they were afraid of. Conveying the sights, sounds and smells of the Regency period, this is history at its most exciting, physical, visceral - the past not as something to be studied but as lived experience.

[A Traveller's Guide to South Africa in 2030](#) Jan 15 2021 "What will South Africa look like in 2030? And how will the next 15 years unfold? ... In this book, leading scenario planner Frans Cronje analyses the latest trends and presents four new scenarios for the country's future. Will South Africa take the socialist route and allow the state to seize all wealth and land? Will the status quo prevail, and the wealth divide widen while crime soars? Do we face a pernicious erosion of our democratic rights and freedoms? Or will a rainbow rise unexpectedly?"--Back cover.

[The Thrifty Guide to Medieval Times](#) Jun 27 2019 The kid-friendly series that makes history approachable, engaging, and funny! From the publishing house that brought you the Who Was? books. The Thrifty Guide to Medieval Times: A Handbook for Time Travelers is a snappy, informative, illustrated travel guide with everything the sensible time traveler needs to know, like: * Where I can find the best hovel? * What are my healthcare options if I catch the Black Plague? * How can I avoid being attacked by pillaging Huns? * And most importantly, why on earth would anyone want to travel back to medieval times? This book is designed as a parody of Fodor's guides, complete with humorous maps, reviews of places to stay and top attractions (don't miss a jousting tournament . . . but watch out for lances!), and tips on whom to have lunch with (murderous Queen Olga of Kiev, naturally--just don't eat or drink anything around her!). If you had a time travel machine and could take a vacation anywhere in history, this is the only guidebook series you would need.

The Time Traveler's Guide to Regency Britain Feb 25 2022 A vivid and immersive history of Georgian England that gives its reader a firsthand experience of life as it was truly lived during the era of Jane Austen, Percy Bysshe Shelley, and the Duke of Wellington. This is the age of Jane Austen and the Romantic poets; the paintings of John Constable and the gardens of Humphry Repton; the sartorial elegance of Beau Brummell and the poetic license of Lord Byron; Britain's military triumphs at Trafalgar and Waterloo; the threat of revolution and the Peterloo massacre. In the latest volume of his celebrated series of Time Traveler's Guides, Ian Mortimer turns to what is arguably the most-loved period in British history: the Regency, or Georgian England. A time of exuberance, thrills, frills and unchecked bad behavior, it was perhaps the last age of true freedom before the arrival of the stifling world of Victorian morality. At the same time, it was a period of transition that reflected unprecedented social, economic, and political change. And like all periods in history, it was an age of many contradictions—where Beethoven's thundering Fifth Symphony could premier in the same year that saw Jane Austen craft the delicate sensitivities of Persuasion. Once more, Ian Mortimer takes us on a thrilling journey to the past, revealing what people ate, drank, and wore; where they shopped and how they amused themselves; what they believed in, and what they feared. Conveying the sights, sounds, and smells of the Regency period, this is history at its most exciting, physical, visceral—the past not as something to be studied but as lived experience.

[The Book That Proves Time Travel Happens](#) Jan 03 2020 This never-before-seen twist on time travel adventure explores the theme of accepting those who are different--and having the courage to join them. The moment Ambrose Brody steps into a fortune-teller's tent, he is whisked into a quest that spans millennia with his best friend, an enigmatic carnival girl, and an unusual family heirloom that drops them into the middle of the nineteenth century! The year 1852 is a dangerous time for three non-white children, and they must work together to dodge slave-catchers and save ancestors from certain death--all while figuring out how to get back to the future. Fortunately, they have a guide in the helpful hints embedded in an ancient Chinese text called the I-Ching, which they interpret using Morse Code. But how can a three-thousand-year-old book be sending messages into the future through a code developed in the 1830s? Find out in this mind-bending, time-bending adventure!

Journey by Starlight Oct 24 2021 Albert Einstein leads readers through a graphic novel interpretation of the theories of space and time and the science behind such topics as climate change, evolution, black holes, and quantum mechanics.

[The Thrifty Guide to Medieval Times](#) Feb 13 2021 The kid-friendly series that makes history approachable, engaging, and funny! From the publishing house that brought you the Who Was? books. The Time Traveler's Wife Sep 22 2021 Rediscover the extraordinary love story that inspired the major new Sky TV series. Clare and Henry met when Clare was just six and Henry thirty-six, and were married when Clare was twenty-two and Henry thirty. Impossible but true. The Time Traveler's Wife is the international bestselling novel of a time-altering love. Henry is a librarian who suffers from a rare condition where his genetic clock periodically resets, finding himself pulled suddenly into his past or future. Meanwhile, Clare is an artist waiting all her life for her great love Henry to appear. In the face of this force neither can prevent nor control, Henry and Clare's struggle to lead normal lives is both intensely moving and entirely unforgettable. 'Dark, unpredictable, incredibly clever and a modern romance' Grazia

A Visitor's Guide to Victorian England Sep 30 2019 An "utterly brilliant" and deeply researched guide to the sights, smells, endless wonders, and profound changes of nineteenth century British history (Books Monthly, UK). Step into the past and experience the world of Victorian England, from clothing to cuisine, toilet arrangements to transport—and everything in between. A Visitor's Guide to Victorian England is "a brilliant guided tour of Charles Dickens's and other eminent Victorian Englishmen's England, with insights into where and where not to go, what type of people you're likely to meet, and what sights and sounds to watch out for . . . Utterly brilliant!" (Books Monthly, UK). Like going back in time, Higgs's book shows armchair travelers how to find the best seat on an omnibus, fasten a corset, deal with unwanted insects and vermin, get in and out of a vehicle while wearing a crinoline, and avoid catching an infectious disease. Drawing on a wide range of sources, this book blends accurate historical details with compelling stories to bring alive the fascinating details of Victorian daily life. It is a must-read for seasoned social history fans, costume drama lovers, history students, and anyone with an interest in the nineteenth century.

The Negro Motorist Green Book Jul 21 2021 The idea of "The Green Book" is to give the Motorist and Tourist a Guide not only of the Hotels and Tourist Homes in all of the large cities, but other classifications that will be found useful wherever he may be.

Also facts and information that the Negro Motorist can use and depend upon. There are thousands of places that the public doesn't know about and aren't listed. Perhaps you know of some? If so send in their names and addresses and the kind of business, so that we might pass it along to the rest of your fellow Motorists. You will find it handy on your travels, whether at home or in some other state, and is up to date. Each year we are compiling new lists as some of these places move, or go out of business and new business places are started giving added employment to members of our race.

The Time Traveler's Guide to Elizabethan England Mar 29 2022 An entertaining, accessible guide to Elizabethan England—the latest in the Time Traveler's Guide series Acclaimed historian Ian Mortimer shows readers that the past is not just something to be studied; it is also something to be lived. Using diaries, letters, books, and other writings of the day, Mortimer offers a masterful portrait of daily life in Elizabethan England, re-creating the sights, sounds, and customs of the sixteenth century from the perspective of both peasants and royals. Through this lens, we can begin to understand Queen Elizabeth's subjects not only as a people profoundly shaped by the time in which they lived, but also as the people who shaped the world we know and the people we are today.

Lady Traveller's Guide To Happily Ever After (Lady Travelers Society, Book 4) Mar 05 2020 Can she find her Happily Ever After... #1 New York Times bestselling author

The Time Traveler's Guide to Medieval England Aug 02 2022 Profiles everyday life in 14th-century England, covering everything from period beliefs and styles to hygiene and medical practices, in a history that also discusses the influence of warfare. By the prize-winning author of *The Great Traitor*.

The Time Traveler's Guide to Restoration England Jan 27 2022 This is an up-close-and-personal look at Britain between the Restoration of King Charles II in 1660 and the end of the century. The last witch is sentenced to death just two years before Isaac Newton's *Principia Mathematica*, the bedrock of modern science, is published. Religion still has a severe grip on society and yet some including the king flout every moral convention they can find. There are great fires in London and Edinburgh; the plague disappears; a global trading empire develops Over these four dynamic decades, the last vestiges of medievalism are swept away and replaced by a tremendous cultural flowering. Why are half the people you meet under the age of twenty-one? What is considered rude? And why is dueling so popular? Mortimer delves into the nuances of daily life to paint a vibrant and detailed picture of society at the dawn of the modern world as only he can. "

Time Travel and Warp Drives Jul 09 2020 Discusses what people understand about space and time and how science fiction is becoming less fictional as time goes on.

Time Travelers Apr 05 2020 The Victorians, perhaps more than any Britons before them, were diggers and sifters of the past. Though they were not the first to be fascinated by history, the intensity and range of their preoccupations with the past were unprecedented and of lasting importance. The Victorians paved the way for our modern disciplines, discovered the primeval monsters we now call the dinosaurs, and built many of Britain's most important national museums and galleries. To a large degree, they created the perceptual frameworks through which we continue to understand the past. Out of their discoveries, new histories emerged, giving rise to fresh debates, while seemingly well-known histories were thrown into confusion by novel tools and methods of scrutiny. If in the eighteenth century the study of the past had been the province of a handful of elites, new technologies and economic development in the nineteenth century meant that the past, in all its brilliant detail, was for the first time the property of the many, not the few. *Time Travelers* is a book about the myriad ways in which Victorians approached the past, offering a vivid picture of the Victorian world and its historical obsessions.

The Time Traveler's Guide to Restoration Britain Dec 26 2021 Imagine you could see the smiles of the people mentioned in Samuel Pepys's diary, hear the shouts of market traders, and touch their wares. How would you find your way around? Where would you stay? What would you wear? Where might you be suspected of witchcraft? Where would you be welcome? This is an up-close-and-personal look at Britain between the Restoration of King Charles II in 1660 and the end of the century. The last witch is sentenced to death just two years before Isaac Newton's *Principia Mathematica*, the bedrock of modern science, is published. Religion still has a severe grip on society and yet some—including the king—flout every moral convention they can find. There are great fires in London and Edinburgh; the plague disappears; a global trading empire develops. Over these four dynamic decades, the last vestiges of medievalism are swept away and replaced by a tremendous cultural flowering. Why are half the people you meet under the age of twenty-one? What is considered rude? And why is dueling so popular? Mortimer delves into the nuances of daily life to paint a vibrant and detailed picture of society at the dawn of the modern world as only he can.

How It Began: A Time-Traveler's Guide to the Universe Nov 24 2021 "Impey combines the vision of a practicing scientist with the voice of a gifted storyteller."—Dava Sobel In this vibrant, eye-opening tour of milestones in the history of our universe, Chris Impey guides us through space and time, leading us from the familiar sights of the night sky to the dazzlingly strange aftermath of the Big Bang. What if we could look into space and see not only our place in the universe but also how we came to be here? As it happens, we can. Because it takes time for light to travel, we see more and more distant regions of the universe as they were in the successively greater past. Impey uses this concept—"look-back time"—to take us on an intergalactic tour that is simultaneously out in space and back in time. Performing a type of cosmic archaeology, Impey brilliantly describes the astronomical clues that scientists have used to solve fascinating mysteries about the origins and development of our universe. The milestones on this journey range from the nearby to the remote: we travel from the Moon, Jupiter, and the black hole at the heart of our galaxy all the way to the first star, the first ray of light, and even the strange, roiling conditions of the infant universe, an intense and volatile environment in which matter was created from pure energy. Impey gives us breathtaking visual descriptions and also explains what each landmark can reveal about the universe and its history. His lucid, wonderfully engaging scientific discussions bring us to the brink of modern cosmology and physics, illuminating such mind-bending concepts as invisible dimensions, timelessness, and multiple universes. A dynamic and unforgettable portrait of the cosmos, *How It Began* will reward its readers with a deeper understanding of the universe we inhabit as well as a renewed sense of wonder at its beauty and mystery.

The Thrifty Guide to Ancient Greece May 19 2021 The only guidebook you need for your next time travel vacation! *The Thrifty Guide to the Ancient Greece: A Handbook for Time Travelers* is a snappy, informative travel guide containing information vital to the sensible time traveler: * How can I find a decent tunic that won't break my bank account? * Where can I score cheap theater tickets in ancient Athens? * What do I do if I'm being attacked by an army of one million Persians? This two-color book is filled with humorous maps, reviews of places to stay and top attractions (Don't miss the first-ever Olympics!), and tips on who to have lunch with (Alexander the Great and his horse, Bucephalus, naturally). If you had a time travel machine and could take a vacation anywhere in history, this is the only guidebook you would need.

Medieval Intrigue Apr 17 2021 In this important new work Ian Mortimer examines some of the most controversial questions in medieval history, including whether Edward II was murdered, his possible later life in Italy, the weakness of the Lancastrian claim to the throne in 1399 and the origins of the idea of the royal pretender. Central to this book is his ground-breaking approach to medieval evidence. He explains how an information-based method allows a more certain reading of a series of texts. He criticises existing modes of arriving at consensus and outlines a process of historical analysis that ultimately leads to questioning historical doubts as well as historical facts, with profound implications for what we can say about the past with certainty. This is an important work from one of the most original and popular medieval historians writing today.

A Time Traveler's Theory of Relativity Feb 02 2020 Days before his thirteenth birthday, science-lover Finn learns that the women of his family are time travelers and he is expected to help locate his missing mother.

The Time Traveller's Guide to Restoration Britain May 31 2022 The past is a foreign country: this is your guidebook. If you could travel back in time, the period from 1660 to 1700 would make one of the most exciting destinations in history. It is the age of Samuel Pepys and the Great Fire of London; bawdy comedy and the libertine court of Charles II — the civil wars are over and a magnificent new era has begun. But what would it really be like to live in Restoration Britain? Where would you stay and what would you eat? How much should you pay for one of those elaborate wigs? Should you trust a physician who advises you to drink fresh cow's urine to cure your gout? Why are boys made to smoke in school? And why are you unlikely to get a fair trial in court? The third volume in the series of Ian Mortimer's bestselling *Time Traveller's Guides* answers these crucial questions and encourages us to reflect on the customs and practices of daily life. This unique guide not only teaches us about the seventeenth century but makes us look with fresh eyes at the modern world.

The Thrifty Guide to Ancient Rome Aug 22 2021 From the publishing house that brought you the *Who Was?* books comes the next big series to make history approachable, engaging, and funny! *The Thrifty Guide to Ancient Rome* contains information vital to the sensible time traveler: • Where can I find a decent hotel room in ancient Rome for under five sesterces a day? Is horse parking included? • What do I do if I'm attacked by barbarians? • What are my legal options if I'm fed to the lions at the Colosseum? All this is answered and more. There is handy advice on finding the best picnicking spots to watch Julius Caesar's assassination at the Roman Forum in 44 BC, as well as helpful real estate tips to profit from the great Roman fire of AD 64. There are even useful recommendations on which famous historical figures to meet for lunch, and a few nifty pointers on how to avoid being poisoned, beheaded, or torn apart by an angry mob. If you had a time travel machine and could take a vacation anywhere in history, this is the only guidebook you would need!

The Time Traveller's Guide to Medieval England Oct 04 2022 Discover an original, entertaining and illuminating guide to a completely different world: England in the Middle Ages. Imagine you could travel back to the fourteenth century. What would you see, and hear, and smell? Where would you stay? What are you going to eat? And how are you going to test to see if you are going down with the plague? In *The Time Traveller's Guide* Ian Mortimer's radical new approach turns our entire understanding of history upside down. History is not just something to be studied; it is also something to be lived, whether that's the life of a peasant or a lord. The result is perhaps the most astonishing history book you are ever likely to read; as revolutionary as it is informative, as entertaining as it is startling. 'Ian Mortimer is the most remarkable medieval historian of our time' *The Times* 'After *The Canterbury Tales* this has to be the most entertaining book ever written about the middle ages' *Guardian*

How to Survive in Medieval England Aug 10 2020 Imagine you were transported back in time to Medieval England and had to start a new life there. Without mobile phones, ipads, internet and social media networks, when transport means walking or, if you're fortunate, horse-back, how will you know where you are or what to do? Where will you live? What is there to eat? What shall you wear? How can you communicate when nobody speaks as you do and what about money? Who can you go to if you fall ill or are mugged in the street? However can you fit into and thrive in this strange environment full of odd people who seem so different from you? All these questions and many more are answered in this new guide book for time-travellers: *How to Survive in Medieval England*. A handy self-help guide with tips and suggestions to make your visit to the Middle Ages much more fun, this lively and engaging book will help the reader deal with the new experiences they may encounter and the problems that might occur. Know the laws so you don't get into trouble or show your ignorance in an embarrassing faux pas. Enjoy interviews with the celebrities of the day, from a business woman and a condemned felon, to a royal cook and King Richard III himself. Have a go at preparing medieval dishes and learn some new words to set the mood for your time-travelling adventure. Have an exciting visit but be sure to keep this book to hand.
