Sullivan's Stand Dec 31 2019 John Sullivan is all done running. A hunted, haunted man, the genetically modified fighter takes to the streets in search of his mobster father and answers to some very tough

questions. The answers he gets take Sullivan and his allies to the far corners of the continent where he must confront the terrifying consequences of genetic engineering practices unencumbered by morality. For some people, the last war never ended, and for others the next one has already begun. A mysterious woman, a new foe, and the horrifying truth of what has been going on since the end of the great war gnaws at Sullivan's fragile sanity. Will this journey through his own personal heart of darkness finally break Sullivan's tenuous control over his dark side? Even he doesn't know for sure. But one thing is certain. The time for running is over. With the enemy at the gates and time running out, Sullivan is not giving up an inch. Not this time. This time John Sullivan is making a stand.

Answering the Call May 04 2020 *Answering the Call* is the story of nineteen Catholic permanent deacons from the Diocese of Savannah (Georgia) whose lives underwent profound transformations as they embarked upon a journey of self-discovery which revealed to them both the awesome power of God and the holiness of everyday life. When these deacons, who come from vastly different spiritual, professional, and educational backgrounds, responded to God's call, they soon became aware of the profound impact their decision would make on their lives as husbands, fathers, and, most of all, servants of God. Any person who experiences a crisis of faith or wants to deepen his or her relationship with God, will find the theological, pastoral, and spiritual aspects of these essays informative as they will

inspire further reflection and discernment. Each of the essays can be read as a guide to ministry that provides personal and experiential advice about how to minister in a God-centered and healing manner. A person considering a religious vocation, or any man discerning God's call as a permanent deacon, or is a candidate or a deacon now, will appreciate the honesty with which each deacon describes the expected and unexpected stages of his journey.
