Turning Angel Apr 26 2022

The #1 New York Times bestselling author of Mississippi Blood, Greg Iles, keeps the secrets of the South alive in this vibrant novel of infatuation, murder, and sexual intrigue set in his hometown of Natchez, Mississippi. Turning Angel marks the long-awaited return of Penn Cage, the lawyer hero of The Quiet Game, and introduces Drew Elliott, the highly respected doctor who saved Penn's life in a hiking accident when they were boys. As two of the most prominent citizens of Natchez, Drew and Penn sit on the school board of their alma mater, St. Stephen's Prep. When the nude body of a young female student is found near the Mississippi River, the entire community is shocked—but no one more than Penn, who discovers that his best friend was entangled in a passionate relationship with

the girl and may be accused of her murder. On the surface, Kate Townsend seems the most unlikely murder victim imaginable. A star student and athlete, she'd been accepted to Harvard and carried the hope and pride of the town on her shoulders. But like her school and her town, Kate also had a secret life—one about which her adult lover knew little. When Drew begs Penn to defend him, Penn allows his sense of obligation to override his instinct and agrees. Yet before he can begin, both men are drawn into a dangerous web of blackmail and violence. Drew reacts like anything but an innocent man, and Penn finds himself doubting his friend's motives and searching for a path out of harm's way. More dangerous yet is Shad Johnson, the black district attorney whose dream is to send a rich white man to death row in Mississippi. At Shad's order, Drew is jailed, the police cease hunting Kate's killer, and Penn realizes that only by finding Kate's murderer himself can he save his friend's

life. With his daughter's babysitter as his guide, Penn penetrates the secret world of St. Stephen's, a place that parents never see, where reality veers so radically from appearance that Penn risks losing his own moral compass. St. Stephen's is a dark mirror of the adult world, one populated by steroid-crazed jocks, girls desperate for attention, jaded teens flirting with nihilism, and hidden among them all—one true psychopath. It is Penn's journey into the heart of his alma mater that gives Turning Angel its hypnotic power, for on that journey he finds that the intersection of the adult and nearly adult worlds is a dangerous place indeed. By the time Penn arrives at the shattering truth behind Kate Townsend's death, his quiet Southern town will never be the same.

William Shakespeare Sep 27

2019 This is a bold and original reinterpretation of almost all of Shakespeare's major plays, in the light of the Marxist, feminist and semiotic ideas of our own time. Through a set of tenaciously detailed readings, the book illuminates a number of persistent problems or conflicts in Shakespearean drama - in particular a contradiction between words and things, body and language, which is also explored in terms of law, sexuality and Nature. Language and desire, Terry Eagleton argues, are seen by Shakespeare as a kind of 'surplus' over and above the body, stable and social roles and a fixed human nature. But the attitude of the plays to such a 'surplus' is profoundly ambivalent; if they admire it as the very source of human creativity, they also fear its anarchic, transgressive force. Underlying such ambiguities, the book convincingly shows, is a deeper ideological struggle, between feudalist traditionalism on the one hand,

and the emergence of new forms of bourgeois individualism on the other. This book reveals how, in the light of our own contemporary theories of language, sexuality and society, we can understand the issues present in Shakespeare's drama which previously have remained obscure.

Devils Walking Sep 07 2020

Devils Walking stands as an important milestone in the ongoing struggle to create justice from truth, and perhaps even reconciliation in a nation that must collectively move in this direction or face an uncertain future."—David Ridgen, Canadian filmmaker and director of award-winning documentary Mississippi Cold Case After midnight on December 10, 1964, in Ferriday, Louisiana, African American Frank Morris awoke to the sound of breaking glass. Outside his home and shoe shop, standing behind the shattered window, Klansmen tossed a lit match inside the store, now doused in gasoline, and instantly set the building free

ablaze. A shotgun pointed to Morris's head blocked his escape from the flames. Four days later Morris died, though he managed in his last hours to describe his attackers to the FBI. Frank Morris's death was one of several Klan murders that terrorized residents of northeast Louisiana and Mississippi, as the perpetrators continued to elude prosecution during this brutal era in American history. In *Devils Walking: Klan Murders along the Mississippi in the 1960s*, Pulitzer Prize finalist and journalist Stanley Nelson details his investigation—alongside renewed FBI attention—into these cold cases, as he uncovers the names of the Klan's key members as well as systemized corruption and coordinated deception by those charged with protecting all citizens. *Devils Walking* recounts the little-known facts and haunting stories that came to light from Nelson's hundreds of interviews with both witnesses and suspects. His research points to the

development of a particularly virulent local faction of the Klan who used terror and violence to stop integration and end the advancement of civil rights. Secretly led by the savage and cunning factory worker Red Glover, these Klansmen—a handpicked group that included local police officers and sheriff's deputies—discarded Klan robes for civilian clothes and formed the underground Silver Dollar Group, carrying a silver dollar as a sign of unity. Their eight known victims, mostly African American men, ranged in age from nineteen to sixty-seven and included one Klansman seeking redemption for his past actions. Following the 2007 FBI reopening of unsolved civil rights-era cases, Nelson's articles in the *Concordia Sentinel* prompted the first grand jury hearing for these crimes. By unmasking those responsible for these atrocities and giving a voice to the victims' families, *Devils Walking* demonstrates the importance of confronting and addressing the traumatic

Southern Man Jul 18 2021

The hugely anticipated new Penn Cage novel from the #1 New York Times bestselling author of the Natchez Burning trilogy and Cemetery Road, about a man--and a town--rocked by anarchy and tragedy, but unbowed in the fight to save those they love. Fifteen years after the events of the Natchez Burning trilogy, Penn Cage is alone. Nearly all his loved ones are dead, and his old allies gone. Pursued by enemies and demoralized by a divided community, he's found sanctuary on a former cotton plantation above the Mississippi River. But Penn's self-imposed exile comes to an abrupt end when a brawl at a Bienville rap concert triggers a shooting--one that nearly takes the life of his daughter Annie. Before the stunned city can process the tragedy, an

arsonist starts torching antebellum plantation homes in Natchez and Bienville. When an unknown Black radical group claims the deadly fires as acts of historic justice, citywide panic ensues, driving a prosperous Southern town to the brink of race war. Drafted by Bienville's mayor to end the crisis and restore peace, Penn investigates the fires as casualties mount and armed marchers move toward a decisive clash. But Penn suspects that the arson attacks may not be what they seem--not retribution by radicals, but false-flag strikes designed to trigger the very chaos he sees roiling the streets. For that mayhem provides state and county leaders the excuse to dissolve the Black-run Bienville city government and seize control. It's up to Penn and a band of locals to uncover the truth and expose those trying to destabilize the city. In Southern Man, Greg Iles returns to the riveting style and historic depth that made the Natchez Burning trilogy a searing masterpiece and a

once a paragon of the community that Penn leads as mayor, is about to be tried for the murder of a former lover. Most terrifying of all, Dr. Cage seems bent on self-destruction. Despite Penn's experience as a prosecutor in major murder trials, his father has frozen him out of the trial preparations--preferring to risk dying in prison to revealing the truth of the crime to his son. During forty years practicing medicine, Tom Cage made himself the most respected and beloved physician in Natchez, Mississippi. But this revered Southern figure has secrets known only to himself and a handful of others. Among them, Tom has a second son, the product of an 1960s affair with his devoted African American nurse, Viola Turner. It is Viola who has been murdered, and her bitter son--Penn's half-brother--who sets in motion the murder case against his father. The resulting investigation exhumes dangerous ghosts from Mississippi's violent past. In some way that Penn cannot fathom, Viola Turner

from Natchez Burning. Death is the end, and if a man doesn't speak before it silences him, then his deepest secrets go with him. When a heart attack sends Penn's father, Tom Cage, to the ER, Tom begs that his son be brought to his side to hear a dying declaration. But when Penn arrives, Tom denies ever making the request—keeping his secrets for another day. The emergency hurls Penn back to a chilling case in Houston, where he worked in a DA's office known as the "death factory," which sent more killers to death row than any other in America. While Penn cares for his ailing wife, a tormented forensic technician brings him evidence of a crime lab in chaos, throwing past convictions into doubt and begging Penn to prevent an imminent travesty of justice. With the desperation of a man fighting death in his own home, Penn must find a way to bring the machinery of the death factory to a halt.
