[AQA English Language Paper 1 Practice Papers](#) Jul 24 2022 If you're at this point, you must be getting ready for your English language exams, so we have a few words of advice for you: Exams aren't bad. They're your opportunity to show off just how much you know about English--and you have been studying it since you were five, so you definitely know a thing or two! Don't worry about your exams--worry never changes anything--instead, try and see them as an opportunity to show off what you know. Practising exam papers is a good way to revise and, because this exam is still relatively new, there aren't that many past papers out there. The papers in this book have been created to try and replicate the exam experience for you. Some people might suggest using your literature texts for practice, but the whole point of this exam is that it is unseen: it's best to work on extracts you've never read before. There is more than one way to tackle

an exam paper. You could sit it in one go and complete it in exam conditions from start to finish. You could go at the papers gently, with modelled examples in front of you to help (check out the videos at [youtube.com/mrbruff](https://www.youtube.com/mrbruff)). Another method is to try three question threes all in a row, slide tackling your way through the paper. You might want to complete all of the Section B questions before beginning Section A. However you do it, take your time, and use the indicative content at the end to check your work. The indicative content isn't everything. You might make a point that we haven't included. Marking your own work is quite difficult so, although these are good to practise on, you should share with someone who understands the marking system to mark your work and give you feedback. This book is not a guide to the exam: it is a set of practice papers. For a detailed question-by-question guide to AQA English language, you should pick up a copy of 'Mr Bruff's Guide to GCSE English Language' in paperback on Amazon, or eBook at [mrbruff.com](https://www.mrbruff.com). Please note: we are not endorsed by or affiliated to the AQA exam board. We are simply two experienced teachers creating resources.

Refugee Boy Sep 26 2022 An eye for an eye. It's very simple. You choose your homeland like a hyena picking and choosing where he steals his next meal from. Scavenger. Yes you grovel to the feet of Mengistu and when his people spit at you and kick you from the bowl you scuttle across the border. Scavenger. As a violent civil war rages back home in Ethiopia, teenager Alem and his father are in a bed and breakfast in Berkshire. It's his best holiday ever. The next morning his father is gone and has left a note explaining that he and his mother want to protect Alem from the war. This strange grey country of England is now his home. On his own, and in the hands of the social services and the Refugee Council, Alem lives from letter to letter, waiting to hear something from his father. Then he meets car-obsessed Mustapha, the lovely 'out-of-your-league' Ruth and dangerous Sweeney – three unexpected allies who spur him on in his fight to be seen as more than just the Refugee Boy. Lemn Sissay's remarkable stage adaptation of Benjamin Zephaniah's bestselling novel is published here in the Methuen Drama Student Edition series, featuring commentary & notes by Professor Lynette Goddard (Royal Holloway, University of London, UK) that help the student unpack the play's themes, language, structure and production history to date.

A Nurse at the Front Mar 08 2021 This, the first in a series of four unique War Diaries produced in conjunction with the Imperial War Museum, will tell a story that is rarely heard: the experiences of a nurse working close to the Western Front in the First World War. Incredibly, Edith Appleton served in France for the whole of the conflict. Her bravery and dedication won her the Military OBE, the Royal Red Cross and the Belgian Queen Elizabeth medal among others. Her diary details with compassion all the horrors of the 'war to end wars', including the first use of poison gas and the terrible cost of battles such as Ypres, but she also records what life was like for nurses and how she spent her time off-duty. There are moments of humour amongst the tragedy, and even lyrical accounts of the natural beauty that still existed amidst all the destruction.
