become less familiar with Numbers than with Narnia. This book examines popular Christian narratives with rigorous scholarly methods and assumes that they are just as complex, fascinating, and worthy of investigation as the latest secular Netflix series or dystopian novel. While most scholars focus on the religious aspects of Christian texts, this study takes a new approach by analyzing their social responsibility in portraying the complex dynamics of race, class, and gender in a profoundly unequal America. Close readings of six case studies--The Chronicles of Narnia, Francine Rivers's Redeeming Love, Jan Karon's Mitford novels, Left Behind, the films of the Sherwood Baptist Church, and Duck Dynasty--uncover both harmful stereotypes and Christians serving as leaders in social justice.

Ludovico Einaudi: Nightbook Nov 03 2020 Italian-born Ludovico Einaudi's Piano music has struck a chord with audiences across the world, and his distinctive meditative style has confirmed his place in the music industry. His albums have soared high in the classical charts and his recitals have been sell-outs. This is Ludovico Einaudi's new project, Nightbook - a musical meditation on the transition between light and darkness, the known and the unknown. Expressive and with a more open compositional structure, sonic colours are created through the close blending of the Piano with the Strings and percussion and from the use of electronics which amplifies the sound of the Piano, projecting it like a shadow in all directions. The project grew out of the ideas and "musical sketches" that Einaudi jotted down in a notebook whilst on tour around the world. Einaudi describes the project as A night-time landscape. A garden faintly visible under the dull glow of the night sky. A few stars dotting the darkness above, shadows of the trees all around. Light shining from a window behind me. What I can see is familiar, but it seems alien at the same time. It's like a dream -

Across the River and Into the Trees Jun 10 2021 In the fall of 1948, Ernest Hemingway made his first extended visit to Italy in thirty years. His reacquaintance with Venice, a city he loved, provided the inspiration for *Across the River and into the Trees*, the story of Richard Cantwell, a war-ravaged American colonel stationed in Italy at the close of the Second World War, and his love for a young Italian countess. A poignant, bittersweet homage to love that overpowers reason, to the resilience of the human spirit, and to the worldweary beauty and majesty of Venice, *Across the River and into the Trees* stands as Hemingway's statement of defiance in response to the great dehumanizing atrocities of the Second World War. Hemingway's last full-length novel published in his lifetime, it moved John O'Hara in *The New York Times Book Review* to call him "the most important author since Shakespeare."

The Last Green Valley Jul 31 2020 "Mark Sullivan has done it again! The Last Green Valley is a compelling and inspiring story of heroism and courage in the dark days at the end of World War II." - Kristin Hannah, #1 New York Times bestselling author From the author of the #1 bestseller *Beneath a Scarlet Sky* comes a new historical novel inspired by one family's incredible story of daring, survival, and triumph. In late March 1944, as Stalin's forces push into Ukraine, young Emil and Adeline Martel must make a terrible decision: Do they wait for the Soviet bear's intrusion and risk being sent to Siberia? Or do they reluctantly follow the wolves--murderous Nazi officers who have pledged to protect "pure-blood" Germans? The Martels are one of many families of German heritage whose ancestors have farmed in Ukraine for more than a century. But after already living under Stalin's horrifying regime, Emil and Adeline decide they must run in retreat from their land with the wolves they despise to escape the Soviets and go in search of freedom. Caught between two warring forces and overcoming horrific trials to pursue their hope of immigrating to the West, the Martels' story is a brutal, complex, and ultimately triumphant tale that illuminates the extraordinary power of love, faith, and one family's incredible will to survive and see their dreams realized.

Green Hills of Africa Jun 22 2022 There are some things which cannot be learned quickly, and time, which is all we have, must be paid heavily for their acquiring. They are the very simplest things, and because it takes a man's life to know them the little new that each man gets from life is very costly and the only heritage he has to leave. In the winter of 1933, Ernest Hemingway and his wife Pauline set out on a two-month safari in the big-game country of East Africa, camping out on the great Serengeti Plain at the foot of magnificent Mount Kilimanjaro. "I had quite a trip," the author told his friend Philip Percival, with characteristic understatement. *Green Hills of Africa* is Hemingway's account of that expedition, of what it taught him about Africa and himself. Richly evocative of the region's natural beauty, tremendously alive to its character, culture, and customs, and pregnant with a hard-won wisdom gained from the extraordinary situations it describes, it is widely held to be one of the twentieth century's classic travelogues.
