Devoted Oct 23 2021 The remarkable story of a father's devotion to his wheelchair-bound son and how their bond inspired millions of people worldwide. Born a spastic quadriplegic, Rick Hoyt was written off by numerous doctors. They advised his parents, Dick and Judy, to put their firstborn son in an institution. But Rick's parents refused. Determined to give their son every opportunity that "normal" kids had, they made sure to include Rick in everything they did, especially with their other two sons, Rob and Russ. But home was one thing, the world at large, another. Repeatedly rebuffed by school administrators who resisted their attempts to enroll Rick in school, Rick's mother worked tirelessly to help pass a landmark bill, Chapter 766, the first special-education reform law in the country. As a result, Rick and other physically disabled kids were able to attend public school in Massachusetts. But how would Rick communicate when he couldn't talk? To overcome this daunting obstacle, Dick and Judy worked with Dr. William Crochetiere, then chairman of the engineering department at Tufts University, and several enterprising graduate students, including Rick Foulds, to create the Tufts Interactive Communication device (TCI). In the Hoyt household, it became known as the "Hope machine"

as it enabled Rick to create sentences by pressing his head against a metal bar. For the first time ever, Rick was able to communicate. Then one day Rick asked his dad to enter a charity race, but there was a twist. Rick wanted to run too. Dick had never run a race before, but more challenging still, he would have to push his son's wheelchair at the same time. But once again, the Hoyts were determined to overcome whatever obstacle was put in their way. Now, over one thousand races later, including numerous marathons and triathlons, Dick Hoyt continues to push Rick's wheelchair. Affectionately known worldwide as Team Hoyt, they are as devoted as ever, continuing to inspire millions and embodying their trademark motto of "Yes, you can."

A Father's Love Apr 28 2022 El's 5 month old son, Luke, dies mysteriously and suddenly just weeks after her once married lover and former college lecturer, Dr. Jackson Cam, comes back into their lives. As she navigates the shock of losing her son, she begins to notice that things aren't quite what they seem with Jackson. Claiming to be a well-known geneticist that moves from place to place as research funding dwindles, it becomes clear to El he has an angry, aggressive side. He is also deeply committed to his research and will clearly do whatever it takes to find a cure for the disease that took his father's life. As their relationship dissolves and El suspicions grow she gets pulled into a fast paced web of lies and deceit that reaches far beyond her and across many years. Refusing to give up on finding out what happened to her son, El finds herself in a game of cat and mouse with Jackson who does his best to convince everyone she is mentally fragile and cannot be trusted. As those closest to El urge her to move on and accept Luke's death she reaches out to anyone willing to help, grasping at straws and trying to make the pieces of information she has collected make sense. Little does she know that she and everyone that helps her is in danger and the closer she gets to the truth the more painful the journey becomes.

The Father's Love May 06 2020 The Bible unveils many facets of God. Of these, one of the most powerful revelations of God is that of a Father. God is our heavenly Father. The Lord Jesus taught us to call God "Our Father." The Bible reveals the Father's love for us. This book is a study on the Father's love. Our understanding of God's love for us affects how we love God, how we love ourselves, and how we love others. God, our Father in heaven, loves us unconditionally and immeasurably. The greatest expression and demonstration of the Father's love for us is the Cross of Jesus Christ. When we know, believe, receive, and rest in the Father's love for us, everything changes. We are healed, made whole and set free from all our brokenness and bondages. When we live out of the Father's love we love as we are loved. We love God freely. We love others freely. As a Father Loves His Only Son Apr 04 2020 The Baal Shem Tov taught that "G-d loves every Jew like a father loves a son born to him in his old age." Indeed, His love for us surpasses a father's love. It is only that we, limited mortals that we are, have no better terms to describe His love. Now, G-d is the ultimate of goodness, and "it is the nature of One Who is good to perform acts of goodness." He thus desires to provide every member of His people with ongoing and consummate goodness. When a person has bitachon, trusting without any doubt that G-d conducts the world, he is then granted the privilege of seeing this with his fleshly eyes.... At every single step; he sees how G-d takes each of us by the hand and leads us in the way that is best for us, both materially and spiritually. These are basic tenets of Jewish faith. The essays in this book provide the intellectual underpinnings for this unwavering trust. In doing so, it teaches us how to face those G d-given challenges that our eyes cannot appreciate as good.

Sky Lantern Jul 20 2021 "Matt Mikalatos offers a poignant and compassionate look at a father's relationship with his children, the healing power of a small act of kindness, and the certainty that even death can't stop love in a deeply moving memoir inspired by a sky lantern with a scribbled note and the journey to find the child who wrote it: Love you, Daddy. Miss you so much. Steph. Steph scribbled those words on a sky lantern before sending it off to her father in heaven who had passed away from cancer. Halfway across the country, Steph's lantern landed in Matt Mikalatos's yard. As a father of three daughters, Matt could not let Steph's note go unanswered, so he posted an open letter to her on his blog. Matt never could have expected the viral response to his letter that led him on a journey to find Steph--and to bring healing to thousands of others in desperate need of the loving words of a father. Filled with paternal wisdom and reflections on the relationship between a father and his child, *Sky Lantern* shows how the miraculous events that followed Matt finding the sky lantern in his yard--and the widespread and lasting impact his letter had--prove that the bond between a parent and their child is everlasting"--

Spiritual Direction: A Guide for Sharing the Father's Love Mar 04 2020 The need for spiritual direction—or the accompaniment of a spiritual guide—is becoming more prominent in a world where so many are suffering from so many wounds. With a harmonious integration of both timeless spiritual wisdom from the Catholic Church's tradition of prayer and direction, and the insight of the psychological sciences, Fathers Thomas Acklin and Boniface Hicks offer a comprehensive guide for all who provide or seek spiritual direction. *Spiritual Direction: A Guide for Sharing the Father's Love* fortifies priests, religious, and lay faithful who embrace the ministry of spiritual direction and accompany the wounded, assist men and women in hearing the voice of God, and model the love and mercy of the Father for the many who are seeking Him but do not know Him or have false images of Him. This book also shows how various aspects of the spiritual life can emerge from and be fostered by a one-on-one relationship with a spiritual

director. Together with concrete guidelines and numerous examples from personal experience, this book refers extensively to Sacred Scripture as the foundation for spiritual direction. Furthermore, since the practice of spiritual direction goes back to the first centuries of the Church, the authors turn for guidance to the Doctors of the Church, the writings of the saints, and the papal magisterium in developing and supporting their insights. Spiritual Direction will call spiritual directors to deeper holiness even as they assist others in growing closer to the Father through His loving gaze of mercy.
