A Deal with the Devil Jul 16 2021 A man can only have one great love, and mine was the sea. Until I pulled a half-drowned heiress out of the water. Until I kept her as mine. Until I hurt her to prove I didn't love her. Now we're surrounded. Dangerous pirates want to use her for their own purposes. I won't give her up that easy. I have a lifetime of treasure to protect. But with the ship going down, there's only one thing I want to save. Her. A Deal with the Devil is book two in the Devil trilogy by USA Today bestselling author Amelia Wilde. The Devil and the Deep Blue Sea must be read first.

London Dynasty Oct 07 2020 Kerrigan Belmond has everything I don't have. A name that opens doors, more money than god, an Oxford education, and rumors that she's caught the eye of Spencer Byrd, the heir to one of England's most powerful aristocratic families. I'm an orphan, running from a tragedy I can't face. Being mistaken for her is flattering until her father arrives at my door with an indecent proposal. His daughter has fled her perfect life, and he wants me to step into her shoes until she can be coaxed back to her pedestal. The arrangement is simple. For

one year, I will be Kerrigan Belmond. The perfect daughter. The charming socialite. The ideal future wife. For one year, I will do anything she would do. And for one year, I will keep the attention of Spencer at all costs. I can't say no, but as soon as I meet Spencer and his brother I realize the mistake I've made. To the outside world, the Byrds are London society and Spencer is the golden boy groomed to become prime minister. Behind closed doors, his family is as twisted and tangled as the web I'm walking into. Spencer demands loyalty. He expects discretion. And he's ready to claim the woman he's been promised in every way. Keeping him happy means I might lose more than a year of my life, but I can't turn down the proposition. Not with what the Belmonds have promised me in return. They say everyone has a price. I know mine. Ten million pounds.

Waiting (The Making of Riley Paige-Book 2) Nov 07 2020 "A masterpiece of thriller and mystery! The author did a magnificent job developing characters with a psychological side that is so well described that we feel inside their minds, follow their fears and cheer for their success. The plot is very intelligent and will keep you entertained throughout the book. Full of twists, this book will keep you awake until the turn of the last page." --Books and Movie Reviews, Roberto Mattos (re Once Gone) WAITING (The Making of Riley Paige-Book Two) is book #2 in a new psychological thriller series by #1 bestselling author Blake Pierce, whose free bestseller Once Gone (Book #1) has received over 1,000 five star reviews. Brilliant 22 year old FBI intern Riley Paige struggles to decode the riddles of the sadistic serial killer dubbed by media as the "clown killer"--but finds it all becomes too personal when she herself, targeted, is in a battle for her life. Recent college graduate Riley Paige is accepted into the prestigious FBI summer internship program, and is determined to make a name for herself. Exposed to many departments of the FBI, she thinks it will be a quiet summer--until a serial killer holds Washington by suspense. Dubbed the "clown killer," he dresses and paints his victims as clowns, and mocks the FBI with tantalizing riddles in the media. He leaves everyone to wonder: is he a clown himself? It seems that only Riley has the mind brilliant enough to decode the answers. And yet the journey into this killer's mind is too dark--and the battle too personal--for Riley to come out unscathed. Can she win this deadly game of cat and mouse? An action-packed thriller with heart-pounding suspense, WAITING is book #2 in a riveting new series that will leave you turning pages late into the night. It takes readers back 20 plus years--to how Riley's career began--and is the perfect complement to the ONCE GONE series (A Riley Paige Mystery), which includes 13 books and counting. Book #3 in THE MAKING OF RILEY PAIGE series is also now available!

Laser-Driven Particle Acceleration Towards Radiobiology and Medicine Jun 26 2022

This book deals with the new method of laser-driven acceleration for application to radiation biophysics and medicine. It provides multidisciplinary contributions from world leading scientist in order to assess the state of the art of innovative tools for radiation biology research and medical applications of ionizing radiation. The book contains insightful contributions on highly topical aspects of spatio-temporal radiation biophysics, evolving over several orders of magnitude, typically from femtosecond and sub-micrometer scales. Particular attention is devoted to the emerging technology of laser-driven particle accelerators and their application to spatio-temporal radiation biology and medical physics, customization of non-conventional and selective radiotherapy and optimized radioprotection protocols.

Learning-Driven Schools Dec 21 2021 Many teachers are trained to approach their work with a set of teaching strategies and lessons that changes little over time. Because they are focused on how they teach, rather than on how their students learn, they use the same techniques day after day, making no adjustments for students' different learning needs. In *Learning-Driven Schools: A Practical Guide for Teachers and Principals*, Barry Beers shows how teachers can plan, teach, and assess for student learning--and how principals can support teachers in their efforts. The book includes * An overview of the research on knowledge retention; * Real-life samples of lesson plans that address state and local standards; * Strategies on accurately assessing student learning; * Advice for teachers on addressing the needs of struggling, intermediate, and advanced students at the same time; and * Advice for administrators on conducting effective classroom observations. A rallying cry and how-to guide rolled into one, this book is an invaluable resource for anyone passionate about learning. Having served as a veteran teacher and principal himself, Barry Beers brings his own experience and understanding to bear on the essential task of ensuring that student learning remains the clear focus of our schools.

Media Messages and Public Health Mar 31 2020 *Media Messages and Public Health* addresses the full range of methodological and conceptual issues involved in content analysis research, specifically focused on public health-related messages and behaviors. Uniquely tailored to the challenges faced by content researchers interested in the study of public health topics, coverage includes: Conceptual and methodological foundations involved in the practice of content analysis research used to examine public health issues. Measurement challenges posed by the broad range of media. Use of content analysis across multiple media types. The potential for individual differences in audience interpretation of message content. Case studies that examine public health issues in the media to illustration the decisions that are made when developing content analysis studies. The volume concludes with a set of guidelines for optimal content analysis research, and suggests ways in which the field can accommodate new technologies and new ways of using media. Developed for researchers in communication, media, and public health, this unique resource demonstrates how the variety of decisions researchers make along the way allows the exploration of traditions, assumptions and implications for each varying alternative and ultimately advances the science of content analysis research.

Lippincott Williams and Wilkins' Comprehensive Medical Assisting Jun 14 2021 We're pleased to introduce the fourth edition of Lippincott Williams & Wilkins' *Comprehensive Medical Assisting*, the medical assisting text designed to meet your

challenges. This dynamic package of text and resources represent more than just a textbook, instead providing a suite of learning resources. This is the one text aimed at making sure that every graduate can quickly change their cap and gown for a set of scrubs and immediately be a vital member of the medical office. We do this by: Providing the content in an engaging style that speaks to students. Putting pedagogy to work in the text through key features like patient education boxes, competency checklists, procedure boxes, etc. Placing students in the real environment in through our web-based EMR and PMS software package. Showing what we teach through skills videos that demonstrate the procedures and skills described. Constantly reinforcing the learning through additional online ancillaries including animations, ESL resources, etc. Helping instructors lessen planning time, with robust instructor resources. A competency spreadsheet helps faculty members and students track their progress through the material. New content in the fourth edition focuses on addressing crucial changes in policy and technology. Without changing the engaging writing style we're known for, we've made sure that the content is up-to-date and in-line with the needs of the market. We've added content on emergency preparedness, a crucial topic in today's medical office. In addition, instructors will be happy to find the latest CAAHEP and ABHES competencies clearly addressed throughout the text.

Living Outside Mental Illness Apr 12 2021 An essential volume for improving understanding of the recovery process for people diagnosed with schizophrenia Schizophrenia is widely considered the most severe and disabling of the mental illnesses. Yet recent research has demonstrated that many people afflicted with the disorder are able to recover to a significant degree. *Living Outside Mental Illness* demonstrates the importance of listening to what people diagnosed with schizophrenia themselves have to say about their struggle, and shows the dramatic effect this approach can have on clinical practice and social policy. It presents an in-depth investigation, based on a phenomenological perspective, of experiences of illness and recovery as illuminated by compelling first-person descriptions. This volume forcefully makes the case for the utility of qualitative methods in improving our understanding of the reasons for the success or failure of mental health services. The research has important clinical and policy implications, and will be of key interest to those in psychology and the helping professions as well as to people in recovery and their families.

Riverford Shifters Collection: Vol . One (Books 1 - 2) Jul 24 2019 A new shifter romance series from New York Times & USA Today Bestselling author Cristina Rayne *Previously published as Transformation, Revelation, Ramification, and Infiltration. Book One: Tempted by the Jaguar Kylie Moore has a secret, one she and her adoptive father have carefully guarded for over a decade since the night her parents disappeared. However, when she is randomly attacked one night in her apartment complex's parking lot, that one violent act sets in motion events that reveal not only her long-dormant shifter heritage in the worst possible way, but could also railroad her efforts of finding out what really happened to her parents. Suddenly finding herself the center of attention among Riverford's shifter clans, Kylie's only hope of navigating such a dangerous minefield of politics and perpetual battles

over territory is Hunter, a too-sexy-for-her-peace-of-mind jaguar shifter that might be her key to gaining insider access to the hidden and secretive shifter society. Now Kylie must decide whether to integrate more deeply into Hunter's jaguar clan in order to take advantage of this rare opportunity or to run while her secret still remains uncovered. To stay would mean deliberately putting herself in more danger than Kylie may be prepared to handle, especially when Hunter, the person she must rely on, may be hiding something as well. Book Two: Accepting the Jaguar Kylie knew from the beginning that getting romantically involved with Hunter was an extremely bad idea, and now because of the Pandora's Box she inadvertently blew wide open in order to protect him, more than just Hunter may now determine the consequences she and those she loves will ultimately end up paying. Contains strong adult content and language. Death in Florence (A Year in Europe—Book 2) Jun 02 2020 "When you think that life cannot get better, Blake Pierce comes up with another masterpiece of thriller and mystery! This book is full of twists, and the end brings a surprising revelation. Strongly recommended for the permanent library of any reader who enjoys a very well-written thriller." --Books and Movie Reviews (re Almost Gone) DEATH IN FLORENCE is book #2 in a charming new cozy mystery series by USA Today bestselling author Blake Pierce, whose #1 bestseller *Once Gone* has received 1,500 five-star reviews. The series (A YEAR IN EUROPE) begins with book #1 (A MURDER IN PARIS). Diana Hope, 55, is still adjusting to her recent separation when she discovers her ex-husband has just proposed to a woman 30 years younger. Secretly hoping they would reunite, Diana is devastated. She realizes the time has come to reimagine life without him—in fact, to reimagine her life, period. Devoting the last 30 years of her life to being a dutiful wife and mother and to climbing the corporate ladder, Diana has been relentlessly driven, and has not taken a moment to do anything for herself. Now, the time has come. Diana never forgot her first boyfriend, who begged her to join him for a year in Europe after college. She had wanted to go so badly, but it had seemed like a wild, romantic idea, and a gap year, she'd thought, would hinder her resume and career. But now, with her daughters grown, her husband gone, and her career no longer fulfilling, Diana realizes it's time for herself—and to take that romantic year in Europe she'd always dreamed of. Diana prepares to embark on the year of her life, finally turning to her bucket list, hoping to tour the most beautiful sights and sample the most scrumptious cuisines—and maybe, even, to fall in love again. But a year in Europe may have different plans in store for her. Can A-type Diana learn to go with the flow, to be spontaneous, to let down her guard and to learn to truly enjoy life again? In DEATH IN FLORENCE (Book #2), Diana arrives in Florence, ready to shake off the events of Paris and fulfill her lifelong dream of being proposed to on the romantic Ponte Vecchio bridge. But Diana can never possibly anticipate what she is about to find on that bridge, and how it may just turn her romantic dream into a ridiculous nightmare! A YEAR IN EUROPE is a charming and laugh-out-loud cozy mystery series, packed with food and travel, with mysteries that will leave you on the edge of your seat, and with experiences that will leave you with a sense of wonder. As Diana embarks on her quixotic quest for love and meaning, you will find yourself falling in love and rooting for her. You will be in shock at the twists and turns her journey takes as she somehow finds herself at the center of a mystery, and must play amateur sleuth to solve it. Fans of books like *Eat, Pray, Love* and *Under the Tuscan Sun* have finally found the cozy mystery series they've been hoping for! Book #3 (VENGEANCE IN VIENNA) in the series is now also available!
