ReFocus: The Films of Paul Schrader Jul 26 2019 Offers the first comprehensive academic text to explore Paul Schrader's film career through analysis of his directing, screenwriting, and film criticism. Contains a chapter-length interview, in which Schrader examines the arc of his career for the first time and revises previous statements about filmmaking and film criticism. Provides a valuable update to previous texts on Schrader. Considers Schrader's overlooked films and provides new insight into their connections with Schrader's better known films. Contains chapters on Schrader's work since 2008, the publication date of the last book on his filmmaking. Paul Schrader's unique relationship to the role of the author (as screenwriter, director and critic) has long informed his cinema, and raises complicated questions about the definition of the auteur. This volume of essays - one of the first collections to assess Schrader's contributions to directing, screenwriting and criticism - includes the first original appraisals of his much-lauded masterpiece *First Reformed* (2017), as well as a chapter-length interview with Schrader himself, conducted by the editors. Providing a comprehensive exploration of his groundbreaking achievements in cinema, the book considers Schrader's more overlooked films and provides new insights to their connection with his celebrated work in direction and screenwriting such as *Taxi Driver* (1976), *Cat People* (1982) and *The Comfort of Strangers* (1990).

SuperGhost Apr 14 2021 Mad Science. Phantom Limbs. Giant Monsters. And Ice Cream! Darren Legend is a former construction worker who's lost his right arm. Michelle Mayfair is a former Olympic runner who no longer has her legs. Dr. Griffin Rains is a mad scientist masquerading as a phantom limb therapist. When Dr. Rains assembles a giant ghost-monster from the phantom limbs he's stolen from hundreds of amputees, the city is in for the most bizarre nightmare it's ever seen. And it's up to Darren and Michelle, with the help of a few friends, to stop Rains and the strange terror of the SuperGhost! This newly-revised edition of the original bizarro/sci-fi/horror novella also features a brand-new prequel short story, "The Science Fair".

Composting May 04 2020 A full-color guide for both beginners and experienced composters, with an A-Z reference section. Composting is fun, easy and very satisfying! You can make compost even if you live in an apartment or don't have access to a garden. There are lots of good reasons to make compost: A third to two-thirds of the average garbage can contents can be composted, so you can lighten your bin—and stop it smelling. Less organic material is sent to landfill, so less noxious liquids and greenhouse gases—especially methane—are produced. Composting saves you money—you won't need to buy any more peat-based compost! This book will give you all the information you need for successful composting.

Electronic Shorthand Oct 01 2022 If you can never find a pen but always have an electronic device, Electronic Shorthand might be for you! If you need to take notes for study, business, hobbies, or memory problems, Electronic Shorthand could be the answer to your problems. It's a quick and easy-to-learn method of taking notes on an electronic device - a smartphone, tablet, or computer. Unlike traditional shorthand, it doesn't involve learning a whole new language, it's similar to 'texting' but with a few simple rules. It will enable you to take extensive notes, quickly and easily, and have them available anywhere in the cloud - without having to transcribe them or type them up afterwards. This is ideal for students and anyone who studies online or off. It's also great for reporters - you don't need to invest years into learning Pitman or Gregg or Teeline, and you won't need to worry about storing your notebooks or bits of paper. Business people love this method for taking down client briefs, networking/conference notes, and for organizing their lives. Electronic Shorthand could save you hassle, stress, and confusion.

Directory of Corporate Counsel 2011-2012 Aug 07 2020 Completely updated for 2011-2012, the Directory of Corporate Counsel remains the only comprehensive source for information on the corporate law departments and practitioners of the companies of the United States and Canada. Profiling over 22,000 attorneys and more than 5,000 companies, it supplies complete, uniform listings compiled through a major research effort, including information on company organization, department structure and hierarchy, and the background and specialties of the attorneys. This newly revised 2 volume edition is easier to use than ever before and includes five quick-search indexes to simplify your search: Corporations and Organizations Index Geographic Index Attorney Index Law School Alumni Index Nonprofit Organizations Index

Speed Writing Skills Training Course Apr 26 2022 Most people need a note taking system for work or study but few people have the time or inclination to spend a year or two learning shorthand. Bakerwrite speed writing enables you to learn a new system in a matter of hours and become proficient within weeks.

Gaither Sisters Trilogy Collection Nov 29 2019 All three books in the Coretta Scott King Award-winning series by New York Times bestselling author Rita Williams-Garcia are now available in one ebook collection! Each humorous, unforgettable story follows the Gaither sisters as they grow up during one of the most tumultuous eras in recent American history, the 1960s. Read the adventures of eleven-year-old Delphine and her younger sisters, Vonetta and Fern, as they visit their kin all over the rapidly changing nation—and as they discover that the bonds of family, and their own strength, run deeper than they ever knew possible. This collection includes *One Crazy Summer*, a Newbery Honor Book, National Book Award finalist, and winner of the Scott O'Dell Award; *P.S. Be Eleven*; and *Gone Crazy in Alabama*, all of which will make the perfect addition to a young reader's growing library. "A beloved middle grade series." —School Library Journal (starred review) "Funny, wise, poignant, and thought-provoking." —Horn Book (starred review) "The Gaither sisters are an irresistible trio. Williams-Garcia excels at conveying defining moments of American society from their point of view." —Publishers Weekly (starred review)

The Mammoth Book of Hollywood Scandals Jan 30 2020 Murders, suicides, unexplained deaths, scandalous romances, illegitimate children, cover-ups, and more, from the 1920s to Hollywood's Golden Age in the 1960s and right up to the present day. It covers over 60 scandals including: The Roscoe 'Fatty' Arbuckle Scandal; Clark Gable's Baby Scandals; The Rape of Patricia Douglas; The Life and Death of Jean Harlow; The Sudden Death of James Dean; Marilyn Monroe's Mysterious Death; John Belushi Dies at the Chateau Marmont; Madonna's Hollywood Stalker; Hugh Grant's Hollywood Scandal; Winona Ryder Is Arrested For Shoplifting; The Brad Pitt, Jennifer Aniston and Angelina Jolie Love Triangle; The Tragic Life and Death of Anna Nicole Smith; The Life and Death of Michael Jackson; Arnold Schwarzenegger's Love Child; The Very Public Melt-Down of Charlie Sheen; The Rise and Fall of Whitney Houston; The Marriage of Tom Cruise and Katie Holmes and many, many more.

Inversion Therapy Oct 21 2021 Inversion therapy is a way of decompressing the spine. The discs between the bones of the spine are quite soft & gravity compresses them over time. It's one of the reasons we lose height as we age. The discs get smaller & can leak, irritating surrounding nerves. Decompressing your spine by lying or hanging upside down allows the discs to expand. It also reduces nerve pressure & allows the spine to realign. The father of medicine, Hippocrates, is known to have invented a form of inversion around 400 BC for his patients by using a system of ladders & ropes to relieve pressure on their spines. We are more fortunate today, we don't have to get tangled up in ropes & ladders! We can buy, make, or improvise inversion equipment. It's well worth doing, as inversion has many benefits, not just spinal decompression. It can: Relieve back pain & sciatica - & chiropractic bills! Prevent loss of height Reduce the signs & symptoms of aging (including wrinkles) Improve posture Help insomnia Improve digestion & elimination Improve hormonal balance Improve menstruation & menopause symptoms Improve mood Brighten the complexion Increase hair growth and more. Inverting is unusual in that it is relaxing yet invigorating. Inverting in the mornings is a great way to start your day; inverting before bed is very relaxing & can help sleep (especially when done as part of a regular bedtime routine). Contraindications: While the benefits of inversion therapy are many, there are people who are unable to invert due to certain health conditions. The main ones are **CARDIOVASCULAR DISEASE, HIGH BLOOD PRESSURE, & GLAUCOMA**. That's because inversion temporarily raises blood pressure. **PREGNANCY** is another condition that may mean inversion is - temporarily - not a great idea. To be safe, it really is best to check with your physician before starting inversion - just in case you have an undiagnosed illness that would be contraindicated, or something that your physician knows could be made worse by inverting. This little but immensely useful book explains how inversion therapy works, why it works, and how to get started. You'll discover the different types of inversion equipment, including approximate prices & the advantages & disadvantages of each. By regularly inverting, you could make a massive difference to your health and appearance. The cost is minimal compared to the benefits. Slant boards cost from just \$50 - or you could make your own following the guidance in this book. All you need is a long piece of plywood, some wood to make a frame for the plywood top, and a piece of carpet as a covering (essential so you don't slip off it when relaxing!).

Revenue Management Sep 27 2019 This book describes the emerging field of revenue management and its applications across a broad spectrum of business activity. It recounts the history and development of revenue management and addresses the analytical tools needed to integrate revenue management into management generally and financial and accounting practice in particular. Revenue Management discusses and assesses various pricing practices and other revenue management techniques. It gives particular attention to the role of capacity analysis and the connection of revenue management to the theory of constraints. While revenue management originated in the service industries, it is now practiced across a broad spectrum of business and not-for-profit organizations. This book will be a useful guide to managers at all levels who wish to give greater consideration to the importance of revenue management in their organizations. The second edition reorganizes the presentation of the subject, adds many new examples, and concludes with a chapter on emerging issues.

Charmed Mar 02 2020 The electrifying sequel to HEXED. Since Indie Blackwood discovered she was a witch, life has been pretty crazy. Now her best friend Paige is missing, kidnapped by the Priory and taken to Los Demonios, an alternate dimension of Los Angeles filled with evil paranormals. Indie is desperate to find a way into the underworld prison. But facing the dark world's most dangerous witches and warlocks means keeping her plan a secret from her boyfriend Bishop and forging alliances with a seriously sexy sorcerer. No one who goes in ever comes out . . .

Specters of Anarchy Mar 14 2021 Anarchy. The word alone conjures strong emotional responses. Anarchism is one of the most important, if maligned, radical social movements. In the 21st century, anarchist politics have enjoyed a significant revival, offering a positive vision of social change and an alternative to the injustice and inequality associated with states and corporate dominance. Yet anarchism remains misunderstood and misrepresented in mass media and government accounts that associate the term with chaos and disorder. Despite the negative portrayals anarchism, in fact, has always been a movement of intense creativity. More than a political movement, anarchism has, for over a century, made important contributions to cultural developments, especially in literature and art. Often overlooked are the vital creative expressions of anarchism. This lively volume featuring works by innovative scholars presents the compelling potency of anarchist literature through distinct voices. Anarchism has greatly influenced literary production and provided inspiration for a diversity of writers and literary movements. Edited by a longtime anarchist theorist, this exciting collection of engaging works highlights the rich articulations of anarchism and literary creations. It places anarchism at the center of analysis and criticism. Authors examined include Octavia Butler, John Fowles, James Joyce, Ursula LeGuin, Eugene O'Neill, B. Traven, and Oscar Wilde, among others. The collection shows the richness of anarchist movements in politics and culture. *Specters of Anarchy* examines critically the generally overlooked intersections, engagements, debates and controversies between literature and criticism and anarchist theories and movements, historically and in the present period. Synthesizing literary criticism with the theory and practice of anarchism, this book offers a re-reading of important literary and political works. Anarchist politics is a major, and growing, contemporary movement, yet the lack of informed analysis has meant that the actual perspectives, desires and visions of this movement remain obscured. Lost in recent sensationalist accounts are the creative and constructive practices undertaken daily by anarchist organizers imagining a world free from violence, oppression and exploitation. An examination of some of these constructive anarchist visions, which provide examples of politics grounded in everyday resistance, offers insights into real world attempts to radically transform social relations in the here and now of everyday life.

Read by Dawn May 16 2021 The first in an annual international series of contemporary horror writing from new and established authors. Internationally acclaimed horror author Ramsey Campbell hosts Volume One with an introductory and closing piece, and provides a hugely atmospheric story, *A Place of Revelation*. The volume contains 27 stunning new stories from England, Scotland, USA, Australia, Finland, Canada, representing the best in contemporary horror writing.

Goodreads for Authors Nov 02 2022 Goodreads is a website that is full of the people authors love and yearn for - readers. Amazon obviously thinks Goodreads has massive potential, as they have just bought it. If you are an author, are you using the awesome power of Goodreads to its full potential? It is growing at a phenomenal rate, doubling its membership from 6.5 million users in 2011 to 13 million in 2012. Membership is currently (November 2013) 20 million and rising. An astonishing 21% of Goodreads group members are also book bloggers. These are the people we as authors need to reach. We have to do it in a respectful, professional way though. Too many authors can be seen on other social platforms screaming, 'Buy my book!'. No-one gets away with that on Goodreads. Goodreads users are educated, passionate, and can spot self-promoting authors with ease. You don't need to self-promote, and you don't need to leave your success to luck. What you do need to do is set out in this book - together with a suggested schedule of how to engage your readers via your activity on Goodreads (just minutes each day). It is the result of months of study, research, testing, and writing. The chapters are written in the steps authors need to take to get started on Goodreads: claim your author profile, add your blog (or start one), add videos, photos, quotes, etc., add your book(s), join helpful groups, meet readers and potential readers, harness the power of Giveaways, promote your free days/offers, and much, much more, such as: * Find out how *50 Shades Of Grey* and other bestsellers

harnessed the power of Goodreads - with real figures and statistics showing the viral effect in action. * Understand how to create this effect yourself, for your own books. * Learn strategies to promote your book online, without having to waste hours on Twitter and Facebook (you'll find out why that isn't a very valuable thing to do with your time). * Find out how to use Goodreads's self-serve advertising to test ads and targeting in order to create a viral effect on Goodreads in order to promote your book on Amazon. You don't have to resort to sneaky tricks or black hat tactics to be successful on Goodreads. You just need to learn how to use the site properly, respect other users, and let them find your books naturally, using the site's numerous tools.

Buster's Day May 28 2022 Lift the flaps and share in Buster's various activities throughout a very busy day.

PR for Authors Aug 31 2022 Why This Book Could Really Help YOUR Book Sales Public relations - or PR - is a vital part of any author's marketing toolkit. Not just because it is free, it's extremely powerful and quite under-used. Yet it isn't difficult. PR is about being available, being friendly, and having information to send to people who ask for it. Those people could be reporters, bloggers, reviewers, or anyone who may be interested in your book, your message, and your author brand. **HOW PR CAN HELP YOU** You could get started on a PR campaign right now. All you need to do is write a press release and send it out online via a free online press release distribution service. Press releases are one of the most important tools of PR. Lots of authors struggle with this but it is a learned skill that you can easily pick up. You could even send out duff press releases and still get good backlinks and SEO for your site and social proof for yourself. Not that you'll have to, after reading this book! It's all about social proof. You need to make sure that you're everywhere, should reporters decide to come looking for you. Your frequent sending of press releases and posting on social media should make that much, much more likely. Establishing yourself as an expert will also help that, too. Use the tips and techniques in this book to build your own personal database of reporters and other contacts, improve your social media skills (so you don't waste time but do reach the right people), and make sure that your author brand and reputation - both online and off - are the best they can be. **THIS BOOK WILL SHOW YOU:** * What PR is - and what it isn't. * How to find great lists of reporters using a little-known method. * How to find the 'story' or hook in your book to turn it into a great press release. * The best free press release distribution services. * The PR possibilities of your website. * How to set up a 'press room' on your website. * The PR possibilities of social media. * What to do next time you publish a book, for maximum PR exposure. and lots more.

Helios Crowns His Mistress Nov 21 2021 Will a Crown Prince risk everything, even his crown, to wed a secret mistress rather than a woman of royalty?

Book Indexing For Authors Jul 30 2022 An index could be the thing your book is missing. Take a look in a library or bookstore and you will find few nonfiction books that don't have indexes. That's because publishers know how important the presence of an index is to readers - and therefore how vital it is for sales. Indies often don't realize this - and miss out on potential sales and potential good reviews. A book index is like a guidepost or map for your readers. It tells them what to expect from your book, where to find topics that interest them, and - importantly - what isn't in the book. This means that it reduces the chances of poor reviews and increases the chances of positive reviews. An index helps usability, which makes it more useful to readers. If you are an author thinking of creating your own index, you're in good company. There is quite a precedent for author-indexes (especially in the world of academia, where subjects are so specialist that it's hard to find a professional indexer with relevant experience). This book will guide you through the process and show you how to do it yourself in Microsoft Word. (Sorry, no Mac instructions.) This book is for you if... You need easy-to-understand instructions on how to create your own index for a non-fiction book using Microsoft Word; Your [traditional] publisher is insisting on an index and expecting you to pay for it; You don't have a big budget; You aren't a computer or publishing expert; You don't want to spend weeks (or months) learning how to index. This book is not for you if... You need an in-depth, theory-based book. Many people like the jump-right-in, workbook approach. You are looking for something to help you become a professional indexer, or to win indexing awards. Most professional training courses and organizations often recommend Nancy C. Mulwary's Indexing Books. Also check out the American Society of Indexers (ASI) - www.asindexing.org - and other professional and standards organizations in other countries. You can find courses on indexing in local colleges, as well as online. If you do buy this [print] book, you will have the opportunity of joining the forthcoming online course based on it - free of charge. You will be able to ask questions, receive help, and see in real-time what the creation of an index involves.

When Scotland Was Jewish Jul 06 2020 The popular image of Scotland is dominated by widely recognized elements of Celtic culture. But a significant non-Celtic influence on Scotland's history has been largely ignored for centuries? This book argues that much of Scotland's history and culture from 1100 forward is Jewish. The authors provide evidence that many of the national heroes, villains, rulers, nobles, traders, merchants, bishops, guild members, burgesses, and ministers of Scotland were of Jewish descent, their ancestors originating in France and Spain. Much of the traditional historical account of Scotland, it is proposed, rests on fundamental interpretive errors, perpetuated in order to affirm Scotland's identity as a Celtic, Christian society. A more accurate and profound

understanding of Scottish history has thus been buried. The authors' wide-ranging research includes examination of census records, archaeological artifacts, castle carvings, cemetery inscriptions, religious seals, coinage, burgess and guild member rolls, noble genealogies, family crests, portraiture, and geographic place names.

A Stranger on the Beach Oct 28 2019 Parade's "10 Books Written by Women We Can't Wait to Read in 2019" | She Reads' "Most Anticipated Thrillers of Summer 2019" | Pure Wow's "The Best Beach Reads of Summer 2019" | CrimeReads' "The Most Anticipated Crime Books of Summer" From bestselling author Michele Campbell comes *A Stranger on the Beach*, an edge-of-your seat story of passion and intrigue that will keep you guessing until the very end. Caroline Stark's beach house was supposed to be her crowning achievement: a lavish, expensive space to showcase what she thought was her perfect family. But after a very public fight with her husband, she realizes things may not be as perfect as they seem: her husband is lying to her, the money is disappearing, and there's a stranger on the beach outside her house. As Caroline's marriage and her carefully constructed lifestyle begin to collapse around her, she turns to Aidan, the stranger, for comfort...and revenge. After a brief and desperate fling that means nothing to Caroline and everything to him, Aidan's infatuation with Caroline, her family, and her house becomes more and more destructive. But who is manipulating whom in this deadly game of obsession and control? Who will take the blame when someone ends up dead...and what is Caroline hiding?

Indexing Books, Second Edition Oct 09 2020 Since 1994, Nancy Mulvany's *Indexing Books* has been the gold standard for thousands of professional indexers, editors, and authors. This long-awaited second edition, expanded and completely updated, will be equally revered. Like its predecessor, this edition of *Indexing Books* offers comprehensive, reliable treatment of indexing principles and practices relevant to authors and indexers alike. In addition to practical advice, the book presents a big-picture perspective on the nature and purpose of indexes and their role in published works. New to this edition are discussions of "information overload" and the role of the index, open-system versus closed-system indexing, electronic submission and display of indexes, and trends in software development, among other topics. Mulvany is equally comfortable focusing on the nuts and bolts of indexing—how to determine what is indexable, how to decide the depth of an index, and how to work with publisher instructions—and broadly surveying important sources of indexing guidelines such as *The Chicago Manual of Style*, Sun Microsystems, Oxford University Press, NISO TR03, and ISO 999. Authors will appreciate Mulvany's in-depth consideration of the costs and benefits of preparing one's own index versus hiring a professional, while professional indexers will value Mulvany's insights into computer-aided indexing. Helpful appendixes include resources for indexers, a worksheet for general index specifications, and a bibliography of sources to consult for further information on a range of topics. *Indexing Books* is both a practical guide and a manifesto about the vital role of the human-crafted index in the Information Age. As the standard indexing reference, it belongs on the shelves of everyone involved in writing and publishing nonfiction books.

Shorthand SOS Nov 09 2020 This book is designed for use in a classroom or for self-study. By following these short simple chapters you'll be shorthand literate in no time at all.

The 10-Day Skin Brushing Detox Jun 24 2019 Skin brushing can make you feel amazing - right from the first session! (If you do it right) Dry skin brushing (aka body brushing) is an old naturopathic technique that you can do even when not feeling great. It simply involves brushing the body all over with a firm brush. Why? Because it makes you look and feel absolutely amazing! It works as a detox by stimulating the lymphatic and blood systems, boosting metabolism, and improving elimination through the skin - the body's largest organ. The lymph gets sluggish when we don't move much, as it relies on muscles to move its contents. Done incorrectly, any detox can make you feel awful - the side-effects can be pretty rough. This book shows you how to detox by using skin brushing without unpleasant side-effects. You will feel good from Day One. By Day Ten you will have established a new health habit that you can build on. **A Unique New Method Of Dry Skin Brushing** This book contains a unique method of brushing. If you have done skin brushing before you may have been told to start at the feet and just brush towards the heart. You'll find out why that isn't always the case and the exact way to brush every inch of your body. This new method has been tried, tested, and refined by the author, experienced aromatherapist and health coach Mia Campbell. **The Benefits** The most famous reason for trying skin brushing is to eliminate cellulite. That it can do and so much more, including: p" Improvement in skin's appearance & texture Better muscle and skin tone p" Improved lymphatic flow (which improves the health overall) p" More energy p" Improved immunity p" Less fatty deposits p" Improved skin conditions p" Better digestion and elimination p" Improved hormones p" A feeling of wellbeing and an inner & outer glow of vibrant energy p" An overall detox p" Reduced stress An incredible list of benefits - and that isn't all of them. Try it for yourself. All you need is a brush (between \$10 and \$15) and this book. **Why Do You Need This Book?** Here is the author's own experience: "I was suffering from a few health problems, including chronic fatigue syndrome, and took up skin brushing as part of a regime to improve my health. I gave up caffeine at the same time. The result was a headache so bad that I wanted to die! I gave up skin brushing and the health drive and sloped back to bed. I hadn't realized that taking up new health habits should be done gradually, one at a time, or you can be overwhelmed by the effects of the detox. After I trained in aromatherapy and massage I understood more

about detoxing. I learned about manual lymphatic drainage and wondered why most articles that explain how to do skin brushing differed so much from the way that manual lymphatic drainage therapists work. Over a period of time - and experimentation on my [willing!] clients - I devised my own method of skin brushing. It stimulates the lymphatic system without overloading it so makes you feel wonderful while detoxing, which is pretty rare." Check With Your Physician As always, do check with a physician or other health professional before embarking on a new regimen that can affect your health.

Campbell-Walsh Urology 11th Edition Review Aug 26 2019 Following the same chapter structure as the authoritative Campbell-Walsh Urology, 11th Edition, this trusted review covers all the core material you need to know for board exam preparation and MOC exams. Drs. W. Scott McDougal, Alan J. Wein, Louis R. Kavoussi, Alan W. Partin, and Craig A. Peters provide more than 3,000 multiple-choice questions with detailed answers that help you master the most important elements in urology, while interactive questions, self-assessment tools, an extensive image bank, and more are available on Expert Consult. Prepare for the written boards and MOC exams with the most reliable, efficient review available, from the same team that has made Campbell-Walsh Urology the most trusted clinical reference in the field. Stay up to date with new topics covered in the parent text, including evaluation and management of men with urinary incontinence, minimally-invasive urinary diversion, laparoscopic and robotic surgery in children, and much more. Get a thorough review and a deeper understanding of your field with more than 3,000 multiple-choice questions and detailed answers, now with new highlighted "must-know" points in the answer explanations. Quickly review just before exams with help from new Chapter Reviews that detail key information in a handy list format. Benefit from an increased focus on pathology and imaging, including updates to conform pathology content to the new American Board of Urology requirements.

It's a rollicking, high-flying adventure, and one you do not want to miss!

Rough Dec 11 2020 Tegan Raccini's heart has been hardened her parent's divorce, and by the recent loss of her bad boy biker lover to a life-long prison sentence. She isn't bitter; in fact, she's rather upbeat. But, she simply doesn't trust men. When she causes an accident with a motorcycle on the freeway, she's immediately attracted to the handsome biker, but knows she can't stand another heart break. Even though she's unemployed, she agrees to pay for the damages, hoping to never see him again. To earn the money for the repairs to his motorcycle, she accepts a job as the in-home caregiver for an elderly man who is confined to a wheelchair. There's one problem when she shows up at his home. A BIG problem. He's the biker's father.

Dark Matter Jan 24 2022 A terrifying 1930s ghost story set in the haunting wilderness of the far north. January 1937. Clouds of war are gathering over a fogbound London. Twenty-eight year old Jack is poor, lonely and desperate to change his life. So when he's offered the chance to join an Arctic expedition, he jumps at it. Spirits are high as the ship leaves Norway: five men and eight huskies, crossing the Barents Sea by the light of the midnight sun. At last they reach the remote, uninhabited bay where they will camp for the next year. Gruhuken. But the Arctic summer is brief. As night returns to claim the land, Jack feels a creeping unease. One by one, his companions are forced to leave. He faces a stark choice. Stay or go. Soon he will see the last of the sun, as the polar night engulfs the camp in months of darkness. Soon he will reach the point of no return - when the sea will freeze, making escape impossible. And Gruhuken is not uninhabited. Jack is not alone. Something walks there in the dark...

Broken People Dec 23 2021 Broken People follows the lives of five separate people with one common bond - they're all broken in some way, shape or form. One thing binding them together is The Fat Kid, a self-proclaimed therapist who devotes his life to helping people who have difficulties helping themselves; people he considers to be broken. Intentionally becoming obese in an effort to shield himself from the approach of outsiders wanting to better understand him, The Fat Kid hides behind his thick outer self. With an overbearing obnoxious attitude, he allows few people to enter his otherwise private life. Most of the people in his life come from his internet blog, and pose no real threat to him or to his odd lifestyle. When he encounters a bulimic teenage girl through his internet blog who threatens to commit suicide, he begins to reflect on parts of his life he has spent years repressing. As he frantically chases the elusive suicidal girl in an effort to save her, he continues to assist many other broken people through his self-help blog. When he meets an extremely independent woman who challenges him, his way of living, and of viewing life he reluctantly listens. In doing so he challenges his past mistakes, his future, and ultimately he finds himself. I will cherish this book for the rest of my life, and I express my gratitude to the Author for writing such an honest and heart-wrenching tale. You certainly changed my life. I might be broken, but I think, I will find peace with

that. And someday, one day, I won't be this broken. No more. I would like to give this book a perfect 5/5. Yes, this is the second book (after *White Oleander*) which I'm giving a perfect 5/5 on my blog! - Bhavya Kaushik, author of the critically acclaimed award winning, *The Other Side of the Bed* "Broken People" is simply the best mainstream novel I've read this year. It is mainstream fiction at its finest. The story-lines unfold from the viewpoints of multiple characters, each one being explored to the full extent of his or her depth of emotion, intelligence and brokenness while weaving the unique thread of that character into the warp and woof of the finished fabric. Don't expect the fabric to be beautiful, or even pleasing. It is neither. These are broken people. And the threads of their lives are split and frayed, one moment dazzlingly brilliant, the next moment faded; threads combine: the weakest point of one with the borrowed strength of the other then wound together and pulled through. - Author Jay Squires Very rarely does a book come along that opens your mind and your heart. I laughed... I cried... I am truly moved and changed in a way that I can't even explain. Pick up this book and read it like your life depends on it... because it will definitely change your life and change your way of thinking. - A Risque Affair Book Blog"

Make Your Book Work Harder Jan 12 2021 **HOW TO SELL MORE COPIES OF YOUR BOOK: FICTION OR NON-FICTION** While you may think that the entire world is on a single book-buying platform, nothing could be further from the truth. As eReaders and eReading Apps proliferate, so do book-selling services and sites. If you're selling your book on a single platform you're missing at least 40% of the digital reading audience. This book was written for authors of fiction and non-fiction who want to expand their reach and increase their income. Created by two experienced authors, *Make Your Book Work Harder* walks readers through the maze of book-selling platforms, including some that are well-known and others that may never even be on your radar. The other platforms are becoming increasingly important. Apple report more downloads of iBooks app than the Kindle app. The iBookstore is now the second biggest seller of eBooks, right behind Amazon. If you get your book into Smashwords you can have them release it to the iBookstore - plus many others, such as Kobo, Nook, etc. And don't stop there! Think about whether your book might make a good audio book. All those truckers and people plugged into their smartphones and tablets love audio books. **HOW MAKE YOUR BOOK WORK HARDER CAN HELP YOU INCREASE BOOK SALES** step-by-step how-to for using multiple platforms how to maximize your promotional time how to minimize your promotional dollars where to find little-known publishing alternatives free sources for promoting your book time-saving social media services how to amp up your income by creating a book-related course our personal preferred vendors for outsourcing formatting and social media exposure how to increase your name recognition and much, much more **YOU'VE WORKED HARD . . . NOW MAKE YOUR BOOK DO SOME OF THE HEAVY LIFTING!** We all know the time and energy involved in writing a book. That's why we feel that only selling on a single platform isn't leveraging the power of your book or the power of alternative publishing platforms. This book is the solution to the one-platform sales lag that every author sees over a period of time. Using our techniques you'll expose your book to new audiences who read books on multiple apps and services (including some that are subscription-based). Why settle for a single point-of-sale when you can reach most of the marketplace? **BONUSES TOO:** Want a behind-the-scenes look at how the authors promote their own books on Facebook? One of the free downloads for anyone who purchases this book is a guide to book promotion on Facebook that can cost pennies a day. The authors have also created a secret Facebook group for readers of this book only - a group where new additions to the book will be introduced first, so you'll get a head start on trying new techniques for making more sales. **READY TO LEVERAGE THE POWER OF MULTIPLE PLATFORMS?** There's never been a better time to spread your wings and get your books out into 100% of the book-buying marketplace. Click the BUY button and get going with new promotions and more sales starting TODAY.

From Politics to the Pews Feb 10 2021 One of the most substantial divides in American politics is the "God gap." Religious voters tend to identify with and support the Republican Party, while secular voters generally support the Democratic Party. Conventional wisdom suggests that religious differences between Republicans and Democrats have produced this gap, with voters sorting themselves into the party that best represents their religious views. Michele F. Margolis offers a bold challenge to the conventional wisdom, arguing that the relationship between religion and politics is far from a one-way street that starts in the church and ends at the ballot box. Margolis contends that political identity has a profound effect on social identity, including religion. Whether a person chooses to identify as religious and the extent of their involvement in a religious community are, in part, a response to political surroundings. In today's climate of political polarization, partisan actors also help reinforce the relationship between religion and politics, as Democratic and Republican elites stake out divergent positions on moral issues and use religious faith to varying degrees when reaching out to voters.

Just Henry Jul 18 2021 An absorbing post-war adventure from the award-winning author of *Goodnight Mr Tom*. WWII has ended, but Henry is fighting his own battles. He misses his father who died a war hero, and his only distraction is the cinema. When Henry develops an old camera film he uncovers a mystery and events spiral until his life resembles the drama of his beloved big screen. Like a bomb waiting to explode, Henry's world is about to unravel . . . In this Costa Award-winning novel, Michelle Magorian takes a lens to post-war Britain, revealing its

prejudices, its quirks and its warmth.

Mo Feb 22 2022 A puppy born without the ability to bark; A veterinarian who believes that dogs could talk, given the right surgery; A scientist who specialises in growing tissue. Add these together and the result is a dog with a unique ability and an attitude problem. That means a confused family, offended neighbours, and some very scared cats! ===== This is a book for children aged around 8-12 years of age. ===== Reviews: "This is one of those books that you just don't want to put down. From the first page it was great. My kids enjoyed listening to this and it prompted a very nice lengthy discussion after we were finished with it. I would highly recommend this book to parents. Although this is a longer book, I found it a nice way to spend an afternoon with my kids." "This is a perfect family book." "Who wouldn't want to have a speaking dog and learn to know what his/her furry friend really thinks? The book also gives a lot of opportunities for (grand)parents that read this book with their (grand)children to start conversations about so important topics like bullying in an easy way. Highly recommended!" =====

Electronic Shorthand Aug 19 2021 If you can never find a pen but always have an electronic device, Electronic Shorthand might be for you! If you need to take notes for study, business, hobbies, or memory problems, Electronic Shorthand could be the answer to your problems. It's a quick and easy-to-learn method of taking notes on an electronic device - a smartphone, tablet, or computer. Unlike traditional shorthand, it doesn't involve learning a whole new language, it's similar to 'texting' but with a few simple rules. It will enable you to take extensive notes, quickly and easily, and have them available anywhere in the cloud - without having to transcribe them or type them up afterwards. This is ideal for students and anyone who studies online or off. It's also great for reporters - you don't need to invest years into learning Pitman or Gregg or Teeline, and you won't need to worry about storing your notebooks or bits of paper. Business people love this method for taking down client briefs, networking/conference notes, and for organizing their lives. Electronic Shorthand could save you hassle, stress, and confusion.

The Cambridge Companion to Bede Jun 04 2020 As the major writer and thinker of the Anglo-Saxon period, the Venerable Bede is a key figure in the study of the literature and thought of this time. This Companion, written by an international team of specialists, is a key introductory guide to Bede, his writings, and his world. The first part of the volume focuses on Bede's cultural and intellectual milieu, covering his life, the secular-political contexts of his day, the foundations of the Latin learning he inherited and sought to perpetuate, the ecclesiastical and monastic setting of early Northumbria, and the foundation of his home institution, Wearmouth-Jarrow. The book then considers Bede's writing in detail, treating his educational, exegetical and historical works. Concluding with a detailed assessment of Bede's influence and reception from the time of his death up to the modern age, the Companion enables the reader to view Bede's writings within a wider cultural context.

Indie Author's Toolbox: How to create, publish, and market your Kindle book Mar 26 2022 Read this if you want to sell more books, make more money as an author, or rank higher in your category. My name is Nick Vulich. The first thing you should know about me is I'm not a writer, and I'm not an expert on self-publishing either. I never worked in the industry, and I don't have any experience working for the big publishers. In fact, the only thing I consider myself an expert in is how to sell on eBay, Amazon, and Fiverr... So why should you listen to me? Like most indie authors, I came into publishing through the back door. I had a story to tell, and one day I just sat down and let it all come out. What I wrote wasn't pretty, or polished...but, it helped a lot of people sell more stuff on eBay. What I couldn't say with fancy prose, I made up for with enthusiasm. Because of that, my books sold. I'm not going to lie to you. It wasn't easy. I read just about every book available on self-publishing. I studied up on KDP Free days, Countdown Deals, price pulsing...

Ella Wood Sep 19 2021 Will Emily forego love for a chance at independence? Emily Preston wants only to become an artist. As the nation teeters on the brink of civil war, she must wage her own battle against the restrictive ideology of her father. Women belong at home on the plantation beneath the watchful eye of a husband or father--NOT at a university. But several schools in the North have opened their doors to women. How can she make her father see just how much it means to her to study under a master? Independence isn't the only contentious point between them. A recent visit to her uncle's home in Detroit has called Emily's entire upbringing into question, but her father doesn't appreciate her criticisms of his management of Ella Wood, the Preston family plantation. Then there's the problem of Thaddeus Black, the handsome, charming young man who simply won't take no for an answer. It could be that the real fight lies within her heart, which stubbornly refuses to accept that a choice for independence must be a choice against love. "Poetic" and "nuanced," Ella Wood is the story of a young woman standing at the edge of war and struggling with questions of morality, purpose, and love. All three books in the Ella Wood trilogy are clean and wholesome and ALWAYS FREE on Kindle Unlimited, as are the accompanying series of novellas. Titles in the Ella Wood series: Ella Wood, Blood Moon, Ebb Tide Ella Wood novellas: Lizzie, Jack, Jovie The Ella Wood trilogy and the trilogy of novellas are complete.

Birth Road Sep 07 2020 A bold and evocative work of historical fiction by a debut author that travels from rural

Nova Scotia to Boston and back again, told in startling vignettes. My mother was not one to dwell on the past. "Digging up old memories is like eating cherries," she said. "Some people choose the sweet ones every time, and then there are the others, those who always choose the sour." I don't agree with my mother. I have always liked the sweet and the sour. You really can't appreciate one without the other. Memories are like that, too. Told in startling vignettes and with bold, impeccable prose, *Birth Road* is a story of love, lost innocence, and the secrets that so often haunt small places. Set in early twentieth-century Nova Scotia, our story follows the naive but curious Helen, as she recalls the relationships and significant moments that have led to the birth of her child. Born in the grip of poverty to a cruel mother and a gentle but absent father, Helen's life follows a surprising path as she is moved from one place to another, constantly leaving the people she cares about behind. The love she has for her best friend Madge and her husband Edgar are tested as her journey is overshadowed by rumours and secrecy. Her loving Aunt Gertie, whose voice is like the summer rain, guides her with humour and wisdom as she grows into a woman. Throughout it all, Helen takes in the world around her, but with an innocence that lets it break her heart over and over again. Why is Madge's family so sad? Why does her brother hate their mother? Why have the details of her parents' marriage been kept a secret? As Helen grows, she slowly unravels family secrets, and finds the life she's been building is one she never expected. Moving from the woodlands of rural Nova Scotia to the city streets of Boston and back again, *Birth Road* is the powerful story of a woman desperate to live life on her own terms.
