At Annie Laurance's Death On Demand bookstore on Broward's Rock Island, South Carolina, murder most foul suddenly isn't confined to the well-stocked shelves. Author Elliot Morgan's abrupt demise during a weekly gathering of famous mystery writers called the Sunday Night Regulars is proof positive that a bloody sword is sometimes mightier than a brilliant pen. With Annie is the unenviable position of primary police suspect, the prettiest young mystery maven and her wealthy paramour, Max Darling, embark on an investigation into a classic locked-room mystery with high stakes. Perhaps a little strange. What do you really know about me, though? The details of my past are up for debate. I've been careful to hide my sins, and even more careful to follow the rules. I do as I'm told. I keep to myself. I don't mess around with boys, and I'm always ready to run. At least that's what I tell myself, anyway. Since I met him, I've broken every single rule in the book. He's impossible. Arrogant. Terrifying. If I'm not careful, Wolf Hall's golden boy will do more than make me break the rules. He'll wind up breaking me. DASH First, they hate me, then they hate themselves for wanting me. That's how it always goes. I'm the smart one. The charming one. The guy with the accent that makes girls go weak at the knees. As a resident of Riot House, I'm destined to rule Wolf Hall. Doesn't matter where you come from. How much money you have. What your future holds. Cross the path of a Riot House Boy and you're guaranteed to pay the price. The girl isn't special. She's just another cog, turning in the wheel. So why, then, am I protecting her? And why am I keeping her a secret? Call me a monster. Call me a fiend. Call me reprehensible. Call me Lord Dashiell

PAX I don't do complicated. I sure as hell don't do love. With graduation in sight, I've made it almost four years at Wolf Hall without getting tangled up in love with girls. I especially want nothing to do with her: Presley. Maria. Witton. Chase. The timid little mouse with the red hair, who can't even look my way without hyperventilating. She's nothing to me. Beautiful, sure, but I've had plenty of beautiful women. I'm perfectly content ignoring her... ..until her life is suddenly in my hands. PRES I've loved him from the moment I laid eyes on him. The cruel, inked anarchist of Riot House. He's wicked, and he's cold, and there's nothing good left in him. I fear him almost as much as I crave him. But the demons I've been hiding for years now are growing restless... ..and Pax is thing that will keep them at bay. This is not an act of kindness. Not an act of love. Not an act of forgiveness. The Very Young Mrs. Poe Dec 31 2019 "The account of the brief marriage of Edgar Allen Poe to his gentle, frail, and very young (she was not quite fourteen) cousin, Sissy, has an enduring appeal, and none of the appreciable

sentiment in this story is lost here. For Sissy, from the time she was a child, admired and adored Eddy, knew that she alone could ease the tensions which led to his drinking. She followed him to Baltimore where he worked on the Messenger. Marriage was to fulfill her May Day party wish "to be loved and always loving", but there were the fears that she would be inadequate intellectually, as the ménage (her mother ran the house- and earned money with her needle when necessary) moved on to New York, then Philadelphia. Sissy's pleurisy was an early intimation of the lung haemorrhage, after singing at a recital. This led to the long months of illness during which Eddy drank and wrote The Raven. As well as dark stories of death, presaging hers which was to follow A tender and appealing tale, in which the author's sympathies are perhaps sharper than her characters; Eddy is never much more than a brooding figure- in the background."--Kirkus
