**Red, White & Royal Blue** Jan 03 2020 \* Instant NEW YORK TIMES and USA TODAY bestseller \*\* GOODREADS CHOICE AWARD WINNER for BEST DEBUT and BEST ROMANCE of 2019 \*\* BEST BOOK OF THE YEAR\* for VOGUE, NPR, VANITY FAIR, and more! \* What happens when America's First Son falls in love with the Prince of Wales? When his mother became President, Alex Claremont-Diaz was promptly cast as the American equivalent of a young royal. Handsome, charismatic, genius—his image is pure millennial-marketing gold for the White House. There's only one problem: Alex has a beef with the actual prince, Henry, across the pond. And when the tabloids get hold of a photo involving an Alex-Henry altercation, U.S./British relations take a turn for the worse. Heads of family, state, and other handlers devise a plan for damage control: staging a truce between the two rivals. What at first begins as a fake, Instagramable friendship grows deeper, and more dangerous, than either Alex or Henry could have imagined. Soon Alex finds himself hurtling into a secret romance with a surprisingly unstuffy Henry that could derail the campaign and upend two nations and begs the question: Can love save the world after all? Where do we find the courage, and the power, to be the people we are meant to be? And how can we learn to let our true colors shine through? Casey McQuiston's *Red, White & Royal Blue* proves: true love isn't always diplomatic. "I took this with me wherever I went and stole every second I had to read! Absorbing, hilarious, tender, sexy—this book had everything I crave. I'm jealous of all the readers out there who still get to experience *Red, White & Royal Blue* for the first time!" - Christina Lauren, New York Times bestselling author of *The Unhoneymooners* "*Red, White & Royal Blue* is outrageously fun. It is romantic, sexy, witty, and thrilling. I loved every second." - Taylor Jenkins Reid, New York Times bestselling author of *Daisy Jones & The Six*

**Blue Fire** Jun 27 2019 Tanzanite, a rare blue gem born in fire and revealed by lightning, is found only in the Merelani Hills of Tanzania. But now the death of a gem smuggler points to another possibility. A South American mine owned by Tabitha Metals may hold the find of a century. But why is it kept hidden from the world? Geologist Brian Graham can draw only one conclusion: the mine's untraceable wealth is used to fund terrorism. And he must reveal the truth. Brian heads to Colombia to check out mines there while his geologist daughter Alex and Tanzanian miner Mosi Ongeti start in Brazil. But their daring plan ends with a gunshot, and they are now pursued by the henchmen of a sinister, powerful arms dealer. In a high-stakes race across two continents, Alex fights to expose the mine before the man behind Tabitha Metals can stop her.

**The Essential James Hillman** Feb 13 2021 First published in 1990. Routledge is an imprint of Taylor & Francis, an informa company.

**Blue Fire** Oct 04 2022 A thrilling new suspense novel with shades of *The Stand* and *One Second After* from the New York Times bestselling author of the Jonathan Grave series, that fans of Ben Coes and Brad Taylor won't want to miss! In the wake of a global conflict that has devastated America, those who survived live in a world without technology or governance. They look to one woman—single mother and former West Virginia Congressperson Victoria Emerson—to lead and protect those determined to rebuild all they have lost...

"Engrossing...Fans of doomsday military thrillers will delight in the resilience of Gilstrap's family of preppers and their quest for survival on their terms." —Publishers Weekly They call it *Hell Day*—a world war that lasted less than twenty-four hours. Nations unleashed weapons that destroyed more than a century's worth of technology. Electrical grids cannot generate power. Communications and computers cannot run. And the remnants of the U. S. government cannot be depended upon. Those who survived must live as their ancestors did, off a land ruled by the whims of nature. One-time congressional representative Victoria Emerson has become the new leader of the small town of Ortho, West Virginia. She has been struggling to provide food and shelter for the town's inhabitants, while coping with desperate refugees. An autumn morning's calm is shattered when her teenage son sounds the alarm with the cry "Blue Fire"—the code phrase for imminent

danger. A band of National Guardsmen intends to take Ortho and its resources for themselves. They have enough soldiers and firepower to eliminate anyone who dares to stop them. But Victoria swore an oath to defend and protect her people, and she isn't about to surrender. It's time to tap into the traditional American values of courage, ingenuity, and determination—and fight fire with fire.

**Blue Fire Jun 07 2020** On your journey through Blue Fire, you will connect with many of the emotions that we all learn to cope with and appreciate in our lifetime. There is joy, pain, love, anger, regret, and the most important, forgiveness of ourselves and others. We have all been through emotional fires in our life. Many fires in my life were sparked by certain circumstances, and some were a tainted birthright. More than a few were deadly flames thrown from hands of those I trusted. But more than others, I ignited several fires upon myself; fires of doubt, accepting rejection, low self-esteem fires and fear of success. Whatever or whoever the reason for our devastating and life changing fires, we are still standing, thank God! Through the eyes of my heart the blue part of the flame is the purest part of the fire! So what wasn't taken away from me and what I have not given away is more than prepared for this next chapter of this wonderful venture called life. So, regardless to our fires, we are the premiere result of the best and worst times of our existence. So, from one Soul Survivor to the next... Always be grateful for those Blue Fire stages that constantly lead us toward the path of growth and futuristic positive change!

**Blue Fire Girl Oct 24 2021** Amara certainly doesn't feel special, just different. Some kids in school want to make sure she feels differently from them and they don't stop with just names. How can Amara, the blue fire girl, cope with the bullying from her classmates and still shine brightly? Blue fire girl is an accurate portrayal of bullying; the names, the teasing, the rock throwing. Written with genuine emotion and an authentic viewpoint by pre-teen Tessa Powlin.

**The Healing Wars: Book II: Blue Fire Sep 03 2022** Part fugitive, part hero, fifteen-year-old Nya is barely staying ahead of the Duke of Baseer's trackers. Wanted for a crime she didn't mean to commit, she risks capture to protect every Taker she can find, determined to prevent the Duke from using them in his fiendish experiments. But resolve isn't enough to protect any of them, and Nya soon realizes that the only way to keep them all out of the Duke's clutches is to flee Geveg. Unfortunately, the Duke's best tracker has other ideas. Nya finds herself trapped in the last place she ever wanted to be, forced to trust the last people she ever thought she could. More is at stake than just the people of Geveg, and the closer she gets to uncovering the Duke's plan, the more she discovers how critical she is to his victory. To save Geveg, she just might have to save Baseer—if she doesn't destroy it first.

**Blue Fire and Ice Dec 26 2021** The land is in peril. Fires are ravaging Beadledom. In the face of terrifying, unquenchable blue flames the Beadles turn to their unpredictable neighbours, the Muddles, for help. But aid from the Muddles brings its own risks.

**A Blue Fire Nov 05 2022**

**The Chinchaga Firestorm Oct 12 2020** The biggest firestorm documented in North America—3,500,000 acres of forest burned in northern Alberta and British Columbia—created the world's largest smoke layer in the atmosphere. The smoke was seen around the world, causing the moon and the sun to appear blue. The Chinchaga Firestorm is a historical study of the effects of fire on the ecological process. Using technical explanations and archival discoveries, the author shows the beneficial yet destructive effects of forest fires, including the 2011 devastation of Slave Lake, Alberta. Cordy Tymstra tells the stories of communities and individuals as their lives intersected with the path of the wildfire—stories that demonstrate people's spirit, resourcefulness, self-sufficiency, and persistence in the struggle against nature's devastating power. The 1950 event changed the way these fires are fought in Alberta. Forest fire scientists, foresters, forest ecologists and policy makers, as well as those who are interested in western Canadian history and ecology, will definitely want this book in their library.

**Blue Fire, and Black Amber Jun 19 2021**

**The Door Into Fire Feb 02 2020** A sorcerous swordsmith desperate to achieve true power. His stubbornly nonmagical sword. His princely runaway lover. His hungry new fire elemental. Put them all together, and what can possibly go wrong? Herewiss is the only man in centuries to possess the Power of the blue Flame, but he can't use or control it - not even to help his friend and lover Freelorn, prince of Arlen, exiled from his native land and pursued across the Middle Kingdoms by the usurpers' allies. Invoking perilous sorceries and the even more dangerous assistance of the fire elemental Sunspark, Herewiss manages to rout the armies besieging

Freelorn and his little band of followers, and free his loved. Together they flee east to seek temporary refuge in the mysterious lands near the edge of the world they know. But now Herewiss faces a devastating choice. His time to master the blue Fire is running out. Should he abandon his fruitless search and join Freelorn in his fight to regain his kingdom? Or should he seek out the ancient keep in the Waste where doors lead into other worlds—perhaps even the door whose use will teach him to control the Power that he must master or die?... The *Door Into Fire*, first novel set in Diane Duane's award-winning Middle Kingdoms universe, opens a fantastic saga of power, magic and friendship that has become a cult classic for its uniquely inclusive take on epic fantasy and its unforgettable characters.

*Singing the Body of God* Jan 27 2022 'Singing the Body of God' is a study of the devotional poetry of the 14th-century poet-philosopher Vedāntadeśika, one of the most influential figures in the Hindu tradition of Sri-Vaishnavism.

*Fire & Flood* Dec 02 2019 A pulse-pounding thrill ride, where a teen girl must participate in a breathtaking race to save her brother's life—and her own. Time is slipping away. . . . Tella Holloway is losing it. Her brother is sick, and when a dozen doctors can't determine what's wrong, her parents decide to move to the middle of nowhere for the fresh air. She's lost her friends, her parents are driving her crazy, her brother is dying—and she's helpless to change anything. Until she receives mysterious instructions on how to become a Contender in the Brimstone Bleed. It's an epic race across jungle, desert, ocean, and mountain that could win her the prize she desperately desires: the Cure for her brother's illness. But all the Contenders are after the Cure for people they love, and there's no guarantee that Tella (or any of them) will survive the race. The jungle is terrifying, the clock is ticking, and Tella knows she can't trust the allies she makes. And one big question emerges: Why have so many fallen sick in the first place? Victoria Scott's breathtaking novel grabs readers by the throat and doesn't let go.

*A Low Blue Flame* Jul 21 2021 Lillian Banks' career took off like a house on fire and she's on top of the world. Great job that she loves, moved to a great city, into an opulent new condo, in one of the world's premier smart buildings no less; all she was missing was the kind of romance to set her soul aflame. She thought she'd found it but instead, found herself burned. Backdraft knows what it's like to get burned and not just by fire. His ex, Torri, did quite the number on him recently by banging one of his firehouse bros behind his back. He's sworn off love and dating altogether for the time being and is happier for it. He just wishes he could get the time he wasted with that crazy skank back again. Out of the ashes, an unlikely friendship is formed. Backdraft and Lilli could find themselves rising if only they can get past their hurts and give things a chance. Of course, lasting happiness is no guarantee, no matter how much they might burn for each other. After all, sometimes what was doesn't want to let go.

*Crimson Phoenix* Sep 30 2019 The nightmare scenario has come to pass. America has fallen. In the aftermath, one woman becomes the last hope of a nation and its people in New York Times bestselling author John Gilstrap's electrifying new Victoria Emerson thriller series. West Virginia Congresswoman Victoria Emerson has always put the needs of her community before the power games of Washington, D.C. Then an Army officer appears on her doorstep, deploying the code words "Crimson Phoenix"—meaning this is not a drill. The United States is on the brink of nuclear disaster. The major will escort her to a secure bunker. She cannot bring her family. A single mother, Victoria refuses to abandon her teenage sons. Denied entry to the bunker, the family somehow survives the unthinkable. In the aftermath, the nation is in chaos. The grid is gone. Food is scarce. Civility gives way to desperate survival. Against this total collapse, Victoria creates a new home in a small Appalachian mountain town. The community she builds around her shines like a beacon in a dark wasteland. Now she must defend it with her life—to give hope to a new America. "A gripping page-turner." —Taylor Stevens, New York Times bestselling author of *Liars' Legacy* "An explosive story that locks you into your chair until the final page." —Jamie Freveletti, international bestselling author of *Running from the Devil* and Robert Ludlum's *The Janus Reprisal* "Snaps with action from the very first page. *Blue Fire* May 19 2021 From the author of the acclaimed fantasy trilogy *The Masks of Agyrima*, published by DAW Books, comes another epic YA fantasy adventure. Centuries ago, the people of Nevyana were forced to leave their old kingdom across the sea after it was devastated by the War of the Twelve Gods. The only three Gods to survive that war, Vekrin of the Earth, Arrica of the Sun, and Ell of the Moon, agreed to leave the

affairs of men alone--but not until they gave their followers a few final magical Gifts. Vekrin and Arrica gave their followers the gift of Blue Fire, a powerful force that could provide light, heat, and protection--or be turned into a powerful weapon. But Ell chose instead to utterly transform her followers into the almost feline Nightdwellers, nocturnal creatures with fur, teeth, and claws. Enmity quickly arose among the three groups, and now the Nightdwellers rule the night, killing any ordinary humans they catch out after sunset. Vekrin's followers became the Citydwellers, retreating behind stout walls of stone, protected by the Blue Fire-powered firelances of the Priests. And Arrica's followers became the Freefolk, able to travel through the wilderness protected by a Fence of Blue Fire, but always in danger of Nightdweller attack. When sacred objects for channelling Blue Fire are stolen, three sworn enemies, Petra of the Citydwellers, Amlinn of the Freefolk, and Jin of the Nightdwellers, set out to find them, and their paths converge on a collision course with the truth. Can they bridge the centuries-old divisions among their communities? Or will their search for the truth and the explosive power of Blue Fire signal the end of Nevyana?

**Otherland: River of Blue Fire** Aug 02 2022 Second book in New York Times-bestselling author Tad Williams's cyberpunk fantasy series • "Tad Williams is the brightest and best of the fantasists." —Neil Gaiman, author of *American Gods* Otherland. In many ways it is humankind's most stunning achievement: a private, multidimensional universe built over two generations by the greatest minds of the twenty-first century. But this most exclusive of places is also one of the world's best kept secrets, created and controlled by an organization made up of the world's most powerful and ruthless individuals, a private cartel known—to those who know of their existence at all—as The Grail Brotherhood. Though their purpose in creating Otherland is still a mystery, it may not remain so for long. For they have exacted a terrible price from humanity in the process, and even their highly organized global conspiracy cannot hide the nature of their crimes forever. And now a small band of adventurers has penetrated the veil of secrecy that prevents the uninitiated from entering Otherland. But having broken into the amazing worlds within worlds that make up this universe, they are trapped, unable to escape back to their own flesh-and-blood bodies in the real world. And as dangers and circumstances split their party into small, widely scattered groups, their only hope of reuniting lies in returning again and again to the River that flows—in one form or another—through all the worlds. But the odds seem to be completely against them as they—and the one outsider with whom they might join forces—become hopelessly lost in realms where an Ice Age tribe's fears can only be quenched in blood...where insects are as large and deadly as dinosaurs...where they are caught in the war between a man made of straw and one made of tin...where cartoon ads take on a life of their own...where humans strive to survive in the aftermath of an alien invasion...and where one among their party is actually The Grail Brotherhood's most terrifying weapon—a sociopathic killer who has never failed and whose current mission is to make certain that not even one member of this little invasion force lives long enough to reveal the truth about Otherland to the people of Earth...

**Pale Fire** May 07 2020 A novel constructed around the last great poem of a fictional American poet, John Shade, and an account of his death. The poem appears in full and the narrative develops through the lengthy, and increasingly eccentric, notes by his posthumous editor.

**Blue Flame Nov 12 2020** Chalus Chabrol, 1199. The Occitanian knights battle for their lives against Richard the Lionheart. They are guarding the Blue Flame under which all Occitanians must unite to resist invasion. But the knights cannot survive and so it falls to Parsifal, young son of the knight Bernard, to travel on alone and find the true keeper of the Flame. Yet when Parsifal returns home, the Occitan is ablaze. Catholic Inquisitors and Cathar heretics, far from uniting, are fighting each other for the soul of the land and its people. To which sect does the Blue Flame belong? Parsifal's path intertwines with Raimon, son of a Cathar weaver, and Yolanda, daughter of a Catholic count. They are falling in love. But in a time of hate, love is never left in peace. With family against family, north against south and Catholic against Cathar, Raimon must help Parsifal find the Blue Flame's true meaning before the Occitan is destroyed.
