The Wages of Sin Oct 04 2020 "The Elsie Arnold series deserves to run and run."— Alex Marwood, author of *The Wicked Girls* and *The Killer Next Door* In rural McCown County, Missouri, a young pregnant woman is found beaten to death in a trailer park. The only witness to the murder is Ivy, her six-year-old daughter, who points to her mom's boyfriend—father of the unborn child. County prosecutor Madeleine Thompson promises the

community justice, and in the Ozarks, that can only mean one thing: a death sentence. When Madeleine's first choice for co-counsel declines to try a death penalty case, she is forced to turn to assistant prosecutor Elsie Arnold. Elsie is reluctant to join forces with her frosty boss, but the road to conviction seems smooth—until unexpected facts about the victim arise, and the testimony of the lone eyewitness Ivy becomes increasingly crucial.
