2007 National Construction Estimator Aug 29 2019 Over 30,000 Construction Costs on Every Area of Construction! The National Construction Estimator is our most popular book for pricing construction, and has been for years. It has proven to be the industry standard for construction costs. Here's why: Material Costs: You'll find the current cost of every commonly-used construction material and thousands of

specialties...based on typical selling prices of building material dealers. Labor Costs: Typical costs to the contractor (including taxes and insurance) to install each of the thousands of materials listed...along with typical manhours per unit. Wage modifications are listed for nearly every city plus most Canadian provinces. Wage breakdowns by trade are listed for 24 construction trades. Subcontract Costs: Bid prices most frequently quoted by specialty contractors...including the sub's overhead and profit. FREE CD-ROM: Includes an electronic version of the book with a stand-alone estimating program & tutorial and price updates

Popular Science Oct 12 2020 Popular Science gives our readers the information and tools to improve their technology and their world. The core belief that Popular Science and our readers share: The future is going to be better, and science and technology are the driving forces that will help make it better.

Effective Business Communications Aug 10 2020 The Murphy book gives strong emphasis to completeness, conciseness, consideration, concreteness, clearness, courteousness, and correctness in business communication. These "seven Cs" guide student-readers to choose the content and style that best fits the purpose and recipient of any given message. Pedagogically rich, most chapters in this paperback text include checklists, mini-cases and problems, "Communication Probe" boxes which summarize related research, and sidenotes that isolate significant points that should not be missed. Two new chapters are devoted to ethics and technology respectively.

Better Homes and Gardens Step-by-step Yard Care Jul 29 2019 Shows how to create and maintain attractive yards using walls, walks, and lighting, and how to choose plants, shrubs, and trees suitable to climate and surrounding wildlife.
