A progress chart at the end of each unit helps students evaluate their progress and plan further study.

[Cultural Mediation in Language Learning and Teaching](#) Dec 27 2019 This project attempts to tackle several challenges: - to experience the variety of different teaching cultures as a source of innovation rather than as an obstacle; - to adopt a pluridisciplinary approach by introducing references taken from the social sciences in order to develop reflection on the role of languages in social cohesion; - to try and provide answers to a question hitherto rarely raised in the didactics of languages and cultures, namely the place of cultural mediation itself. [CoE website]

[KHOJALY](#) Mar 30 2020 This book is published By Berkeley Press. The Khojaly Massacre is a scar on the map of modern history, a wound that remains open to this day, over 24 years later. It is a profound lesson from recent history, yet many are unaware that it ever took place. Rabbi Israel Barouk shines a light on the facts of those brutal days in February of 1992; the invasion, entrapment, and indiscriminate murder against unarmed civilians in the Nagorno-Karabakh region of Azerbaijan. From the snowy evening of February 25 through the frosty night of February 26, 1992, over 600 unarmed Azerbaijani civilians and residents of Khojaly were murdered by Armenian armed forces. Over 300 of those killed were children, women and the elderly. Considered by many as an example of modern day genocide, the Khojaly Massacre challenges what we thought could never happen. In 1994, the international organization Human Rights Watch condemned it as "the largest massacre in the conflict" between Armenia and Azerbaijan. The Khojaly Massacre has proven that a nation can remain practically alone in the wait for justice and reconciliation, over decades of enduring invasion and ethnic cleansing. Rabbi Barouk draws parallels between Khojaly and other human travesties and prompts the reader to take this recent and unforgettable cruel tragedy personally. Rabbi Israel Barouk completed his Rabbinical degree and Dayanas, as a Judge of the Jewish Court, at Yeshivat Or Elchonon. Originally from Jerusalem, New York City and Paris and currently based in Los Angeles, Rabbi Barouk works with leaders and communities across the globe to study, understand and engage with how "positive multiculturalism" serves as a powerful mechanism toward peace. Through extensive study and engagement with survivors, experts, faith, government and community leaders throughout Azerbaijan and beyond, Rabbi Barouk understands the Khojaly Massacre as a touchstone for broad and deep messages about accountability, and the power and impact of unification for the cause of recovery and justice.

[Touchstone](#) Sep 04 2020 London, 1926. Harris Stuyvesant, agent of the US Bureau of Investigation, is on a mission. A series of bomb attacks on American soil, thought to be enacted by an up-and-coming British politician, have left him with a vendetta more personal than professional. But when his search for answers leads him to government official Aldous Carstairs, the US agent may find himself in over his head. At Carstairs' recommendation, Stuyvesant enlists the help of Bennett Grey, a man with unique abilities. After the Great War left him with an excruciating sensitivity to human deceit, Grey has withdrawn from the world. Now, however, he must help the American insert himself into the terrorist's rich and radical social circle. Here Stuyvesant uncovers hidden secrets, a horrifying conspiracy, and wonders if he can trust his touchstone, Grey, to reveal the most dangerous player of all . . .

**Ashes Under Water** Aug 03 2020 The untold story of the worst disaster on the Great Lakes in U.S. History. On July 24th, 1915, Chicago commuters were horrified as they watched the SS Eastland, a tourism boat taking passengers across Lake Michigan, flip over while tied to the dock and drown 835 passengers, including 21 entire families. Rockefeller, Morgan, and Carnegie had bought into the ship business in the Midwest, creating a boom market and a demand for ships that were bigger, longer, faster. The pressure-filled and greedy climate that resulted would be directly responsible for the Eastland disaster and others. As dramatic as the disaster was, the subsequent trial was even more so. The public demanded justice. When the immigrant engineer who was being scapegoated for the accident was left out to dry by the ship's owners, penniless and down-on-his-luck Clarence Darrow decided to take his case. The defense he mounted, which he was too ashamed to even mention in his memoirs, would be even more shocking.

**Touchstone Level 1 Student's Book A with Online Workbook A** Jul 26 2022 Touchstone, together with Viewpoint, is a six-level English program based on research from the Cambridge English Corpus.
