Just One Scandal Nov 18 2021 A jilted bride. Her brother's ex-buddy. An affair would be crazy...right? Chloe Kingston's life is exactly how she needs it: safe and stable. Right up until her reliable, low-risk fiancé jilts her on their fairy-tale wedding day. As she works her way through the reception champagne—and wonders where she's going to live—she stumbles into her brother Linc's ex-best friend. If only Beckett Daniels were hideous. But he's not. He's everything her erstwhile groom was not. Hot. Sexy. Dangerous. And she's just buzzed enough to want all that Greek-god gorgeousness to show her the kind of fun she's been missing. Beck thrives on calculated risks, but taking advantage of Linc's little sister isn't one of them. What he can do is haul her tipsy, tulle-clad, tempting little butt to the bridal suite to sleep it off. Then move her into his spare room—which has the satisfying side effect of driving her brother crazy. They can't remain platonic roommates for long. Not when the sexual attraction sizzles out of control. But when tragedy threatens Beck, pain from his past reminds them both that life doesn't come without risks...and this time, they're gambling with their hearts.

The Baby Mistake Jan 28 2020 There are two things you should know about me: One: I don't make mistakes Two: I'm never going to settle down with one woman I'm the fun brother, the jokester, the one who's never serious... At least, not until I lose the biggest influence in my life. Now I'm spiraling out of control, so much so I spent the night after the funeral drowning my sorrows. First in the bottom of a bottle...then in the body of a blonde bombshell who looked at me like I could make all her carnal dreams come true. Spoiler alert: I did. I don't remember her name or what she looked like, but now she's consuming my every thought. It doesn't help that my brother selected a brand new intern with a banging body and blonde hair that makes me think of her to be my assistant for the next six weeks. I spend my days trying not to bend her over my desk and make her mine... And my nights dreaming about the girl who got away. Everything changes when the secret she's hiding comes out... ..and I realize I made a huge mistake.

The Overton Window Jan 08 2021 A plan to destroy America, a hundred years in the making, is about to be unleashed . . . can it be stopped? There is a powerful technique called the Overton Window that can shape our lives, our laws, and our future. It works by manipulating public perception so that ideas previously thought of as radical begin to seem acceptable over time. Move the Window and you change the debate. Change

the debate and you change the country. For Noah Gardner, a twentysomething public relations executive, it's safe to say that political theory is the furthest thing from his mind. Smart, single, handsome, and insulated from the world's problems by the wealth and power of his father, Noah is far more concerned about the future of his social life than the future of his country. But all of that changes when Noah meets Molly Ross, a woman who is consumed by the knowledge that the America we know is about to be lost forever. She and her group of patriots have vowed to remember the past and fight for the future—but Noah, convinced they're just misguided conspiracy-theorists, isn't interested in lending his considerable skills to their cause. And then the world changes. An unprecedented attack on U.S. soil shakes the country to the core and puts into motion a frightening plan, decades in the making, to transform America and demonize all those who stand in the way. Amidst the chaos, many don't know the difference between conspiracy theory and conspiracy fact—or, more important, which side to fight for. But for Noah, the choice is clear: Exposing the plan, and revealing the conspirators behind it, is the only way to save both the woman he loves and the individual freedoms he once took for granted. After five back-to-back #1 New York Times bestsellers, national radio and Fox News television host Glenn Beck has delivered a ripped-from-the-headlines thriller that seamlessly weaves together American history, frightening facts about our present condition, and a heart-stopping plot. The Overton Window will educate, enlighten, and, most important, entertain—with twists and revelations no one will see coming.

The Cult of Draupadi, Volume 2 May 12 2021 This is the first volume of a projected three-volume work on the little-known South Indian folk cult of the goddess Draupadi and on the classical epic, the Mahabharata, that the cult brings to life in mythic, ritual, and dramatic forms. Draupadi, the chief heroine of the Sanskrit Mahabharata, takes on many unexpected guises in her Tamil cult, but her dimensions as a folk goddess remain rooted in a rich interpretive vision of the great epic. By examining the ways that the cult of Draupadi commingles traditions about the goddess and the epic, Alf Hiltebeitel shows the cult to be singularly representative of the inner tensions and working dynamics of popular devotional Hinduism.
