Yoga in Albanian Lands Feb 20 2022 Yoga in Albanian Lands is a collection of stories of yoga poses inspired by the landmarks and culture of Albania and Kosovo. The book is an artistic journey, serving as an insightful educational and informational guide to places you can visit in Kosovo and Albania. Written in English and Albanian, the colorful book takes you across eleven places, revealing the uniqueness of identity and the commonness of human experience.

The Golden Boat Jul 21 2019 Just when you thought you knew it all! The first truly representative translation into English of a Central European poetic prodigy of the early twentieth century - the Slovenian Rimbaud - who died at the age of twenty-two but whose work bears comparison at once with Rilke, Ungaretti and Apollinaire, yet has its own distinctive and disarming iconoclastic vitality.

Saxon Math Course 3 Apr 29 2020 Saxon Math is easy to plan and rewarding to teach. The focus on providing teachers with strategies for developing an understanding of HOW and WHY math works builds a solid foundation for higher-level mathematics. - Publisher.

Political Economy of Socialist Realism Feb 26 2020 Bringing together the Soviet historical experience and Stalin-era art in novels, films, poems, songs, painting, photography, architecture and advertising, Dobrenko examines Stalinism's representational strategies and demonstrates how real socialism was begotten of Socialist Realism.

Love is a Very Long Word Mar 29 2020 Love is a very long word explores the parallel, ambiguous realms of freedom and love--much coveted yet unnatural states of the human mind. Combining the tradition of Balkan lyricism with narrative modernist techniques, these bold poems witness the cross-cultural world of their subjects--from wounds to hope, struggle to wry triumph.

Conversion to Islam in the Balkans Nov 17 2021 By examining available demographic data and petitions submitted by non-Muslims for accepting Islam, this volume convincingly reconstructs the stages of the Islamization process in the Balkans and offers an insight to the motives and factors behind conversion.

ZEF VALENTINI

Useful Enemies Aug 14 2021 From the fall of Constantinople in 1453 until the eighteenth century, many Western European writers viewed the Ottoman Empire with almost obsessive interest. Typically they reacted to it with fear and distrust; and such feelings were reinforced by the deep hostility of Western Christendom towards Islam. Yet there was also much curiosity about the social and political system on which the huge power of the sultans was based. In the sixteenth century, especially, when Ottoman territorial expansion was rapid and Ottoman institutions seemed

particularly robust, there was even open admiration. In this path-breaking book Noel Malcolm ranges through these vital centuries of East-West interaction, studying all the ways in which thinkers in the West interpreted the Ottoman Empire as a political phenomenon - and Islam as a political religion. *Useful Enemies* shows how the concept of 'oriental despotism' began as an attempt to turn the tables on a very positive analysis of Ottoman state power, and how, as it developed, it interacted with Western debates about monarchy and government. Noel Malcolm also shows how a negative portrayal of Islam as a religion devised for political purposes was assimilated by radical writers, who extended the criticism to all religions, including Christianity itself. Examining the works of many famous thinkers (including Machiavelli, Bodin, and Montesquieu) and many less well-known ones, *Useful Enemies* illuminates the long-term development of Western ideas about the Ottomans, and about Islam. Noel Malcolm shows how these ideas became intertwined with internal Western debates about power, religion, society, and war. Discussions of Islam and the Ottoman Empire were thus bound up with mainstream thinking in the West on a wide range of important topics. These Eastern enemies were not just there to be denounced. They were there to be made use of, in arguments which contributed significantly to the development of Western political thought.

Desiring The Highlander Aug 22 2019 The award-winning author of *To Wed a Highlander* "takes us on a very sensual romp back to the 14th-century Scottish Highlands" (Book Junkie, 5 out of 5 stars). Seven McTiernay brothers, each a highlander born to protect Scotland and her people, warriors known for their quick wits and quicker broadswords. The third brother, Cole, stared death in the face when he was only a boy . . . Now Cole McTiernay is a man. And though he resists them in every way, he has responsibilities. The wild northern Highlands need a laird who can guide them to peace. Cole has the army strong enough to accomplish this task. What he doesn't have is the desire—to be a leader among men. And so he is sent off on a fool's errand: a mission to retrieve something from the very Englishmen Cole has spent his life hating. When he finds that the "something" is a wild hellion, he balks, determined to make the return to Scotland as hard on her as it was for him to set foot on English soil. But though English herself, Ellenor Howell intrigues him with her fierce spirit, and Cole's heart, deeply locked away for so long, may be vulnerable at last . . . "An extremely engaging historical romance . . . quite amusing, a bit charming, and a thoroughly enjoyable read."—Fresh Fiction "Once again Sinclair demonstrates her ability to touch [fans'] minds and hearts, keeping them enthralled. Her deft handling of her characters' emotional evolution, backed by her talent for presenting them in a plot that's both witty and sensual, is captivating."—RT Book Reviews

Hunza Proverbs Jul 13 2021 Provides 565 entries--proverbs, expressions, riddles--expressed in Burushaski, an isolated language spoken in the northern tip of Pakistan. Along with the translation for each is commentary that interprets meaning and indicates context. Annotation copyright by Book News, Inc., Portland, OR

Published as the companion to the critically acclaimed BBC documentary broadcast on the Discovery Channel.of photos.

Anti-Bribery Compliance Incentives Jun 19 2019 Schlagworte: Bribery, Corruption, Incentives, Incentive Systems, Compliance

Chronicle in Stone Nov 05 2020 Masterful in its simplicity, *Chronicle in Stone* is a touching coming-of-age story and a testament to the perseverance of the human spirit. Surrounded by the magic of beautiful women and literature, a boy must endure the deprivations of war as he suffers the hardships of growing up. His sleepy country has just thrown off centuries of tyranny, but new waves of domination inundate his city. Through the boy's eyes, we see the terrors of World War II as he witnesses fascist invasions, allied bombings, partisan infighting, and the many faces of human cruelty—as well as the simple pleasures of life. Evacuating to the countryside, he expects to find an ideal world full of extraordinary things, but discovers instead an archaic backwater where a severed arm becomes a talisman and deflowered girls mysteriously vanish. Woven between the chapters of the boy's story are tantalizing fragments of the city's history. As the devastation mounts, the fragments lose coherence, and we perceive firsthand how the violence of war destroys more than just buildings and bridges.

Teaching with a Multicultural Perspective Sep 22 2019 This text offers a clear seven-goal model for creating effective instruction in culturally diverse classrooms. The model, based on a set of field-tested planning questions, is linked to a series of curriculum case studies. Strong coverage of ethnic identity, empowerment, the social construction of knowledge, and equity-based learning.

Jennie Gerhardt Aug 26 2022 Regarded as one of Dreiser's best novels, *Jennie Gerhardt* is here recaptured as it was originally written, restoring it to its complete, unexpurgated form.

Roman Conquests: Macedonia and Greece Aug 02 2020 This will be the third in the *Roman Conquests* series (following Italy and Spain) and one of those with the most obvious appeal. While Rome was struggling for her very survival against the Carthaginians in the Second Punic War, Philip V of Macedon attempted to take advantage of their apparent vulnerability by allying with Hannibal and declaring war. For the time being the Romans negated this threat by shrewd use of allies to keep Philip occupied in Greece and Illyria. Once Carthage was defeated, however, the Romans were free to turn their full attention to settling the score. The stage was set for the clash of two of the most successful military systems of the ancient world, the Roman legions versus the

Macedonian phalanx. Though sorely tested, the legions emerged victorious from the epic battles of Cynoscephelae and Pydna, and the home of Alexander the Great fell under the power of Rome, along with the rest of Greece, the cradle of Western Civilization, which had a profound effect on Roman culture and society. Like the other volumes in this series, this book gives a clear narrative of the course of these wars, explaining how the Roman war machine coped with formidable new foes and the challenges of unfamiliar terrain and climate. Specially commissioned color plates bring the main troop types vividly to life in meticulously researched detail.

Who's Up in the Air? Oct 24 2019 This charming book is full of questions for little children to answer. With lots of fun details to talk about, children will love exploring the illustrations and spotting the answers to the questions, from "Who's playing hide and seek?" to "Who has a yellow beak?" With one simple question to answer on each page, it's a perfect way to engage little children with the illustrations. Delightfully illustrated, with appealing animal characters. At the end of the book, the question in the book title is finally answered, making a satisfying conclusion.
