**Raised by Wolves** Sep 02 2022 Adopted by the alpha of a werewolf pack after a rogue wolf brutally killed her parents right before her eyes, fifteen-year-old Bryn knows only pack life, and the rigid social hierarchy that controls it. That doesn't mean that she's averse to breaking a rule or two. But when her curiosity gets the better of her and she discovers Chase, a new teen locked in a cage in her guardian's basement, and witnesses him turn into a wolf before her eyes, the horrific memories of her parents' murders return. Bryn becomes obsessed with getting her questions answered, and Chase is the only one who can provide the information she needs. But in her drive to find the truth, will Bryn push too far beyond the constraints of the pack, forcing her to leave behind her friends, her family, and the identity that she's shaped? An exciting new paranormal adventure, with a heroine that rivals Buffy, **Raised by Wolves** will leave you howling for more.

**The Inheritance Games** Nov 04 2022 Don't miss this New York Times bestselling "impossible to put down" (Buzzfeed) novel with deadly stakes, thrilling twists, and juicy secrets--perfect for fans of *One of Us is Lying* and *Knives Out*. Avery Grambs has a plan for a better future: survive high school, win a scholarship, and get out. But her fortunes change in an instant when billionaire Tobias Hawthorne dies and leaves Avery virtually his entire fortune. The catch? Avery has no idea why--or even who Tobias Hawthorne is. To receive her inheritance, Avery must move into sprawling, secret passage-filled Hawthorne House where every room bears the old man's touch--and his love of puzzles, riddles, and codes. Unfortunately for Avery, Hawthorne House is also occupied by the family that Tobias Hawthorne just dispossessed. This includes the four Hawthorne grandsons: dangerous, magnetic, brilliant boys who grew up with every expectation that one day they would inherit billions. Their apparent Grayson Hawthorne is convinced that Avery must be a conwoman, and he's determined to take her down. His brother, Jameson, views her as their grandfather's last hurrah: a twisted riddle, a puzzle to be solved. Caught in a world of wealth and privilege, with danger around every turn, Avery will have to play the game herself just to survive.

**Tattoo** Aug 28 2019 Bailey Morgan isn't the type of girl who shows a lot of skin, but somehow, she ends up in a dressing room at the mall with her friend Delia applying a temporary tattoo to her lower back. Never one to suffer fashion doubt, trendsetter Delia knows exactly where she wants her own tattoo: on her stomach, right where her shirt ends--can you say "midriff"? Annabelle, the quiet one, chooses the back of her neck, and tomboy Zo plasters hers on the top of her foot. The tattoos will last for three days, and Delia's sure that with them, the four friends will absolutely kill at the school dance. Unfortunately, killing is just what someone has in mind, and Bailey, Delia, Annabelle, and Zo are in for the battle of their lives. Along with her tattoo, each girl receives a gift--a supernatural power to help them in their fight. As Bailey's increasingly frightening dreams reveal the nature of their enemy, it becomes clear to the girls that it's up to them to save the world. And if they can get Delia to stop using her newfound power to turn gum wrappers into Prada pumps, they might actually stand a chance.

**Nobody** Jan 26 2022 There are people in this world who are Nobody. No one sees them. No one notices them. They live their lives under the radar, forgotten as soon as you turn away. That's why they make the perfect assassins. The Institute finds these people when they're young and takes them away for training. But an untrained Nobody is a threat to their organization. And threats must be eliminated. Claire has been invisible her whole life, missed by the Institute's monitoring. But now they've ID'ed her and have sent Nix to remove her. Yet the moment Nix lays eyes on her, he can't make the hit. It's as if Claire and Nix are the only people in the world for each other. And they are--because no one else can really see them.

**They Suck, They Bite, They Eat, They Kill** Oct 23 2021 This book examines six different monsters that appear in YA fiction: vampires, shapeshifters, zombies, unicorns, angels, and demons. Beginning with a discussion of the meaning of monsters in cultures all over the world, subsequent chapters discuss the history and most important incarnations of the aforementioned monsters. Titles featuring the same

kind of monsters are compared, and interviews with authors provide insight into why they wrote these titles and information on why they are important. The bibliography at the end of the volume includes a comprehensive list of titles featuring the various monsters.

**The Naturals ((The Naturals #1))** Jun 30 2022 Seventeen-year-old Cassie is a natural at reading people. Piecing together the tiniest details, she can tell you who you are and what you want. But, it's not a skill that she's ever taken seriously. That is, until the FBI come knocking: they've begun a classified program that uses exceptional teenagers to crack infamous cold cases, and they need Cassie. What Cassie doesn't realize is that there's more at risk than a few unsolved homicides—especially when she's sent to live with a group of teens whose gifts are as unusual as her own. Soon, it becomes clear that no one in the Naturals program is what they seem. And when a new killer strikes, danger looms close. Caught in a lethal game of cat and mouse with a killer, the Naturals are going to have to use all of their gifts just to survive. Think *The Mentalist* meets *Pretty Little Liars*—Jennifer Lynn Barnes's *The Naturals* is a gripping psychological thriller with killer appeal, a to-die-for romance, and the bones of a gritty and compelling new series. Praise for *The Naturals* "The Naturals is *Criminal Minds* for the YA world, and I loved every page." -New York Times best-selling author Ally Carter \* "[A] tightly paced suspense novel that will keep readers up until the wee hours to finish." -VOYA (starred review) "This savvy thriller grabs readers right away." -Kirkus Reviews "It's a stay-up-late-to-finish kind of book, and it doesn't disappoint." -Publishers Weekly "In this high-adrenaline series opener...even a psychic won't anticipate all the twists and turns." -Booklist

**The Guardian Herd: Starfire** Jul 20 2021 Riders of the Realm author Jennifer Lynn Alvarez "will lift the reader on the wings of danger and destiny, magic and hope"\* in this first book in an action-packed fantasy adventure series. Perfect for fans of the *Warriors* and *Guardians of Ga'Hoole* series. Once every hundred years, a black foal is born, prophesied to either unite or destroy the five herds of winged horses that live in Anok—fated to become the most powerful Pegasus in all the land. Star is this black foal. Even though Star seems harmless because he's unable to fly, the leaders of each herd aren't willing to take any risks. So, they plan to execute Star before his first birthday. With the threats against him mounting, Star must rely on his friends and the untapped power within to win an epic battle between good and evil. \* (New York Times bestselling author Peter Lerangis)

**Big Questions, Worthy Dreams** May 06 2020 Mentoring Emerging Adults Sharon Daloz Parks has written *Big Questions, Worthy Dreams* to inform and inspire renewed commitment by educators, church leaders, and others to consider the institutional and cultural patterns that affect emerging adults. It serves to bridge the divide between generations and to encourage more adequate recognition of what is at stake in the response of all who interact with emerging young adult lives. Our economic and political life has become more brittle, volatile, and global, which both enlarges and constrains young adult aspirations. Today's emerging adults are both more connected and more distracted. And religion and faith have become both problematized and polarized. Parks defines faith as meaning-making in its most comprehensive dimensions, whether expressed in secular or religious terms. Over time, our meaning-making orients our sense of purpose, moral stance, and competence. The book describes the potential vulnerability of emerging adults and shows how mentors and mentoring environments can provide access to big-enough questions and inspire dreams worthy of engaging with our challenging and complex world. Parks addresses important issues of the day, including violence in our culture, social media and networking, economic challenges, changing racial identity, cultural shifts, and other forces shaping the narrative of emerging adulthood today.

**Rectors Remembered: The Descendants of John Jacob Rector Volume 3** Jun 06 2020 Volume 3 of 8, 1213-1918. **Riders of the Realm #1: Across the Dark Water** Nov 23 2021 The first book in an exciting, action-packed trilogy—from the imagination of *Guardian Herd* series author Jennifer Lynn Alvarez. Perfect for fans of Lisa McMann's *Going Wild*, Brandon Mull's *Wild Born*, or Erin Hunter's *Warriors* series. Twelve-year-old Rahkki is a stable groom for the Riders in the Sandwen army, who must battle deadly spit dragons and hordes of warring giants. The Sandwens believe they have tamed all the wild pegasi in the lush jungles of the Realm and turned them into flying warhorses. But when a herd of wild steeds flies over their village, Rahkki and his clanmates are stunned. Meanwhile, a small herd of pegasi have journeyed across a treacherous ocean to settle in a new, and free, land. Led by Echofrost and Hazelwind, the Storm Herd steeds are unaware of the Sandwen clan. But when the unthinkable happens, Echofrost and the rest of Storm Herd will have to come to trust the Sandwens, or both may not survive.

**Trial by Fire** Jul 08 2020 Bryn, the new alpha of her werewolf pack, must deal with an opposing pack led by her friend when a runaway begs her for help and protection from abuse.

**Deadly Little Scandals** Mar 04 2020 No one is quite who they seem to be in this twisty, soapy, gasp-inducing sequel to Jennifer Lynn Barnes' unputdownable *Little White Lies*. Think of the White Gloves like the Junior League -- by way of *Skull and Bones*. Reluctant debutante Sawyer Taft joined Southern high society for one reason and one reason alone: to identify and locate her biological father. But the answers Sawyer found during her debutante year only left her with more questions and one potentially life-ruining secret. When her cousin Lily ropes her into pledging a mysterious, elite, and all-female secret society called the White Gloves, Sawyer soon discovers that someone in the group's ranks may have the answers she's looking for. Things are looking up . . . until Sawyer and the White Gloves make a disturbing discovery near the family's summer home -- and uncover a twisted secret, decades in the making.

**The Hawthorne Legacy** Apr 28 2022 The #1 New York Times bestseller and a USA Today bestseller! Intrigue, riches, and romance abound in this thrilling sequel to the beloved, bestselling *The Inheritance Games*. *The Inheritance Games* ended with a bombshell, and now heiress Avery Grambs has to pick up the pieces and find the man who might hold the answers to all of her questions—including why Tobias Hawthorne left his entire fortune to Avery, a virtual stranger, rather than to his own daughters or grandsons. Thanks to a DNA test, Avery knows that she's not a Hawthorne by blood, but clues pile up hinting at a deeper connection to the family than she had ever imagined. As the mystery grows and the plot thickens, Grayson and Jameson, two of the enigmatic and magnetic Hawthorne grandsons, continue to pull

Avery in different directions. And there are threats lurking around every corner, as adversaries emerge who will stop at nothing to see Avery out of the picture—by any means necessary. With nonstop action, aspirational jet-setting, Knives Out-like family intrigue, swoonworthy romance, and billions of dollars hanging in the balance, *The Hawthorne Legacy* will have you racing through the pages.

**The Fixer** Mar 28 2022 When her grandfather develops dementia, sixteen-year-old Tess, who has been keeping his Montana ranch going, is whisked away to Washington, D.C., by a sister she barely knows and thrown into a world of politics, power, wealth, love triangles, and family secrets.

**Taken by Storm** May 30 2022 The third and final fast-paced installment in the popular *Raised by Wolves* series, called "the most compelling YA werewolf series out there" by New York Times best-selling author Melissa Marr. A rogue Were is killing humans, and Cedar Ridge is the center of the crisis. Bryn, human alpha of the Cedar Ridge pack, must meet with the Senate to deal with the problem. Though the subject is the rogue wolf, Bryn knows the other packs want what she has. Her territory. Her females. Her pack. They want her death. She could never survive a battle with another alpha, so she'll have to keep her wits about her as she navigates the fine line between helping the Senate and hurting her chances at keeping her lands, protecting her pack, and surviving.

**Little White Lies** Oct 03 2022 "I'm not saying this is Sawyer's fault," the prim and proper one said delicately. "But." Eighteen-year-old auto mechanic Sawyer Taft did not expect her estranged grandmother to show up at her apartment door and offer her a six-figure contract to participate in debutante season. And she definitely never imagined she would accept. But when she realizes that immersing herself in her grandmother's "society" might mean discovering the answer to the biggest mystery of her life—her father's identity—she signs on the dotted line and braces herself for a year of makeovers, big dresses, bigger egos, and a whole lot of *bless your heart*. The one thing she doesn't expect to find is friendship, but as she's drawn into a group of debutantes with scandalous, dangerous secrets of their own, Sawyer quickly discovers that her family isn't the only mainstay of high society with skeletons in their closet. There are people in her grandmother's glittering world who are not what they appear, and no one wants Sawyer poking her nose into the past. As she navigates the twisted relationships between her new friends and their powerful parents, Sawyer's search for the truth about her own origins is just the beginning. Set in the world of debutante balls, grand estates and rolling green hills, *Little White Lies* combines a charming setting, a classic fish-out-of-water story, and the sort of layered mystery only author Jennifer Lynn Barnes can pull off.

**All In** Jan 02 2020 Three casinos. Three bodies. Three days. Crack the case with the Naturals series by Jennifer Lynn Barnes, #1 New York Times bestselling author of *The Inheritance Games*. After a string of brutal murders in Las Vegas, Cassie Hobbes and the Naturals are called in to investigate. But even with the team's unique profiling talents, these murders seem baffling: unlike many serial killers, this one uses different methods every time. All of the victims were killed in public, yet the killer does not show up on any tape. And each victim has a string of numbers tattooed on their wrist. Hidden in the numbers is a code -- and the closer the Naturals come to unraveling the mystery, the more perilous the case becomes. Meanwhile, Cassie is dealing with an equally dangerous and much more painful mystery. For the first time in years, there's been a break in her mother's case. As personal issues and tensions between the team mount, Cassie and the Naturals will be faced with impossible odds -- and impossible choices.

**The Naturals Collection** Dec 13 2020 Don't miss a page of the thrilling Naturals series by New York Times bestselling author Jennifer Lynn Barnes—this collection of four books includes a bonus e-novella! In *The Naturals*, seventeen-year-old Cassie is a natural at reading people. Piecing together the tiniest details, she can tell you who you are and what you want. But, it's not a skill that she's ever taken

seriously. That is, until the FBI come knocking: they've begun a classified program that uses exceptional teenagers to crack infamous cold cases, and they need Cassie. But what Cassie doesn't realize is that there's more at risk than a few unsolved homicides--especially when she's sent to live with a group of teens whose gifts are as unusual as her own. Soon, it becomes clear that no one in the Naturals program is what they seem. And when a new killer strikes, danger looms close. Caught in a lethal game of cat and mouse with a killer, the Naturals are going to have to use all of their gifts just to survive. In *Killer Instinct*, Cassie hopes she and the rest of her team can stick to solving cold cases from a distance after barely escaping a confrontation with an unbalanced killer obsessed with her mother's murder. But when victims of a brutal new serial killer start turning up, the Naturals are pulled into an active case that strikes too close to home: the killer is a perfect copycat of Dean's incarcerated father--a man he'd do anything to forget. Forced deeper into a murderer's psyche than ever before, will the Naturals be able to outsmart the enigmatic killer's brutal mind games before this copycat twists them into his web for good? In *All In*, Cassie and the Naturals are called in to investigate a string of brutal murders in Las Vegas. But even with the team's unique profiling talents, these murders seem baffling: unlike many serial killers, this one uses different methods every time. All of the victims were killed in public, yet the killer does not show up on any security feed. And each victim has a string of numbers tattooed on their wrist. Hidden in the numbers is a code--and the closer the Naturals come to unraveling the mystery, the more perilous the case becomes. In *Bad Blood*, Cassie is reeling with the truth about her mother's murder. Everything Cassie thought she knew about what happened that night her mother was killed been called into question. Her mother is alive, and the people holding her captive are more powerful--and dangerous--than anything the Naturals have faced so far. As Cassie and the team work to uncover the secrets of a group that has been killing in secret for generations, they find themselves racing a ticking clock. And when the bodies begin piling up, it soon becomes apparent that this time, the Naturals aren't just hunting serial killers. They're being hunted. In the novella *Twelve*, Cassie is now twenty-three years old, and she and her fellow Naturals have taken over running the program that taught them everything they know. As a unit, they're responsible for identifying new Naturals--and solving particularly impossible cases. When their latest case brings back a ghost from their past, Cassie and the other Naturals find themselves racing against the clock--and reliving their own childhood traumas. In a small, coastal town in Maine, there has been a rash of teen suicides--or at least, that's what the police believe. Enter the Naturals.

**Killer Instinct** Mar 16 2021 A chilling copycat killer has the Naturals in his crosshairs in this exhilarating crime thriller from Jennifer Lynn Barnes, the #1 New York Times bestselling author of *The Inheritance Games*. Seventeen-year-old Cassie Hobbes has a gift for profiling people. Her talent has landed her a spot in an elite FBI program for teens with innate crime-solving abilities, and into some harrowing situations. After barely escaping a confrontation with an unbalanced killer obsessed with her mother's murder, Cassie hopes she and the rest of the team can stick to solving cold cases from a distance. But when victims of a brutal new serial killer start turning up, the Naturals are pulled into an active case that strikes too close to home: the killer is a perfect copycat of Dean's incarcerated father--a man he'd do anything to forget. Forced deeper into a murderer's psyche than ever before, will the Naturals be able to outsmart the enigmatic killer's brutal mind games before this copycat twists them into his web for good? With her trademark wit, brilliant plotting, and twists that no one will see coming, Jennifer Lynn Barnes will keep readers on the edge of their seats (and looking over their shoulders) as they race through the pages of this thrilling novel.
