Glencoe May 30 2020 'You are hereby ordered to fall upon the rebels, the MacDonalds of Glencoe, and to put all to the sword under seventy.' This was the treacherous and cold-blooded order ruthlessly carried out on 13 February 1692, when the Campbells slaughtered their hosts the MacDonalds at the Massacre of Glencoe. It was a bloody incident which had deep repercussions and was the beginning of the destruction of the Highlanders. John Prebble's masterly description of the terrible events at Glencoe was praised as 'Evocative and powerful' in the Sunday Telegraph.

Lochaber and Glencoe Aug 25 2022 The Lochaber and Glencoe area is rich in historical associations. It was at Glenfinnan that Bonnie Prince Charlie started his long march southwards to lay claim to the British throne, and Glencoe was the scene of one of the most vicious massacres in Scottish history. But a longer and even more turbulent history is played out geologically. Ancient volcanoes erupted in massive explosions, causing shock waves that reverberated around the planet. Their eroded remains form some of the breathtaking scenery for which Glen Coe is famous, as well as the highest mountain in Britain - Ben Nevis. Ice too played its part as glaciers scraped their passage across the landscape, carving deep glens and shaving the tops off the highest mountains. This book is a fascinating introduction to the geology of the area, which features some of Scotland's oldest rocks and some of its most stunning and dramatic scenery.

[Ben Nevis and Glen Coe](#) Sep 21 2019 This guidebook details 100 walking routes around Ben Nevis and Glen Coe, centred in 10 areas including Fort William and Glen Nevis, the Aonachs, the Mamores, Kinlochleven, Glen Coe, Glen Etive, Black Mount and Ben Cruachan. Routes are graded according to difficulty, and range between short, easy strolls and long, challenging walks with overnight bothy stays. The region's 44 Munro summits are covered, including 2 easy scrambles and the formidable traverse of Aonach Eagach's iconic jagged ridge. Alongside step-by-step route descriptions and mapping, the guide presents practical advice on transport, access, safety and where to stay plus background information on the area's fascinating geology. Many of the routes reflect the author's belief that the best rewards often lie off the popular tourist trails. Yet the highlights are all there: Buachaille Etive Mor, Aonach Eagach, the Mamores, the Grey Corries, Bidean nam Bian, Ben Starav, Carn Mor Dearg and of course, the mighty Ben Nevis. The book - like Glen Coe itself - encourages exploration and includes a helpful 'summit summary' to show different options and assist with route-planning.

Glencoe and the Indians Aug 21 2019 In 1876, they wipe out General George A. Custer and his 7th Cavalry at the Battle of the Little Bighorn. Chief Sitting Bull and his Sioux people then flee from the United States to Canada. There, in the autumn of 1877, the Sioux are joined by the remnants of the latest Indian nation to make a stand against the US Army, the Nez Perce. Their survivors are led by Chief White Bird. A young man follows White Bird to Sitting Bull's camp. He is White Bird's close relative and aims to tell the story of the Nez Perce War from the Nez Perce point of view. This young man's name is Duncan McDonald. Descended from chiefs of the Nez Perce and from chiefs of Scotland's most formidable clan, Duncan's family - first as Highlanders, then as Native Americans - have twice been victims of massacre and dispossession. Written with the help of Duncan McDonald's present-day kinsfolk on the Flathead Indian Reservation in Western Montana, this real-life family saga spans two continents and more than thirty generations to link Scotland's clans with the native peoples of the American West.
