To Sir Phillip, with Love Sep 02 2022 A New York Times Bestseller From #1 New York Times bestselling author Julia Quinn comes the story of Eloise Bridgerton, in the fifth of her beloved Regency-set novels featuring the charming, powerful Bridgerton family, now a series created by Shondaland for Netflix. ELOISE'S STORY Sir Phillip knew that Eloise Bridgerton was a spinster, and so he'd proposed, figuring that she'd be homely and unassuming, and more than a little desperate for an offer of marriage. Except . . . she wasn't. The beautiful woman on his doorstep was anything but quiet, and when she stopped talking long enough to close her mouth, all he wanted to do was kiss her . . . and more. Did he think she was mad? Eloise Bridgerton couldn't marry a man she had never met! But then she started thinking . . . and wondering . . . and before she knew it, she was in a hired carriage in the middle of the night, on her way to meet the man she hoped might be her perfect match. Except . . . he wasn't. Her perfect husband wouldn't be so moody and ill-mannered, and while Phillip was certainly handsome, he was a large brute of a man, rough and rugged, and totally unlike the London gentlemen vying for her hand. But when he smiled . . . and when he kissed her . . . the rest of the world simply fell away, and she couldn't help but wonder . . . could this imperfect man be perfect for her?

Twelfth Night Sep 21 2021 In the kingdom of Illyria, a love triangle has everyone on edge. Orsino loves Olivia, a bereaved noblewoman who is in mourning for her dead brother. Olivia loves Cesario, who is actually a woman named Viola. Viola had dressed as a man in order to gain employment in Orsino's household. Viola, of course, falls in love with Orsino, and he has no knowledge of the true identity of his "male" servant, Cesario. A romantic romp full of tricks, twists, and happy reunions, this unabridged version of William Shakespeare's classic comedy was first published in England in 1623.

To Sir, with Love Oct 23 2021 Love Is Blind meets You've Got Mail in this laugh-out-loud romantic comedy following two thirty-somethings who meet on a blind dating app—only to realize that their online chemistry is nothing compared to their offline rivalry. Perpetually cheerful and eager to please, Gracie Cooper strives to make the best out of every situation. So when her father dies just months after a lung cancer diagnosis, she sets aside her dreams of pursuing her passion for art to take over his Midtown Manhattan champagne shop. She soon finds out that the store's profit margins are being squeezed perilously tight, and complicating matters further, a giant corporation headed by the impossibly handsome, but irritatingly arrogant Sebastian Andrews is proposing a buyout. But Gracie can't bear the thought of throwing away her father's dream like she did her own. Overwhelmed and not wanting to admit to her friends or family that she's having second thoughts about the shop, Gracie seeks advice and solace from someone she's never met—the faceless "Sir", with whom she connected on a blind dating app where matches get to know each other through messages and common interests before exchanging real names or photos. But although Gracie finds herself slowly falling for Sir online, she has no idea she's already met him in real life...and they can't stand each other.

Dear Sir, I Intend to Burn Your Book Apr 28 2022 Censorship and book burning are still present in our lives. Lawrence Hill shares his experiences of how ignorance and the fear of ideas led a group in the Netherlands to burn the cover of his widely successful novel, *The Book of Negroes*, in 2011. Why do books continue to ignite such strong reactions in people in the age of the Internet? Is banning, censoring, or controlling book distribution ever justified? Hill illustrates his ideas with anecdotes and lists names of Canadian writers who faced censorship challenges in the twenty-first century, inviting conversation between those on opposite sides of these contentious issues. All who are interested in literature, freedom of expression, and human rights will enjoy reading Hill's provocative essay.

Aphasia and Kindred Disorders of Speech Mar 28 2022 Originally published in 1926, this book forms part of a two-volume work by Sir Henry Head on the subject of aphasia. The work was written in an attempt to analyse and integrate the physical and psychological aspects of the condition, incorporating them both into a general theory regarding linguistic expression. Illustrative figures are included.

Holding Back The Tears Sep 29 2019 This is true story about real people is set in Edinburgh City and Dundee, where a petite Scottish Lassie called Rosie Gilmour, mother to Finlay Sinclair, receives news of the death of her son - who tragically has taken his own life by hanging. Rosie pretends her son is still alive by talking to him, for that takes away the unbearable pain of her loss. But once she begins to face up to the fact that Finlay is not coming back, her conversations become more of a challenge than she can handle. When memories of her past are triggered by everyday life events, they take her mind back and forth in time - back to her own childhood days in 1960, when she flirted with the fairground boys, and to the day she gave birth to Finlay - "ME LADDIE". Rosie's Scottish accent becomes more apparent whenever her emotions are heightened and she begins to recite poetry. She goes on to reveal doubts about her own self-worth and how she re-unites her role as mother - a role she had denied herself for seven years prior to Finlay's death. Rosie learns how to forgive herself and how to accept her loss with using practical coping strategies that sometimes but not always work for her. Many voices of different natures and walks of life appear in Rosie's, story with each one offering a part of their own belief to try and console her in her misery - except that she turns her back on any advice or support offered. Rosie is convinced that she can cope with her loss on her own and "needs no help from anyone, thank you"; - until a sweet, gentle, soft-spoken voice begins to travel with her throughout her ordeal, leaving her no other choice but to listen. Eventually moving to the countryside in Angus, Rosie finds the isolation gives her life a new meaning offering her the opportunity to re-value her belief's about her own self values and decides the time has come to give her son a memorial service and invite a chosen few dance companions whom she met on a regular basis in Edinburgh to honour this day. Rosie begins to accept she will never be the same person she once had been and shall never be again, believing now her journey through grief taught her many lessons making her a stronger and better person than she imagined she could ever be.
