*Clean Hands, Pure Heart* Jun 30 2022 The author relates his journey out of addiction to pornography into recovery and freedom. He explains: "Like Paul and Alma the Younger, who also spent a portion of their life in serious darkness and were delivered from it by Christ Himself, I am willing to allow my life to be an example of someone the Lord has rescued from the darkest abyss." Using the scriptures and teachings of Church leaders, Phil leads us through the process of coming unto Christ and having our burdens lifted. For those who have struggled with sexual addiction or any other overwhelming challenge, as well as for those who care about them, this book offers welcome help, guidance and hope.

**Blood and Earth** Jun 06 2020 For readers of such crusading works of nonfiction as Katherine Boo's *Beyond the Beautiful Forevers* and Tracy Kidder's *Mountains Beyond Mountains* comes a powerful and captivating examination of two entwined global crises: environmental destruction and human trafficking—and an inspiring, bold plan for how we can solve them. A leading expert on modern-day slavery, Kevin Bales has traveled to some of the world's most dangerous places documenting and battling human trafficking. In the course of his reporting, Bales began to notice a pattern emerging: Where slavery existed, so did massive, unchecked environmental destruction. But why? Bales set off to find the answer in a fascinating and moving journey that took him into the lives of modern-day slaves and along a supply chain that leads directly to the cellphones in our pockets. What he discovered is that even as it destroys individuals, families, and communities, new forms of slavery that proliferate in the world's lawless zones also pose a grave threat to the environment. Simply put, modern-day slavery is destroying the planet. The product of seven years of travel and research, *Blood and Earth* brings us dramatic stories from the world's most beautiful and tragic places, the environmental and human-rights hotspots where this crisis is concentrated. But it also tells the stories of some of the most common products we all consume—from computers to shrimp to jewelry—whose origins are found in these same places. *Blood and Earth* calls on us to recognize the grievous harm we have done to one

another, put an end to it, and recommit to repairing the world. This is a clear-eyed and inspiring book that suggests how we can begin the work of healing humanity and the planet we share. Praise for *Blood and Earth* "A heart-wrenching narrative . . . Weaving together interviews, history, and statistics, the author shines a light on how the poverty, chaos, wars, and government corruption create the perfect storm where slavery flourishes and environmental destruction follows. . . . A clear-eyed account of man's inhumanity to man and Earth. Read it to get informed, and then take action."—Kirkus Reviews (starred review) "[An] exposé of the global economy's 'deadly dance' between slavery and environmental disaster . . . Based on extensive travels through eastern Congo's mineral mines, Bangladeshi fisheries, Ghanaian gold mines, and Brazilian forests, Bales reveals the appalling truth in graphic detail. . . . Readers will be deeply disturbed to learn how the links connecting slavery, environmental issues, and modern convenience are forged."—Publishers Weekly "This well-researched and vivid book studies the connection between slavery and environmental destruction, and what it will take to end both."—Shelf Awareness (starred review) "This is a remarkable book, demonstrating once more the deep links between the ongoing degradation of the planet and the ongoing degradation of its most vulnerable people. It's a bracing reminder that a mentality that allows throwaway people also allows a throwaway earth."—Bill McKibben, author of *Eaarth: Making a Life on a Tough New Planet*

**Summary of Christine McGuire & Carla Norton's Perfect Victim** Dec 25 2021 Please note: This is a companion version & not the original book. **Sample Book Insights:** #1 Red Bluff is a small town in northern California that is the capital of Tehama County. It is a place with few secrets, as broken marriages, accidents, and affairs are big news. But it is a good place to raise a family. #2 Colleen Stan, a 20-year-old college student, hitchhiked her way across America in 1977. She left Eugene, Oregon, that morning at about eleven, when her roommates Alice and Bob drove her to the freeway. She stood at the side of the road under the gray Eugene sky looking virtually indistinguishable from any number of hitchhikers. #3 When you drive east on Highway 36, the fringes of Red Bluff soon fall behind. The road climbs past pastures into hills of oak strewn with chunks of lava as it heads toward Mt. Lassen, a dormant volcano that heaved off its mountaintop in 1914. #4 The head box is a terrifying device that was

used on Colleen. It is made of plywood and is about the size of a hatbox, but it is surprisingly heavy. It is suffocatingly hot and claustrophobic, and it muffles all sound.

*Frederick Douglass* Feb 12 2021 \*\*Winner of the Pulitzer Prize in History\*\* "Extraordinary...a great American biography" (The New Yorker) of the most important African-American of the nineteenth century: Frederick Douglass, the escaped slave who became the greatest orator of his day and one of the leading abolitionists and writers of the era. As a young man Frederick Douglass (1818-1895) escaped from slavery in Baltimore, Maryland. He was fortunate to have been taught to read by his slave owner mistress, and he would go on to become one of the major literary figures of his time. His very existence gave the lie to slave owners: with dignity and great intelligence he bore witness to the brutality of slavery. Initially mentored by William Lloyd Garrison, Douglass spoke widely, using his own story to condemn slavery. By the Civil War, Douglass had become the most famed and widely travelled orator in the nation. In his unique and eloquent voice, written and spoken, Douglass was a fierce critic of the United States as well as a radical patriot. After the war he sometimes argued politically with younger African Americans, but he never forsook either the Republican party or the cause of black civil and political rights. In this "cinematic and deeply engaging" (The New York Times Book Review) biography, David Blight has drawn on new information held in a private collection that few other historians have consulted, as well as recently discovered issues of Douglass's newspapers. "Absorbing and even moving...a brilliant book that speaks to our own time as well as Douglass's" (The Wall Street Journal), Blight's biography tells the fascinating story of Douglass's two marriages and his complex extended family. "David Blight has written the definitive biography of Frederick Douglass...a powerful portrait of one of the most important American voices of the nineteenth century" (The Boston Globe). In addition to the Pulitzer Prize, Frederick Douglass won the Bancroft, Parkman, Los Angeles Times (biography), Lincoln, Plutarch, and Christopher awards and was named one of the Best Books of 2018 by The New York Times Book Review, The Wall Street Journal, The Boston Globe, The Chicago Tribune, The San Francisco Chronicle, and Time.

[Patterns of Light Vol. 1: Discovering Patterns of Recovery Within the Book of Mormon and Twelve Step Literature](#) Sep 02 2022 From the

author of *He Did Deliver Me from Bondage* Weaving together selected scriptures from the Book of Mormon and quotations from Alcoholics Anonymous (the AA Big Book) and Twelve Steps and Twelve Traditions, Colleen Harrison provides an in-depth study of the principles of recovery found in the Twelve Steps. The principles of the Twelve Steps are a proven method for coming into "conscious contact" with God. When combined with the power of the Book of Mormon, the result is a deepening spirituality within anyone who uses this course of study. Of this work, Colleen states: This work was a gift to me. It has changed my life and given me a practical, proven method of heart-deep repentance. Working the Steps has led me to "come unto Christ" (Moroni 10:32), and He has changed my heart, my mind, my life. I testify that these true principles have the power to bring all mortals - addicted or not - recovery and redemption from mortality's greatest challenges. When focused on our relationship wit

**Slavery, Childhood, and Abolition in Jamaica, 1788-1838** Aug 01 2022 This study examines childhood and slavery in Jamaica from the onset of improved conditions for the island's slaves to the end of all forced or coerced labor throughout the British Caribbean. As Colleen A. Vasconcellos discusses the nature of child development in the plantation complex, she looks at how both colonial Jamaican society and the slave community conceived childhood—and how those ideas changed as the abolitionist movement gained power, the fortunes of planters rose and fell, and the nature of work on Jamaica's estates evolved from slavery to apprenticeship to free labor. Vasconcellos explores the experiences of enslaved children through the lenses of family, resistance, race, status, culture, education, and freedom. In the half-century covered by her study, Jamaican planters alternately saw enslaved children as burdens or investments. At the same time, the childhood experience was shaped by the ethnically, linguistically, and culturally diverse slave community. Vasconcellos adds detail and meaning to these tensions by looking, for instance, at enslaved children of color, legally termed mulattos, who had unique ties to both slave and planter families. In addition, she shows how traditions, beliefs, and practices within the slave community undermined planters' efforts to ensure a compliant workforce by instilling Christian values in enslaved children. These are just a few of the ways that Vasconcellos reveals an overlooked childhood—one that was often defined by Jamaican planters but always contested and redefined by the slaves themselves.

*Canada's Forgotten Slaves* Jan 02 2020 Canada's Forgotten Slaves is a ground-breaking work by one of French Canada's leading historians, available for the first time in English. This book reveals that slavery was not just something that happened in the United States. Quite the contrary! Slavery was very much a part of everyday life in colonial Canada under the French regime starting in 1629, and then under the British regime right up to its official abolition throughout the British empire in 1834. By painstakingly combing through unpublished archival records of the seventeenth, eighteenth and nineteenth centuries, Marcel Trudel gives a human face to the over 4,000 Aboriginal and Black slaves bought, sold and exploited in colonial Canada. He reveals the identities of the slave owners, who ranged from governors, seigneurs, and military officers to bishops, priests, nuns, judges, and merchants. Trudel describes the plight of slaves—the joys and sorrows of their daily existence. Trudel also recounts how some slaves struggled to gain their liberty. He documents Canadian politicians, historians and ecclesiastics who deliberately falsified the record, glorifying their own colonial-era heroes, in order to remove any trace of the thousands of Aboriginal and Black slaves held in bondage for two centuries in Canada.

**The Urge** Nov 23 2021 An authoritative, illuminating, and deeply humane history of addiction — a phenomenon that remains baffling and deeply misunderstood despite having touched countless lives — by an addiction psychiatrist striving to understand his own family and himself. Even after a decades-long opioid overdose crisis, intense controversy still rages over the fundamental nature of addiction and the best way to treat it. With uncommon empathy and erudition, Carl Erik Fisher draws on his own experience as a clinician, researcher, and alcoholic in recovery as he traces the history of a phenomenon that, centuries on, we hardly appear closer to understanding — let alone addressing effectively. As a psychiatrist-in-training fresh from medical school, Fisher was soon face-to-face with his own addiction crisis, one that nearly cost him everything. Desperate to make sense of the condition that had plagued his family for generations, he turned to the history of addiction, learning that the current quagmire is only the latest iteration of a centuries-old story: humans have struggled to define, treat, and control addictive behaviour for most of recorded history, including well before the advent of modern science and medicine. A rich, sweeping history that probes not only medicine and science but also literature, religion, philosophy, and sociology, *The Urge* illuminates the extent to which the story of addiction has persistently reflected broader questions of what it means to be human and care for one another. Fisher introduces us to the people who have

endeavoured to address this complex condition through the ages: physicians and politicians, activists and artists, researchers and writers, and of course the legions of people who have struggled with their own addictions. He also examines the treatments and strategies that have produced hope and relief for many people with addiction, himself included. Only by reckoning with our history of addiction, he argues — our successes and our failures — can we light the way forward for those whose lives remain threatened by its hold. *The Urge* is at once an eye-opening history of ideas, a riveting personal story of addiction and recovery, and a clinician's urgent call for a more expansive, nuanced, and compassionate view of one of society's most intractable challenges.

**No Longer Bound** Sep 21 2021 Bondage is a weight God's people have been under by the spiritual Pharaoh of this world, strapped down by cares, for which God has promised an answer. But We sometimes CHOOSE bondage over trust, faith and freedom. Figuratively, Pharaoh is the spirit that holds God's people back from the promise, the promise-land, the land of abundance, liberty, health and wealth . . . but God has given Colleen H. Smith the mandate to go tell Pharaoh to let God's people go!!!! In this book, Colleen H. Smith admonishes us to EXPOSE THE SECRET SINS IN OUR LIVES, IN OUR FAMILIES, AND IN OUR CHURCHES; those things that BIND, that we may not want anyone to know about; the THINGS THAT PREVENT US FROM FULFILLING OUR PURPOSES IN THE EARTH. This book is for the believer OR for one who does not yet know Christ. Colleen asks, How can the bound lead the bound or the blind lead the blind? It is happening in our churches! The promise of God is that whom the Son sets free is free indeed then . . . Free men, can help to free (other) men! As you read through the annals of this book, you will be REFRESHED and EMPOWERED to suit up with your SPIRITUAL ARMOUR, to begin to WAR AGAINST SATAN'S ARMY and to TAKE BACK YOUR AUTHORITY so you can join, in this FINAL HOUR, in telling old PHAROAH to LET GOD'S PEOPLE GO from ADDICTIONS, LUST, FEAR, UNFORGIVENESS, HOMOSEXUALITY, WRONG RELATIONSHIPS, APATHY, FINANCIAL TRAPS AND DESTRUCTIVE, SECRET LIVES, now!!!!!!!!!! Colleen H. Smith is the CEO/Founder of an intercessory prayer and deliverance ministry, No Longer Bound International Ministries. Her prayer is that everyone who reads this book, will find the ANSWER to becoming NO LONGER BOUND. "

**Happy Memories** Mar 28 2022 Terrell Michael O'Shannon worked at Suttons sawmill as a foreman and Colleen Bridgett Kelly was a governess for the Sutton children. There they met and fell in love in a storybook romance and later a solid marriage. Their aspirations to have a large farm and many sons to help them work it took an unexpected turn. They had three daughters, twins Lorna and Jenny, and six years later Sarah. In time they ultimately accumulated many acres, but the extent of their farming ended up with a horse, a dog, some chickens and barn cats. Their lives were fulfilled and their joys were many through the years. Lorna married a lawyer. They live in Glenwick, about fifty miles from home and have four children. Jenny lives about a half mile from home and has one daughter. Sarah built her house in the back acres of the old homestead, and has two children. Now the grandchildren arrive. Read the next seven books in this series to learn about where their lives take them through the years.

**The Secret History of Wonder Woman** Aug 09 2020 A riveting work of historical detection, revealing that the origins of one of the world's most iconic Superheroes hides within it a fascinating family story — and a crucial history of twentieth-century feminism. Wonder Woman, created in 1941, is the most popular female superhero of all time. Aside from Superman and Batman, no superhero has lasted as long or commanded so vast and wildly passionate a following. Like every other superhero, Wonder Woman has a secret identity. Unlike every other superhero, she also has a secret history. Harvard historian and New Yorker staff writer Jill Lepore has uncovered an astonishing trove of documents, including the never-before-seen private papers of William Moulton Marston, Wonder Woman's creator. Beginning in his undergraduate years at Harvard, Marston was influenced by early suffragists and feminists, starting with Emmeline Pankhurst, who was banned from speaking on campus in 1911, when Marston was a freshman. In the 1920s, Marston and his wife, Sadie Elizabeth Holloway, brought into their home Olive Byrne, the niece of Margaret Sanger, one of the most influential feminists of the twentieth century. The Marston family story is a tale of drama, intrigue, and irony. In the 1930s, Marston and Byrne wrote a regular column for *Family Circle* celebrating conventional family life, even as they themselves pursued lives of extraordinary nonconformity. Marston, internationally known as an expert on truth — he invented the lie detector test — lived a life of secrets, only to spill them on the pages of *Wonder Woman*. *The Secret History of Wonder Woman* is a tour de force of intellectual and cultural history. *Wonder Woman*, Lepore argues, is the missing link in the history of the struggle for women's rights — a chain of events that begins with the women's suffrage campaigns of the early 1900s and ends with the troubled place of feminism a century later. PRAISE FOR JILL LEPORE 'Few historians handle weirdness as deftly or thoughtfully as Lepore ... [Her] brilliance lies in knowing what to do with the material she has. In her hands, the *Wonder Woman* story unpacks not only a new cultural history of feminism, but a theory of history as well.' *The New York Times Book Review* 'Ms Lepore's lively, surprising and occasionally salacious history is far more than the story

of a comic strip. The author, a professor of history at Harvard, places Wonder Woman squarely in the story of women's rights in America — a cycle of rights won, lost and endlessly fought for again ... Her superb narrative brings that history vividly into the present, weaving individual lives into the sweeping changes of the century.' The Wall Street Journal

**Lust, Loathing, Lunacy** Feb 01 2020 Philip Francis Parkman, Democrat Congressman from the 14th District of New Jersey, fortified by his unexpected victory at the polls and motivated by high ideals and good intentions, embraces his perceived role as not only spokesman for his constituency, but also as caretaker of the Constitution of the United States. However, intervening reality soon crushes his idealism and vanquishes his hope he can make a difference. Thus begins his slide on the "greasy griddle" as he calls it. He turns to alcohol to alleviate his disappointment. On his way down, forty-eight-year-old Parkman falls under the spell of a precocious teenage seductress—Catherine Taylor Quinter, the beautiful eighteen-year-old daughter of his political mentor. Parkman is, at the same time, falsely charged with campaign fraud and faces disgrace before the Ethics Committee. His long-suffering wife, Elaine, embarking on her own personal journey to secure her identity while professionally experiencing success, finds she must choose to save her own life or her husband's. Parkman's slide lands him in a mental institution, called "the Facility" by the inmates, where he meets the enigmatic Winslow whose wisdom provides him with a new vision on life.

What would this reading trajectory say about you? With passion, humor, and insight, the editor of The New York Times Book Review shares the stories that have shaped her life. Pamela Paul has kept a single book by her side for twenty-eight years – carried throughout high school and college, hauled from Paris to London to Thailand, from job to job, safely packed away and then carefully removed from apartment to house to its current perch on a shelf over her desk – reliable if frayed, anonymous-looking yet deeply personal. This book has a name: Bob. Bob is Paul's Book of Books, a journal that records every book she's ever read, from Sweet Valley High to Anna Karenina, from Catch-22 to Swimming to Cambodia, a journey in reading that reflects her inner life – her fantasies and hopes, her mistakes and missteps, her dreams and her ideas, both half-baked and wholehearted. Her life, in turn, influences the books she chooses, whether for solace or escape, information or sheer entertainment. But My Life with Bob isn't really about those books. It's about the deep and powerful relationship between book and reader. It's about the way books provide each of us the perspective, courage, companionship, and imperfect self-

knowledge to forge our own path. It's about why we read what we read and how those choices make us who we are. It's about how we make our own stories.

**Running from Bondage** Jan 26 2022 Running from Bondage tells the compelling stories of enslaved women, who comprised one-third of all runaways, and the ways in which they fled or attempted to flee bondage during and after the Revolutionary War. Karen Cook Bell's enlightening and original contribution to the study of slave resistance in eighteenth-century America explores the individual and collective lives of these women and girls of diverse circumstances, while also providing details about what led them to escape. She demonstrates that there were in fact two wars being waged during the Revolutionary Era: a political revolution for independence from Great Britain and a social revolution for emancipation and equality in which Black women played an active role. Running from Bondage broadens and complicates how we study and teach this momentous event, one that emphasizes the chances taken by these 'Black founding mothers' and the important contributions they made to the cause of liberty.

**Minds on Trial** May 18 2021 In recent years, the public has become increasingly fascinated with the criminal mind. Television series centered on courtroom trials, criminal investigations, and forensic psychology are more popular than ever. More and more people are interested in the American system of justice and the individuals who experience it firsthand. Minds on Trial: Great Cases in Law and Psychology gives you an inside view of 20 of the highest profile legal cases of the last 50 years. Drs. Ewing and McCann take you "behind the scenes" of each of these cases, some involving celebrities like Woody Allen, Mike Tyson, and Patty Hearst, and explain the impact they had on the fields of psychology and the law. Many of the cases in this book, whether involving a celebrity client or an ordinary person in an extraordinary circumstance, were determined in part by the expert testimony of a psychologist or other mental health professional. Psychology has always played a vital role in so many aspects of the American legal system, and these fascinating trials offer insight into many intriguing psychological issues. In addition to expert testimony, some of the issues discussed in this entertaining and educational book include the insanity defense, brainwashing, criminal profiling, capital punishment, child custody, juvenile delinquency, and false confessions. In Minds on Trial, the authors skillfully convey the psychological and legal drama of each case, while providing important and fresh professional insights. Mental health and legal professionals, as well as others with an interest in psychology and the law will have a hard time putting this scholarly, yet readable book down.

**A Birthday Cake for George Washington** Jul 28 2019 An exploration of fifty influential and inspirational women who changed the world. Everyone is buzzing about the president's birthday! Especially George Washington's servants who scurry around the kitchen preparing to make this the best celebration ever. Oh, how George Washington loves his cake! And, oh, how he depends on Hercules, his head chef, to make it for him. Hercules, a slave, takes great pride in baking the president's cake. But this year there is one problem--they are out of sugar. This story, told in the voice of Delia, Hercules' young daughter, is based on real events, and underscores the loving exchange between a very determined father and his eager daughter who are faced with an unspoken, bittersweet reality.

**Born Again Bodies** Jul 20 2021 "Fat People Don't Go to Heaven!" screamed a headline in the tabloid Globe in November 2000. The story recounted the success of the Weigh Down Workshop, the nation's largest Christian diet corporation and the subject of extensive press coverage from Larry King Live to the New Yorker. In the United States today, hundreds of thousands of people are making diet a religious duty by enrolling in Christian diet programs and reading Christian diet literature like What Would Jesus Eat? and Fit for God. Written with style and wit, far ranging in its implications, and rich with the stories of real people, Born Again Bodies launches a provocative yet sensitive investigation into Christian fitness and diet culture. Looking closely at both the religious roots of this movement and its present-day incarnations, R. Marie Griffith vividly analyzes Christianity's intricate role in America's obsession with the body, diet, and fitness. As she traces the underpinning of modern-day beauty and slimness ideals—as well as the bigotry against people who are overweight—Griffith links seemingly disparate groups in American history including seventeenth-century New England Puritans, Progressive Era New Thought adherents, and late-twentieth-century evangelical diet preachers.

**Colleen Stan: The Simple Gifts of Life** Oct 03 2022 Throughout my captivity, I was never told what was going to happen next or why. This lack of knowledge was used by Master to maintain a continuous element of fear and control over me. Anytime I was taken out of the box, I never knew what to expect. Fear of the unknown was always with me as I was kept in the dark both physically and mentally. This lack of knowledge may have been a good thing in one sense. If I had known the length of my entombment after returning from Riverside, I'm not sure I would have survived. Of course, I'm not sure even Master knew how long he was going to keep me in the box. A few days passed then a few more. Then weeks passed followed by months. Months slowly turned into years. I would spend the next three years of my life (1981-1984) in the box sleeping, dreaming, and praying. I have to assume my lengthy confinement in the box came about because Master was concerned he had given me too much freedom. Maybe he felt he was losing control of his slave. Too many neighbors had seen me, and questions about my status in the Hooker household were surely to arise. A fast thinking family member in Riverside may have copied down his vehicle tag number. What if the police knocked on his door one day looking for Colleen Stan? What if they searched the mobile home? Would anyone think to look under a waterbed for the

girl in the box? Master wanted to keep me out of sight until the heat had passed. The other reason for putting me into storage was Ma'am. I'm sure she wanted me out of her life, out of her children's lives, and out of her husband's life. Master was not ready to let his slave go. Cloistering was the only answer. My daily routine soon became predictive as I was allowed out late in the evening after the girls had gone to bed. I emptied my bedpan, drank a large glass of water, and ate cold leftovers in the front bathroom. Sometimes the leftovers were true leftovers that had been out all day and the family didn't want. The 12-Step Buddhist Feb 24 2022 The face of addiction and alcoholism is a face that many have seen before -- it may be a celebrity, a colleague, or even a family member. And though the 12-step program by itself can often bring initial success, many addicts find themselves relapsing back into old ways and old patterns, or replacing one addiction with another. Author Darren Littlejohn has been there and back, and presents a complimentary guide for recovery to the traditional twelve-step program, out of his own struggles and successes through the study of Zen and Tibetan Buddhism. Working with the traditional 12-Step philosophy, the author first shares his own life path, and how he came to find the spiritual solace that has greatly enhanced his life in recovery. Then, he details out how his work integrating Buddhism into the traditional twelve-step programs validates both aspects of the recovery process. While being careful not to present himself as a Tibetan lama or Zen master, the author shows how each step -- such as admitting there is a problem, seeking help, engaging in a thorough self-examination, making amends for harm done, and helping other drug addicts who want to recover -- fits into the Bodhisattva path. This integration makes Buddhism accessible for addicts, and the 12 Steps understandable for Buddhists who may otherwise be at a loss to help those in need. The 12-Step Buddhist is designed to be a complimentary practice to the traditional 12-step journey, not a replacement. While traditional twelve-step programs help addicts become sober by removing the drug of choice and providing a spiritual path, they rarely delve deep into what causes people to suffer in the first place. The integration of Buddhism with the traditional process provides the wisdom and meditations that can help addicts truly find a deep, spiritual liberation from all causes and conditions of suffering -- for good.

*How the Word Is Passed* May 06 2020 ONE OF BARACK OBAMA'S FAVOURITE BOOKS OF THE YEAR A NUMBER ONE NEW YORK TIMES BESTSELLER LONGLISTED FOR THE NATIONAL BOOK AWARD FOR NON-FICTION 'A beautifully readable reminder of how much of our urgent, collective history resounds in places all around us

that have been hidden in plain sight.' Afua Hirsch, author of *Brit(ish)* Beginning in his hometown of New Orleans, Clint Smith leads the reader on an unforgettable tour of monuments and landmarks - those that are honest about the past and those that are not - which offer an intergenerational story of how slavery has been central in shaping a nation's collective history, and our own. It is the story of the Monticello Plantation in Virginia, the estate where Thomas Jefferson wrote letters espousing the urgent need for liberty while enslaving more than four hundred people. It is the story of the Whitney Plantation, one of the only former plantations devoted to preserving the experience of the enslaved people whose lives and work sustained it. It is the story of Angola, a former plantation-turned-maximum-security prison in Louisiana that is filled with Black men who work across the 18,000-acre land for virtually no pay. And it is the story of Blandford Cemetery, the final resting place of tens of thousands of Confederate soldiers. A deeply researched and transporting exploration of the legacy of slavery and its imprint on centuries of American history, *How the Word Is Passed* illustrates how some of our most essential stories are hidden in plain view - whether in places we might drive by on our way to work, holidays such as Juneteenth or entire neighbourhoods like downtown Manhattan, where the brutal history of the trade in enslaved men, women and children has been deeply imprinted. *How the Word Is Passed* is a landmark book that offers a new understanding of the hopeful role that memory and history can play in making sense of the United States. Chosen as a book of the year by President Barack Obama, *The Economist*, *Time*, the *New York Times* and more, fans of *Brit(ish)* and *Natives* will be utterly captivated. What readers are saying about *How the Word Is Passed*: 'How the Word Is Passed frees history, frees humanity to reckon honestly with the legacy of slavery. We need this book.' Ibram X. Kendi, Number One *New York Times* bestselling author 'An extraordinary contribution to the way we understand ourselves.' Julian Lucas, *New York Times* Book Review 'The detail and depth of the storytelling is vivid and visceral, making history present and real.' Hope Wabuke, NPR 'This isn't just a work of history, it's an intimate, active exploration of how we're still constructing and distorting our history.' Ron Charles, *The Washington Post* 'In re-examining neighbourhoods, holidays and quotidian sites, Smith forces us to reconsider what we think we know about American history.' *Time* 'A history of slavery in this country unlike anything you've read before.' *Entertainment Weekly* 'A beautifully written, evocative, and timely meditation on the way slavery is commemorated in the United States.' Annette Gordon-Reed, Pulitzer Prize-winning author
