Quantum Interaction Nov 21 2021 This book constitutes the thoroughly refereed post-conference proceedings of the 5th International Symposium on Quantum Interaction, QI 2011, held in Aberdeen, UK, in June 2011. The 26 revised full papers and 6 revised poster papers, presented together with 1 tutorial and 1 invited talk were carefully reviewed and selected from numerous submissions during two rounds of reviewing and improvement. The papers show the cross-disciplinary nature of quantum interaction covering topics such as computation, cognition, mechanics, social interaction, semantic space and information representation and retrieval.

Ficció i realitat a l'Espill Dec 31 2019 l'Espill és una obra literària d'extraordinària riquesa lèxica i fràsica, un dels grans tresors de la llengua catalana. En aquest llibre, després d'una introducció a l'Espill, s'aborda la qüestió de les fonts, amb el mètode de les concordances fràsiques, i se'n presenten algunes de noves, especialment Lo Cartoixà. A partir de l'anàlisi detallada de les dades internes i externes que aporta l'Espill, s'estableix la temporalitat de la vida de ficció del personatge protagonista i es posen de manifest alguns anacronismes entre el temps de la vida fictícia del narrador i determinats fets i persones reals, mencionats a l'obra. Els diversos aclariments i esmenes aportats per a la correcta transcripció i interpretació de molts passatges de l'Espill fan d'aquest llibre una referència inexcusable per al bon coneixement del text i el context d'aquest clàssic.

Un poble del comtat d' Urgell: Alberola Apr 14 2021 Alberola és un petit poble de la comarca de la Noguera, amb una identitat històrica no menyspreable. Amb més d'un centenar d'habitants al segle XIX i unes restes d'església romànica i altres fortificacions, fins ara la seva història era una incògnita. Aquest llibre recull tots els rastres documentals i permet establir aquesta història, fins ara desconeguda.No se ha introducido texto.

L'anarquisme a Tarragona (1917-1924). Formós Plaja i Carme Paredes Apr 02 2020 El gruix d'aquest text forma part d'un ampli estudi sobre la figura de Formós Plaja i Carme Paredes culminat al 2002, que hem completat ara amb noms i dades referits a la província de Tarragona. El treball primigeni vam començar-lo a la dècada dels noranta per l'atracció que ens produïen les obres de l'editorial Vértice (1925-1939) de Barcelona, consultades a l'arxiu de Salamanca. Seguint la pista del seu editor, vam saber que havia fet donació documental a la Biblioteca Pública Arús de Barcelona i ens embrancàrem en la lectura d'aquestes obres. Com sol succeir en les investigacions, la resta va ser anar de sorpresa en sorpresa, i en una d'aquestes va aparèixer l'etapa tarragonina que us presentem en aquesta obra.
