**The Cheerful Subversive's Guide to Independent Filmmaking** Jul 05 2020 In *The Cheerful Subversive's Guide to Independent Filmmaking*, celebrated Slamdance Film Festival co-founder Dan Mirvish offers a rich exploration of the process and culture of making low-budget, independent films. Once labelled a "cheerful subversive" by *The New York Times*, Mirvish shares his unfiltered pragmatic approach to scriptwriting, casting, directing, producing, managing a crew, post-production, navigating the film festival circuit, distributing your film, dealing with piracy and building a career. Readers will learn how to game the Hollywood system to their advantage, get their films accepted by respected festivals without going

broke, and utilize a broad range of media and tactics to promote and distribute their work. A companion website features behind-the-scenes interviews and footage from Dan's films, and much more. Learn everything you need to know to make, promote, and distribute your independent films, with time-tested lessons and practical advice on scriptwriting, casting and directing A-list actors, financing, producing, managing a crew, editing in post, creating visual effects on a budget, and successfully navigating the film festival circuit Find out what it takes to become a true "cheerful subversive" and adopt new and innovative approaches to producing your films, discover hidden loopholes in the Hollywood system and festival scene, take advantage of a broad range of media formats to promote and distribute your indie films, and generally make bold moves in service of your creative work, all while staying flexible enough to pivot at a moment's notice An extensive companion website features in-depth interviews
