*Soul Set Free Nov 07 2020 Just because you know and have experienced grace does not mean you fully understand it. This book will help you experience the freedom found in knowing just how fully God is committed to loving YOU. Rediscover the missing piece in what today's Christians believe about the Christian life. As lead Pastor of one of America's biggest churches, John Lindell went on a personal quest for answers and discovered the true meaning behind God's grace, and when he came to see the full revelation of God's commitment to us, it changed his life forever. In Soul Set Free, Lindell invites you on a life-changing journey through the Book of Romans. Learn to no longer view the gospel as anything less than a truth that sets your soul free. The good news of the gospel can be summed up in three parts: Christ died for our sins, we are forgiven through faith in Christ, and heaven is our reward upon death. However, none of these parts cover what transpired when we were saved. The gospel is even better than what we believe. It brings joy but it's even better. It's forgiveness of sins but it's even better. It's God sending His only Son but it's even better.*

You Are Free Study Guide Jun 22 2019 In this six session video Bible study (DVD/digital video sold separately), Rebekah Lyons explores why we all want to know, beyond a shadow of a doubt, what we were made for. Yet many of us believe that "calling" feels like something held for the exclusive few. Rebekah's heart is to dismantle that idea, to remind each and every one of us that God has plans for something specific if we have ears to hear the still small voice of a Father that beckons. What if we pressed into finding our truest selves hidden below the surface? Rebekah has traveled the country sharing with vulnerability her own pain and struggles to hear God and follow Him. "I have prayed with hands laid for healing and deliverance on women considering suicide, experiencing trauma, fighting cancer, holding off divorce, overcoming addiction and more. These are women, battle weary and wounded saying, "I'm done with the life I've created. I hunger for all that God promises. I want to expect more from a passionate and relentless God. I cannot continue to operate from a place of wounding. Please set me free." But there is risk in this journey. We cannot get ahead of ourselves and just end up with a prettier version of striving. Rebekah reminds viewers that without healing from God along the way we can be pulled back into a place of wounding and bondage. But abiding in God's presence will bring us answers and inform and sustain our calling. Rebekah's voice is a vulnerable, prophetic call for women to become who they've already been designed to be. She is answering the questions women are asking. Listen to hear how we truly run free. Designed for use with the You Are Free DVD (sold separately).
