Rethinking Language, Text and Context

Jun 19 2021 This collection of original research highlights the legacy of Michael Toolan's pioneering contributions to the field of stylistics and in so doing provides a critical overview of the ways in which language, text, and context are analyzed in the field and its related disciplines. Featuring work from an international range of contributors, the book illustrates how the field of stylistics has evolved in the 25 years since the publication of Toolan's seminal *Language, Text and Context*, which laid the foundation for the analysis of the language and style in literary texts. The volume demonstrates how technological innovations and the development of new interdisciplinary methodologies, including those

The inspiration for the major motion picture Rebel in the Rye One of the most popular and mysterious figures in American literary history, the author of the classic Catcher in the Rye, J. D. Salinger eluded fans and journalists for most of his life. Now he is the subject of this definitive biography, which is filled with new information and revelations garnered from countless interviews, letters, and public records. Kenneth Slawenski explores Salinger's privileged youth, long obscured by misrepresentation and rumor, revealing the brilliant, sarcastic, vulnerable son of a disapproving father and doting mother. Here too are accounts of Salinger's first broken heart—after Eugene O'Neill's daughter, Oona, left him—and the devastating World War II service that haunted him forever. J. D. Salinger features this author's dramatic

encounters with luminaries from Ernest Hemingway to Elia Kazan, his office intrigues with famous New Yorker editors and writers, and the stunning triumph of *The Catcher in the Rye*, which would both make him world-famous and hasten his retreat into the hills of New Hampshire. J. D. Salinger is this unique author's unforgettable story in full—one that no lover of literature can afford to miss. Praise for J. D. Salinger: A Life “Startling . . . insightful . . . [a] terrific literary biography.”—USA Today “It is unlikely that any author will do a better job than Mr. Slawenski capturing the glory of Salinger's life.”—The Wall Street Journal “Slawenski fills in a great deal and connects the dots assiduously; it's unlikely that any future writer will uncover much more about Salinger than he has done.”—Boston Sunday Globe “Offers perhaps the best chance we have to get behind the myth and find the man.”—Newsday “[Slawenski has] greatly fleshed out and

with precision and grace.”—Chicago Sun-Times “Earnest, sympathetic and perceptive . . . [Slawenski] does an evocative job of tracing the evolution of Salinger's work and thinking.”—The New York Times

Teenage Wasteland Jan 03 2020 First appearing in the pages of *Seventeen Magazine*, “Teenage Wasteland” has become one of Anne Tyler's most widely beloved short stories—an affecting and masterful portrait of a life interrupted and a family come undone. Daisy Coble had been a good mother, and so she was ashamed to find out from Donny's teacher that he had been misbehaving. He was noisy, lazy, disruptive, and he was caught smoking. At night, she lay awake wondering where she had gone wrong, and how she could have failed as a parent. Unsure of herself, Daisy follows the advice of professionals, and hires Donny a tutor with some unusual ideas to set the boy straight. But, has the gap between them grown too wide to bridge?

sense. In fact, it is through praxis that imagination and artistic inventiveness transmute the vital concerns of life, giving them human measure. But at the same time art's inspiration imbues life with aesthetic sense, which lifts human experience to the spiritual. Within these two perspectives art launches messages of specifically human inner propulsions, strivings, ideals, nostalgia, yearnings prosaic and poetic, profane and sacral, practical and ideal, while standing at the fragile borderline of everydayness and imaginative adventure. Art's creative perduring constructs are intentional marks of the aesthetic significance attributed to the flux of human life and reflect the human quest for repose. They mediate communication and participation in spirit and sustain the relative continuity of culture and history.

cocktail party conversation is most revealing in what is left unsaid. Tensions between a brother and sister escalate to violent threats. A soldier heading off to war is torn between duty to his country and to his family. These stories, first published in magazines in the 1940s and long out of print, showcase the formidable talent that would blossom in *The Catcher in the Rye*. The first book by J. D. Salinger to be published in fifty years, *Three Early Stories* is a crucial addition to the shelves of Salinger fans and newcomers to his work alike. Jerome David Salinger published just one novel and three short story collections in his lifetime, but is regarded as one of the most influential American writers of the twentieth century. His books - *The Catcher in the Rye*, *Nine Stories*, *Franny and Zooey* and *Raise High the Roof Beam, Carpenters and Seymour: An Introduction* - were published between 1951 and 1963, and Salinger lived most of his later life out of the public eye. [Sergeant Salinger](#) Jan 15 2021

“Charyn skillfully breathes life into historical icons.” —New Yorker J.D. Salinger, mysterious author of *The Catcher in the Rye*, is remembered today as a reclusive misanthrope. Jerome Charyn’s Salinger is a young American WWII draftee assigned to the Counter Intelligence Corps, a band of secret soldiers who trained with the British. A rifleman and an interrogator, he witnessed all the horrors of the war—from the landing on D-Day to the relentless hand-to-hand combat in the hedgerows of Normandy, to the Battle of the Bulge, and finally to the first Allied entry into a Bavarian death camp, where corpses were piled like cordwood. After the war, interned in a Nuremberg psychiatric clinic, Salinger became enchanted with a suspected Nazi informant. They married, but not long after he brought her home to New York,

the marriage collapsed. Maladjusted to civilian life, he lived like a "spook," with invisible stripes on his shoulder, the ghosts of the murdered inside his head, and stories to tell. Grounded in biographical fact and reimagined as only Charyn could, Sergeant Salinger is an astonishing portrait of a devastated young man on his way to becoming the mythical figure behind a novel that has marked generations. Jerome Charyn is the author of more than fifty works of fiction and nonfiction, including *Cesare: A Novel of War-Torn Berlin*. He lives in New York.

Seventeen Syllables Oct 12 2020 On the surface, "Seventeen Syllables" is the story of Rosie and her preoccupation with adolescent life. Between the lines, however, lurks the tragedy of her mother, who is trapped in a marriage of desperation.

Where are You Going, where Have You Been? Dec 26 2021

Joyce Carol Oates's prize-winning story "Where Are You Going, Where Have You Been?" takes up troubling subjects that continue to occupy her in her fiction: the romantic longings and limited options of adolescent women; the tensions between mothers and daughters; the sexual victimization of women; and the American obsession with violence. Inspired by a magazine story about a serial killer, its remarkable portrait of the dreamy teenager Connie has made it a feminist classic. Connie's life anticipates the emergence of American society from the social innocence of the fifties into the harsher

Contemporary Periodicities of war, For Bananafish Jd Salinger Free Download Pdf

random violence, and crime. The story was the basis for the movie *Smooth Talk*, which became the subject of much feminist debate. This casebook includes an introduction by the editor, a chronology of Oates's life, and authoritative text of "Where Are You Going, Where Have You Been?" an essay by Oates on *Smooth Talk*, the original *Life* article about the serial killer, ten critical essays (including two about the film), and a bibliography. The contributors are Brenda O. Daly, Christina Marsden Gillis, Don Moser, Tom Quirk, B. Ruby Rich, R.J.R. Rockwood, Larry Rubin, Gretchen Schultz, Marie Mitchell Oleson Urbanski, Joyce M. Wegs, and Joan D. Winslow. Elaine Showalter is Avalon Foundation Professor of Humanities at Princeton University. She is the author and editor of many books on women's writing, including *Sister's Choice: Tradition and Change in American Women's Writing*. A volume in the *Women Writers: Texts and Contexts Series*.

Romantic Postmodernism in American Fiction Aug 29

2019 Intended for teachers and students of American Literature, this book is the first comprehensive analysis of romantic tendencies in postmodernist American fiction. The book challenges the opinion expressed in the Columbia History of the American Novel (1991) and propagated by many influential scholars that the mainstream of postmodernist fiction is represented by the disjunctive and nihilistic work of such writers as Kathy Acker, Donald Barthelme, and Robert Coover. Professor Alsen disagrees. He contends that this kind of fiction is not read and taught much outside an isolated but powerful circle in the academic community. It is the two-part thesis of Professor Alsen's book that the mainstream of postmodernist fiction consists of the widely read work of the Nobel Prize laureates Saul Bellow and Toni Morrison and other similar writers and that this mainstream fiction is

support his argument, Professor Alsen analyzes representative novels by Saul Bellow, J.D. Salinger, Norman Mailer, Flannery O'Connor, John Updike, Kurt Vonnegut, Philip Roth, Thomas Pynchon, Toni Morrison, the later John Barth, Alice Walker, William Kennedy, and Paul Auster. Professor Alsen demonstrates that the traits which distinguish the fiction of the romantic postmodernists from the fiction of their disunctive and nihilist colleagues include a vision of life that is a form of philosophical idealism, an organic view of art, modes of storytelling that are reminiscent of the nineteenth-century romance, and such themes as the nature of sin or evil, the negative effects of technology on the soul, and the quest for transcendence.

into the man and the myth, what it is like to be his daughter, and the effect of such a charismatic figure on the girls and women closest to him. With generosity and insight, Ms. Salinger has written a book that is eloquent, spellbinding, and wise, yet at the same time retains the intimacy of a novel. Her story chronicles an almost cultlike environment of extreme isolation and early neglect interwoven with times of laughter, joy, and dazzling beauty. Compassionately exploring the complex dynamics of family relationships, her story is one that seeks to come to terms with the dark parts of her life that, quite literally, nearly killed her, and to pass on a life-affirming heritage to her own child. The story of being a Salinger is unique; the story of being a daughter is universal. This book appeals to anyone, J.D. Salinger fan or no, who has ever had to struggle to sort out who she really is from whom her parents dreamed she might

In Search of J. D. Salinger Sep 30 2019 Ian Hamilton wrote two books on J. D. Salinger. Only one, this one, was published. The first, called J. D. Salinger: A Writing Life, despite undergoing many changes to accommodate Salinger was still victim of a legal ban. Salinger objected to the use of his letters, in the end to any use of them. The first book had to be shelved. With great enterprise and determination however, Ian Hamilton set to and wrote this book which is more, much more, than an emasculated version of the first. For someone whose guarding of his privacy became so fanatical it is perhaps surprising how much Ian Hamilton was able to disinter about his earlier life. Until Salinger retreated completely into his bolt-hole

Outside of Confession New

Hampshire many aspects of his life, though it required assiduousness on the biographer's part, could be pieced together. A surprising portrait emerges; although there were early signs of renunciation, there were moments when his behaviour could almost be described as gregarious. The trail Hamilton follows is fascinating, and the story almost has the lineaments of a detective mystery with the denouement suitably being played out in Court. 'As highly readable and as literate an account of Salinger's work from a biographical perspective as we are likely to receive' The Listener 'A sophisticated exploration of Salinger's life and writing and a sustained debate about the nature of literary biography, its ethical legitimacy, its aesthetic relevance to a serious reading of a writer's books' Jonathan Raban, Observer 'Hamilton's book is as devious, as compelling, and in a covert way, as violent, as a story by Chandler' Victoria Glendinning, The Times
