When twenty-four-year-old Susannah Cahalan woke up alone in a hospital room, strapped to her bed and unable to move or speak, she had no memory of how she’d gotten there. Now she was labeled as violent, psychotic, a flight risk. What happened? In an “unforgettable” (Elle), “stunningly brave” (NPR), and breathtaking narrative, Susannah tells the astonishing true story of her descent into madness, her family’s inspiring faith in her, and the lifesaving diagnosis that almost didn’t happen. “A fascinating look at the disease that...could have cost this vibrant, vital young woman her life” (People), *Brain on Fire* is an unforgettable exploration of memory and identity, faith and love, and a profoundly compelling tale of survival and perseverance.

**Play with Fire Feb 20 2022** Raw, real, and relatable, this book is your guide to navigating life's fires. Bianca Olthoff is here to show that our struggles and hardships may be the fire that refines us instead of destroys us, brings us hope instead of despair, and leads us right into the arms of a God who loves us. **Play with Fire**, the debut book by popular speaker and teacher Bianca Juarez Olthoff, is the reminder that God isn't waiting until you have more resources or a spouse or a job so he can use you. He's ready to use you now. Using the mythical creature, the Phoenix, which was also referenced by early church leaders, she parallels this story with God's work in her own life, highlighting the beauty of reinvention with fire as both the impetus and the method for change. In Bianca's words, "He's whispering in the wind and speaking through the fire and shouting in silence the extraordinary dream He is birthing in you. His dream for you is far greater than the dream you have for yourself. It's not your identity or income or influence that will make this happen.
