[Freedom, Glorious Freedom](#) Apr 25 2022 In [Freedom, Glorious Freedom](#), acclaimed author John J. McNeill shows how lesbian and gay Christians can achieve full spiritual maturity and self-acceptance. McNeill discusses freedom of conscience and discernment of spirits, ancient teachings of the Christian church that have a special urgency for lesbian and gay people who need to free themselves from all the homophobic authorities and deal with God on a direct and personal basis. The liberating process of coming out of the closet is seen as a spirit-filled effort to achieve the glory of God by becoming fully alive. McNeill offers a twelve-step spirituality as a spiritual process of liberation from all addictions in order to experience the love of God in its fullness. The epilogue expresses in detail a philosophical vision, looking both to the past and to the future, of how gay liberation fits into the Spirit-directed evolution of human history and its role in the ongoing struggle for human liberation. For more than thirty-five years, John J. McNeill, an ordained priest and psychotherapist, has been devoting his life to spreading the good news of God's love for lesbian and gay Christians.

[A Spirit of Laziness](#) Sep 18 2021 One of the hardest habits to break, a spirit of laziness dwells in the lives of many. It is one of the greatest disguises in life, camouflaged by other excuses, yet working at every angle. It is quiet, almost unnoticeable, often times labeled as something else, something more acceptable. It is one of the most deceiving comfort zones, allowing you to feel safe and out of the way of challenges and change. It is a spirit that is always hoping to never be discovered because such a spirit knows that once it's realized or found out and dealt with, there's no stopping anyone who rids of it, sets goals and aims to succeed. Tawana R Powell ----- |
have to admit when I read about the Spirit of Laziness I figured I was exempt because of my drive and passion for results. Reading this line opened my eyes to a deeper meaning "You must be willing to take a mental picture of your life, break it all down, and do the math." Everyone should take a moment and do the math because you may realize the Spirit of Laziness may be in the numbers. I recommend you read the book and figure out what it takes to rid yourself of this spirit. -- Theo

If The Spirit Moves You Apr 13 2021 With an introduction by Andrew O'Hagan When I think about her now, which is most of the time, it's like rewinding a silent film in my head: I see the crucial scenes in our lives together. But what I can't hear is her voice in my head, and that silence is driving me crazy. After her sister Ruth's death from breast cancer in September 1997, Justine Picardie was desperate to speak to her again, to hear her voice, to find something - anything - that might fill the space she had left behind. Over the course of the next year, Justine's search for Ruth lead her into the underworld of spiritualism, through a series of encounters with mediums and psychics who believe that we can communicate with those we have lost. If the Spirit Moves You is Justine's remarkable story about her search for the afterlife in an age of reason, scepticism and science. Powerfully moving, both heart-breaking and funny, it is an extraordinary classic about the exhausting journey of grief and the enduring power of love.

Touching Spirit Bear Jun 15 2021 In his Nautilus Award-winning classic Touching Spirit Bear, author Ben Mikaelson delivers a powerful coming-of-age story of a boy who must overcome the effects that violence has had on his life. After severely injuring Peter Driscoll in an empty parking lot, mischief-maker Cole Matthews is in major trouble. But instead of jail time, Cole is given another option: attend Circle Justice, an alternative program that sends juvenile offenders to a remote Alaskan Island to focus on changing their ways. Desperate to avoid prison, Cole fakes humility and agrees to go. While there, Cole is mauled by a mysterious white bear and left for dead. Thoughts of his abusive parents, helpless Peter, and his own anger cause him to examine his actions and seek redemption—from the spirit bear that attacked him, from his victims, and, most importantly, from himself. Ben Mikaelson paints a vivid picture of a juvenile offender, examining the roots of his anger without absolving him of responsibility for his actions, and questioning a society in which angry people make victims of their peers and communities. Touching Spirit Bear is a poignant testimonial to the power of a pain that can destroy, or lead to healing. A strong choice for independent reading, sharing in the classroom, homeschooling, and book groups.

Passionate Spirit May 03 2020 The life of an extraordinary artist and intellect: the composer, author and socialite Alma Mahler, whose life spanned one of the most captivating and dramatic periods in history Alma Mahler was once at the epicentre of Vienna's artistic and intellectual life. A talented composer in her own right, she was open, generous, remarkably creative, curious, challenging and zealous in her pursuit of love. Artists, architects, musicians and writers jostled to join her coterie. Gustav Klimt was her first kiss; Gustav Mahler her first husband. But her life was haunted by tragedy, and the support and inspiration that Alma gave to the men she loved came at the heavy price of her own artistic fulfilment. Drawing extensively on previously unpublished diaries and letters, Cate Haste illuminates

the passionate spirit of one of history's most complex and charismatic muses, a modern woman with an elemental vitality that could scarcely be contained by her century – who will live forever in the art she created and inspired.

Knowledge of Spirit Worlds and Life After Death Mar 25 2022 'Everyone with a curiosity for spiritual knowledge should read this excellent book.' – Peter John, psychic artist Based on direct communications with his eight spirit guides, Dr Bob Woodward confirms that we have all lived in spirit worlds before our birth – and that we will enter these same realms again after our material deaths. In a very real sense, these higher spirit worlds are actually our true home, he says, rather than our present physical existence, which is only a temporary abode. In consultation with his spirit guides – including a Tibetan Lama, a Jewish Rabbi, a Native American and his personal guardian angel – Bob Woodward gives a detailed survey of our lives in spirit worlds before birth and after death, our relationships there with friends, family and even pets, and our connections with both good and evil spiritual beings. He also gives a commentary on a range of subjects such as reincarnation and climate change. In a final extensive and moving interview, Woodward finds and speaks with the soul of his deceased father, who offers enlightening glimpses of life after death. Whilst the author's knowledge is grounded in decades of study of the work of Rudolf Steiner – with which he compares the results of his own extrasensory perceptions – Knowledge of Spirit Worlds is not intended as a dry philosophical study. Rather, it has a warm, experiential quality – based as it is on personal interaction with spirit entities – and emphasizes the love that connects all worlds and beings together.

A Complicated Legacy Jan 29 2020 If movies and books like Belle, Twelve Years a Slave, The Butler, The Help, A Time to Kill, and Amistad have moved you, you'll love A Complicated Legacy, a novel by Baltimore writer Robert H. Stucky based on the true story of Elijah Willis, a white South Carolina planter, and Amy- the love of his life, the mother of his children, and his slave. Taking place in the decade leading up to the Civil War, it is written with a cinematic eye for atmosphere and setting, a linguist's ear for dialogue, and a historian's grasp of the powerful social forces and momentous events of the time. It is a riveting tale of personal transformation in facing the tide of sweeping social change. Elijah Willis fought family opposition, public opinion, and the law to free his family of choice and leave them his entire inheritance. In so doing, his and Amy's story becomes a microcosm of the human struggles that made the Civil War and the Abolition of Slavery both necessary and inevitable. Set in rural South Carolina, Baltimore, and Cincinnati, this vivid saga weaves history and humanity in a compelling testimony to the power of

relationships to shape our destinies, even a century and a half later.

Finding Oct 08 2020 Two years before adopting seven-year-old Keydell from a group home for young boys, Kim made a vow before the Dalai Lama to become a bodhisattva: one who cultivates an enlightened mind, is free from delusion, and practices kindness and compassion above all else. However, she struggles with this practice as her new son's challenged mind sends him into fits of rage and violence, while seemingly allowing him to feel no remorse for his actions. His behaviors go against everything Kim believes in, but she is determined to keep her chocolate-eyed boy safely in the home she has created with her husband and two biological children. As she tries everything she can to get Keydell the help he needs, she must also learn to accept him exactly as he is: a tiger in the home of elephants. This vulnerable and touching account highlights the interplay between desire and reality, denial and acceptance, struggle and enlightenment. As the minds of this mother and her extraordinary son awaken - Kim's through her Buddhist practice, and Keydell's through the science of neurofeedback - we witness the power of love and compassion to overcome even the greatest odds."

Ontological Mysticism, an Experience of God Jul 25 2019 Mysticism, the full realization of God cannot be attained through thoughts or words. The Archetype of the Story of Exodus provides a paradigm of spiritual development that includes spiritualized intellect symbolized by Moses. Mr. Gilberti's tome is more than his personalized writing, but rather takes you through the maze of thought to new realizations. Using Carl Jung's concept of archetype symbols and Aristotle's method of reasoning you are led to the brink of your mind in An Experience of God. There will be those who will no longer run from the fear, who will go into free fall, who will begin to trust the world more to be what it always has been and always will be -- God. The taboo against sensuousness, the indictment and conviction of Eros as evil, effectively puts us at odds with the entirety of our creation as the universe, since we know this creation only through our senses.
