The Ride of Her Life Apr 05 2020 NATIONAL BESTSELLER • The triumphant true story of a woman who rode her horse across America in the 1950s, fulfilling her dying wish to see the Pacific Ocean, from the #1 New York Times bestselling author of *The Perfect Horse* and *The Eighty-Dollar Champion* “The gift Elizabeth Letts has is that she makes you feel you are the one taking this trip. This is a book we can enjoy always but especially need now.”—Elizabeth Berg, author of *The Story of Arthur Truluv* In 1954, sixty-three-year-old Maine farmer Annie Wilkins embarked on an impossible journey. She had no money and no family, she had just lost her farm, and her doctor had given her only two years to live. But Annie wanted to see the Pacific Ocean before she died. She ignored her doctor’s advice to move into the county charity home. Instead, she bought a cast-off brown gelding named Tarzan, donned men’s dungarees, and headed south in mid-November, hoping to beat the snow. Annie had little idea what to expect beyond her rural crossroads; she didn’t even have a map. But she did have her ex-racehorse, her faithful mutt, and her own unflinching belief that Americans would treat a stranger with kindness. Annie, Tarzan, and her dog, Depeche Toi, rode straight into a world transformed by the rapid construction of modern highways. Between 1954 and 1956, the three travelers pushed through blizzards, forded rivers, climbed mountains, and clung to the narrow shoulder as cars whipped by them at terrifying speeds. Annie rode more than four thousand miles, through America’s big cities and small towns. Along the way, she met ordinary people and celebrities—from Andrew Wyeth (who sketched Tarzan) to Art Linkletter and Groucho Marx. She received many offers—a permanent home at a riding stable in New Jersey, a job at a gas station in rural Kentucky, even a marriage proposal from a Wyoming rancher. In a decade when car ownership nearly tripled, when television’s influence was expanding fast, when homeowners began locking their doors, Annie and her four-footed companions inspired an outpouring of neighborliness in a rapidly changing world.

My Life So Far Feb 13 2021 'There are always regrets in life, among them things we've done that we wish we could take back and erase. I have significant ones that will haunt me forever and which I hope I have been brave enough to confront in this book' Jane Fonda in the preface to *My Life So Far*. Now in her 60s, Fonda looks back over her life but also forward to the future. With unflinching honesty she addresses, amongst other things, her tragic and tortured relationships with her mother and father; her lovers and husbands, from Roger Vadim to Ted Turner; her passions and political views. The result is rare in its readability and sheer page-turning force. This is a powerful account of an extraordinary woman.

This Book Could Fix Your Life Sep 30 2019 We all want to be happier, more successful and less stressed, but what really works? From building confidence and boosting creativity to forming better relationships and getting smarter (and healthier), *This Book Could Fix Your Life* explores the real science behind self-help. HOW TO BOOST YOUR IQ THE SCIENCE OF SUCCESSFUL DATING HOW TO BREAK BAD HABITS HOW TO ACE EXAMS WHAT TO EAT TO FEEL HAPPIER HOW TO WIN FRIENDS AND INFLUENCE PEOPLE HOW TO LIVE HEALTHIER LONGER Award-winning science writer Helen Thomson has zero desire to become a lifestyle guru, she just wants to help us understand the often surprising truths behind meditation, resilience, addiction, willpower, love, good sleep, CBT, success, dieting, antidepressants, intelligence and much, much more. Full of fascinating evidence-based advice pulled from the very latest research and packed with experiments you can try on yourself (including one guaranteed to lift your mood), this book really could help you fix your life.

Janis Feb 25 2022 It’s been said Janis Joplin was second only to Bob Dylan as the ‘creator-recorder-embodiment of her generation’s mythology’. But how did a middle-class girl from Texas become a ’60s countercultural icon? Janis’ parents doted on her and promoted her early talent for art. But the arrival of a brother shattered the bond she had with her intellectual maverick of a father, an oil engineer. And her own maverick instincts alienated her from her socially conformist mother. That break with her parents, along with the rejection of her high school peers, who disapproved of her beatnik look and racially progressive views, and wrongly assumed she was sexually promiscuous, cemented her sense of herself as an outcast. She found her tribe with a group of offbeat young men a year ahead of her, who loved her intellectual curiosity, her passion for conversation, and her adventurous search for the blues. Although she never stopped craving the approval of her parents and hometown, she left Port Arthur at seventeen determined to prove she could be loved. She tried college twice, and dropped out both times. She ran off to California, but came back when her heavy drug use scared her into it. She almost signed up for a life as a domesticated, hang-the-curtains wife. But instead, during a second stint on the West Coast, she launched a career that would see her crowned the queen of rock and roll. What no one besides Holly George-Warren has captured in such intimate detail is the way Janis Joplin teetered between the powerful woman you hear in her songs and the little girl who just wanted to go home and feel emotionally safe there. The pain of that dichotomy fuelled her music – and ultimately killed her.

Garbo Jun 07 2020 One of Literary Hub's most anticipated books of 2021 Award-winning master critic Robert Gottlieb takes a singular and multifaceted look at the life of silver screen legend Greta Garbo, and the culture that worshiped her. “Wherever you look in the period between 1925 and 1941,” Robert Gottlieb writes in *Garbo*, “Greta Garbo is in people’s minds, hearts, and dreams.” Strikingly glamorous and famously inscrutable, she managed, in sixteen short years, to infiltrate the world’s subconscious; the end of her film career, when she was thirty-six, only made her more irresistible. Garbo appeared in just twenty-four Hollywood movies, yet her impact on the world—and that indescribable, transcendent presence she possessed—was rivaled only by Marilyn Monroe’s. She was looked on as a unique phenomenon, a sphinx, a myth, the most beautiful woman in the world, but in reality she was a Swedish peasant girl, uneducated, naïve, and always on her guard. When she arrived in Hollywood, aged nineteen, she spoke barely a word of English and was completely unprepared for the ferocious publicity that quickly adhered to her as, almost overnight, she became the world’s most famous actress. In *Garbo*, the acclaimed critic and editor Robert Gottlieb offers a vivid and thorough retelling of her life, beginning in the slums of Stockholm and proceeding through her years of struggling to elude the attention of the world—her desperate, futile striving to be “left alone.” He takes us through the films themselves, from M-G-M’s early presentation of her as a “vamp”—her overwhelming beauty drawing men to their doom, a formula she loathed—to the artistic heights of *Camille* and *Ninotchka* (“Garbo Laughs!”), by way of *Anna Christie* (“Garbo Talks!”), *Mata Hari*, and *Grand Hotel*. He examines her passive withdrawal from the movies, and the endless attempts to draw her back. And he sketches the life she led as a very wealthy woman in New York—“a hermit about town”—and the life she led in Europe among the Rothschilds and men like Onassis and Churchill. Her relationships with her famous co-star John Gilbert, with Cecil Beaton, with Leopold Stokowski, with Erich Maria Remarque, with George Schlee—were they consummated? Was she bisexual? Was she sexual at all? The whole world wanted to know—and still wants to know. In addition to offering his rich account of her life, Gottlieb, in what he calls “A Garbo Reader,” brings together a remarkable assembly of glimpses of Garbo from other people’s memoirs and interviews, ranging from Ingmar Bergman and Tallulah Bankhead to Roland Barthes; from literature (she turns up everywhere—in Hemingway’s *For Whom the Bell Tolls*, in Evelyn Waugh, Graham Greene, and the letters of Marianne Moore and Alice B. Toklas); from countless songs and cartoons and articles of merchandise. Most extraordinary of all are the pictures—250 or so ravishing movie stills, formal portraits, and

revealing snapshots—all reproduced here in superb duotone. She had no personal vanity, no interest in clothes and make-up, yet the story of Garbo is essentially the story of a face and the camera. Forty years after her career ended, she was still being tormented by unrelenting paparazzi wherever she went. Includes Black-and-White Photographs

My Life in Full May 19 2021 'A must-read for working women and the men who work with us, love us and support us' Hillary Rodham Clinton 'Surprising and compelling' Financial Times The much-anticipated and inspiring memoir by Indra Nooyi, the trailblazing former CEO of PepsiCo, offering clear-eyed insight and a call to action for how our society can really blend work and family - and advance women - in the twenty-first century For more than a dozen years as one of the world's most admired CEOs, Indra Nooyi redefined what it means to be an exceptional leader. The first woman, person of color, and immigrant to run a Fortune 50 company - and one of the foremost strategic thinkers of our time - Nooyi transformed PepsiCo with a unique vision, a vigorous pursuit of excellence, and a deep sense of purpose. Now, in a rich memoir brimming with grace, grit, and good humor, My Life in Full offers a firsthand view of a legendary career and the sacrifices it so often demanded. In her book, Nooyi shares the events that shaped her - from her childhood in 1960s India, to the Yale School of Management, to her rise as a consultant and corporate strategist who soon ascended into the most senior executive ranks. The book offers an intimate look inside PepsiCo, detailing how she steered the iconic American company toward healthier products and reinvented its environmental profile without curbing financial performance - despite resistance at every turn. At the same time, Nooyi built a home with her husband - also a high-powered executive - two daughters, and members of her extended family. My Life in Full includes her unvarnished take on the competing pressures on her attention and time, and what she learned along the way. This book, as has her personal journey, will inspire young women everywhere to believe that they, too, can climb to powerful roles without giving up on the desire for a family and children. But, as Nooyi eloquently argues, her story is not a call for women to simply try harder, but is proof of the importance of organised care structures in all of our success. Nooyi makes a clear, actionable, urgent call for business and government to prioritise the care ecosystem, from skilled care networks to zoning policy, to paid leave and flexible and predictable work hours, each so critical to unleashing the economy's full potential and helping families thrive. Generous, authoritative, and grounded in lived experience, My Life in Full is both the story of an extraordinary leader's life, and a moving tribute to the relationships that created it.

Charlotte Brontë Nov 24 2021 Of the famous Bronte siblings, Charlotte, the eldest, was the survivor. At the age of five, she was packed off to boarding school - a place later featured as the sadistic Lockwood institution in her novel Jane Eyre - where the regime was so harsh it killed two of her sisters. In 1845, after a spell as governess and a disastrous love affair in France, Charlotte returned home to Haworth, Yorkshire, to pursue her literary ambitions. This is the story of a rector's daughter who triumphed over unrequited love and family tragedy to take her place as one of the world's most popular writers

My Life in Art Oct 31 2019 "No one has had a greater influence on acting as we know it than Stanislavski. His 'method' - or interpretations of it - has become the central force determining almost every performance we see on stage or screen. In My Life in Art Stanislavski recalls his theatrical career, from his early experiences in Rubinstein's Russian Musical Society to his final triumphs with Chekhov at the Moscow Art Theatre. His vivid accounts of his own most famous productions including 'The Seagull' and 'Uncle Vanya' are interspersed with anecdotes of the famous - of Kommisarjevksy, Tolstoy, Gorky, and of the Moscow visit of Isadora Duncan and Gordon Craig."--Publisher description.

Agnes Martin: Her Life and Art Aug 22 2021 The first biography of visionary artist Agnes Martin, one of the most original and influential painters of the postwar period Over the course of a career that spanned fifty years, Agnes Martin's austere, serene work anticipated and helped to define Minimalism, even as she battled psychological crises and carved out a solitary existence in the American Southwest. Martin identified with the Abstract Expressionists but her commitment to linear geometry caused her to be associated in turn with Minimalist, feminist, and even outsider artists. She moved through some of the liveliest art communities of her time while maintaining a legendary reserve. "I paint with my back to the world," she says both at the beginning and at the conclusion of a documentary filmed when she was in her late eighties. When she died at ninety-two, in Taos, New Mexico, it is said she had not read a newspaper in half a century. No substantial critical monograph exists on this acclaimed artist—the recipient of two career retrospectives as well as the National Medal of the Arts—who was championed by critics as diverse in their approaches as Lucy Lippard, Lawrence Alloway, and Rosalind Krauss. Furthermore, no attempt has been made to describe her extraordinary life. The whole engrossing story, told here for the first time, Agnes Martin is essential reading for anyone interested in abstract art or the history of women artists in America.

The Woman Who Stole My Life Jun 19 2021 *** CONGRATULATIONS TO THE BRITISH BOOK AWARDS AUTHOR OF THE YEAR 2022*** Discover the entertaining, uplifting and intriguing tale of finding true happiness in unexpected places from the No. 1 bestselling author of Grown Ups 'A total triumph' DAILY MAIL _____ Ever wished you could trade your life in for a better one? One day, sitting in traffic, married Dublin mum Stella Sweeney attempts a simple good deed. When the result is a terrible car accident, she meets a handsome stranger with a Range Rover who wants her number - no, for insurance purposes - and in this meeting a seed is born which will change Stella's life forever. What happens next will take Stella thousands of miles from her old life, turning an ordinary woman into a superstar and, along the way, wrenching her whole family apart . . . Was meeting Mr Range Rover destiny or karma? Should she be grateful or just hopping mad? And can Stella grab a chance at real, honest-to-goodness happiness now it finally seems within her reach? _____ 'Keyes can deftly mix dark and light, tragic and comic in a way that only a handful of writers can' Irish Times 'One of our finest writers' Jojo Moyes Praise for Marian Keyes: 'Comic, convincing and true' Guardian 'Mercilessly funny' The Times 'Funny, tender and completely absorbing!' Graham Norton

Marjorie White: Her Life and Work Oct 12 2020 Marjorie White" details the life story of an actress of the '20s and '30s, a top starlet of her day, but virtually forgotten today. She was among the most talented of young comediennes of her era, and had she not died tragically at such a young age, on the very verge of top stardom, would have been among the names most highly remembered these years later, as the equal of such silver-screen luminaries as Jean Harlow, Betty Hutton, Martha Raye, and the others who achieved their own fame in that "Golden Age" of stage and cinema. Born in the provinces of Canada, she was an outgoing performer from her earliest childhood, Worked the WWI years with the Winnipeg Kiddies performing troupe, and went on to acclaim on the Vaudeville stage, and made her screen debut in the light musicals of the late 1920s. With but 15 films to her credit, her inborn Joie De Vie and outgoing elan, she easily stole the show and overshadowed even the biggest names to whom she played "second fiddle." Her story in these pages should remind everyone why she deserves to be chronicled to performance history and remembered with a warm smile. Sometimes humorous, other times sadly ironic, it should bring to everyone's heart a soft "if only, if only."

The Pages of Her Life Apr 17 2021 Allison Moore is faced with a daunting question: How do you stand up for yourself when it means losing everything? Allison Moore is making it. Barely. The Seattle area architecture firm she started with her best friend is struggling, but at least they're free from the games played by the corporate world. She's gotten over her divorce. And while her dad's recent passing is tough, their relationship had never been easy. Then the bomb drops. Her dad had a secret life and left her mom in massive debt. As Allison scrambles to help her mom find a way out, she's given a journal, anonymously, during a visit to her favorite coffee shop. As the pressure to rescue her mom mounts, Allison pours her fears and heartache into the journal. But then the unexplainable happens. The words in the journal, her words, begin to disappear. And new ones fill the empty spaces—words that force her to look at everything she knows about herself in a new light. Ignoring those words could cost her everything . . . but so could embracing them. Praise for The Pages of Her Life: "The Pages of Her Life is quintessential James Rubart and showcases why his novels are automatic must-reads. Rubart's new novel explores courage and self-discovery. The right decisions are almost always hard, and Rubart's deft hand with character and theme shine in his new novel." —Colleen Coble, USA TODAY bestselling author "James L. Rubart's writing always delivers characters that echo our own lives, living in a world not too removed from our own. The Pages of Her Life is another captivating taste of who we really can be." —David Rawlings, author of The Baggage Handler "I'm a slow reader, but I couldn't put down The Pages of Her Life. This intriguing story is brimming with wonderful characters and more than a few surprises, including marvelous cameos by characters from another favorite Rubart novel. Immensely thought-provoking, this novel would make a fabulous book-club read. I can't recommend it highly enough!" —Deborah Raney, author of A Vow to Cherish and the Chandler Sisters novels

The Queen of Sheba : Her Life and Times Sep 10 2020 The Queen of Sheba is a figure first mentioned in the Hebrew Bible. In the original story, she brings a caravan of valuable gifts for the Israelite King Solomon.

The Love of Her Life Apr 29 2022 From the author of A Hopeless Romantic and Going Home comes an engaging new novel about a young woman who suffers loss and heartbreak—only to regain a chance at happiness when she

least expects it. Thirty-year-old Kate Miller fled London two years ago when her life fell apart spectacularly. Living in New York with her mother and stepfather and working half-heartedly as a literary agent, Kate must return to London when her father, a famous classical musician, undergoes a kidney transplant. She's only returning for a short visit, or so she thinks. But once in London, she faces the friends who are bound with her forever as a result of one day when life changed for all of them. What really happened before Kate left London? And can she pick up the pieces and allow herself to love her own life again? Witty, smart, and entertaining, Evans's heartwarming tale, which was a bestseller in the United Kingdom earlier this year, will delight readers who enjoy novels by Cathy Kelly, Hester Browne, and Marian Keyes.

Little Stories of Your Life Feb 02 2020 Embrace the power of storytelling with Little Stories of Your Life. Start telling your own story, find your creative self and be more mindful. Combining the wellbeing benefits of mindfulness, creativity and daily photography, this book shows you how to use words and photographs to capture precious little moments and how to share these in order to connect with others. Each chapter explores the different ways you can tell your own stories, considers why you might choose to tell them and helps you to create a patchwork of tiny tales about your life, however small they might be. Throughout the book, Laura shares her own personal stories and research that shows you how to tune out of the bigger picture and focus on the everyday. There are exercises to gently guide you through how to journal and harness your inner creativity, as well as tips on improving your photography, photo challenges and writing prompts to get you started. It's easy to feel that our own lives are not enough, but real lives are not defined by bright, exciting events: we don't need a grand narrative arc. It's the stretches of time in between that matter, the tiny moments and the daily choices that make us who we are.

The End of Your Life Book Club Sep 03 2022 'A wonderful book about wonderful books and mothers and sons and the enduring braid between them.' - Mitch Albom, author of Tuesdays With Morrie 'a true meditation on what books can do.' - Edmund de Waal, author of The Hare with Amber Eyes Mary Anne Schwalbe is waiting for her chemotherapy treatments when Will casually asks her what she's reading. The conversation they have grows into tradition: soon they are reading the same books so they can have something to talk about in the hospital waiting room. Their choices range from classic (Howards End) to popular (The Girl with the Dragon Tattoo), from fantastic (The Hobbit) to spiritual (Jon Kabat-Zinn), with many more in between. We hear their passion for reading and their love for each other in their intimate and searching discussions. The End of Your Life Book Club is a profoundly moving testament to the unconditional love between a child and parent, and the power of reading in our lives.

How to Murder Your Life Nov 12 2020 "From Cat Marnell, 'New York's enfant terrible' (The Telegraph), a ... memoir of prescription drug addiction and self-sabotage, set in the glamorous world of fashion magazines and downtown nightclubs"--

Elizabeth: Her Life, Our Times Oct 24 2021 On 2 June 1953, 27-year-old Princess Elizabeth of York was crowned Queen, the eyes of the world upon her as she dedicated herself to her country. It is fascinating to look back over the sixty years since then and see how this remarkable woman, decade by decade, has brought the monarchy into the modern world, earning admiration and respect for her unerring sense of duty, her determination to innovate, her tremendous dignity, integrity and wisdom. Drawing from his own experience and time spent with the royal family, alongside additional meticulous research, Alan Titchmarsh observes the woman, the mother and the monarch. He explores key moments in her reign, both personal to her and in a wider historical context, and traces how our relationship with the royal family has developed and morphed, gone through ups and downs, but is arguably now stronger than ever in this very special anniversary year. Featuring wonderful memorabilia and rarely seen archive photography, Elizabeth II: Her Life, Our Times defines an era, pays tribute to our inexhaustible Queen and celebrates the example of responsibility, loyalty and patriotism she has set for generations past, present and future. She is an inspiration to us all.

Sontag Dec 14 2020 WINNER OF THE 2020 PULITZER PRIZE FOR BIOGRAPHY Selected as a Book of the Year 2019 by the SPECTATOR, TELEGRAPH, NEW STATESMAN and FINANCIAL TIMES 'Definitive and delightful' Stephen Fry 'There can be no doubting the brilliance - the sheer explanatory vigour - of Moser's biography... a triumph of the virtues of seriousness and truth-telling that Susan Sontag espoused' New Statesman The definitive portrait of one of the twentieth century's most towering figures: her writing and her radical thought, her public activism and her private face Susan Sontag was our last great literary star. Her brilliant mind, political activism and striking image made her an emblem of the seductions - and the dangers - of the twentieth-century world. Her writing on art and politics, feminism and homosexuality, celebrity and style, medicine and drugs, Fascism and Freudianism, Communism and Americanism, reflected the conflicted meanings of a most conflicted word: modernity. She was there when the Cuban Revolution began and the Berlin Wall came down, in Vietnam under American bombardment, in wartime Israel. Sontag tells these stories and examines the work upon which her reputation was based, exploring the private woman hidden behind the formidable public face. Drawing on hundreds of interviews conducted from Maui to Stockholm and from Manhattan to Sarajevo - and featuring nearly one hundred images, many never seen before - Sontag is the first book based on the writer's restricted archives, and on access to many people who have never before spoken about her, including Annie Leibovitz. It is an indelible portrait of one of the twentieth century's greatest thinkers, who lived one of that century's most romantic - and most anguished - lives.

Stories of Your Life and Others Mar 17 2021 'A science fiction genius . . . Ted Chiang is a superstar.' GUARDIAN With Stories of Your Life and Others, his masterful first collection, multiple-award-winning author Ted Chiang deftly blends human emotion and scientific rationalism in eight remarkably diverse stories, all told in his trademark precise and evocative prose. From a soaring Babylonian tower that connects a flat Earth with the firmament above, to a world where angelic visitations are a wondrous and terrifying part of everyday life; from a neural modification that eliminates the appeal of physical beauty, to an alien language that challenges our very perception of time and reality, Chiang's rigorously imagined fantasias invite us to question our understanding of the universe and our place in it. 'United by a humane intelligence that speaks very directly to the reader, and makes us experience each story with immediacy and Chiang's calm passion.' CHINA MIÉVILLE

Rock and Roll Will Save Your Life Jun 27 2019 Drooling fanatic, n. 1. One who drools in the presence of beloved rock stars. 2. Any of a genus of rock-and-roll wannabes/geeks who walk around with songs constantly ringing in their ears, own more than 3,000 albums, and fall in love with at least one record per week. With a life that's spanned the phonographic era and the digital age, Steve Almond lives to Rawk. Like you, he's secretly longed to live the life of a rock star, complete with insane talent, famous friends, and hotel rooms to be trashed. Also like you, he's content (sort of) to live the life of a rabid fan, one who has converted his unrequited desires into a (sort of) noble obsession. Rock and Roll Will Save Your Life traces Almond's passion from his earliest (and most wretched) rock criticism to his eventual discovery of a music-crazed soul mate and their subsequent production of two little superfans. Along the way, Almond reflects on the delusional power of songs, the awkward mating habits of drooling fanatics, and why Depression Songs actually make us feel so much better. The book also includes: • sometimes drunken interviews with America's finest songwriters • a recap of the author's terrifying visit to Graceland while stoned • a vigorous and credibility-shattering endorsement of Styx's Paradise Theater • recommendations you will often choose to ignore • a reluctant exegesis of the Toto song "Africa" • obnoxious lists sure to piss off rock critics But wait, there's more. Readers will also be able to listen to a special free mix designed by the author, available online at www.stevenalmond.com, for the express purpose of eliciting your drool. For those about to rock—we salute you!

First Day of My Life Jul 29 2019 There are three sides to every story... It's GCSE results day. Frankie's best friend, Jojo, is missing. A baby has been stolen. And more than one person has been lying. Frankie's determined to find out the truth and her ex-boyfriend Ram is the only person who can help her. But they're both in for a shock... EVERYTHING is about to change.

Chanel Jan 15 2021 Coco Chanel was a legend who revolutionised the way women looked. She became the single most important arbiter of fashion and taste in the 20th century. Just her name was sufficient to convey prestige, quality and unmistakable style. The Duke of Westminster wooed her, Stravinsky played for her and Goldwyn enticed her to Hollywood. She knew everybody who was anybody in the world of the arts from Picasso and Cocteau to Marlene Dietrich and Ingrid Bergman. She designed frankly fake jewellery, introduced the basic 'little black dress' and perfumed the world with her No. 5. However, as this remarkable biography shows, there was a mass of contradictions behind the myth of 'Mademoiselle'. Chanel follows her story from her upbringing in provincial Auvergne through her first successes in the 1920s to her comeback in the 1950s and 1960s. Edmond Charles-Roux's book is definitive as history and immensely entertaining as gossip.

My Life with Bob May 31 2022 People Pick • O Magazine Title to Pick Up Now • Vanity Fair Hot Type • Glamour New Book You're Guaranteed to Love This Summer • LitHub.com Best Book about Books • BuzzFeed Book You

Need to Read This Summer • Seattle Times Book for Summer Reading • Warby Parker Blog Book Pick • Google Talks • Harper's Bazaar • Vogue • The Washington Post • The Economist • The Christian Science Monitor • Salon • The Atlantic Imagine keeping a record of every book you've ever read. What would this reading trajectory say about you? With passion, humor, and insight, the editor of The New York Times Book Review shares the stories that have shaped her life. Pamela Paul has kept a single book by her side for twenty-eight years – carried throughout high school and college, hauled from Paris to London to Thailand, from job to job, safely packed away and then carefully removed from apartment to house to its current perch on a shelf over her desk – reliable if frayed, anonymous-looking yet deeply personal. This book has a name: Bob. Bob is Paul's Book of Books, a journal that records every book she's ever read, from Sweet Valley High to Anna Karenina, from Catch-22 to Swimming to Cambodia, a journey in reading that reflects her inner life – her fantasies and hopes, her mistakes and missteps, her dreams and her ideas, both half-baked and wholehearted. Her life, in turn, influences the books she chooses, whether for solace or escape, information or sheer entertainment. But My Life with Bob isn't really about those books. It's about the deep and powerful relationship between book and reader. It's about the way books provide each of us the perspective, courage, companionship, and imperfect self-knowledge to forge our own path. It's about why we read what we read and how those choices make us who we are. It's about how we make our own stories.

My Life and Times Jul 21 2021 This early work by Jerome K. Jerome was originally published in 1926 and we are now republishing it with a brand new introductory biography. 'My Life and Times' is the autobiography of this humorous author of fiction and essays. Jerome Klapka Jerome was born in Walsall, England in 1859. Both his parents died while he was in his early teens, and he was forced to quit school to support himself. In 1889, Jerome published his most successful and best-remembered work, 'Three Men in a Boat'. Featuring himself and two of his friends encountering humorous situations while floating down the Thames in a small boat, the book was an instant success, and has never been out of print. In fact, its popularity was such that the number of registered Thames boats went up fifty percent in the year following its publication.

My Life in a Book Oct 04 2022 This book consists of life related questions, made for you to fill out. There are thousands of questions to be answered, over 80 categories providing hours of fun. My life in a book covers a wide range of topics important to every individual. This Book is a keepsake of all your memories, its something to look back on in years to come. Also this book helps you to discover yourself and find out who you are. If there is one book to keep for a life time, then this is that book! A perfect gift for everyone to enjoy. Please note: This book is not for kids.

In My Life Jul 01 2022 With three generations of one family we share moments that are meant to be savored in this special book that beautifully illustrates the words John Lennon and Paul McCartney's world-renowned song "In My Life." There are places I'll remember, in my life, though some have changed... One gift with a bright bow starts a young girl on a path...one her mother follows with her as she explores, grows, and rides off on her own, only to return again with her own daughter in tow. This hauntingly beautiful book shares the small moments of that journey that are meant to be remembered and savored in the lyrics of this classic song.

The Book of Me Aug 29 2019 Preserve your memories of the past, present, and thoughts for the future! This bestselling volume has been revised, updated, and redesigned. Contains hundreds of guided questions organized into sections about your past, present, and future, family history, and inner self. Her Perfect Life Mar 05 2020 It's been six years since U.S. Air Force pilot Katie Slater was shot down over Iraq and taken prisoner. Now, Katie is back home--only it's not home anymore and her perfect life has become a total mystery. Includes bonus features. Original.

My Life and Me Nov 05 2022 Children separated from their birth families are often denied the opportunity to know about their past that other children may take for granted. Life story work offers a structured way for children to build a sense of self worth and develop a valuable record about themselves which they can carry with them through life. For use by children of any background or lifestyle, colour coded sections include space for drawings, photos, documents and a record of thoughts and feelings, as well as advice for parents and caretakers. The first fully comprehensive life story workbook!

A Lifetime of Memories: A Guided Journal for Your Grandma, Grandpa Or Parent to Record Their Memories and Life Experiences Jul 09 2020 A Lifetime of Memories: A guided journal for your Grandma, Grandpa or parent to record their memories and life experiences Have you ever wondered about the early lives of an older generation? Your parents or grandparents, maybe. Would you like to know what they got up to in their younger days? A Lifetime of Memories is a great journal to give to your grandparents and parents as a gift, be it for Mother's Day, Father's Day, birthday or Christmas. It's a notebook that will help them record their memories and life experiences. When the recipient has filled it in, he/she can return it to you - and it will become a family heirloom for you to keep or pass on to later generations. This keepsake journal includes plenty of questions and prompts about different aspects of life, starting from birth and ending with later life. It's divided into five sections. They are titled: - You and your relatives - Your childhood - Your teenage years and student life - Adulthood and working life - Your life today Each section will help the recipient look back and reflect on a lifetime of experiences - which, without question, deserve to be recorded and remembered. This paperback notebook has 114 pages and measures 8.5 x 11 inches / 21.6 x 27.9 cm. The pages have ornate question boxes where the recipient can write his/her answers. A page at the beginning of the journal has space where you can write a dedication, including the recipient's name, a short message and your own name. This page is followed by an introduction which explains how to make the most out of the book. Please note that this is a LARGE PRINT book. A clear font (Calibri) in size 18pt has been used throughout. This journal is also available as a standard edition (ISBN: 9781794591738).

Create Your Life Book Sep 22 2021 Inspired by Tamara Laporte's art classes, Create Your Life Book presents 18 step-by-step projects that encourage artists at all skill levels to explore and work through issues surrounding creative fulfillment.

Madame de Sevigne Some Aspects of Her Life and Charater Aug 10 2020

My Life and Books Mar 29 2022 An informal account of S. M. Houghton's life and times. It also unselfconsciously demonstrates what it means to allow God's Word to illuminate every circumstance in life.

The Real Diana Dors Dec 26 2021 The story of film star Diana Dors is one of fame, glamour and intrigue. From the moment she came into the world, her life was full of drama. Her acting career began in the shadow of the Second World War, entering the film world as a vulnerable young teenager and negotiating the difficult British studio system of the 1940s and 50s. Yet she battled against the odds to become one of the most iconic British actors of the 20th century. This book follows her remarkable story, from childhood in suburban Swindon, to acting success as a teenager and finding fame as the 'the English Marilyn Monroe'. Many remember her as an outspoken and sometimes controversial figure, grabbing headlines for her personal life as often as her film roles. For Diana, image seemed to be everything, but there was more to her than the 'blonde bombshell' reputation suggested. A talented actor, she worked on numerous film and television projects, building a fascinating career that spanned decades. Set against the backdrop of the changing social landscape of twentieth century Britain, this book charts the ups and downs of her diverse acting career and her tumultuous private life, to build a fascinating picture of a truly unique British screen icon.

The Rest of Her Life Aug 02 2022 A mother can't protect her daughter from everything ... "She killed someone", Leigh thought. She might think this from now on, every time she saw her daughter. She would hide it, but it would be there in her mind. It would be in everyone's mind. When Leigh was growing up she had always known she would be a mother, and not just any mother, but a good one. She would be the kind of mother a daughter could come to for

advice or understanding. She'd had it all planned out ... Then one summer's day, when driving home from school, eighteen year-old Kara Churchill tragically knocks down a classmate and kills her. The accident shatters the already fragile relationship that she and her mother Leigh share – testing it to the very limit. As the Churchills try and come to terms with the devastation of what has happened under the judgmental eye of the small-town Hazelton community, Kara begins to face up to the terrifying reality that she has killed someone. But will Leigh be able to protect her fiercely independent daughter, or will the damage prove to be too far-reaching? The Rest of Her Life is the story of a family plunged into a crisis that will irrevocably change their lives forever. It's about the true nature of mother-daughter relationships, and about how far you would go to protect everything you hold dear.

My Life on a Plate Jan 27 2022 Follows thirty-three-year-old Clara Hutt, a wife, mother of two boys, and part-time magazine writer, who discovers a desire to search for fulfillment and happiness.

How Will You Measure Your Life? (Harvard Business Review Classics) Dec 02 2019 In the spring of 2010, Harvard Business School's graduating class asked HBS professor Clay Christensen to address them—but not on how to apply his principles and thinking to their post-HBS careers. The students wanted to know how to apply his wisdom to their personal lives. He shared with them a set of guidelines that have helped him find meaning in his own life, which led to this now-classic article. Although Christensen's thinking is rooted in his deep religious faith, these are strategies anyone can use. Since 1922, Harvard Business Review has been a leading source of breakthrough ideas in management practice. The Harvard Business Review Classics series now offers you the opportunity to make these seminal pieces a part of your permanent management library. Each highly readable volume contains a groundbreaking idea that continues to shape best practices and inspire countless managers around the world.
