Porcelain: A Gothic Fairy

Tale Jul 24 2019 Set within a world that's a magical echo of our own, Porcelain is the story of Child, an urchin, who leaves behind the cold streets of a snowy city when she climbs the high wall into the Porcelain Maker's garden. The Porcelain Maker discovers Child trespassing but, amused by her audacity, he offers her the chance to stay. He's a lonely man, kept company only by his alchemically-powered automata, and he and Child form an unlikely friendship. Shut off from the world beyond the wall, Child wants or needs for nothing as the Porcelain Maker heaps affection and luxury upon her, indulging her like a daughter. In return, she can do as she pleases, except for one command, one rule that must never be broken, she must not look behind the workshop door.

The Boys Oct 19 2021 Garth Ennis' The Boys are back for their third "definitive" edition! But have you ever wondered what really happens during Crossovers? The Seven, Payback, Teenage Kix, Fantastico, and every other superhero on Earth team up for an annual event like no other - and where the superheroes go, can a certain "five complications and a dog" be far behind? But as the fun and games begin, it seems our heroes have set their sights on bigger game than usual (The Boys: Herogasm #1-6). And in the main The Boys series, you can only maim and murder so many superheroes before someone decides to do something about it, and in The Boys' case that means Payback - a superteam of unimaginable power, second only to the mighty Seven. Pulping teenage supes is one thing, but how will our heroes fare against Soldier Boy, Mind-Droid, Swatto, the Crimson Countess, and the Nazi juggernaut known as Stormfront? Blood flies and bones shatter, as Butcher and company meet fire with fire.

And in the origin tales of Mother's Milk, the Frenchman and the Female, Hughie learns of the strange paths by which this disparate trio came to join The Boys (The Boys #31-38). All of these great stories come in one oversized hardcover with a collector's slip-case and features tons of extras, including all of the covers by Darick Robertson, sketches, script pages, and much more!

Compendium 1 Jul 16 2021 The Walking Dead Compendium is here! Since 2003, Robert Kirkman's The Walking Dead has been redefining the survival horror genre with its unique and vivid account of life after the end of the world. Although the cast is diverse and often changing (including, of course, a great number of zombies), at the heart of every tale is Rick Grimes: former police officer, husband, father, and de facto leader of a ragtag band of survivors looking to make a future for themselves in a world that no longer has one. To call The Walking Dead a zombie tale is accurate to a point, but it touches on only one facet of a story that asks timeless questions about what it means to live. It also asks whether or not this is possible in a world full of the dead. This is a great opportunity to experience this gripping read for the first time or catch up on the tale with the first four years worth of material, collected in one volume for the first time. The first eight volumes of this fan-favorite series collected into one massive collection. This volume collects THE WALKING DEAD #1-48.
