*Rediscovering Reverence* Jul 21 2019 A surprising and insightful work,Rediscovering Reverenceoffers a rational explanation of what the modern western world calls "religion" and argues that it is not what most people assume. Questioning western culture's evolving use of the word "religion" over the last five centuries, Ralph Heintzman strips away misunderstandings to demonstrate that faith is not the same as belief. He shows how faith is not something one has but something one does, leading the reader to a deeper understanding of religious practice and its necessary place in human life. Drawing on familiar experiences as well as aspects of western and eastern spiritual traditions, Heintzman argues that religious practice is rooted in two basic ways human beings act in the world. It is therefore an element in the structure of the human spirit, not a phase in its history. Explaining the meaning of religious practice in contemporary language,Rediscovering Reverenceis addressed to anyone who wants to explore the meaning and promise of a religious life. A unique and thoughtful meditation on the role of reverence in everyday life,Rediscovering Reverencepresents new perspectives on modern faith, religion, and both personal and societal well-being.

**Genesis - Rediscovering God Afresh** Nov 24 2019 "I am a restless pilgrim, hungering for more of God." Beyond the superficial experiences in regulated, organized church, there is more of God to encounter. God is deep. God is real. God is available. For the hungry heart, God is waiting to meet with you at a deeper level. As St. Bernard would say, "We taste Thee, O Thou Living Bread, And long to feast upon Thee still: We drink of Thee, the Fountainhead And thirst our souls from Thee to fill." GENESIS, rediscovering God afresh is a product of my hunger and experience of God in my devotional times. Many years ago, I felt the Lord nudging me to keep track of His dealings with me and rev- elations to me in Scriptures. And as I started growing in this disci pline, it became apparent that what God was showing me in those quiet moments were not just for me, but also for a larger audience in His Church. I began to sense that God wanted me to share some of these truths with His Body, and many of the burdens and insights I received from God became topics for my itinerant teaching min- istries as well as content for the Restless Pilgrim Devotional (RPD) Series. This book is from that Series. This particular devotional takes you back into the heart of the beginnings of God's programs and interfaces with Man. The devotion will take you on a

journey of discovery and wonder, as you watch the acts of God and the deeds of men, interplay and interact - churning up spiritual lessons for the hungry soul to ponder on and pray about. These are first of all, God's words to me and if you don't feel they apply to you, kindly disregard. However, my candid counsel will be to read the devotions for each day very meditatively and use the prayers for each day as a guide to the deeper prayers you need to make. St. Augustine said of God, "Thou has formed us for Thyself, and our hearts are restless till they find rest in Thee." May our hearts remain restless from the vanity and empty distractions of our generation, and may we find our rest only in God our Creator, for whom we were created and for which reason Christ came to redeem us. My prayer is that this simple devotion may ignite in you, a fresh desire and a new experience in discovering God. Chinedu Oranye The Restless Pilgrim [www.restlesspilgrim.org](http://www.restlesspilgrim.org)

Man to Man Sep 27 2022 Masculinity in America has never been under attack the way it is today. We have reached the point where the term itself is considered toxic or offensive to many. American men are conflicted as to what their role is in society. The consistent message that has proliferated in our nation is that masculinity, by nature, is bad and is the root cause of many of the problems plaguing our society. Everything from racism to pedophilia has been blamed on "toxic masculinity." Some colleges and universities are now offering classes on how to overcome or be delivered from this very "threatening" phenomenon called "masculinity." If men take up biblical mandates ordained by their Creator—no matter their color, nationality, station, upbringing, or education—a new vision can be cast and executed that will restore a civil and prosperous America for all.

Rediscovering Gandhi Dec 18 2021

Rediscovering America Jun 12 2021 Ever wonder why everyone wants to immigrate to America? Rediscovering America answers that question, and it's like no other history you have ever read. More than an account of people, dates, and events, this story is about the hidden hand of a purposeful historical development where the main actors are colorful characters, participating in an American drama of little known but

remarkable events where overcoming incredible odds of failure is more unbelievable and engaging than fiction. And while each chapter is a stand-alone tale—some quite wild—about what is behind each of the American holidays, the page- and chapter-turning appeal of Rediscovering America is in the narratives that link the holiday stories together, revealing an account of progress and redemption in America covering over four hundred years—never before told in a concise and readable book.

Rediscovering Margiad Evans Jan 07 2021 Margiad wrote about the elderly, about love between women, about elusive, enigmatic characters. She is renowned for her ability to depict place, yet she also makes place reflective of the emotional and spiritual lives of her characters and her own concerns as an artist. Evans was a border writer, concerned with cultural complexity and conflict characteristic of borderlands, but also filled with passion for the landscape of the borders and the many meanings, local and figurative; she effortlessly invests in the places she loved. Her life was transformed in later years by epilepsy, followed by the diagnosis of a brain tumour that lead to her early death, on the evening of her forty-ninth birthday, in 1958. Evans wrote *A Ray of Darkness*, an acclaimed autobiography about her experience of epilepsy, and as a result Margiad Evans is being 'rediscovered' by the medical community as it becomes more interested in patient experiences. This collection of essays assesses Evans's extraordinary literary legacy, from her use of folktale and the gothic to the influence of her epilepsy on her creative work.

Rediscovering Psychoanalysis Nov 05 2020 Winner of the 2010 Haskell Norman Prize for Outstanding Achievement in Psychoanalysis! Rediscovering Psychoanalysis demonstrates how, by attending to one's own idiosyncratic ways of thinking, feeling, and responding to patients, the psychoanalyst can develop a "style" of his or her own, a way of practicing that is a living process originating, to a large degree, from the personality and experience of the analyst. This book approaches rediscovering psychoanalysis from four vantage points derived from the author's experience as a clinician, a supervisor, a teacher, and a reader

of psychoanalysis. Thomas Ogden begins by presenting his experience of creating psychoanalysis freshly in the form of "talking-as-dreaming" in the analytic session; this is followed by an exploration of supervising and teaching psychoanalysis in a way that is distinctly one's own and unique to each supervisee and seminar group. Ogden goes on to rediscover psychoanalysis in this book as he continues his series of close readings of seminal analytic works. Here, he makes original theoretical contributions through the exploration, explication, and extension of the work of Bion, Loewald, and Searles. Throughout this text, Thomas Ogden offers ways of revitalizing and reinventing the exchange between analyst and patient in each session, making this book essential reading for psychoanalysts, psychotherapists, and other readers with an interest in psychoanalysis.

The Good News We Almost Forgot Jul 01 2020 If there is "nothing new under the sun," perhaps the main task now facing the Western church is not to reinvent or be relevant, but to remember. The truth of the gospel is still contained within vintage faith statements. Within creeds and catechisms we can have our faith strengthened, our knowledge broadened, and our love for Jesus deepened. In *The Good News We Almost Forgot*, Kevin DeYoung explores the Heidelberg Catechism and writes 52 brief chapters on what it has shown him. The Heidelberg is largely a commentary on the Apostle's Creed, the Ten Commandments, and the Lord's Prayer, and deals with man's guilt, God's grace, and believers' gratitude. This book is a clear-headed, warm-hearted exploration of the faith, simple enough for young believers and deep enough for mature believers. DeYoung writes, "The gospel summarized in the Heidelberg Catechism is glorious, its Christ gracious, its comfort rich, its Spirit strong, its God Sovereign, and its truth timeless." Come and see how your soul can be warmed by the elegantly and logically stated doctrine that matters most: We are great sinners and Christ is a greater Savior!

**Rediscovering Birth** Feb 08 2021 For thousands of years women have given birth among people they know in a place they know well. Knowledge is shared between the participants and birth is a social event. In this new, revised edition of her classic book, Sheila Kitzinger explores

the universal experience of pregnancy and birth. She looks closely at the place of birth, what is done to help women in childbirth and examines the bond traditionally formed between mothers and midwives.

**Rediscovering Fire** Mar 21 2022 In this book, Guinevere Liberty Nell visits this historical laboratory of social science to study the lessons in basic economics that it teaches. Nell observes that the founders of the Soviet experiment, Lenin and other Bolshevik leaders, wrote volumes of articles and books on Marxist theory and then proceeded to enact the very policies that they promised. Therefore the Soviet experiment provides an ideal lens through which to view the consequences of various interpretations of economic theories and Marxist theories. However, despite the wealth of information available on the Soviet experiment, few writers have closely analyzed this historical process and what lessons it might offer for market economies. In this book, Nell carefully considers Soviet theory and practice, and draws out the lessons that Soviet planners learned. Each chapter considers one theory; the experience in the Soviet Union of policies based on this theory, and the reforms that planners implemented as the system evolved as well as in response to changes in the local and international conditions; and the lessons for market economies that this experience offers. Nell's lessons capture the dynamic nature of the economy and illustrate insights from the debate between socialists and Austrian economists. They should be useful and informative not only for readers interested in basic economics, but also for economists interested in heterodox approaches to economic modeling and theory, as well as for the citizen interested in rethinking the assumptions underlying mainstream policy debates.

*Man to Man* Sep 15 2021 Given the all-out assault on the American male in today's society, *Man to Man* delivers biblical solutions to make American men strong again. Masculinity in America has never been under attack the way it is today. We have reached the point where the term itself is considered toxic or offensive to many. American men are conflicted as to what their role is in society. The consistent message that has proliferated in our nation is that masculinity, by nature, is bad and is the root cause of many of the problems plaguing our society. Everything

from racism to pedophilia has been blamed on “toxic masculinity.” Some colleges and universities are now offering classes on how to overcome or be delivered from this very “threatening” phenomenon called “masculinity.” If men take up biblical mandates ordained by their Creator—no matter their color, nationality, station, upbringing, or education—a new vision can be cast and executed that will restore a civil and prosperous America for all.

*Rediscovering Mrs. Murphy* Mar 29 2020 Upton Sinclair meets Joseph Heller, the funniest book since *A Confederacy of Dunces*. Austin's novel is an unlikely mixture of expose, social satire and high comedy that somehow, brilliantly, succeeds. It will make you laugh, cry, and want to punch out your boss. Don't read this book at work, but by all means read it. Charles Dodt, Author, *The Night Boy* \*\*\* Do you remember the best time of your life? For Chuck Farlowe, his time came and went, one April day back in 1973. His "A" game, unfortunately, was left in the dugout that day. Cut to 1998. His son, Danny, is at the crossroads of his life. A young man in need of answers, he finds them in the form of a long-buried manuscript written by his father back in 1973. Suddenly he finds himself at a strange place and time the Hotchkis Department Store in downtown Oakland, circa 1970. Danny is introduced to both the store manager, Matt Farber, and the store owner, Isaac Benjamin Stern. Soon a union election begins to loom ominously. Chuck manages to find a kindred spirit in Lee Kroeber, and eventually, after a struggle, with Cooper Smith, whose own bitterness and alienation over store racism threatens to change the entire store dynamic. When Wayne Justice joins the Hotchkis fold in 1971, soon the era of poker and male bonding begin. *Rediscovering Mrs. Murphy* is all about fighting through the pain of the past and rediscovering what really matters.

*Climbing Jacob's Ladder* Aug 02 2020 “A compelling portrait of the relationship between a student and a teacher,” this spiritual memoir “raises important questions about the meaning of Judaism and the search for spirituality in this world” (Los Angeles Times) Jewish by birth, though from a secular family, Alan Morinis explored Hinduism and Buddhism as a young man. But in 1997, in the face of personal crisis, he turned to his

Jewish heritage for guidance. In his reading he happened upon a Jewish spiritual tradition called Mussar. Gradually he realized that he had stumbled upon an insightful discipline for self-development, complete with meditative, contemplative, and other well-developed transformative practices designed to penetrate the deepest roots of the inner life. Eventually reaching the limits of what he could learn on his own, he decided to seek out a Mussar teacher. This was not an easy task, since almost the entire world of the Mussar tradition had been wiped out in the Holocaust. In time, he found an accomplished master who stood in an unbroken line of transmission of the Mussar tradition, and who lived in the center of a community of Orthodox Jews on Long Island. This book tells the story of Morinis's journey to meet his teacher and what he learned from him, revealing the central teachings and practices that are the spiritual treasury and legacy of Mussar.

*Rediscovering Jesus* May 11 2021 Who is your Jesus? This textbook introduction gives an enjoyable and challenging look at how we encounter Jesus in Scripture and our culture—from the New Testament to the gnostic gospels, historical Jesus studies, Islam, Mormonism, Hollywood and Americana. Follow the path to seeing Jesus truly and notice the difference it makes for faith and life.

**King, Warrior, Magician, Lover** Jul 25 2022 The bestselling, widely heralded, Jungian introduction to the psychological foundation of a mature, authentic, and revitalized masculinity. Redefining age-old concepts of masculinity, Jungian analysts Robert Moore and Douglas Gillette make the argument that mature masculinity is not abusive or domineering, but generative, creative, and empowering of the self and others. Moore and Gillette clearly define the four mature male archetypes that stand out through myth and literature across history: the king (the energy of just and creative ordering), the warrior (the energy of aggressive but nonviolent action), the magician (the energy of initiation and transformation), and the lover (the energy that connects one to others and the world), as well as the four immature patterns that interfere with masculine potential (divine child, oedipal child, trickster and hero). *King, Warrior, Magician, Lover* is an exploratory journey that

will help men and women reimagine and deepen their understanding of the masculine psyche.

*Rediscovering Mordecai Gorelik* Jan 27 2020 Rediscovering Mordecai Gorelik explores the life and work of the pioneering scene designer whose career spanned decades in American theatre. Anne Fletcher's insightful volume draws intriguing parallels and contrasts between Gorelik's productions and the theatrical movements of the twentieth century, exposing the indelible mark he left on the stage. Through in-depth analysis of his letters, diaries, designs, and theoretical works, Fletcher examines the ways in which Gorelik's productions can be used as a mirror to reflect the shifting dramatic landscapes of his times. Fletcher places Gorelik against the colorful historical backdrops that surrounded him—including the avant-garde movement of the 1920s, World War II, the Cold War, and absurdism—using the designer's career as a window into the theatre during these eras. Within these cultural contexts, Gorelik sought to blaze his own unconventional path through the realms of theatre and theory. Fletcher traces Gorelik's tenures with such companies as the Provincetown Players, the Theatre Guild, and the Theatre Union, as well as his relationships with icons such as Bertolt Brecht, revealing how his interactions with others influenced his progressive designs and thus set the stage for major dramatic innovations. In particular, Fletcher explores Gorelik's use of scenic metaphor: the employment of stage design techniques to subtly enhance the tone or mood of a production. Fletcher also details the designer's written contributions to criticism and theory, including the influential volume *New Theatres for Old*, as well as other articles and publications. In addition to thorough examinations of several of Gorelik's most famous projects, *Rediscovering Mordecai Gorelik* contains explications of productions by such legends as John Howard Lawson, Clifford Odets, and Arthur Miller. Also included are numerous full-color and black-and-white illustrations of Gorelik's work, most of which have never been available to the public until now. More than simply a portrait of one man, this indispensable volume is a cultural history of American theatre as seen through the career of a visionary designer and theoretician.

**America the Beautiful** Feb 26 2020 What is America becoming? Or, more importantly, what can she be if we reclaim a vision for the things that made her great in the first place? In *America the Beautiful*, Dr. Ben Carson helps us learn from our past in order to chart a better course for our future. From his personal ascent from inner-city poverty to international medical and humanitarian acclaim, Carson shares experiential insights that help us understand: what is good about America where we have gone astray which fundamental beliefs have guided America from her founding into preeminence among nations. Written by a man who has experienced America's best and worst firsthand, *America the Beautiful* is at once alarming, convicting, and inspiring. You'll gain new perspectives on our nation's origins, our Judeo-Christian heritage, our educational system, capitalism versus socialism, our moral fabric, healthcare, and much more. An incisive manifesto of the values that shaped America's past and must shape her future, *America the Beautiful* calls us all to use our God-given talents to improve our lives, our communities, our nation, and our world.

*Rediscovering the West* Sep 03 2020 An inquiry into how westerners can tap into their own philosophical and spiritual traditions to grow beyond their unsteadiness of relations, inner dullness, and underlying absence of vision or orientation; and become more alert, compassionate, and intelligent. Reviews the Zen worldview and such western traditions as the mystical Christ, Socrates, a

**Rediscovering the Great War** Aug 22 2019 The Great War was a turning point of the twentieth century, giving birth to a new, modern, and industrial approach to warfare that changed the world forever. The remembrance, awareness, and knowledge of the conflict and, most importantly, of those who participated and were affected by it, altered from country to country, and in some cases has been almost entirely forgotten. New research strategies have emerged to help broaden our understanding of the First World War. Multidisciplinary approaches have been applied to material culture and conflict landscapes, from archive sources analysis and aerial photography to remote sensing, GIS and field research. Working within the context of a material and archival

understanding of war, this book combines papers from different study fields that present interdisciplinary and multidisciplinary approaches towards researching the First World War and its legacies, with particular concentration on the central and eastern European theatres of war.

**Rediscovering Political Friendship** Jun 19 2019 Applies Aristotle's argument - that citizenship is like friendship - to the liberal and democratic societies of the present day.

Rediscovering America's Sacred Ground Jan 19 2022 Sees a way out of the contentious debates over the role of religion in American public life by looking back to the ideas of John Locke and the nation's Founders.

**Founding Father** Mar 09 2021 A revisionist biography of George Washington chronicles his quarter-century career in public life, from his heroic deeds as a leader through the legacy that has been passed down to his political descendants

**Rediscovering Fuller** Nov 17 2021 Lon Fuller, one of the great American jurists of this century, is often remembered only for his stand on the morality of law in the Fuller-Hart debate. Rediscovering Fuller considers the full range of Fuller's writings, from his early engagement with legal fictions and his critique of legal positivism to his later work on implicit law and the art of institutional design. Contributors from the fields of both civil law and common law argue that Fuller's insights are highly relevant to contemporary concerns. The book contains essays by K. Winston, D. Dyzenhaus, P. Cliteur, F. Schauer ("Beyond the Fuller-Hart Debate"), P. Westerman, W. van der Burg, D. Luban ("Moralities of Law"), G. Postema, P. Teachout ("Implicit Law"), R. Macdonald, W. Witteveen, J. Allison, M. Hertogh, K. Soltan ("The Art of Institutional Design"), J. Allan, F. Mootz, J. Vining ("Law's Dialogue"), and a preface by Ph. Selznick. "At some point in the future, when we become more open to the moral relevance of social inquiry, more empirical in our study of philosophical issues, more capable of uniting moral and social theory, Lon Fuller's work will stand as a landmark. This volume will help show the way." —Ph. Selznick

A Walk in the Woods Oct 16 2021 In the company of his friend Stephen Katz (last seen in the bestselling *Neither Here nor There*), Bill Bryson set

off to hike the Appalachian Trail, the longest continuous footpath in the world. Ahead lay almost 2,200 miles of remote mountain wilderness filled with bears, moose, bobcats, rattlesnakes, poisonous plants, disease-bearing ticks, the occasional chuckling murderer and - perhaps most alarming of all - people whose favourite pastime is discussing the relative merits of the external-frame backpack. Facing savage weather, merciless insects, unreliable maps and a fickle companion whose profoundest wish was to go to a motel and watch *The X-Files*, Bryson gamely struggled through the wilderness to achieve a lifetime's ambition - not to die outdoors.

**Rediscovering Korean Cinema** Apr 29 2020 South Korean cinema is a striking example of non-Western contemporary cinematic success. Thanks to the increasing numbers of moviegoers and domestic films produced, South Korea has become one of the world's major film markets. In 2001, the South Korean film industry became the first in recent history to reclaim its domestic market from Hollywood and continues to maintain around a 50 percent market share today. High-quality South Korean films are increasingly entering global film markets and connecting with international audiences in commercial cinemas and art theatres, and at major international film festivals. Despite this growing recognition of the films themselves, Korean cinema's rich heritage has not heretofore received significant scholarly attention in English-language publications. This groundbreaking collection of thirty-five essays by a wide range of academic specialists situates current scholarship on Korean cinema within the ongoing theoretical debates in contemporary global film studies. Chapters explore key films of Korean cinema, from *Sweet Dream*, *Madame Freedom*, *The Housemaid*, and *The March of Fools* to *Oldboy*, *The Host*, and *Train to Busan*, as well as major directors such as Shin Sang-ok, Kim Ki-young, Im Kwon-taek, Bong Joon-ho, Hong Sang-soo, Park Chan-wook, and Lee Chang-dong. While the chapters provide in-depth analyses of particular films, together they cohere into a detailed and multidimensional presentation of Korean cinema's cumulative history and broader significance. With its historical and critical scope, abundance of new research, and detailed discussion of

important individual films, *Rediscovering Korean Cinema* is at once an accessible classroom text and a deeply informative compendium for scholars of Korean and East Asian studies, cinema and media studies, and communications. It will also be an essential resource for film industry professionals and anyone interested in international cinema. **Rediscovering Gandhi** Apr 22 2022 "This book takes a fresh look at Hind Swaraj, authored by Mahatma Gandhi in 1908, in the backdrop of the emerging problems of violence, moral decay, poverty, social disintegration and environmental degradation. Giving the essence of Hind Swaraj, it discusses factors and forces, which influenced Gandhi and prompted him to write the book. It also review the comments made on Hind Swaraj and its message to humanity. Finally, it discusses the agenda for action to realise the goals of Hind Swaraj at national and international levels."

**10 Hidden Heroes** Aug 26 2022 This seek-and-find book from NYT best-selling author Mark K. Shriver helps kids develop counting skills and learn how to be heroes in their everyday lives.

*Rediscovering Path to Success* Sep 22 2019 "This engaging book by the young, promising author hand holds you through the Y-junctions of your life while convincingly helping you understand the whys and hows of the life-altering decisions." -The New Indian Express Within the covers of the simple yet majestic personality development book, you find practical solutions to rediscover your path to success. The author stands by you, holding your hand, and guides you through this most important process of rediscovery. Already a bestseller, *Rediscovering Path to Success* encourages you to read it again and again. And every time you read, you will surely get something new out of it.

**My Year Off** Aug 14 2021 With an introduction by Henry Marsh, author of *Do No Harm* My brain, which had just let me down so badly, was perhaps never so active. The paramedics' question was a fundamental one. Who are you? Yes indeed. Who am I? Robert McCrum was forty-two when he suffered a massive stroke which left one side of his body totally paralysed, his speech drastically impaired, and his sense of himself radically altered. What followed was a prolonged period of recovery, full

of heart ache and frustration, as he gradually regained sensation, movement and self-esteem and as his family pulled together in the extraordinary effort necessary to make him well again. *My Year Off* is a moving story of determination, courage and love that sings with wit and honesty. An invaluable insight into the reality of life after stroke, the moments of hope, the anger and despair, this is a touching classic that gives voice to millions.

**A Good Man** Oct 28 2022 In this intimate portrait of an extraordinary father-son relationship, Mark K. Shriver discovers the moral principles that guided his legendary father and applies them to his own life When Sargent "Sarge" Shriver--founder of the Peace Corps and architect of President Johnson's War on Poverty--died in 2011 after a valiant fight with Alzheimer's, thousands of tributes poured in from friends and strangers worldwide. These tributes, which extolled the daily kindness and humanity of "a good man," moved his son Mark far more than those who lauded Sarge for his big-stage, headline-making accomplishments. After a lifetime searching for the path to his father's success in the public arena, Mark instead turns to a search for the secret of his father's joy, his devotion to others, and his sense of purpose. Mark discovers notes and letters from Sarge; hears personal stories from friends and family that zero in on the three guiding principles of Sarge's life--faith, hope, and love--and recounts moments with Sarge that now take on new value and poignancy. In the process, Mark discovers much about himself, as a father, as a husband, and as a social justice advocate. *A Good Man* is an inspirational and deeply personal story about a son discovering the true meaning of his father's legacy.

*Rediscovering Traces of Memory* Dec 26 2019 This much-updated edition of a ground-breaking book expands the broad coverage of its stimulating approach. With forty-five new photographs and accompanying essays, it convincingly demonstrates the complexity of the Jewish past in Polish Galicia and the attempts to memorialize its heritage, as well as the unexpected revival of Jewish life.

Basilica and did something remarkable: Before he imparted his blessing to the crowd, he asked the crowd to bless him, then bowed low to receive this grace. In the days that followed, Mark K. Shriver -- along with the rest of the world -- was astonished to see a pope who paid his own hotel bill, eschewed limousines, and made his home in a suite of austere rooms in a Vatican guesthouse rather than the grand papal apartment in the Apostolic Palace. By setting an example of humility and accessibility, Francis breathed new life into the Catholic Church, attracting the admiration of Catholics and non-Catholics alike. In *Pilgrimage*, Shriver retraces Francis's personal journey, revealing the origins of his open, unpretentious style and explaining how it revitalized Shriver's own faith and renewed his commitment to the Church. To help us understand how Jorge Mario Bergoglio became Pope Francis, Shriver travels to Bergoglio's native Argentina to meet with the people who knew him as a child, as a young Jesuit priest, and as a reformist bishop. Shriver visits the confessional where Bergoglio first felt called to a faith-based life and takes us to the humble parish where the future pontiff's pastoral career began: in a church created from a converted vegetable shed in an area just outside the city of Buenos Aires. In these impoverished surroundings, Bergoglio answered Christ's call to feed the hungry, clothe the naked, and shelter the homeless, following the example set by his papal namesake, St. Francis of Assisi. In this deeply reported yet highly personal book, Mark K. Shriver explores how Francis's commitment has struck a chord in the hearts of millions who long to make faith, love, humility, and mercy part of their lives as they go out into the world to serve and learn from the most marginalized.

negative aspects of his reputation. Translations of a number of his works are included.

**Rediscover Jesus** Oct 04 2020 How well do you know Jesus? I think about this often, and I always come to the same realization. I don't know Jesus anywhere near as well as I would like to know him. The desire is there, but life gets in the way. There are times when I seem to be making great progress, and other times when I wonder if I know him at all. But I always arrive back at the same inspiring and haunting idea: If there is one person that we should each get to know in a deeply personal way, it is Jesus the carpenter from Nazareth, the itinerant preacher, the Son of God, the King of Kings and the Lord of Lords, the Lamb of God, the new Adam, the Messiah, the Alpha and the Omega, the Chosen One, the Light of the World, the God-Man who wants good things for us more than we want them for ourselves, the healer of our souls. The best time to rediscover Jesus is right now. You are holding this book in your hand at this very moment for a reason. I don't know what God has in store for you, but I am excited for you.

*Rediscovering Masculinity* Apr 10 2021 Men have responded to feminism with feelings of anxiety, guilt and unease. It has taken time for men to consider ways of changing themselves rather than hiding behind feminist rhetoric. Since the mid '70s a structuralist interpretation of feminism has led to new perceptions of power, domination, oppression and sexuality. The author argues that historically masculinity has been identified with reason and femininity with emotion, so men have been trained to speak for others before learning to speak for themselves. Victor Seidler uses some prevalent positions in social theory to expose the main contradictions in received ideas of power, language and sexuality. Topics discussed include: reason, sexuality, change, control, identity, language, strength and intimacy.

*Pilgrimage* Jun 24 2022 A down-to-earth and deeply intimate portrait of Pope Francis and his faith, based on interviews with the men and women who knew him simply as Jorge Mario Bergoglio Early on the evening of March 13, 2013, the newly elected Pope Francis stepped out onto the balcony of St. Peter's Basilica and did something remarkable: Before he

imparted his blessing to the crowd, he asked the crowd to bless him, then bowed low to receive this grace. In the days that followed, Mark K. Shriver—along with the rest of the world—was astonished to see a pope who paid his own hotel bill, eschewed limousines, and made his home in a suite of austere rooms in a Vatican guesthouse rather than the grand papal apartment in the Apostolic Palace. By setting an example of humility and accessibility, Francis breathed new life into the Catholic Church, attracting the admiration of Catholics and non-Catholics alike. In *Pilgrimage*, Shriver retraces Francis's personal journey, revealing the origins of his open, unpretentious style and explaining how it revitalized Shriver's own faith and renewed his commitment to the Church. To help us understand how Jorge Mario Bergoglio became Pope Francis, Shriver travels to Bergoglio's native Argentina to meet with the people who knew him as a child, as a young Jesuit priest, and as a reformist bishop. Shriver visits the confessional where Bergoglio first felt called to a faith-based life and takes us to the humble parish where the future pontiff's pastoral career began: in a church created from a converted vegetable shed in an area just outside the city of Buenos Aires. In these impoverished surroundings, Bergoglio answered Christ's call to feed the hungry, clothe the naked, and shelter the homeless, following the example set by his papal namesake, St. Francis of Assisi. In this deeply reported yet highly personal book, Mark K. Shriver explores how Francis's commitment has struck a chord in the hearts of millions who long to make faith, love, humility, and mercy part of their lives as they go out into the world to serve and learn from the most marginalized. Praise for *Pilgrimage* "Well-researched . . . *Pilgrimage* shines a light on [Pope Francis's] unexplored aspects. . . . A very timely and important addition to the literature on the life and person and thinking of Pope Francis. Everybody interested in Pope Francis will enjoy reading this biography."—The Washington BookReview "Apt to stir the soul of readers . . . While this is a rich telling of Bergoglio's life and ascension to

the papacy, it is more movingly a spiritual memoir that draws us deep into a knowing of this at once humble and soul-stirring rekindler of faith."—Chicago Tribune "A fascinating portrait of a man and a nourishing account of spiritual yearning."—Booklist "This fast-paced and fascinating tale takes us on Jorge Mario Bergoglio's pilgrimage from his grandmother's knee in the Italian-Argentine community, through years of success and sorrow in the tumultuous country that he loved, to his surprise election as Pope Francis."—Cokie Roberts, New York Times bestselling author of *Capital Dames: The Civil War and the Women of Washington, 1848-1868* "All people of good faith, including those whose lives are not guided by religious beliefs, will be inspired and enlightened by the compelling manner in which *Pilgrimage* brings us closer to the heart and mind of Jorge Mario Bergoglio, Pope Francis. I highly recommend this book; it will make a difference in your life."—Cardinal Seán O'Malley, OFM Cap.

[Rediscovering the Kingdom](#) Feb 20 2022 When governments collapse, human philosophies fail and your life is crashing down around you, *Rediscovering the Kingdom* will become your guide through the treacherous storms of the 21st century. All of the past ideologies have failed; humanism, communism, totalitarianism, fascism, socialism and even democracy. This is a philosophy, an ideology that will not fail, for it was born in the heart of God Himself. As Dr. Munroe unveils the reality and the power of the Kingdom of God, you will be challenged to the core of your religious soul as you discover realities that few have seen, let alone talked about. *Rediscovering the Kingdom* will defy almost every concept you have about religion as it shifts the focus away from religion towards the ultimate issue - the Kingdom of God. In this book you will discover: The keys that make the Kingdom function in your life. Why governments and world leaders continue to fail us. Why religion can never fulfill your deepest desire. Why power is the pursuit of all mankind. The present and future reality of the Kingdom among us. The original message and purpose of Jesus.
