The Unmistakable Touch of Grace Aug 31 2020 "Every event we experience and every person we meet has intentionally been put in our path to help us lead more conscious and fulfilled lives," says Cheryl Richardson, the New York Times bestselling author of *Take Time for Your Life*, *Life Makeovers*, and *Stand Up for Your Life*. In her new book -- her most personal work to date -- she'll show you that, once you learn to view your life from this perspective, the person who smiles at you while you're walking down the street is no longer a stranger, the phone call from an old friend who crossed your mind the day before is no longer a surprise, and the failed relationship that left you brokenhearted is no longer a source of bitterness and pain. Instead, these experiences -- examples of what Richardson calls "the unmistakable touch of grace" -- are seen as blessings in disguise, gifts that make you stronger, more conscious, and, ultimately, more alive. To read this beautiful, intimate, and profoundly inspiring book is like having a conversation with Richardson herself. Filled with illuminating stories, provocative experiments, and striking examples of how grace has influenced her own life, Richardson will help you recognize that your life is being influenced, too, in ways you may never have imagined. *The Unmistakable Touch of Grace* helps you to see the hidden miracles that occur every day -- and gives you the courage to use them to make your life more meaningful, magical, hopeful, and complete.

Mrs Bridge Sep 19 2019 Evan S. Connell's Mrs Bridge is an extraordinary tragicomic portrayal of suburban life and one of the classic American novels of the twentieth century, influencing books such as Jonathan Franzen's *The Corrections*. This edition has an introduction by Joshua Ferris, author of *Then We Came to the End* and *The Unnamed*. Mrs Bridge, an unremarkable and conservative housewife in Kansas City, has three children and a kindly lawyer husband. She spends her time shopping, going to bridge parties and bringing up her children to be pleasant, clean and have nice manners. And yet she finds modern life increasingly baffling, her children aren't growing up into the people she expected, and sometimes she has the vague disquieting sensation that all is not well in her life. In a series of comic, telling vignettes, Evan S. Connell illuminates the narrow morality, confusion, futility and even terror at the heart of a life of plenty. The companion novel, *Mr Bridge*, telling the story from the other side of the marriage, is published in early 2013 in Penguin Modern Classics, with an introduction by Lionel Shriver, author of *We Need to Talk About Kevin*. York Times bestselling *The 5th Wave*, hailed by Justin Cronin as “wildly entertaining.” How do you rid the Earth of seven billion humans? Rid the humans of their humanity. Surviving the first four waves was nearly impossible. Now Cassie Sullivan finds herself in a new world, a world in which the fundamental trust that binds us together is gone. As the 5th Wave rolls across the landscape, Cassie, Ben, and Ringer are forced to confront the Others’ ultimate goal: the extermination of the human race.
