[A Guide to the Study and Use of Military History](#) Jun 16 2019 This Guide to the Study and Use of Military History is designed to foster an appreciation of the value of military history and explain its uses and the resources available for its study. It is not a work to be read and lightly tossed aside, but one the career soldier should read again or use as a reference at those times during his career when necessity or leisure turns him to the contemplation of the military past.

Ashcombe Feb 05 2021 Ashcombe was derelict when Cecil Beaton first saw it, the surviving fragment of a once grand eighteenth century country house set amidst rolling downland. Over the next fifteen years Beaton transformed Ashcombe into a rural idyll, and a few other memoirs of the period so vividly evoke the gilded slightly edgy flavour of the 1930s. Through Ashcombe's doors flowed artists, dukes, aesthetes, exiles, filmstars, writers, eccentrics. Yet the house was also Beaton's wartime refuge from his growing success as a photographer and the backdrop to a doomed affair.

[Mrs. Maybrick's Own Story: My Fifteen Lost Years \(Expanded, Annotated\)](#) Aug 19 2019 A true story of an American woman arrested, tried, convicted, and sentenced to hang for the murder of her British husband. In its day, it was one of the most sensational cases of the 19th century. Here, Florence Maybrick tells of the horror and devastation of being separated from her children, thrown into solitary confinement, and struggling to maintain sanity. For fifteen years she struggled to hang on and gained a remarkable set of supporters on both sides of the Atlantic, including Lincoln's former secretary (later Secretary of State) John Hay. Queen Victoria herself was apprised of the proceedings, as was U.S. Ambassador to Britain, Robert Todd Lincoln. Mrs. Maybrick relates the saga of her ordeal and her final emancipation. She made an eloquent and impassioned appeal for prison reform. For the first time, this long out-of-print volume is available as an affordable, well-formatted book for e-readers and smartphones. Be sure to LOOK INSIDE by clicking the cover above or download a sample.

... History of Oswego County, New York Oct 01 2020 Presents a history of the various towns of Oswego County from 1877, maps of the county, engravings of various county scenes, and information about prominent individuals of that time and earlier.

[The Greatest Eras in American History](#) Jan 24 2020 The Greatest Eras in American History, Described by Famous Writers from Columbus to Wilson, is an editorial work by American journalist and historian Francis W. Halsey. The aim has been to present striking accounts of periods in the history of the United States, from the landing of Columbus to the building of the foundation of the first colonies. In large part, events are described by men who participated in them, or were personal eyewitnesses of them. These accounts are often supplemented by passages from the writings of historians and biographers. First Volume deals with voyages of Discovery and early explorations from around 1000 A.D. to 1682. Second Volume II deals with the planting of the first colonies in the period from 1562 to 1733.

Engines of Change Apr 19 2022 A narrative like no other: a cultural history that explores how cars have both propelled and reflected the American experience—from the Model T to the Prius. From the assembly lines of Henry Ford to the open roads of Route 66, from the lore of Jack Kerouac to the sex appeal of the Hot Rod, America's history is a vehicular history—an idea brought brilliantly to life in this major work by Pulitzer Prize-winning journalist Paul Ingrassia. Ingrassia offers a wondrous epic in fifteen automobiles, including the Corvette, the Beetle, and the Chevy Corvair, as well as the personalities and tales behind them: Robert McNamara's unlikely role in Lee Iacocca's Mustang, John Z. DeLorean's Pontiac GTO, Henry Ford's Model T, as well as Honda's Accord, the BMW 3 Series, and the Jeep, among others. Through these cars and these characters, Ingrassia shows how the car has expressed the particularly American tension between the lure of freedom and the obligations of utility. He also takes us through the rise of American manufacturing, the suburbanization of the country, the birth of the hippie and the yuppie, the emancipation of women, and many more fateful episodes and eras, including the car's unintended consequences: trial lawyers, energy crises, and urban sprawl.

Narrative history of the highest caliber, Engines of Change is an entirely edifying new way to look at the American story.

[Fifteen Postcards](#) Oct 13 2021 History shapes those who travel through it Following the unexplained disappearance of her parents, and in a last ditch attempt to save the antique store she has inherited from financial ruin, Sarah Lester takes on a deceased estate. Amongst the estate is a collection of vintage postcards which lead Sarah on a journey through time. Sarah is unprepared for what these postcards hint at about their reclusive former owner, and soon they complicate her life in unimaginable ways, transporting her to Victorian London, colonial New Zealand and to the British Raj in India. Sarah has to fight her twenty-first century instincts, and a century of emancipation, to survive. Traversing three continents and two centuries, where tiger hunts and ruby necklaces are irrevocably entwined with murders and mysteries, auction houses and antiquities, Sarah is drawn into the enigma that could solve her parents' disappearance, and the question of should she stay or should she go, gets harder and harder to answer, the deeper she delves into the past. Perfect for fans of the Outlander series and lovers of The Time Travelers Wife. What people are saying about Fifteen Postcards: "If history lessons had been this entertaining, I would have scored an A+!" -Andrene Low, author of the Excess Baggage series "This story is one for devotees of adventurous historical fiction and tales of plucky young women finding their feet." -Stephanie Jones, CoastFM Book Reviewer "I think the author has done a commendable job in bringing the story to life and it's obvious that she has used extensive historical research to ensure that the story always feels authentic and that's not an easy feat to pull off." -JaffaReadsToo, Book Blogger "Kirsten McKenzie has written a very unusual novel: part time travel, part historical, part antique review. Sarah's adventures in other times and other continents, linked together by the postcards and the antiques, are well researched and entertainingly written." -Historical Novel Society What reviewers are saying about Kirsten McKenzie: "McKenzie has done a spectacular job of combining well-researched history

with a hint of mysterious intrigue." -Anxious Canadian Blog "Kirsten Mckenzie has written an excellent foray into historical fiction. I'm honestly not quite sure how she was able to keep up with and integrate the different settings, time periods, and characters without losing her place. But she managed it magnificently." -Author Sean Whittaker "McKenzie's descriptions of the shop are well drawn and wonderfully evoke the jumbled chaos of layers of leftovers from centuries of everyday life." -NZBookLovers blog

**History of Italy Fifteen Forty-Nine** Mar 18 2022 The first English book to be written on Italy, Thomas's History is an appreciative report on the six major states of Italy during the sixteenth century. The present edition, an abridgment, includes Thomas's original report on Italy and omits a lengthy compilation of ancient and medieval histories.

**Fifteen** Aug 23 2022 With her usual warmth, perceptiveness, and humor, Newbery Medal winner Beverly Cleary creates the joys and worries of a young girl's first crush. It seems too good to be true. The most popular boy in school has asked Jane out—and she's never even dated before. Stan is tall and good-looking, friendly and hard-working—everything Jane ever dreamed of. But is she ready for this? Suppose her parents won't let her go? What if she's nervous and makes a fool of herself? Maybe he'll think she's too young. If only she knew all the clever things to say. If only she were prettier. If only she were ready for this...

**The History of the Decline and Fall of the Roman Empire** Dec 23 2019 In judging the 'The History of the Decline and Fall of the Roman Empire' it should carefully be observed that it falls into two parts which are heterogeneous in the method of treatment. The first part, a little more than five-eighths of the work, supplies a very full history of 460 years (A.D. 180–641); the second and smaller part is a summary history of about 800 years (A.D. 641–1453) in which certain episodes are selected for fuller treatment and so made prominent. To the first part unstinted praise must be accorded; it may be said that, with the materials at the author's disposition, it hardly admitted of improvement, except in trifling details. But the second, notwithstanding the brilliancy of the narrative and the masterly art in the grouping of events, suffers from a radical defect which renders it a misleading guide. The author designates the story of the later empire at Constantinople (after Heraclius) as "a uniform tale of weakness and misery," a judgment which is entirely false; and in accordance with this doctrine, he makes the empire, which is his proper subject, merely a string for connecting great movements which affected it, such as the Saracen conquests, the Crusades, the Mongol invasions, the Turkish conquests. He failed to bring out the momentous fact that up to the 12th century the empire was the bulwark of Europe against the East, nor did he appreciate its importance in preserving the heritage of Greek civilization. He compressed into a single chapter the domestic history and policy of the emperors from the son of Heraclius to Isaac Angelus; and did no justice to the remarkable ability and the indefatigable industry shown in the service of the state by most of the sovereigns from Leo III. to Basil II. He did not penetrate into the deeper causes underlying the revolutions and palace intrigues. His eye rested only on superficial characteristics which have served to associate the name "Byzantine" with treachery, cruelty, bigotry and decadence. It was reserved for Finlay to depict, with greater knowledge and a juster perception, the lights and shades of Byzantine history. Thus the later part of the Decline and Fall, while the narrative of certain episodes will always be read with profit, does not convey a true idea of the history of the empire or of its significance in the history of Europe. It must be added that the pages on the Slavonic peoples and their relations to the empire are conspicuously insufficient; but it must be taken into account that it was not till many years after Gibbon's death that Slavonic history began to receive due attention, in consequence of the rise of competent scholars among the Slavs themselves. This is volume five out of twelve.

**On My Block** Jan 16 2022 s there a corner of your block that you love to explore? A room in your house that holds a special memory? A piece of your home country that you particularly miss? A faraway place you've only heard about from an elder family member that excites your imagination? Children's Book Press asked fifteen gifted fine artists to portray, in words and pictures, the places and spaces most special to them, and *On My Block* is the remarkable result. The places these visual artists have chosen to represent are moving, funny, and unexpected. Readers will soar from the rooftops of South Brooklyn to the adobe-colored desert of Taos Pueblo, from a basement in San Francisco's Japantown to a Mississippi Gulf Coast porch. A garden in Mexico overflows with blossoms while another in Tehran hums with the purring of thirty-two cats, and an empty lot in a bustling Havana neighborhood is transformed into a country farm. *On My Block* is a celebration of community, an homage to neighborhoods across the world, and an exploration of past and present. The fifteen gorgeous paintings and stories ask you to ponder the places that comprise your world. What's on your block, down your street, in another country, that makes up who you are?

**A History of Canadian Imperial Bank of Commerce** Jul 18 2019 How does a venerable institution adapt quickly to sometimes volatile global markets and shifting domestic demands of the late twentieth century? In *A History of Canadian Imperial Bank of Commerce, Volume 5 1973–1999*, the story of CIBC unfolds amidst a backdrop of world-changing events, economic booms and busts, and memorable moments in Canadian history. This era of the bank saw challenges such as the OPEC crisis and recession-driven collapses of iconic companies like Massey Ferguson, Dome Petroleum, and Olympia & York. CIBC weathered such storms, while also pursuing opportunities in international banking and corporate acquisitions, and embracing technology and education. The lessons of the past shine through in this long-view of how to remain competitive and continue to evolve to meet the needs of millions of clients. All the while, the bank's commitment to its communities is clearly evident in the passionate and generous spirit of CIBC's team members, and its corporate support as one of the leading donors in the nation. At the heart of all the historical highs and lows are the people of CIBC, here profiled from the executives responsible for the bottom line to those working on the front lines, serving bank clients day in and day out. *A History of Canadian Imperial Bank of Commerce* brings to life the strategic changes that have propelled CIBC forward as it creates enduring value for its stakeholders.

**The First Fifteen Lives of Harry August** Jun 09 2021 Wildly original, funny and moving, *The First Fifteen Lives of Harry August* is an extraordinary story of a life lived again and again from World Fantasy Award-winning author Claire North. Harry August is on his deathbed. Again. No matter what he does or the decisions he makes, when death comes, Harry always returns to where he began, a child with all the knowledge of a life he has already lived a dozen times before. Nothing ever changes. Until now. As Harry nears the end of his eleventh life, a little girl appears at his bedside. "I nearly missed you, Doctor August," she says. "I need to send a message." This is the story of what Harry does next, and what he did before, and how he tries to save a past he cannot change and a future he cannot allow.

**The Great Book of Badass Women** Nov 02 2020 There have been countless badass women who have changed the world for the better, yet most people have never even heard of them. Women throughout history have fought for their rights and the rights of others, defended their countries during wartime, healed the sick and the wounded, invented new technologies, led countries, made inspiring art... and so much more! This collection of biographies and quick trivia facts aims to tell the stories of the courageous and tenacious women who have paved the way for the women of the future. In *The Great Book of Badass Women*, you'll get to know: Ching Shih: from Prostitute to Pirate Queen? Ruth Bader Ginsburg: Notorious Supreme Court Justice? Frida Kahlo: Trailblazer, Artist, Icon? The Mirabal Sisters: Revolutionaries and Martyrs? Hedy Lamarr: Inventor and Beauty Queen There have been so many badass women in history, that it was nearly impossible to choose only 15 of them. Women have been badass because they have to be, and they'll continue to fight for their rights until they have them. Although women—especially women of color—have largely been excluded from our history books, these unsung heroes have always been there, kicking ass. By telling their stories, we preserve their legacies and inspire others to follow in their footsteps. These are just a few of those heroes in *The Great Book of Badass Women*, but many women are heroes every day, and we will probably never know most of their names. Grab a copy now and get ready to learn about them all!

A General History and Collection of Voyages and Travels (Vol. 1-18) Mar 06 2021 Prepare yourself for discoveries and new adventures with this incredible book about the true origin of wanderlust. This edition forms a complete history of the earliest start and progress of navigation, discovery, and commerce, by sea and land, from the earliest ages to the early 19th century. First part of the work covers voyages and travels of discovery in the middle ages; from the era of Alfred, King of England, in the ninth century to that of Don Henry of Portugal at the commencement of the fourteenth century. Second part deals with general voyages and travels chiefly of discovery; from the era of Don Henry, in 1412, to that of George III. in 1760. The rest of the work has some particular voyages and travels arranged in systematic order, Geographical and Chronological, and studies voyages during the era of George III conducted upon scientific principles, by which the Geography of the globe has been nearly perfected.

*The Fifteen Streets* Nov 21 2019 Catherine Cookson was one of the world's most beloved writers. Her books have sold millions of copies, and her characters and their stories have captured the imaginations of readers around the globe. Now, available for the first time in this country, comes one of Cookson's earliest and most stirring historical romances: *The Fifteen Streets*. John O'Brien lives in a world where surviving is a continual struggle. He works long hours at the docks to help support his parents' large family. Many other families in the Fifteen Streets have already given up and descended into a dismal state of grinding poverty, but the O'Briens continue to strive for a world they are only rarely allowed to glimpse. Then John O'Brien meets Mary Llewellyn, a beautiful young teacher who belongs to that other world. What begins as a casual conversation over tea quickly blossoms into a rare love that should have been perfect. Fate steps in, however, when John is accused of fathering the child of a local girl, and Mary's parents forbid her to see him. The couple begins to realize that the gulf of the Fifteen Streets between them is a chasm they could never bridge-or might they still find a way? In these pages Catherine Cookson displays the irresistible plotting, scene-setting, and characterization that have made her a recognized master of historical and romance fiction. Fans of her novels, with their larger themes of romantic love and class conflict, will be delighted to find that even at the beginning of her illustrious career, Cookson had the power to captivate audiences. Filled with passion and compelling drama, *The Fifteen Streets* is a rare treat for lovers of romantic fiction.
