The Finnish-Soviet Winter War 1939–40 Sep 29 2022 This informative study explores the Soviet invasion of Finland, detailing the events of the Winter War of November 1939 to March 1940. The invasion was expected to be swift and decisive, however, the fighting qualities of the Finnish Army blunted the Soviet advance and inflicted high numbers of casualties. A combination of difficulties caused by the weather, the terrain, the Mannerheim Line defences and Finnish tactics resulted in a fascinating David vs Goliath type struggle. On 23 August 1939, a secret protocol was appended to the German–Soviet Non-Aggression Pact; as part of this, Finland was assigned to the Soviet sphere of influence. On 30 November that year, in an effort to protect against renewed German aggression in the East, the Soviet Union attacked Finland, beginning what became known as the Finnish-Soviet Winter War. This long-awaited addition to the Campaign series explores the events of the war of November 1939 to March 1940. Set against the background of the developing global conflict, the conflict saw the Finnish Army thwart the plans of the sizeable Soviet forces assembled against it, before finally being forced to concede. The major battles of the war, which took place in harsh winter conditions, are covered in detail, including the Mannerheim Line, the fighting in Ladoga Karelia and Kollaa, and the clashes in Finnish Lapland.

Manifestation Manual Oct 31 2022 We humbly walk toward or away from our story each moment- moving closer with courage or away with anxiety. We can choose to stay small, stay comfortable in our little box. Yet, we find challenges and hardships still arise even in our 'safe space'. What if we were to move beyond that box? To expand it infinitely outward so that all we may come in contact with is part of ourselves. Then we may understand we have nothing to fear. We are all here to work together. To support, nurture, love, and grow. We live, we die, we repeat the cycle. What is it you want to do with the time given to you? Your light is needed. The box you are in no longer fits the expansion of your spirit. You are worthy of anything and everything your heart desires. Discover your true power. Revel in your innate truth. Be content in knowing that all is in your favor, always. Let us shine our light and accept with grace what is rightfully ours. Begin your journey- you are more than worth it.

Daniel's Lion Nov 19 2021 Daniel Bruin felt he had a pretty good handle on how things worked in the world, and who was responsible for its problems, writing for his weekly column in the Minnesota Advocate. Then in 2006 a new managing editor was appointed over him. Disturbing his comfortable existence, Ruth Hawthorne sent him on assignment to interview Robert and Sophia Staples, two controversial authors who challenged conventional belief on the Second Coming. Determined to expose them as frauds, the hardened cynical reporter found himself listening to their incredible story, which caused him to re-examine everything. Later in 2030, sharing his experience with his grandson, and four of his friends, Daniel relates how Robert and Sophia's message acted as the catalyst that led to the Great Awakening, the advent of the FHBs and the phenomenal Shift that changed everything.
