T.E.Lawrence and the Red Sea Patrol Jul 29 2019

Although many books have been written about T E Lawrence and the Arab Revolt, none before has fully explored the pivotal role of the Royal Navy in the Red Sea at the time. This is the first book to be written about the Navy's role in the success of the Arab Revolt in the creation of the legendary figure of Lawrence of Arabia. Following extensive and detailed research into the activities of the ships of the Red Sea Patrol by the author, a maritime historian and former Merchant Navy officer, it has become evident that, without the work of those ships, the Arab revolt would have failed and T E Lawrence would have remained an obscure officer in the military bureaucracy of Cairo.??Lawrence was very aware of the importance and relevance of the Royal Navy in their operations in the Red Sea and commented on it on many occasions, notably in 1918, saying "The naval side of the

operations, when the time comes to tell of it, will provide a most interesting case of the value of command of the sea..'. Until now, nobody has investigated this angle in any detail. By doing this so comprehensively, this book gives a fresh dimension to the Lawrence of Arabia legend.

Checked Out Jul 21 2021 Shhh...in the newest hardcover in the national bestselling *Dead-End Job* Mystery series, Helen Hawthorne quietly goes undercover at a local library to search for a missing masterpiece. Wealthy socialite Elizabeth Cateman Kingsley has hired Helen to find a missing John Singer Sargent painting, owned by her late father. After his death, many of Davis Cateman's books were donated to the Flora Park library, and his daughter suspects the small watercolor—worth millions—was tucked away inside one of those dusty tomes. To search the stacks, Helen applies for a position

as a library volunteer and discovers the library director has a catalog of complaints—from a mischievous calico cat named Paris to the mysterious disappearance of various items that some of the more imaginative staff are attributing to a ghost haunting the building. While her husband Phil sticks his neck out to find a missing necklace, Helen is on her own with no one to lend her a hand. When a dead body turns up in a parking lot, it appears someone is willing to go to any lengths to keep the treasure in the library quiet. Now Helen is bound and determined to find the killer as well as the painting—before she's taken out of circulation herself.
