Get Rich Blogging Apr 04 2020 Would you like to earn millions by talking about your favourite subject? A new generation of vloggers have

become millionaires by sharing make-up tutorials, comedy sketches and gaming videos. These people didn't start off with fancy equipment, expert technical knowledge or huge audiences. They are self-made. This book examines how they achieved success and provides a step by step guide to the process of finding fame and fortune online. Featuring advice from vloggers including Jim Chapman, Fleur De Force and KSI alongside business tips from YouTube CBO Robert Kyncl and Gleam Futures founder Dominic Smales, this book contains insider information about the mechanics of making money by vlogging. Subjects covered include brand-building, filming and editing equipment techniques, social media, working with talent managers, dealing with digital marketing agencies, making merchandise and negotiating with brands. Author Zoe Griffin is an established blogger, who set up her blog Live Like a VIP in 2009. She's worked with several vloggers and has noticed that the most popular ones have things in common. This book explains what these things are – so you can adopt similar tactics and get rich vlogging!

Nighttime Digital Photography with Adobe Photoshop CS3 Aug 09 2020 Nighttime photography often transforms otherwise mundane subject matter into spectacular images such as a warmly-lit subject positioned against a rich blue sky, or the red, yellow, and green swirls of an amusement park ride. Capturing these images can be challenging though. Nighttime Digital Photography with Adobe Photoshop CS3 explains why night photos turn out the way that they do, and shows how to avoid, correct, and take advantage of each low-light situation. The operation of cameras, computers, printers, and software is covered step-by-step with creative enhancement and other advanced techniques in Adobe Photoshop CS3.
