Sentinel (The Fifth Covenant Novel) Dec 19 2021 As the mortal world slowly slips into chaos, Alexandria Andros must overcome a devastating defeat that has left her shaken and in doubt that the war against the gods will ever come to an end. There are many obstacles standing between Alex and her happily-ever-after with Aiden St. Delphi, and now Alex and Aiden face their greatest challenge yet: they must trust a deadly foe as they travel deep into the Underworld to release one of the most dangerous gods of all time. In the shattering, action-packed climax to the series, Alex must make a terrible choice: the destruction of everything and everyone she holds dear... or the end of her own life.

Deity (The Third Covenant Novel) Sep 23 2019 Enter the world of Covenant... Alexandria's eighteenth birthday - and her Awakening - is approaching. If she even makes it. A long-forgotten, fanatical order is out to kill her and, if that isn't freaky enough, Alex is guarding a dark secret, too. If anyone finds out what she did, she's a goner - and so is Aiden. Alex still has feelings for Aiden, even though he's a pure-blood...and therefore forbidden. Meanwhile, she's been 'training' with her fellow Apollyon Seth - though really that's just Seth's code word for some up-close-and-personal time. After every session Alex ends up with another mark of the Apollyon, which brings her one step closer to her Awakening ahead of schedule. Awesome. But as Alex's birthday draws near, her entire world is shattered by a startling revelation. Once the gods have revealed themselves and unleashed their wrath, lives will be irrevocably changed - and destroyed. Those left standing will find out if love is truly greater than fate.

From Blood and Ash Oct 29 2022 Captivating and action-packed, From Blood and Ash is a sexy, addictive, and unexpected fantasy perfect for fans of Sarah J. Maas and Laura Thalassa. A Maiden... Chosen from birth to usher in a new era, Poppy's life has never been her own. The life of the Maiden is solitary. Never to be touched. Never to be looked upon. Never to be spoken to. Never to experience pleasure. Waiting for the day of her Ascension, she would rather be with the guards, fighting back the evil that took her family, than preparing to be found worthy by the gods. But the choice has never been hers. A Duty... The entire kingdom's future rests on Poppy's shoulders, something she's not even quite sure she wants for herself. Because a Maiden has a heart. And a soul. And longing. And when Hawke, a golden-eyed guard honor bound to ensure her Ascension, enters her life, destiny and duty become tangled with desire and need. He incites her anger, makes her question everything she believes in, and tempts her with the forbidden. A Kingdom... Forsaken by the gods and feared by mortals, a fallen kingdom is rising once more, determined to take back what they believe is theirs through violence and vengeance. And as the shadow of those cursed draws closer, the line between what is forbidden and what is right becomes blurred. Poppy is not only on the verge of losing her heart and being found unworthy by the gods, but also her life when every blood-soaked thread that holds her world together begins to unravel. **Obsidian** Dec 27 2019 Discover the New York Times bestselling Lux series, which RT Book Reviews called "A thrilling ride from start to finish," from the very beginning... Starting over sucks. When we moved to West Virginia right before my senior year, I'd pretty much resigned myself to thick accents, dodgy internet access, and a whole lot of boring...until I spotted my hot neighbor, with his looming height and eerie green eyes. Things were looking up. And then he opened his mouth. Daemon is infuriating. Arrogant. Stab-worthy. We do not get along. At all. But when a stranger attacks me and Daemon literally freezes time with a wave of his hand, well,

something...unexpected happens. The hot alien living next door marks me. You heard me. Alien. Turns out Daemon and his sister have a galaxy of enemies wanting to steal their abilities, and Daemon's touch has me lit up like the Vegas Strip. The only way I'm getting out of this alive is by sticking close to Daemon until my alien mojo fades. If I don't kill him first, that is. Stone Cold Touch Jul 02 2020 As Layla's half-demon, half-gargoyle powers evolve, the demon prince Roth returns to bring her news that could change her world forever. Pure (The Second Covenant Novel) Feb 27 2020 Enter the world of Covenant... For Alexandria, being destined to become some kind of supernatural electrical outlet isn't exactly awesome - especially when her 'other half' is everywhere she goes. Seth's in her training room, outside her classes, and keeps showing up in her bedroom - so not cool. Their connection does have some benefits, like staving off her memories of the tragic showdown with her mother, but it has no effect on what Alex feels for the forbidden, pure-blooded Aiden. When daemons infiltrate the Covenants and attack students, the gods send furies - creatures determined to eradicate any threat to the Covenants and to the gods... and that includes Alex. If that and hordes of aether-sucking monsters weren't bad enough, a mysterious threat seems willing to do anything to neutralize Seth, even if that means forcing Alex into servitude... or killing her.

The Return Sep 16 2021 Originally published February 2015 The Fates are cackling their bony asses off... It's been a year since Seth made the deal with the gods that pledged his life to them. And so far, the jobs they've given him have been violent and bloody--which is kind of all right with him. But now Apollo has something else in mind for Seth. He's got to play protector while keeping his hands and fingers off, and for someone who really has a problem with restraint, this new assignment might be the most challenging yet. Josie has no idea what this crazy hot guy's deal might be, but it's a good bet that his arrival means the new life she started after leaving home is about to be thrown into an Olympian-sized blender turned up to puree. Either Josie is going insane or a nightmare straight out of ancient myth is gunning for her. But it might be the unlikely attraction simmering between her and the golden-eyed, secret-keeping Seth that may prove to be the most dangerous thing of all. Because history has once again been flipped to repeat.

Half-Blood (a Covenant Novel) Aug 15 2021 HALF-BLOOD is the unputdownable first book in the acclaimed Covenant series from #1 New York Times bestselling Jennifer L. Armentrout. This special paperback edition also includes the prequel novella DAIMON. The Hematoi descend from the unions of gods and mortals, and the children of two Hematoi - pure-bloods - have godlike powers. Children of Hematoi and mortals - well, not so much. Half-bloods only have two options: become trained Sentinels who hunt and kill daemons or become servants in the homes of the pures. Seventeen-year-old Alexandria would rather risk her life fighting than waste it scrubbing toilets, but she may end up slumming it anyway. There are several rules that students at the Covenant must follow. Alex has problems with them all, but especially rule #1: Relationships between pures and halves are forbidden. Unfortunately, she's crushing hard on the totally hot pure-blood Aiden. But falling for Aiden isn't her biggest problem - staying alive long enough to graduate the Covenant and become a Sentinel is. If she fails in her duty, she faces a future worse than death or slavery: being turned into a daemon, and being hunted by Aiden. And that would kind of suck.
