**Be with Me Always** Sep 21 2021 "Be with me always—take any form—drive me mad! only do not leave me in this abyss, where I cannot find you!" Thus does Heathcliff beg his dead Cathy in *Wuthering Heights*. He wants to be haunted—he insists on it. Randon Billings Noble does too. Instead of exorcising the ghosts of her past, she hopes for their cold hands to knock at the window and to linger. *Be with Me Always* is a collection of essays that explore hauntedness by considering how the ghosts of our pasts cling to us. In a way, all good essays are about the things that haunt us until we have somehow embraced or understood them. Here, Noble considers the ways she has been haunted—by a near-death experience, the gaze of a nude model, thoughts of widowhood, Anne Boleyn's violent death, a book she can't stop reading, a past lover who shadows her thoughts—in essays both pleasant and bitter, traditional and lyrical, and persistently evocative and unforgettable.

*Be With Me.... Always* Feb 24 2022 I came home after graduating college to spend a few weeks with my mom and pack my stuff. I'm moving two hours away. I'm excited to start my first job as a college graduate, and being a new chapter in my life. Springfield, my home town, is not exactly a small but small enough to offer a plethora of gossip. It seems everyone knows I graduated and came home. Most of my close friends seem to know something but won't tell me. I have a feeling it has to do with my childhood best friend and a particular event on our high school graduation night. Well, ex-best friend. He stopped talking when we were in middle school. Just as before, I want to avoid him as much as possible. It's too painful to be around the one person that shares so much of my history. Unfortunately, my car won't make the two hour drive to my new life. Now, I need to face my old friend, who is the only mechanic in town. I put on a little weight, and changed my hair so I hope he doesn't recognize me. We need to get through this as painless as possible. My mate had finally come home from college. All my wolf and I want to do is take her, claim her, and never let her go again. Unfortunately as the future pack alpha, I will never have her. My parents have arranged my mating to a female alpha just north of our territory. When my mate comes into my shop so I can fix her car it takes all my strength to stay professional. I can't have her, no matter how much my wolf protests. With her so close it's damn near impossible to fight the pull I fell towards her. So I did the only thing I could think to do; compromise with my wolf. We could try to be friends. When my arranged mate discovered my fated mate, she demands I follow the agreement made between our pack. She becomes crazed. I catch wind that she has sent her pack members after Jasmine and my world stops cold. Read Jasmine and Calvin's story and find out if he can keep his fated mate safe as well as win her heart. Guaranteed HEA, steamy love scenes, no cliffhangers, and violence 18+years.

*You'll Always Be My Favorite What If* Jul 28 2019 BlurbAmisha- "We started with a simple hello but ended with a complicated goodbye." I was in love with Avyansh, since the day that I could discern how it feels to be in love. I fell for him irrevocably much before meeting him. It was certain that we would be together one day. But destiny has a way of crushing us, by refusing what we deeply desire. So, despite all certainties and hopes we never crossed paths again after our first meeting. I never got the opportunity to express my feelings & my love remained unrequited. Even after 15 long years he never left my mind and soul though I formally belonged to someone else now. Avyansh- "Meeting you was one of the best accidents of my life. I wish I could go back to that moment, just to experience it all over again." What skipped my heartbeat on our first meeting was a mole on the upper side of her right lip. She didn't need any makeup to entice a man, her mole was more than enough to be someone's death. I broke her heart over a phone call but today when we met after 15 long years, I wanted to turn back the clock and fix what I'd broken. It was my weakness that I could not treasure her. I am tired of hiding the truth and carrying this guilt for so many years. I know I tore her world apart with just my words but over the years not even a single day has passed, when I haven't thought about the hurt & pain I caused her.

**It Ends with Us** Nov 11 2020 In this "brave and heartbreaking novel that digs its claws into you and doesn't let go, long after you've finished it" (Anna Todd, New York Times bestselling author) from the #1 New York Times bestselling author of All Your Perfects, a workaholic with a too-good-to-be-true romance can't stop thinking about her first love. Lily hasn't always had it easy, but that's never stopped her from working hard for the life she wants. She's come a long way from the small town where she grew up—she graduated from college, moved to Boston, and started her own business. And when she feels a spark with a gorgeous neurosurgeon named Ryle Kincaid, everything in Lily's life seems too good to be

true. Ryle is assertive, stubborn, maybe even a little arrogant. He's also sensitive, brilliant, and has a total soft spot for Lily. And the way he looks in scrubs certainly doesn't hurt. Lily can't get him out of her head. But Ryle's complete aversion to relationships is disturbing. Even as Lily finds herself becoming the exception to his "no dating" rule, she can't help but wonder what made him that way in the first place. As questions about her new relationship overwhelm her, so do thoughts of Atlas Corrigan—her first love and a link to the past she left behind. He was her kindred spirit, her protector. When Atlas suddenly reappears, everything Lily has built with Ryle is threatened. An honest, evocative, and tender novel, *It Ends with Us* is "a glorious and touching read, a forever keeper. The kind of book that gets handed down" (USA TODAY).

**Abide In Me** Jan 02 2020 The scriptures of the Christian faith speak of a life qualitatively different from that which we see portrayed on videos, movie screens, and the pages of magazines. The Scriptures proclaim that we can experience the "life of God" here and now. Most of us long for such a life, but have discovered that experiencing this life of God is not simply a matter of following seven specific steps or nine important principles. In this book, Rev. Douglas J. Early reminds us that the way to the fullness of life that God offers us has little to do with our own striving and far more to do with receiving what is already at hand. Using wisdom found in 1 John, *Abide In Me* serves as a guide to experiencing a life of joy, purpose, and love. Readers are invited to explore the breadth and depth of the life that comes from abiding in the presence of Christ and attending to the Spirit of Christ abiding in each of us. For anyone wanting more in life but tired of working hard and getting nowhere, this book offers hope for experiencing the life of God in Christ, here and now.

Be our wedding guest during The Great Wedding Giveaway as these chiseled, brooding cowboys, sexy business owners, and local bad boys return to town to prove a point and say "I do" to the women of their dreams. Books included: Last Year's Bride It's for the ranch. It's your duty. A man does his duty, always. His father Sam's words were carved into Cole McCullough's brain. His responsibilities lay with Rafter M Arrow, which had been in their family for over a hundred years. Even though they were fighting a losing battle to keep the place going. The ranch always came first, over personal comfort, sometimes reason and definitely women. Sam had seen both his wives walk away, dismissing them as hot-house city girls who couldn't survive the wilds of rural Montana. So how had Cole ended up making a spur-of-the-moment marriage last year in Reno to TV director Nell, who was as city as they came? Nell was prepared to give it all up to be with Cole. But he knew how it would end: as it had always ended before. It was time to stop living a pipe dream and sue for divorce. But then Nell came back to Marietta with The Compatibility Game, a reality program, in which couples discovered what they were willing to do for love by living and working at Rafter M, and Cole found himself taking part too... Make-Believe Wedding Everyone in Marietta, Montana, is in love and getting married - at least that's the way it feels to Andie Bennett the night of the Valentine's Ball. As she watches the man she's loved from afar for half her life dance with another woman, Andie allows herself a moment of sheer fantasy as she fills out a stray entry form for the Great Wedding Giveaway. Andie channels years of fantasy and yearning for Heath McGregor onto the page, but she never intends to actually enter the Giveaway. Only a crazy woman would do that. But fate has other ideas.... When Heath learns he and Andie are last minute finalists in the Great Wedding Giveaway, he's completely baffled. How on earth could anyone make such a ridiculous mistake? When it becomes clear that Andie will be humiliated if the slip-up becomes public, Heath does what any good friend would - he suggests they pretend the engagement is real until the Giveaway is over and then quietly "break up" when no one is paying any attention. It's the perfect solution, except Heath very quickly realizes that pretending Andie is his is no hardship at all. In fact, it may just be the best thing that's ever happened to him...
