**Hearts of Lions**

Aug 29 2022 Bike racers were America's media darlings less than a century ago—dashing, eccentric, and very rich daredevils. Until the 1920s bike races drew larger crowds than all other American sports events, including Major League Baseball games. Prize-winning racer and journalist Peter Joffre Nye vividly re-creates this period of sports history, forgotten until now, in Hearts of Lions, a true story of courage, daring, and

Revised, updated, and expanded, this second edition of Hearts of Lions is based on interviews with more than one thousand cyclists whose racing careers span from 1908 through the 2016 Rio Olympics, along with interviews with trainers and family members. Included are stories about Joseph Magnani, the lone American from southern Illinois who rode on the dusty roads of Europe in road racing's golden era of the 1930s and 1940s; Lance Armstrong, whose rise in the mid-1990s was eclipsed in the

doping era that still casts a long shadow over the sport; Kristin Armstrong, a three-time Olympic gold medalist who set new standards for women in cycling; and Evelyn "Evie" Stevens, who chucked a Wall Street career in her mid-twenties to compete in two Olympics and win several world championship gold medals. Hearts of Lions is a colorful, exciting, classic work on the art of bicycle racing over 140 years against a backdrop of social, political, and technical changes.

them in this context. Since World War II, they have become recognized as competitors in such diverse fields as baseball, boxing, football, track and field, gymnastics, tennis, and golf. The change from whites-only participation to black dominance in many sports did not come painlessly or without the remarkable perseverance of individual athletes. From the early years to the present day, an impressive array of blacks have achieved success as athletes. This book profiles more than 155 athletes. Each enlightening biographical entry concentrates on the events in that person's life related

to his or her accomplishments as an athlete and includes a list of further reading on that person. An introduction, bibliography, subject indexes, general index, and 50 photographs round out the resource. Book jacket.
