FantasticLand Mar 05 2020 Since the 1970s, FantasticLand has been the theme park where "Fun is Guaranteed!" But when a hurricane ravages the Florida coast and isolates the park, the employees find it anything but fun. Five weeks later, the authorities who rescue the survivors encounter a scene of horror. Photos soon emerge online of heads on spikes outside of rides and viscera and human bones littering the gift shops, breaking records for hits, views, likes, clicks, and shares. How could a group of survivors, mostly teenagers, commit such terrible acts? Presented as a fact-finding investigation and a series of first-person interviews, FantasticLand pieces together the grisly series of events. Park policy was that the mostly college-aged employees surrender their electronic devices to preserve the authenticity of the FantasticLand experience. Cut off from the world and left on their own, the teenagers soon form rival tribes who viciously compete for food, medicine, social dominance, and even human flesh. This new social network divides the ravaged dreamland into territories ruled by the Pirates, the ShopGirls, the Freaks, and the Mole People. If meticulously curated online personas can replace private identities, what takes over when those constructs are lost? FantasticLand is a modern take on Lord of the Flies meets Battle Royale that probes the consequences of a social civilization built online. A Forger's Tale Nov 12 2020 In 2007, Bolton Crown Court sentenced Shaun Greenhalgh to four years and eight months in prison for the crime of producing artistic forgeries. Working out of a shed in his parents' garden, Greenhalgh had successfully fooled some of the world's greatest museums. During the court case, the breadth of his forgeries shocked the art world and tantalised the media. What no one realised was how much more of the story there was to tell. Written in prison, A Forger's Tale details Shaun's notorious career and the extraordinary circumstances that led to it. From Leonardo drawings to L.S. Lowry paintings, from busts of American presidents to Anglo-Saxon brooches, from cutting-edge Modernism to the ancient art of the Stone Age, Greenhalgh could - and did - copy it all. Told with great wit and charm, this is the definitive account of Britain's most successful and infamous forger, a man whose love for art saturates every page of this extraordinary memoir.
