*Concert and Live Music Photography* Aug 15 2021 If you've ever wanted to take dynamic and vibrant digital photos of your favorite band in concert, but aren't sure how to tackle such obstacles as approaching the stage, tricky lighting situations, or even what equipment to use, then look no further! *Concert and Live Music Photography* is a comprehensive guide to shooting live music performances, providing you with the right information on equipment, camera settings, composition, and post-processing to get the best out of each performance shot. J. Dennis Thomas, whose work has appeared in such magazines as *Rolling Stone*, *SPIN*, and *Country Weekly*, shares tips on lighting, common problems, etiquette, and recommended camera settings for shooting in a variety of different venues, including clubs, bars, outdoor concerts, theatres, stadiums, and arenas. He also explains how to get the right credentials to get you closer to each performance. Jam packed with over 160 photos from today's top concerts, this book will not only give you the information you need to start taking rockin' photos of your favorite musicians, but will spark your creativity when you're anticipating the next shot. For the on-the-go photographer, a cool companion website features additional tips, venue troubleshooting, and an equipment checklist when you need to think on your feet while running to another gig.

**Exposure** Nov 06 2020 Now that you've bought that amazing new DSLR, you need a book that goes beyond the camera manual to teach you exactly how to take those great shots. Mastering the concept of exposure is the best place to begin. With *Exposure: From Snapshots to Great Shots*, you'll learn about the essential relationship between exposure and light, and you'll learn how aperture, shutter speed, and ISO (the "exposure triangle") are fundamentally linked in the effort to achieve a great image: you use them to control both the light and the creative decisions you make about your shot. With *Exposure: From Snapshots to Great Shots*, you'll learn not only what makes a great shot work--you'll learn how to get that shot. And once you've got the shot, show it off! Join the book's Flickr group, share your photos, and discuss how you use your camera to get great shots at [flickr.com/groups/exposure\\_fromsnapshotstogreatshots](https://www.flickr.com/groups/exposure_fromsnapshotstogreatshots).
