**From My Heart to Yours** Sep 06 2020 As I awoke from a dream in the early morning hours, with tears streaming down my face, my heart was so burdened for others. While inquiring to God what this was all about, he said, "People need you to tell them what to do to get out of their situations." Being more confused than ever, God took my mind back to some thoughts, a few years prior, about him wanting me to write a book. A book to help guide and encourage people who are going through different kinds of sicknesses and addictions, as well as to the caregivers who are helping take care of their loved ones. This book is titled From My Heart to Yours: An Inspiring Book of Poetry, because it's filled with one hundred passages that God has laid on my heart to share with you and your loved ones. To watch lymphoma cancer, ALS (Lou Gehrig's) disease, and a malignant brain tumor take our loved ones' lives would have been unbearable without God's love. These are only a few of the testimonies you'll find as you read this inspiring book. This is the second book that God has blessed me to share with you and others. The first book, God Is Always in My Shadow, was published a few months before this one. From My Heart to Yours: An Inspiring Book of Poetry covers a large spectrum of situations that each of us have to make choices about every day of our lives. I pray these books will answer some of your questions and bless each of you with strength, wisdom, and guidance along the way.

*My Heart* Apr 25 2022 A New York Times Book Review Editors' Choice "Intelligent, honest, and full of heart," My Heart is an intimate work of autobiographical fiction by one of ex-Yugoslavia's greatest writers about his family's experience as refugees from the Bosnian war—a timeless story of love, memory, and the resilience of the human spirit that "has all the qualities one might seek in a friend" (Etgar Keret, author of The Seven Goods Years). "Today, it seems, was the day I was meant to die." When a writer suffers a heart attack at the age of fifty, he must confront his mortality in a country that is not his native home. Confined to a hospital bed and overcome by a sense of powerlessness, he reflects on the fragility of life and finds extraordinary meaning in the quotidian. In this affecting autobiographical novel, Semezdin Mehmedinovic explores the love he and his family have for one another, strengthened by trauma; their harrowing experience of the Bosnian war, which led them to flee for the United States as refugees; eerie premonitions of Donald Trump's presidency; the life and work of a writer; and the nature of memory and grief. Poetically explosive and pure to the core, My Heart serves as a kind of mirror, reflecting our human strengths and weaknesses along with the most important issues on our minds--love and death, the present and the past, sickness and health, leaving and staying.
