Just when it seems life at Mythos Academy can't get any more dangerous, the Reapers of Chaos manage to prove me wrong. It was just a typical night at the Library of Antiquities—until a Reaper tried to poison me. The good news is I'm still alive and kicking. The bad news is the Reaper poisoned someone else instead. As Nike's Champion, everyone expects me to lead the charge against the Reapers, even though I'm still hurting over what happened with Spartan warrior Logan Quinn. I've got to get my hands on the antidote fast—otherwise, an innocent person will die. But the only known cure is hidden in some creepy ruins. And the Reapers are sure to be waiting for me there.

So I'm leaving Mythos and going somewhere far, far away. I know Gwen wonders what's happening to me, whether I'm safe. I can't tell her, but this is my story.

**Tales of the Cthulhu Mythos** Aug 26 2019 "The oldest and strongest emotion of mankind is fear, and the oldest and strongest kind of fear is fear of the unknown." --H. P. LOVECRAFT, "Supernatural Horror in Literature" Howard Phillips Lovecraft forever changed the face of horror, fantasy, and science fiction with a remarkable series of stories as influential as the works of Poe, Tolkien, and Edgar Rice Burroughs. In Tales of the Cthulhu Mythos, a pantheon of horror and fantasy's finest authors pay tribute to the master of the macabre with a collection of original stories set in the fearsome Lovecraft tradition: *The Call of Cthulhu* by H. P. Lovecraft: The slumbering monster-gods return to the world of mortals. *Notebook Found in a Deserted House* by Robert Bloch: A lone farmboy chronicles his last stand against a hungering backwoods evil. *Cold Print* by Ramsey Campbell: An avid reader of forbidden books finds a treasure trove of deadly volumes--available for a bloodcurdling price. *The Freshman* by Philip José Farmer: A student of the black arts receives an education in horror at notorious Miskatonic University. **Mythos Academy Bundle: First Frost, Touch of Frost, Kiss of Frost & Dark Frost** Jan 12 2021 First Frost I am Gwen Frost, and I have a Gypsy gift. It's called psychometry – that's a fancy way of saying that I see images in my head and get flashes of other people's memories off almost everything I touch, even guys. My gift makes me kind of nosy. Okay, okay, maybe a lot nosy--to the point of obsession sometimes. I want to know everything about everyone around me. But even I don't want to know the secrets my friend Paige is hiding or the terrible loss that will send me to a new school – Mythos Academy, where the teachers aren't preparing us for the SATs, but to battle Reapers of Chaos. Now I have no friends and no idea how my gift fits in with all these warrior whiz kids. The only thing I do know is that my life is never, ever going to be the same. . . Touch of Frost My name is Gwen Frost, and I go to Mythos Academy -- a school of myths, magic and warrior whiz kids, where even the lowliest geek knows how to chop off somebody's head with a sword and Logan Quinn, the hottest Spartan guy in school, also happens to be the deadliest. But lately, things have been weird, even for Mythos. First, mean girl Jasmine Ashton was murdered in the Library of Antiquities. Then, someone stole the Bowl of Tears, a magical artifact that can be used to bring about the second Chaos War. You know, death, destruction and lots of other bad, bad things. Freaky stuff like this goes on all the time at Mythos, but I'm determined to find out who killed Jasmine and why – especially since I should have been the one who died... Kiss of Frost Logan Quinn was trying to kill me. My Spartan classmate relentlessly pursued me, swinging his sword at me over and over again, the shining silver blade inching closer to my throat every time. A smile tugged up his lips, and his ice-blue eyes practically glowed with the thrill of battle. . . I'm Gwen Frost, a second-year warrior-in-training at Mythos Academy, and I have no idea how I'm going to survive the rest of the semester. One day, I'm getting schooled in swordplay by the guy who broke my heart--the drop-dead gorgeous Logan who slays me every time. Then, an invisible archer in the Library of Antiquities decides to use me for target practice. And now, I find out that someone at the academy is really a Reaper bad guy who wants me dead. I'm afraid if I don't learn how to live by the sword--with Logan's help--I just might die by the sword. . . Dark Frost I've seen so many freaky things since I started attending Mythos Academy last fall. I know I'm supposed to be a fearless warrior, but most of the time, I feel like I'm just waiting for the next Bad, Bad Thing to happen. Like someone trying to kill me--again. Everyone at Mythos Academy knows me as Gwen Frost, the Gypsy girl who uses her psychometry magic to find lost objects--and who just may be dating Logan Quinn, the hottest guy in school. But I'm also the girl the Reapers of Chaos want dead in the worst way. The Reapers are the baddest of the bad, the people who murdered my mom. So why do they have it in for me? It turns out my mom hid a powerful artifact called the Helheim Dagger before she died. Now, the Reapers will do anything to get it back. They think I know where the dagger is hidden, but this is one thing I can't use my magic to find. All I do know is that the Reapers are coming for me--and I'm in for the fight of my life.

First, mean girl Jasmine Ashton was murdered in the Library of Antiquities. Then, someone stole the Bowl of Tears, a magical artifact that can be used to bring about the second Chaos War. That kinda puts us on the verge of death, destruction and lots of other bad, bad things. Gemma is undercover, trying to figure out who is stealing large amounts of tearstone from one of the Ripley royal mines when she encounters Prince Leonidas Morricone of Morta—her mortal enemy. Gemma tries to steer clear of the handsome prince, but when she finds herself behind enemy lines, she reluctantly joins forces with Leo. Also coming to Gemma’s aid is Grimley, her beloved gargoyle. **Kill the Queen** Oct 09 2020 *Gladiator* meets *Game of Thrones*: a royal woman becomes a skilled warrior to destroy her murderous cousin, avenge her family, and save her kingdom in this first entry in a dazzling fantasy epic from the New York Times and USA Today bestselling author of the *Elemental Assassin* series—an enthralling tale that combines magic, murder, intrigue, adventure, and a hint of romance. In a realm where one’s magical power determines one’s worth, Lady Everleigh’s lack of obvious ability relegates her to the shadows of the royal court of Bellona, a kingdom steeped in gladiator tradition. Seventeenth in line for the throne, Evie is nothing more than a ceremonial fixture, overlooked and mostly forgotten. But dark forces are at work inside the palace. When her cousin Vasilia, the crown princess, assassinates her mother the queen and takes the throne by force, Evie is also attacked, along with the rest of the royal family. Luckily for Evie, her secret immunity to magic helps her escape the massacre. Forced into hiding to survive, she falls in with a gladiator troupe. Though they use their talents to entertain and amuse the masses, the gladiators are actually highly trained warriors skilled in the art of war, especially Lucas Sullivan, a powerful magier with secrets of his own. Uncertain of her future—or if she even has one—Evie begins training with the troupe until she can decide her next move. But as the bloodthirsty Vasilia exerts her power, pushing Bellona to the brink of war, Evie’s fate becomes clear: she must become a fearsome gladiator herself . . . and kill the queen.

*Crimson Frost* Mar 26 2022 High school gets even harder when there’s an evil god on the loose in the New York Times bestselling author’s YA urban fantasy novel. My name is Gwen Frost, and I go to Mythos Academy, a school of myths, magic and warrior whiz kids. And now there’s also Loki, the evil god I helped set free against my will. On the bright side, I finally got a date with Logan Quinn, the hottest—and deadliest—Spartan at Mythos. But I should have known it was destined to end in disaster. If we'd gotten into a swordfight, or been ambushed by Reapers, I'd have been more prepared. I definitely didn't expect to get arrested mid-sip at the local coffee hangout. I'm accused of purposely helping the Reapers free Loki—and the person leading the charge against me is Linus Quinn, Logan's dad. Now pretty much everyone at school thinks I'm guilty. If I'm going to get out of this mess alive, I'll have to do it myself.

**Deadly Sting** Sep 07 2020 The eighth hotly anticipated book in the *Elemental Assassin* series by New York Times bestselling author Jennifer Estep: it’s Gin Blanco's party—and you’ll cry if she wants you to. Red is definitely my color. Good thing, because in my line of work, I end up wearing it a lot. Most people shy away from blood, but for an assassin like me—Gin Blanco, aka the Spider—it’s just part of the job. Still, it would be nice to get a night off, especially when I’m attending the biggest gala event of the summer at Briartop, Ashland’s fanciest art museum. But it’s just not meant to be. For this exhibition of my late nemesis’s priceless possessions is not only the place to be seen, but the place to be robbed and taken hostage at gunpoint as well. No sooner did I get my champagne than a bunch of the unluckiest thieves ever burst into the museum and started looting the place. Unlucky why? Because I brought along a couple of knives in addition to my killer dress. Add these to my Ice and Stone magic, and nothing makes me happier than showing the bad guys why red really is my color.

*Spartan Heart* Sep 19 2021 New school year, same old problems . . . At Mythos Academy, everyone knows exactly who I am: Rory

Forseti, Spartan girl and the daughter of Reapers. Even though I fought alongside my cousin Gwen Frost to save the mythological world from Loki and his evil Reapers of Chaos, I'm still the most hated girl at the academy because of all the horrible things my parents did. I had hoped that this school year would be different, but the other kids just won't let me forget about my parents. But something strange is going on at the Colorado academy. First, I run into a Viking guy who dislikes me more than most. Then I notice some odd artifacts in the Library of Antiquities. I've got my mom's bloodiron sword and my slightly illegal home in the basement of the municipal library. And a couple of Talents I try to keep quiet, including very light fingers and a way with a lock pick. But then some nasty characters bring their Family feud into my friend's pawn shop, and I have to make a call—get involved, or watch a cute guy die because I didn't. I guess I made the wrong choice, because now I'm stuck putting everything on the line for Devon Sinclair.
