Sacred Economics May 15 2021 Sacred Economics traces the history of money from ancient gift economies to modern capitalism, revealing how the money system has contributed to alienation, competition, and scarcity, destroyed community, and necessitated endless growth. Today, these trends have reached their extreme—but in the wake of their collapse, we may find great opportunity to transition to a more connected, ecological, and sustainable way of being. This book is about how the money system will have to change—and is already changing—to embody this transition. A broadly integrated synthesis of theory, policy, and practice, Sacred Economics explores avant-garde concepts of the New Economics, including negative-interest currencies, local currencies, resource-based economics, gift economies, and the restoration of the commons. Author Charles Eisenstein also considers the personal dimensions of this transition, speaking to those concerned with "right livelihood" and how to live according to their ideals in a world seemingly ruled by money. Tapping into a rich lineage of conventional and unconventional economic thought, Sacred Economics presents a vision that is original yet commonsense, radical yet gentle, and increasingly relevant as the crises of our civilization deepen. Empress Jul 17 2021 Such is the voice of Shan Sa's unforgettable heroine in her latest literary masterpiece, *Empress*. Empress Wu, one of China's most controversial figures, was its first and only female emperor, who emerged in the seventh century during the great Tang Dynasty and ushered in a golden age. Throughout history, her name has been defamed and her story distorted by those taking vengeance on a woman who dared to become emperor. But now, for the first time in thirteen centuries, Empress Wu (or Heavenlight, as we come to know her) flings open the gates of the Forbidden City and tells her own astonishing tale—revealing a fascinating, complex figure who in many ways remains modern to this day. Writing with epic assurance, poetry, and vivid

historic detail, Shan Sa plumbs the psychological and philosophical depths of what it means to be a striving mortal in a tumultuous, power-hungry world. *Empress* is a great literary feat and a revelation for the ages.

Patience & Sarah Jun 15 2021 “A remarkable story.”—Publishers Weekly Set in the nineteenth century, Isabel Miller’s classic lesbian novel traces the relationship between Patience White, an educated painter, and Sarah Dowling, a cross-dressing farmer, whose romantic bond does not sit well with the puritanical New England farming community in which they live. They choose to live together and love each other freely, even though they know of no precedents for their relationship; they must trust their own instincts and see beyond the disdain of their neighbors. Ultimately, they are forced to make life-changing decisions that depend on their courage and their commitment to one another. First self-published in 1969 in an edition of one thousand copies, the author hand-sold the book on New York street corners; it garnered increasing attention to the point of receiving the American Library Association’s first Gay Book Award in 1971. McGraw-Hill’s version of the book a year later brought it to mainstream bookstores across the country. *Patience & Sarah* is a historical romance whose drama was a touchstone for the burgeoning gay and women’s activism of the late 1960s and early 1970s. It celebrates the joys of an uninhibited love between two strong women

with a confident defiance that remains relevant today. This edition features an appendix of supplementary materials about Patience & Sarah and the author, as well as an introduction by Emma Donoghue, the Irish novelist whose numerous books include the contemporary Dublin novels *Stir Fry* and *Hood*, the latter of which won the ALA's Gay and Lesbian Book Award in 1995. *Little Sister's Classics* is an Arsenal Pulp Press imprint dedicated to reviving lost and out-of-print gay and lesbian classic books, both fiction and nonfiction. The series is produced in conjunction with *Little Sister's Books*, the heroic gay Vancouver bookstore well-known for its anti-censorship efforts. Isabel Miller was the author of numerous novels, including two under her real name, Alma Routsong. She died in 1996.

Elissa used to have it all: looks, popularity, and a bright future. Now, all she has is nightmarish visions and unexplained bruises. Finally, she’s promised a cure, and a surgery is scheduled. But on the eve of the procedure, she discovers the truth behind her visions: She’s seeing the world through another girl’s eyes. A world filled with pain and wires and weird machines. Elissa follows her visions, only to find a battered, broken girl on the run. A girl—Lin—who looks exactly like Elissa, down to the matching bruises. A twin she never knew existed. Elissa helps Lin evade the government agents who are ruthlessly tracking her down, but they’re struggling to avoid capture, and soon Elissa is forced to turn to the only person who can help: Cadan, her brother’s infuriating, arrogant best friend, and new graduate of the SFI space flight academy. Cadan is their one chance at safety. But Lin is too valuable to let go, and

Elissa has knowledge that is too dangerous. The government will stop at nothing to get them back. “Action-packed and thoroughly engrossing, this novel offers readers a classic sci-fi, space-travel adventure at its best” (BCCB).
