[North to Prosperity](#) Mar 13 2021 [North To Prosperity](#) A Lake Murray Murder Mystery Author Ollie T. Moye uses the osprey as symbol of the many levels of predation in the game of crime & punishment Matt Toliver, a real estate agent falls in love with lovely Krystal Love Loftis, a ravishing beauty and married housewife seeking a prospective family home in an upscale development on Lake Murray's shoreline. Toliver shows her a lake view of the property that interested her. As passion between them heats up to the boiling point, a bizarre and hideous turn of events start the slow unstoppable spiral into tension, violence, and tautly-drawn drama in Ollie T. Moye's North To Prosperity. This moving novel of tragic consequences resulting from a rash romance is peopled with predator and prey, hunters moving with nature that is ultimately a dance of violence and death. Near the novel's beginning, Toliver shows Krystal an osprey nest, and demonstrates how the sea eagle is the apex of the lake who will move north to Prosperity according to an internal compass. The direction that Toliver's life takes after the first engagement in accidental crime becomes the brutally fundamental drive for survival in the lakes' environs. Krystal and Toliver are discovered by a professional bass fisherman while making love. He breaks in on them and Toliver kills him. Krystal goes berserk and Toliver has no choice but to kill her. The first murder victim goes down into 150 feet of lake water; Krystal is buried in an abandoned house's well by Toliver. The novel is a fast-paced and thrillingly long-drawn engagement in the choices made by the many levels of predation involved in the game of crime and punishment. The author is a retired journalist, having been a sports editor, editor and publisher, and also is past president of the South Carolina Press Assn. (More information on author appears under the section, About The Author.)

[To Labor Is To Pray](#) Oct 20 2021 A huge sprawling Southern novel set mainly in Swansboro, and many other counties in North Carolina and Georgia. It covers several generations of commercial fishermen and farmers and shows how their contrast of labors served the South so well from the old time to the present.

The Collected Dialogues of Plato Aug 18 2021 All the writings of Plato generally considered to be authentic are here presented in the only complete one-volume Plato available in English. The editors set out to choose the contents of this collected edition from the work of the best British and American translators of the last 100 years, ranging from Jowett (1871) to scholars of the present day. The volume contains prefatory notes to each dialogue, by Edith Hamilton; an introductory essay on Plato's philosophy and writings, by Huntington Cairns; and a comprehensive index which seeks, by means of cross references, to assist the reader with the philosophical vocabulary of the different translators.

Point the Finger of Blame Apr 13 2021 Jimmy McLeod grows up on a remote Scottish Estate, hoping to follow in his father's footsteps. At the beginning of the Korean War, however, he is called up for national service, and this has far reaching effects on the rest of his life. Unable to stay on the estate on his return, he moves to southern England and works in the building trade. Jimmy's life is far from easy as he continues to struggle to find a settled life for himself. Jimmy's trials include performing as a sniper in the war, clashing with the laird's nephew and being implicated in several murders. With many twists and turns, the book follows Jimmy and his increasingly unpredictable journey through life. The story shows how an ordinary man, through circumstances not all of his making, can find his whole life's course altered. It also demonstrates how, when trained to kill, he can lose his way in life.

The Hanson Legacy May 15 2021 "Cocheta" is a Native American word meaning "That you cannot imagine," an appropriate name for America's "blackest" research facility. Hidden inside a mountain in a remote and inhospitable region of the frigid Canadian Rockies, the massive complex is a high-tech laboratory for a handful of the most brilliant minds on earth. Together, they struggle to understand and duplicate exotic extraterrestrial technology before America's enemies do... or before an unspeakable horror arrives from deep space. Benjamin Hanson, PhD is the project's greatest resource... and a dying man. His ultimate goal: unite the world in developing a defense against what he believes to be a coming invasion. To make it happen, he needs a clever plan. One that will topple a well-established culture of secrecy, allow him to evade those who watch his every move and neutralize a ruthless bureaucrat before the cruel tentacles of incurable cancer rob him of his life. The Hanson Legacy chronicles Ben Hanson's life, from a humble childhood in a rural Oklahoma town to his climactic struggle with an evil, self-absorbed administrator determined to keep secret the other-worldly horrors hidden in Cocheta Mountain... and lethal "accidents" involving more than a dozen retired project scientists. The fate of the entire planet may very well rest on the outcome of Dr. Hanson's vital and final mission. Sacrifice, devotion, duty, honor... and a timeless, beautiful love story that endures vicious tragedy and desolate separation. The Hanson Legacy transcends the Sci-Fi genre and will leave you anxiously waiting for Book Two: The Hanson Conundrum! "The story grabbed me by the throat from the first page and left me almost breathless until the exciting climactic scenes. The characters are strong, superbly developed and totally believable... If you read this book, make sure you have a long flight or a few free days ahead of you --- you won't be able to put it down!" Andrew McLaughlin Editor - Australian Defence Business Review (ADBR) Editor - Defence Industry & Aerospace Report (DIAR.com) Military Editor - Australian Aviation

Will Braxby Jul 25 2019 Flying B Ranch has been the pride of the Braxby family for generations, and Will Braxby is determined to keep the property to the family. No one can separate him from the Braxby family legacy—not his older son and daughter, who have no interest in running the Braxby ranch; not his mentally challenged son's inability to function normally; not his best friend; not his workers; heck, not even God. But how far will his resolve take him when tragedy after tragedy befalls him?

Death Embraces Dec 30 2019 Natalie Pierce awakens to find herself buried in a box that strongly resembles a coffin. After some initial confusion she remembers that she has become a member of a very exclusive club; the living dead. Natalie has three important tasks ahead of her. One: escape from her underground prison. Two: hunt down the creature responsible for imprisoning her. Three: discover who or what is behind the cause of the sentient shadows that only she can see. According to an ancient prophecy, it is her destiny to wipe out the vast bulk of her own kind. Despite all of the weird and wacky powers that Nat has gained, it seems that not even Mortis can avoid her fate. (paranormal romance, fantasy romance, dark fantasy, vampire series, dark fantasy series, paranormal romance series)

Killing for Land in Early California Jun 23 2019 "This is a history of the clash between the White settlers and the Native Americans in what is now an affluent county in California. The frontier wars gave land and gold to Whites and reservations to the Native Americans. Eyewitness accounts and extensive research show the conflicting roles played by the Army, State Legislature and the US Congress"--Provided by publisher.

[The Great Texas Wind Rush](#) Nov 28 2019 In the late 1990s, West Texas was full of rundown towns and pumpjacks, aging reminders of the oil rush of an earlier era. Today, the towns are thriving as 300-foot-tall wind turbines tower above those pumpjacks. Wind energy has become Texas's latest boom, with the Lone Star State now leading the nation. How did this dramatic transformation happen in a place that fights federal environmental policies at every turn? In [The Great Texas Wind Rush](#), environmental reporters Kate Galbraith and Asher Price tell the compelling story of a group of unlikely dreamers and innovators, politicians and profiteers. The tale spans a generation and more, and it begins with the early wind pioneers, precocious idealists who saw opportunity after the 1970s oil crisis. Operating in an economy accustomed to exploiting natural resources and always looking for the next big thing, their ideas eventually led to surprising partnerships between entrepreneurs and environmentalists, as everyone from Enron executives to T. Boone Pickens, as well as Ann Richards, George W. Bush and Rick Perry, ended up backing the new technology. In this down-to-earth account, the authors explain the policies and science that propelled the "windcatters" to reap the great harvest of Texas wind. They also explore what the future holds for this relentless resource that is changing the face of Texas energy.

AWAKE Jul 05 2020 40 years of gray is about the next 15 years and the final generation who will witness the greatest event in the history of the world, the Second Coming and the 1000 year reign of Jesus Christ. How do I know, the Holy Spirit appeared in my living room and told me so. Very soon all of mankind will no longer be able to sit on the fence about the God of the Bible or the god of this world system, you must choose one! When God told Noah to build an Ark, He gave mankind a 100 year warning, is November 2018 the end of the 100 year warning this date is in the Bible. The Psalms 83 war tells about a future war where Israel is about to become the Middle East superpower, this war could start in 2016. Will the Jews place the second stone to the third temple in 2017? November-06-2012 should be known as a national day of suicide, America has gone past the point of no return and will soon fall from its position as the world's leader, China the sleeping giant is about to make their move. Unfortunately for all of secular society time for avoiding the final pope #266 Peter the Roman who will rule during the 7 year tribulation is here. God has numbered the days of Satan's kingdom, it is almost finished! Democratic Socialism exposing one of the biggest secrets on planet earth! Millions of people around the world believe in Extraterrestrials the rulers of darkness are about to be revealed to the human race. The human mind is being prepped for the STRONG DELUSION! Was the 2004 Boston Red Sox the greatest comeback of all times or was there one better? Female Ejaculation it's time to discuss what God was not ashamed to create!

Slavery in Alabama Aug 06 2020 Examines the social and economic aspects of slavery in Alabama. After a discussion of slavery under the imperial rulers of the colonial and territorial periods, Sellers focuses on the transplantation of the slavery system from the Atlantic seaboard states to Alabama.

CAPTAIN BLACK MARK Jan 29 2020 A true story told through the eyes of an Officer who served twenty-two months aboard the LST. The ship was scheduled for a six-month tour in the Mediterranean. On January 7, 1952, the ship sailed into a devastating storm, and six hours later, they were losing cargo overboard. In addition to the loss of cargo, the ship is plagued with a navigator threatened with failure to carry out a direct order. In Malta, the LST hits two water barges and one British LCM. Two crewmen were fighting in Naples return to the ship, where one stabs the other; the LST collides with the refueling tanker; two crewmen fighting aboard ship and one threatens the Exec; forty crewmen end up fighting on the main deck; and a duty officer nearly falls overboard. Finally, the ship is beached in Terceria with a large hole in the bottom of its hull. As if that's not enough, the Captain and Exec bring lady friends aboard the ship; the crew attempts to sail without the Captain and Exec and end up sailing into a force 3 hurricane. Captain Black Mark is the story of all these things. As incredible as it sounds, is it any wonder that the captain develops irrational fixations that his superiors were aware of everything that was happening and that it was these things that prevented him from being promoted.

[Plenty of Blame to go Around](#) Sep 30 2022 "A welcome new account of Stuart's fateful ride during the 1863 Pennsylvania campaign . . . well researched, vividly written, and shrewdly argued." —Mark Grimsley, author of [And Keep Moving](#) On June 1863.

The Gettysburg Campaign is in its opening hours. Harness jingles and hoofs pound as Confederate cavalryman James Ewell Brown (JEB) Stuart leads his three brigades of veteran troopers on a ride that triggers one of the Civil War's most bitter and enduring controversies. Instead of finding glory and victory-two objectives with which he was intimately familiar, Stuart reaped stinging criticism and substantial blame for one of the Confederacy's most stunning and unexpected battlefield defeats. In [Plenty of Blame to Go Around: Jeb Stuart's Controversial Ride to Gettysburg](#), Eric J. Wittenberg and J. David Petruzzii objectively investigate the role Stuart's horsemen played in the disastrous campaign. It is the first book ever written on this important and endlessly fascinating subject. Did the plumed cavalier disobey General Robert E. Lee's orders by stripping the army of its "eyes and ears?" Was Stuart to blame for the unexpected combat that broke out at Gettysburg on July 1? Authors Wittenberg and Petruzzii, widely recognized for their study and expertise of Civil War cavalry operations, have drawn upon a massive array of primary sources, many heretofore untapped, to fully explore Stuart's ride, its consequences, and the intense debate among participants shortly after the battle, through early post-war commentators, and among modern scholars. The result is a richly detailed study jammed with incisive tactical commentary, new perspectives on the strategic role of the Southern cavalry, and fresh insights on every horse engagement, large and small, fought during the campaign.
