The Prince Dec 14 2020 Classic, Renaissance-era guide to acquiring and maintaining political power. Today, nearly 500 years after it was written, this calculating prescription for autocratic rule continues to be much read and studied.

Mastering the New Media Landscape Sep 30 2019 The New Way to Get Noticed The giant brands that once dominated the media landscape—Oprah, the New York Times, NPR, CNN—have seen their monopoly on public attention smashed by the Internet and now find themselves competing with individuals and brands in a sea of micromedia: websites, social media, blogs, podcasts, and more. Ace publicists and marketers Barbara Cave Henricks and Rusty Shelton show that to navigate through this modern terrain, you need to think more like a media executive than a marketer. The key lies in mastering three crucial categories of media—earned, owned, and rented—and knowing how to integrate each for maximum success. By using this proven strategy, you can create a positive feedback loop that will generate massive momentum and grow a large, loyal audience for your message.

The Death Class Nov 12 2020 The poignant, “ powerful ” (The Boston Globe) look at how to appreciate life from an extraordinary professor who teaches about death: “ Poetic passages and assorted revelations you ’ ll likely not forget ” (Chicago Tribune). Why does a college course on death have a three-year waiting list? When nurse Norma Bowe decided to teach a course on death at a college in New Jersey, she never expected it to be popular. But year after year students crowd into her classroom, and the reason is clear: Norma ’ s “ death class ” is really about how to make the most of what poet Mary Oliver famously called our “ one wild and precious life. ” Under the guise of discussions about last wills and last breaths and visits to cemeteries and crematoriums, Norma teaches her students to find grace in one another. In The Death Class, award-winning journalist Erika Hayasaki followed Norma for more than four years, showing how she steers four extraordinary students from their tormented families and neighborhoods toward happiness: she rescues one young woman from her suicidal mother, helps a young man manage his schizophrenic brother, and inspires another to leave his gang life behind. Through this unorthodox class on death, Norma helps kids who are barely hanging on to understand not only the value of their own lives, but also the secret of fulfillment: to throw yourself into helping others. Hayasaki ’ s expert reporting and literary prose bring Norma ’ s wisdom out of the classroom, transforming it into an inspiring lesson for all. In the end, Norma ’ s very own life—and how she lives it—is the lecture that sticks. “ Readers will come away struck by Bowe ’ s compassion—and by the unexpectedly life-affirming messages of courage that spring from her students ’ harrowing experiences ” (Entertainment Weekly).

[Being Strategic](#) Aug 02 2022 STRATEGY? TACTICS? CONFUSED? How many times have you sat in a meeting and heard someone use the word "strategic?" As in: "We're not being very strategic about X." or "We need a strategic plan for project Y." And, if your organization is like most, everyone in the meeting nods wisely, the meeting drones on, people endlessly debate how to approach the situation at hand, with – generally – no one the wiser as to what "strategic" really means. Next time, respond: "Being strategic means consistently making those core directional choices that will best move us toward our hoped-for future. Is this what we're doing?" Everybody talks about strategy, but there is a big gap between discussing strategy, defining strategy and actually being strategic -- so you can accomplish something. This book helps you approach business—and life—strategically, explaining what strategy is, why it's important, and how to do it. Being Strategic offers you a step-by-step model and skills for strategic thought and action that are broadly applicable and thoroughly practical: • First, get clear about the problem you're trying to solve • Then, figure out where you're starting from • Now, imagine your "castle on the hill," the future you want to create. • Identify the "trolls under the bridge"; the obstacles in your path • Next, outline the path to the castle: your core strategies and the tactics for implementing them. • Re-evaluate your strategy and your tactics as conditions change Framed around the story of 13th-century Welsh nobles building an actual castle, and weaving in dozens of real-life examples from her practice, which has helped restaurateur Danny Meyer and many others, noted consultant Erika Andersen offers a complete course in turning around a business, or a life.

The Whispering Town Aug 10 2020 The dramatic story of neighbors in a small Danish fishing village who, during the Holocaust, shelter a Jewish family waiting to be ferried to safety in Sweden. It is 1943 in Nazi-occupied Denmark. Anett and her parents are hiding a Jewish woman and her son, Carl, in their cellar until a fishing boat can take them across the sound to neutral Sweden. The soldiers patrolling their street are growing suspicious, so Carl and his mama must make their way to the harbor despite a cloudy sky with no moon to guide them. Worried about their safety, Anett devises a clever and unusual plan for their safe passage to the harbor. Based on a true story.

The Entrepreneurs Book of Actions: Essential Daily Exercises and Habits for Becoming Wealthier, Smarter, and More Successful Feb 13 2021 The action plan for building your entrepreneurial empire—one day at a time While every entrepreneur knows that the key to success is business growth, few ever see it happen. Don't Spill the Milk! Apr 05 2020 Over the uppy downy dunes, across the dark, wide river and up the steep, steep mountain, Penda lovingly carries a bowl of milk to her father in the grasslands. But will she manage to get it there without spilling a single drop?

The Residence Jan 03 2020 An intimate, behind-the-scenes history of the White House service staff, from the Kennedys to the present America's First Families are unknowable in many ways. No one has insight into their true character like the people who serve their meals and make their beds every day. Full of stories and details by turns dramatic, humorous, and heartwarming, *The Residence* reveals daily life in the White House as it is really lived through the voices of the maids, butlers, cooks, florists, doormen, engineers, and others who tend to the needs of the President and First Family. These dedicated professionals maintain the six-floor mansion's 132 rooms, 35 bathrooms, 28 fireplaces, three elevators, and eight staircases, and prepare everything from hors d'oeuvres for intimate gatherings to meals served at elaborate state dinners. Over the course of the day, they gather in the lower level's basement kitchen to share stories, trade secrets, forge lifelong friendships, and sometimes even fall in love. Combining incredible first-person anecdotes from extensive interviews with scores of White House staff members—many speaking for the first time—with archival research, Kate Andersen Brower tells their story. She reveals the intimacy between the First Family and the people who serve them, as well as tension that has shaken the staff over the decades. From the housekeeper and engineer who fell in love while serving President Reagan to Jackie Kennedy's private moment of grief with a beloved staffer after her husband's assassination to the tumultuous days surrounding President Nixon's resignation and President Clinton's impeachment battle, *The Residence* is full of surprising and moving details that illuminate day-to-day life at the White House.

The Owl Who Asks Why Jul 09 2020 Little Owl and Little Wolf have so many questions for their parents. “Why can't we move our eyes?” “When will I no longer be a pup?” But owls don't ask “Why?” They ask “Whooo?” And wolves don't ask “When?” They ask “Hooow?” Mom and Dad say it's silly to even consider asking those sorts of questions. Feeling teased and misunderstood, Little Owl and Little Wolf decide to run away from home for good. After straying too far from the path, the pair discovers that they're lost in the forest and begin to wonder if they've made the right decision by leaving the pack. Little Owl and Little Wolf realize that the only way to make it back to their families is to not be afraid to ask the right questions, their own way. This heartwarming tale of friendship from author Michelle Garcia Andersen and artist Ayesha Rubio will remind young readers that by staying true to yourself and embracing what makes you unique, good things come to you.

House of Zolo's Journal of Speculative Literature, Volume 2 Sep 22 2021 An Amazon #1 Best Selling title in Science Fiction and Fantasy short stories. A young reptilian endures a painful coming of age... A tailor who refurbishes old clothes struggles to come to terms with the immortality offered by new technologies... While exploring the dark web, a young woman creates a profile on a lesbian dating site for ghosts... Aliens abduct a young man and bring him to a mysterious resort many light years from Earth... A world leader with psychic powers diffuses a deadly international incident... In this much anticipated second volume of speculative literature, authors examine relationships and how technology impacts our connections to each other, to nature, to space and time. The writing in this volume is often dark and rich in satire, yet there are many whimsical moments and a strong undertone of irreverence. Writers deep-dive into challenging themes to bring us stories and poems that explore gender, immortality, the obsolescence of the human body, biohacking, decay, and the evolution of love in a transhuman world. House of Zolo's Journal of Speculative Literature Volume 2 contains twenty-five exceptional stories and poems, curated and edited by Erika Steeves and Nihls Andersen with guest poetry editor Jon Parsons. Featuring: John Andreini, Glen Armstrong, Shaun Avery, Meghan E. Bell, Gustavo Bondoni, Robert Borski, L Chan, William Delman, Alex Robert Franco, Will Isenberg, Daniel Loring Keating, M. Grace Melucci, Laurel Radzieski, Dave Ring, David F. Shultz, J. M. Sinclair, Sravani Singampalli, JE Solo, Lisa Timpf, Dawn Vogel, Tracey Waddleton, Megan Wildhood, Gunnar De Winter, and Peri Dwyer Worrell.

Quiet May 07 2020 SUSAN CAIN'S NEW BOOK, BITTERSWEET, IS AVAILABLE TO PRE-ORDER NOW A SUNDAY TIMES AND NEW YORK TIMES BESTSELLER, THIS BOOK WILL CHANGE HOW YOU SEE INTROVERTS - AND YOURSELF - FOREVER. Our lives are driven by a fact that most of us can't name and don't understand. It defines who our friends and lovers are, which careers we choose, and whether we blush when we're embarrassed. That fact is whether we're an introvert or an extrovert. The most fundamental dimension of personality, at least a third of us are introverts, and yet shyness, sensitivity and seriousness are often seen as a negative. Some of the world's most talented people are introverts - without them we wouldn't have the Apple computer, the theory of relativity and Van Gogh's sunflowers. In Quiet, Susan Cain shows how society misunderstands and undervalues introverts while giving them the tools to better understand themselves and take full advantage of their strengths. Passionately argued, superbly researched, and filled with real stories, whether an introvert or extrovert, this book will change how you see human beings for good. \*\*\*\*\* 'I can't get Quiet out of my head. It is an important book - so persuasive and timely and heartfelt it should inevitably effect change in schools and offices' Jon Ronson, The Guardian 'Susan Cain's Quiet has sparked a quiet revolution . . . Perhaps rather than sitting back and asking people to speak up, managers and company leaders might lean forward and listen' Megan Walsh, The Times 'Maybe the extrovert ideal is no longer as powerful as it was; perhaps it is time we all stopped to listen to the still, small voice of calm' Daisy Goodwin, The Sunday Times

This should be the standard throughout the industry." -Dan Hilbert, Recruiting Manager, Valero Energy Corporation "Performance-based Hiring has been the most successful recruitment tool that we have added to our organization over the past few years. In fact, these tools have not only produced amazing outcomes-in terms of selecting the best fit in an extremely tight labor market-but with a level of success among our operations customers that I have rarely seen with other HR products." -Trudy Knoepke-Campbell, Director, Workforce Planning, HealthEast(r) Care System

Be Bad First Jul 01 2022 We are operating in a world defined by constant connection, rapid change, and abundant choices. News that once took months, even years, to spread now reaches across the globe in seconds. Advances in medicine and science are pushing boundaries with gene therapy and stem cell transplants. And decisions about where and how to work and live are nearly endless. As new knowledge--and the possibilities that arise from that knowledge--propels us forward, leadership readiness expert and renowned author Erika Andersen suggests that success in today's world requires the ability

to acquire new knowledge and skills quickly and continuously--in spite of our mixed feelings about being a novice. In her newest book, *Be Bad First*, Erika explores how we can become masters of mastery; proficient in the kind of high-payoff learning that's needed today. With assessments and exercises at the close of every chapter, she encourages readers to embrace being bad on the way to being great--to be novices over and over again as we seek to learn and acquire the new skills that will allow us to thrive in this fast-changing world.

[Leaving Cloud 9](#) Apr 29 2022 A powerful, heartbreaking, and redemptive account of a boy who endured a childhood of poverty and abuse in an American Southwest trailer park named Cloud 9. Abandoned by his father at age two, Rick Sylvester lived with an abusive mother whose struggles as a member of the working poor led her to drugs, alcohol, theft, and prostitution--and eventually attempted suicide. Rick battled depression, anxiety, and PTSD as the chaos, neglect, and unpredictability of his childhood seemed to doom him to follow in his mother's footsteps. Well into adulthood, Rick stumbled through unemployment and divorce, using drugs and alcohol to numb the pain until he was diagnosed with bipolar disorder. Miraculously, though, he overcame the odds and today is a happy husband and father. How did this happen? Rick's answer is this: "It was the Lord." A message of hope to those who are drowning from an undeserved childhood, *Leaving Cloud 9* speaks to millions who grew up poor, feeling ignored and hopeless, and who need the healing power of God. This indelibly American story conveys the steadfast love of Jesus and his power to deliver us from the most devastating of pasts.

[The Business of Belonging](#) Sep 10 2020 "A tactical primer for any business embarking on the critical work of actively building community."—Seth Godin, Author, *This is Marketing* "This book perfectly marries the psychology of communities, with the hard-earned secrets of someone who's done the real work over many years. David Spinks is the master of this

craft."—Nir Eyal, bestselling author of *Hooked* and *Indistractable* The rise of the internet has brought with it an inexorable, almost shockingly persistent drive toward community. From the first social networks to the GameStop trading revolution, engaged communities have shown the ability to transform industries. Businesses need to harness that power. As business community expert David Spinks shows in *The Business of Belonging: How to Make Community your Competitive Advantage*, the successful brands of tomorrow will be those that create authentic connection, giving customers a sense of real belonging and unlocking unprecedented scale as a result. In his career of over 10 years in the business of building community, Spinks has learned what a winning community strategy looks like. From the fundamental concepts—including how community drives measurable business value and what the appropriate metrics are—to high-level community design and practical engagement techniques, *The Business of Belonging* is an epic journey into the world of community building. This book is for decision makers who want to better understand the value and opportunity of community, and for community professionals who want to level up their strategy. Featuring a foreword by Startup Grind and Bevy cofounder Derek Andersen, it will give you a step-by-step model for strategically planning, creating, facilitating, and measuring communities that drive business growth. Attracting and retaining community members who are also loyal customers, brand evangelists, and leaders—that's the goal for today's connected businesses, and this book is the map to getting there.

**Naptime with Joey Oct 12 2020** From viral Instagram sensation, lifestyle photographer, and mommy blogger Laura Izumikawa comes *Naptime with Joey*, a ridiculously delightful photo book of her now internet-famous daughter dressed up in various pop culture costumes—a perfect gift for new parents everywhere. Lights, Camera...Nap! Joey Marie wears many hats (or, rather, wigs): she's dressed up as Inigo Montoya, Britney Spears, Beyoncé, Pikachu, Anna Wintour, Moana, and Barb from *Stranger Things*. She's taken trips to Hawaii, baked croissants, and blasted off to the moon as an astronaut (at least, in her dreams). She's held occupations such as pizza chef, aerobics instructor, and handy-dandy-fixer-upper (figuratively, of course). She's inspired a parenting blog, been the face of her mom Laura Izumikawa's Instagram account—and for the first time, she's taken the leap from the ranks of internet-baby-snooredom to the pages of a book. *Naptime with Joey* is chockablock full of over a hundred deliciously adorable photos of Joey dressed up as various pop culture characters, movie stars, musicians, vacationers, and holiday-goers, making this the most fun, festive, and downright delightful gift under the sun!

**Lead Positive Feb 25 2022** How to implement effective, magnetic leadership by applying asset-based thinking and shifting your mindset from the negative to the positive *Lead Positive* takes the fundamentals of Asset-Based Thinking (ABT) and turns them into a playbook for successful leadership. ABT is a simple mindset management process that shows people how to make small shifts in perception and thinking to achieve great results. Cramer shows leaders how to apply ABT to shift their attention away from what is negative and learn to intentionally shine the spotlight on the positive, beneficial facts of a situation. As they make this mental shift from negative to positive aspects, they improve their optimism, empathy, and confidence. When their mindset zooms in on what is strong, valuable, and possible, what they say and do is far more likely to inspire others to action. In short, ABT helps leaders shift internally so they can excel externally. *Lead Positive* weaves neuroscience and positive psychology to create effective leadership strategies.

**[Laughing at My Nightmare](#) Jul 29 2019** With acerbic wit and a hilarious voice, Shane Burcaw's *Laughing at My Nightmare* describes the challenges he faces as a twenty-one-year-old with spinal muscular atrophy. From awkward handshakes to having a girlfriend and everything in between, Shane handles his situation with humor and a "you-only-live-once" perspective on life. While he does talk about everyday issues that are relatable to teens, he also offers an eye-opening perspective on what it is like to have a life threatening disease.

**Pieometry Jun 19 2021** New York Times bestseller The pie-making genius behind the popular Instagram account @lokokitchen reveals the secrets of her mind-blowing creations in this gorgeous full-color cookbook featuring 50 incredible sweet and savory pie and tart designs In a few short years, Lauren Ko made all hell bake loose, going from novice pie baker to internet star and creator of today's most surprising and delightful pie and tart designs. Her unique geometric style uses fruit and dough cut and woven into stunning shapes to highlight color and texture. With an elegant symmetry that matches their knockout flavor, her dazzlingly intricate and inventive designs look difficult to produce, but can be achieved with little more than a knife, ruler, and some patience. In *Pieometry*, Lauren reveals her secrets, sharing stories about her designs and the inspiration behind them. Warm and funny, she recounts the spectacular piesasters that led to some of her best creations, and breaks down her most beautiful designs, describing how to make naturally-colored dough, intricate weaves, and striking cut-out patterns. *Pieometry* provides clear, step-by-step instructions, accompanied by helpful photographs, which any patient baker can follow to build these pies from bottom crust to top in their own kitchens. Lauren makes it easy to mix and match

doughs, fruits, fillings, and designs, and each recipe includes suggestions for alternative ingredients. Best of all, the beautiful finished pie and tart photos are just as much of a treat to look at as the pies are to eat. But even if you make a mistake here and there, her flavors save the day! When it comes to flavor, Pieometry offers a balance of sweet and savory pies that are a feast for the senses, including: Of a Shingle Mind: Honey ricotta tart with an herbed pastry shell and beets Berried Treasure: Lavender blackberry cream with a shortbread crust and berries Wave of Wonders: Cardamom coffee cream with a shortbread crust and pear Once in a Tile: Pumpkin black sesame pie with a black sesame crust C and Easy: Butternut bacon macaroni and cheese pie with a whole wheat cheddar chive crust Squiggle Room: Grilled cinnamon pineapple pie with a basic butter crust Whether you want to impress at the holidays or just spruce up a family meal, Pieometry is your guide to transforming a rustic traditional dessert into a modern masterpiece.

The Woman Who Smashed Codes Oct 31 2019 NATIONAL BESTSELLER NPR Best Book of 2017 “ Not all superheroes wear capes, and Elizebeth Smith Friedman should be the subject of a future Wonder Woman movie. ” — The New York Times Joining the ranks of Hidden Figures and In the Garden of Beasts, the incredible true story of the greatest codebreaking duo that ever lived, an American woman and her husband who invented the modern science of cryptology together and used it to confront the evils of their time, solving puzzles that unmasked Nazi spies and helped win World War II. In 1916, at the height of World War I, brilliant Shakespeare expert Elizebeth Smith went to work for an eccentric tycoon on his estate outside Chicago. The tycoon had close ties to the U.S. government, and he soon asked Elizebeth to apply her language skills to an exciting new venture: code-breaking. There she met the man who would become her husband, groundbreaking cryptologist William Friedman. Though she and Friedman are in many ways the "Adam and Eve" of the NSA, Elizebeth 's story, incredibly, has never been told. In *The Woman Who Smashed Codes*, Jason Fagone chronicles the life of this extraordinary woman, who played an integral role in our nation 's history for forty years. After World War I, Smith used her talents to catch gangsters and smugglers during Prohibition, then accepted a covert mission to discover and expose Nazi spy rings that were spreading like wildfire across South America, advancing ever closer to the United States. As World War II raged, Elizebeth fought a highly classified battle of wits against Hitler 's Reich, cracking multiple versions of the Enigma machine used by German spies. Meanwhile, inside an Army vault in Washington, William worked furiously to break Purple, the Japanese version of Enigma—and eventually succeeded, at a terrible cost to his personal life. Fagone unveils America 's code-breaking history through the prism of Smith 's life, bringing into focus the unforgettable events and colorful personalities that would help shape modern intelligence. Blending the lively pace and compelling detail that are the hallmarks of Erik Larson 's bestsellers with the atmosphere and intensity of *The Imitation Game*, *The Woman Who Smashed Codes* is page-turning popular history at its finest.

*Change from the Inside Out* Oct 04 2022 Change initiatives fail because humans are hardwired to return to what's worked for us in the past. This book offers a straightforward process for rewiring ourselves and those we lead to be more change-capable. Erika Andersen says avoiding change has been a historical imperative. In this book, she shows how we can overcome that reluctance and get good at making necessary change. Using a fictional story about a jewelry business changing generational hands, Andersen lays out a five-step model for addressing both this human side of change and its practical aspects: Step 1: Clarify the change and why it's needed—Get clear on what the change is and the benefits it will bring. Step 2: Envision the future state—Build a shared picture of the post-change future. Step 3: Build the change—Bring together a change team, engage key stakeholders, and plan the change. Step 4: Lead the transition—Build a transition plan that supports the human side of the change, then engage the whole organization in making the change. Step 5: Keep the change going—Work to make your organization permanently more change-capable. With opportunities to self-reflect and try out the ideas and approaches throughout, this book is a practical guide to thriving in this era of nonstop change.

*Purpose: The Starting Point of Great Companies* May 19 2021 In *Purpose*, world-renowned thought leader Nikos Mourkogiannis turns the entire idea of leadership on its head and shows that the choice between values and success is no choice at all. Mourkogiannis argues that companies must satisfy the need for purpose—a set of values that defines an organization and inspires and motivates its employees. Rather than organization and structure, ideas are what cause companies to go from good to great. Drawing on examples from across multiple industries, Mourkogiannis demonstrates how a strong purpose is the essential first step toward lasting success.
